---

Attached is an Emergency Ordinance captioned:

**APPROVING AND AUTHORIZING** the City Manager to execute a Community Reinvestment Area Tax Exemption Agreement with So Much Better, LLC, thereby authorizing an eight-year tax exemption for 100 percent of the value of improvements made to real property located at 635 Main Street in the Central Business District of Cincinnati, in connection with the remodeling of an existing building into approximately 1,920 square feet of commercial space and 1,720 square feet of office space, at a total construction cost of approximately \$557,501.

#### **BACKGROUND/CURRENT CONDITIONS**

The property is located at 635 Main Street near the corner of Main and E. 7<sup>th</sup> Street in the Central Business District. This historic building is approximately 150 years old and currently sits vacant. The building previously was home to the Hathaway Stamp company and at one point was a women's hat shop. Throughout the life of the building, the ground floor has primarily been used as a commercial space, with the remaining floors being used as storage space. This project will renovate the two lower floors of the building into a reception space and law offices. The building is in excellent structural condition and maintains its historic façade.

#### **DEVELOPER INFORMATION**

So Much Better, LLC is headed by Christopher P. Finney, owner of Finney Law Firm, the Project's future commercial tenant. Mr. Finney and his affiliated companies have been involved in several development projects, including the restoration and conversion of the adjacent property, 633 Main Street, into three residential condos and a hair salon. Other projects that Mr. Finney and his associates have completed include the renovation of a 16,000 sq. ft. office space at 7373 Beechmont Avenue, the renovation of a 14-unit office building in Ft. Thomas, Kentucky, the development and sale of the Massie's Point and Todd's Fork residential subdivisions, and the ownership and sale of numerous other residential units around the region.
