

APPLICATION FOR ESTABLISHMENT OF A DESIGNATED OUTDOOR REFRESHMENT AREA

Pursuant to Section 4301.82 of the Ohio Revised Code (“ORC”), John P. Curp, the Interim City Manager and chief executive officer of the City of Cincinnati, respectfully submits this application to City Council for designation and approval of the area depicted and described below as an outdoor refreshment area (referred to herein as the “DORA”), with such area within the College Hill neighborhood along Hamilton Avenue and encompassing community places like Wolterman Memorial Park and the Hollywood Drive-In Theater.

Boundaries of the DORA:

The DORA will cover the above-depicted approximately 26-acre area. Notwithstanding the foregoing, the exact operational boundaries of the DORA may be adjusted or more specifically delineated in the City Manager’s discretion in order to accommodate existing improvements or for health, safety, or other reasonable operational purposes.

A list of all parcels and street addresses included in the DORA are listed below in Exhibit A.

Overview of DORA and Operations

The goal of the DORA is to further enhance the College Hill neighborhood as a destination neighborhood for individuals and families to live and play. The DORA hopes to build off the momentum from the existing and new businesses located in the College Hill business district and attract more establishments to this growing neighborhood.

Approval of the DORA will allow participating bars, restaurants, and other vendors with an appropriate state-issued liquor permit to sell alcoholic beverages in designated cups, plastic bottles, or other non-glass containers to patrons. Patrons will then be legally allowed to depart the establishment or site where the beverage was purchased and move freely around outside within the DORA boundary and with that beverage. The designated cups, plastic bottles (or other non-glass containers) will be sold by eligible brick-and-mortar establishments and may also be sold by other approved outdoor vendors, such as for special events. All vendors must still maintain state-issued liquor permits to sell alcohol and be in good standing with the Ohio Division of Liquor Control in accordance with state law. All property owners and establishments have the option of opting-out of participating in the DORA. In accordance with state law, patrons may only leave establishments with alcoholic beverages in the designated cups, plastic bottles, or other approved containers. Further, no outside alcoholic drinks are permitted—meaning only alcoholic drinks that are purchased in the designated cup, plastic bottle, or other non-glass containers and from a properly permitted vendor in the DORA may be enjoyed outside. Signage, as further described below, will inform patrons of the rules and boundaries of the DORA.

The DORA is being launched in partnership with College Hill Community Urban Redevelopment Corporation (“CHCURC”). CHCURC will contract with the City to provide certain operational and management services for the DORA. This will entail coordinating the requirements for DORA cups sold by the participating businesses in the DORA, and the provision of security and sanitation services to ensure a safe and clean public space.

CHCURC will form a DORA Management Committee that will be responsible for managing stakeholder relationships, market the DORA, maintain signage, and provide DORA window stickers and sell DORA containers to businesses. To ensure that DORA-related litter is addressed, DORA operations will be in-part financed through these existing resources and from revenue collected through the sale of the designated containers and shared with CHCURC, pursuant to an agreement between the CHCURC and the participating businesses that are Qualified Permit Holders (listed below). At this time, CHCURC already provides a host of services and amenities to enhance the area; therefore, by contracting with the CHCURC for operational and management services of the DORA, the City will be able to operate the DORA safely, efficiently, and without any ongoing increased financial commitment by the City.

DORA-Identified Containers and Approval: CHCURC will have the authority to approve of all containers intended for use in the DORA. No DORA container may be sold by participating businesses unless it has been approved for sale by CHCURC. CHCURC will ensure that all DORA containers sold by participating businesses will brandish a DORA-identifying logo that is either printed directly on the container or on a sticker that will be affixed to the container. CHCURC will create and notify the participating businesses of all container requirements and the process for obtaining container approval for sale in the DORA.

