Hazard Pay for our Frontline Workers
MOTION

Many of our frontline workers receive some of the lowest wages. They have shown up to work every day during this pandemic, and **WE MOVE** that the Administration pursue a lump-sum payment of no less than \$1,000 in “Hazard Pay” for these lower-wage, critical frontline workers who deliver core services that citizens depend on from their city government.

Specifically, frontline workers represented by AFSCME, or the American Federation of State, County and Municipal Employees - such as our nurses and sanitation workers - should receive this lump-sum payment. AFSCME has some 1,800 City employees who are unable to work from home, deliver core services that our residents depend on, and are paid, on average, less than most other City staff.
