This Ordinance authorizes the City Manager to apply for, accept, and appropriate a grant of up to \$25,000 from the Ohio Lead Poisoning Prevention Program, funded by the Ohio Department of Health, to assist in reducing lead exposure of children in high-risk communities through education and outreach activities during the Healthy Homes Awareness Month in April 2025. This Ordinance further authorizes the Finance Director to deposit the grant funds into Public Health Research Fund revenue account no. 350x8536.

There are no new FTEs/full time equivalents associated with this grant and no local match is required.

The Cincinnati Health Department has already applied for the OLPPP grant. However, no grant funds will be accepted prior to authorization from the City Council.

Acceptance of the OLPPP grant is in accordance with the “Sustain” goal to “[b]ecome a healthier Cincinnati” as described on pages 181-192 of Plan Cincinnati (2012).

The Administration recommends passage of this Ordinance.