Public Health and Safety

The City of Cincinnati and the CHCURC are committed to ensuring the health and safety of patrons of the DORA and cleanliness of the area; therefore, in the contract between the City and CHCURC for operation of the DORA, CHCURC will agree to provide any additional security or sanitary services needed in excess of the current city-provided police and sanitation services.

The City currently has 129 patrol officers on staff in District 5, and 2 to 3 officers will actively patrol during the proposed DORA operation hours. This level of staffing is believed to be adequate to ensure public safety in the DORA. The City and CHCURC will continually assess the public safety needs on an ongoing basis, and CHCURC will agree to provide additional security detail as deemed necessary in the City's reasonable discretion.

The City's Department of Public Services ("DPS") empties the public trash receptacles in the DORA weekly. Each run requires one staff member per truck. There are multiple trash receptacles located on corners in the highest trafficked intersections/areas of the DORA. CHCURC maintenance team, consisting of 4 full-time staff members, will also monitor and provide frequent upkeep to Hamilton Avenue. Similar to the security needs, the City will continue with the current level of services, and the City believes the current DPS staffing levels and services in conjunction with the supplementary cleaning services are sufficient to adequately maintain the appearance and public health in the DORA. However, the City and the CHCURC will continually assess the service levels and staffing needs and CHCURC will provide any supplementary cleaning and sanitation services needed to keep the DORA area in a clean, safe, and sanitary state. CHCURC will agree to increase staffing as needed to meet this standard.

Hours of Operation

The DORA will operate from 5:00 PM- 11:00 PM Monday through Friday and 12:00 PM- 11:00 PM Saturday and Sunday. Notwithstanding anything herein to the contrary, the City Manager will retain the discretion to temporarily suspend the operations of the DORA or alter operational parameters at his or her sole discretion if determined necessary for public health, safety, or welfare.

Signage

In accordance with ORC 4301.82(F), clearly marked signs will delineate all boundaries of the DORA. Additionally, signage will be placed within the DORA to notify patrons of the rules of operation. This signage will be a mix of “sidewalk tattoos,” which will be printed on the sidewalk and traditional signage. The sidewalk tattoos are semi-permanent adhesives that are placed on the sidewalk. Examples of the proposed DORA sidewalk tattoo and signage designs are depicted in Exhibit B. The signage will be paid for and maintained by CHCURC throughout the life of the DORA.

The proposed plan for signage is to include street signage and tattoos along the boundaries of the DORA, with an estimated twenty-signs needed to clearly demarcate the boundary, spaced not more than 1,000 feet apart along the boundary, and made conspicuous to pedestrians. Additional signs will be added in the interior to demarcate operational boundaries, as determined necessary by the City Manager. The numbers of signs and spacing may be increased or decreased in the City Manager’s discretion, and the City and CHCURC will assess the need for changes to signage on an ongoing basis.

Additional Rules and Requirements

The City Manager may establish additional rules and regulations for operation of the DORA and will update such rules and regulations from time to time as deemed necessary for public health, safety, or operational purposes; provided however, such rules will always require that all alcoholic drinks served to be consumed outside of establishments within the DORA shall be served in a designated cup, plastic bottle, or other non-glass container.

Special Events

The DORA will provide additional flexibility for events in College Hill. The City Manager will work with CHCURC to develop operational parameters for hosting special events within the DORA that balance interests of all stakeholders.

Nature of Establishments

In accordance with ORC 4301.82(B)(2), the nature and types of establishments that will be located within the DORA are a broad array of institutions, businesses, and uses, including the Wolterman Memorial Park, offices, retail stores, fitness centers, residences, a drive-in theater, and several drinking and dining establishments. There is no intention of changing the nature and types of establishments in the area. Instead, once operational, the DORA will support this existing eclectic mix of establishments by attracting additional customers, residents, and workers. A current list of existing establishments is below:

Land Use & Zoning

In accordance with ORC 4301.82(B)(4) and as depicted below, the proposed DORA in the College Hill neighborhood is in accordance with the City's Comprehensive Plan, Plan Cincinnati (2012). Specifically, the DORA is in line with the Compete and Live Initiative Areas as it will cultivate our position as the most vibrant and economically healthiest part of our region.

