Subject: Ordinance – Health: National Association of County and City Health Officials (NACCHO) Grant

Attached is an Ordinance captioned:

AUTHORIZING the City Manager to apply for, accept, and appropriate a grant in the amount of \$20,000 from the National Association of County and City Health Officials for the purpose of providing one-on-one technical assistance to the Cincinnati Health Department to translate “Strengthening Capacity in Suicide, Overdose, and Adverse Childhood Experiences Prevention for Local Health Departments” results into actionable guidance to improve internal capacity for addressing the intersection of suicide, overdose, and adverse childhood experiences; and further **AUTHORIZING** the Director of Finance to deposit the grant funds into Public Health Research Fund 350x8571.

This Ordinance would authorize the City Manager to apply for, accept and appropriate a grant in the amount of up to \$20,000 from the National Association of County and City Health Officials (NACCHO) for the purpose of providing one-on-one technical assistance to the Cincinnati Health Department to translate “Strengthening Capacity in Suicide, Overdose, and Adverse Childhood Experiences Prevention for Local Health Departments” (SPACECAT) results into actionable guidance to improve internal capacity for addressing the intersection of suicide, overdose, and adverse childhood experiences. This Ordinance would also authorize the Director of Finance to deposit the grant funds into Public Health Research Fund 350x8571.

No new FTEs are associated with the grant, and the grant resources do not require matching local funds. The Cincinnati Health Department applied for the grant on February 18, 2022, and was notified of the grant award on March 8, 2022, but no grant funds will be accepted without approval of the City Council.

This Ordinance is in accordance with the “Sustain” goal to “[b]ecome a healthier Cincinnati” as described on page 181 of Plan Cincinnati (2012).

The Administration recommends passage of this Ordinance.
