GRANT OF EASEMENT

(encroachments upon a portion of Neave St.)

This Grant of Easement is granted as of the Effective Date (as defined on the signature page hereof) by the **CITY OF CINCINNATI**, an Ohio municipal corporation, 801 Plum Street, Cincinnati, OH 45202 (the "**City**"), in favor of **LPH THRIVES, LLC**, an Ohio limited liability company, with a tax mailing address of 114 W. 14th Street, Cincinnati, OH 45202 ("**Grantee**").

Recitals:

A. By virtue of a *Quitclaim Deed* recorded on August 2, 2021, in OR 14471, Page 4088, Hamilton County, Ohio Records, Grantee holds title to certain real property located at 644 Neave Street, Cincinnati, OH 45204, as more particularly described on Exhibit A (*Legal Description – Benefitted Property*) and depicted on Exhibit B (*Survey Plat*) hereto (the "**Benefitted Property**").

B. The City owns the adjoining Neave Street public right-of-way, which is under the management of the City's Department of Transportation and Engineering ("**DOT**").

C. Grantee has requested the City to grant an easement for stoop and handrail encroachments on and across the Neave Street public right-of-way (the "**Encroachments**").

D. The City Manager, in consultation with DOT, has determined that (i) the easement will not have an adverse effect on the City's retained interest in the Neave Street public right-of-way, and (ii) granting the easement will not have an adverse effect on the usability or accessibility of any existing Neave Street public right-of-way facilities.

E. The City's Real Estate Services Division has determined that the fair market value of the easement, as determined by professional appraisal, is \$115, which has been deposited with the Real Estate Services Division.

F. City Planning Commission, having the authority to approve the change in the use of City-owned property, approved the easement at its meeting on March 4, 2022.

G. Cincinnati City Council approved the easement by Ordinance No. [____]-2022, passed on [____], 2022.

NOW THEREFORE, the parties do hereby agree as follows:

1. Grant of Easement. The City does hereby grant to Grantee, on the terms and conditions set forth herein, as an appurtenance to and for the benefit of the Benefitted Property, a non-exclusive encroachment easement to use, maintain, repair, reconstruct, replace, and remove a stoop and handrail in, on, and across the Neave Street public right-of-way, as more particularly depicted on Exhibit B and described on Exhibit C (*Legal Description-Stoop Easement*) hereto (the “**Stoop Easement**” or “**Stoop Easement Area**”, as applicable). Grantee shall not make any modifications to the Encroachments within the Stoop Easement Area without the City’s prior written consent.

2. Termination. Notwithstanding anything herein to the contrary, the Stoop Easement shall automatically terminate upon (i) the complete or partial demolition of the Encroachments within the Stoop Easement Area, such that the Stoop Easement would be rendered unnecessary; (ii) upon written notice from the City, if the City determines that it needs the Stoop Easement Area, or any portion thereof for a municipal purpose, including, without limitation to the implementation of Americans with Disabilities Act (“**ADA**”) regulations compliance or accessibility standards; (iii) or upon written notice from the City if the City determines that the Encroachments are creating a public safety issue, such as noncompliance with ADA accessibility regulations, contributing to adverse impacts on the usability or accessibility of any public right-of-way facilities.

3. Maintenance and Repairs. At no cost to the City, Grantee shall maintain the Encroachments in a continuous state of good and safe condition and repair. Grantee acknowledges that there may be existing easement, utility lines, and related facilities in the vicinity of the Stoop Easement Area (“**Third-Party Utility Lines**”). In connection with Grantee’s maintenance, repair, and use of the Encroachments, Grantee shall not interfere with the access of utility companies to maintain and repair the Third-Party Utility Lines and shall, at Grantee’s expense, promptly repair any and all damage to Third-Party Utility Lines caused by Grantee, its agents, employees, contractors, subcontractors, tenants, licensees, or invitees. Any relocation of Third-Party Utility Lines necessitated by the maintenance, repair, reconstruction, removal, or sealing of the Encroachments under this instrument shall be handled entirely at Grantee’s expense. All activities undertaken by Grantee under this instrument shall be in compliance with all applicable codes, laws, and other governmental standards, policies, guidelines and requirements.

4. Insurance; Indemnification. At all times, and in addition to whatever other insurance and bond requirements as the City may from time to time require, Grantee shall maintain or cause to be maintained a policy of Commercial General Liability insurance, with an insurance company reasonably acceptable to the City and naming the City as an additional insured, in an amount not less than \$1,000,000 per occurrence, combined single limit/\$1,000,000 aggregate, or in such greater amount as the City may from time to time require. Grantee shall furnish to the City a certificate of insurance evidencing such insurance upon the City’s request and, in any event, prior to undertaking any construction activities within the Stoop Easement Area. Grantee hereby waives all claims and rights of recovery against the City, and on behalf of Grantee’s insurers, rights of subrogation, in connection with any damage to the Encroachments, no matter how caused. Grantee shall defend (with counsel reasonably acceptable to the City), indemnify, and hold the City harmless from and against any and all claims, actions, losses, costs (including without limitation reasonable attorneys’ fees), liability and damages suffered or incurred by, or asserted against, the City in connection with the use, maintenance, repair, and all other matters associated with the Encroachments.

5. Default. If Grantee, its successors-in-interest, or assigns fail to perform any required work under this instrument and fails to address the same to DOTE’s satisfaction within thirty (30) days after receiving written notice thereof from DOTE, the City shall have right to perform such work, at Grantee’s expense, payable within ten (10) days after receiving an invoice from DOTE evidencing the amount due. Grantee, its successors-in-interest, or assigns shall be liable to DOTE for the payment of such work. Any outstanding amount due under this instrument shall create a lien on the Benefitted Property until fully

paid. At the City's option, the City may file an affidavit in the Hamilton County, Ohio Recorder's office to memorialize any outstanding amounts due under this instrument.

6. Covenants Running with the Land. The provisions hereof shall run with the land and shall inure to the benefit of and be binding upon the City, Grantee, and their respective successors-in-interest and assigns.

7. Governing Law; Severability. This instrument shall be governed by and construed in accordance with the laws of the City of Cincinnati and the State of Ohio. If any provisions hereof are determined to be invalid or unenforceable by a court of law, the remainder of this instrument shall not be affected thereby, and all other provisions of this instrument shall be valid and enforceable to the fullest extent permitted by law.

8. Notices. All notices given hereunder shall be in writing and shall be sent by U.S. certified or registered mail, return receipt requested, or delivered by a recognized courier service, or by personal delivery, to the parties at their respective addresses set forth in the introductory paragraph hereof or such other address as either party may specify from time to time by notice given in the manner prescribed herein. All notices to the City shall be addressed to the Office of the City Manager, and a copy of each such notice shall simultaneously be delivered to: Department of Transportation and Engineering, Attn: Director, Room 450.