Attached as Exhibit C is a letter from Cincinnati's Department of City Planning confirming that the uses of land within the DORA are permitted and in accordance with Cincinnati's master zoning plan.

Community Support, Public Notice, and Legislative Approval Process

To date, there has been significant community support expressed for the DORA. Please see Exhibit D for submitted letters.

Following filing of this application with the Clerk of Council and in accordance with ORC 4301.82(C), the Clerk will publish public notice of this application in the Cincinnati Enquirer. The notice will indicate that the application is on file and available for inspection in the Clerk's Office. Additionally, the application will be available for review on Council Online. Further, the notice will indicate the date and time of the identified City Council committee hearing to which the authorizing legislation has been referred to provide for a public hearing on the proposal.

Department of City Planning Letter

Dear Mr. John P. Corp,

This letter serves as a confirmation that the proposed Designated Outdoor Refreshment Area (DORA) as depicted below in the College Hill neighborhood is in accordance with the City's Comprehensive Plan, *Plan Cincinnati* (2012). Specifically, the DORA is in line with the Compete and Live Initiative Areas as it will cultivate our position as the most vibrant and economically healthiest part of our region as well as help support the College Hill neighborhood.

College Hill's burgeoning business district serves as a bridge between Cincinnati and the city's northern suburbs. Instituting a DORA complements the work already being completed in the neighborhood and furthers Cincinnati as a destination in the metro region. We anticipate that this DORA will foster continued investment in the area, and we look forward to helping see this project to its completion.

Sincerely,

Dear Markiea,

As the President of the College Hill Forum community council, I am happy to tell you that our membership voted at a regular monthly Forum meeting in August 2021 to support the addition of a Designated Outdoor Refreshment Area (DORA) to College Hill's Community Entertainment District. We believe that this program will positively impact the businesses and residents in our community and aid in the revitalization of our Hamilton Avenue business district.

The DORA is another critical tool to help us achieve our long-time vision of a walkable business district, with residents and visitors on the streets and sidewalks of our business district and will help support all businesses, not just food and drink establishments, along Hamilton Avenue during and following these difficult COVID-19 times.

Thank you for your help in bringing College Hill to this point of redevelopment and revitalization and for all of the City's support over the years to bring our community and our business district back to life.

Sincerely,

Dear Markiea,

As the owner of College Hill Coffee Co., I am writing to support the addition of a Designated Outdoor Refreshment Area (DORA) to College Hill's Entertainment District. I believe that the College Hill business district and residents of the College Hill community, are both ready for such a program. The DORA would enhance our community's offerings, while enhancing our ability to become a destination neighborhood. The DORA program will be a positive impact for our neighborhood, it will directly add to our existing and ongoing revitalization efforts along the Hamilton Avenue business district.

The DORA would be yet another element needed to help attain our long time vision of a walkable, vibrant, community minded, business district. The DORA would enhance our communities planned events, bringing more foot traffic and making our destination more desirable. It has become more important than ever, to help support all businesses along the Avenue, during these difficult COVID times.

Thank you for your support in helping our College Hill community, and with all of the City of Cincinnati's help over the years in bringing our business district back to life.

Cincinnati, OH 45202

Dear Markiea,

As the co-founder of MashRoots, I am writing to support the addition of a Designated Outdoor Refreshment Area (DORA) to College Hill's Community Entertainment District. I believe that this program will positively impact the businesses and residents in our community and aid in the revitalization of our Hamilton Avenue business district.

The DORA is a critical tool to help us achieve our long time vision of a walkable business district and more important than ever to help support businesses along Hamilton Avenue during these difficult COVID-19 times.

Thank you for your help in bringing a College Hill and with all of the City of Cincinnati's support over the years to bring our business district back to life.

Sincerely,

Guillermo Vidal
