MOTION

We move that the Clerk of Council be registered with the State of Ohio, Office of the Attorney General as the public records training designee representing the Mayor and Members of Council for the 2022-2024 term.

Statement

State House Bill 9 requires all elected officials to attend public records training offered by the Ohio Offices of the Attorney General and Auditor or to assign a designee to represent them. Each elected official is required to attend the (3) three-hour records training session on-line or in person each term in which they are elected to serve in office if a designee is not assigned. This does not prohibit the Mayor or any Member from attending the courses in conjunction with the designee.
