

**MODIFYING** Title VII, “General Regulations,” of the Cincinnati Municipal Code by **AMENDING** Section 723-41, “Regulations,” of Chapter 723, “Streets and Sidewalks, Use Regulations,” to authorize the issuance of revocable street privileges for minor right-of-way uses and the promulgation of related rules and regulations in order to promote the safe, orderly, efficient, and flexible management of the City’s right-of-way.

WHEREAS, revocable street privileges are the primary tool the City uses to authorize and manage private use and occupancy of the public right-of-way; and

WHEREAS, the Cincinnati Municipal Code specifically authorizes the issuance of revocable street privileges for certain enumerated uses, but it does not address the full breadth of requests for right-of-way uses and occupancies that the City Administration regularly fields in connection with its management of the City’s right-of-way; and

WHEREAS, the City Council desires to authorize the issuance of minor revocable street privileges not otherwise regulated by the Cincinnati Municipal Code and the establishment of corresponding rules and regulations to promote the safe, orderly, efficient, and flexible management of the City’s right-of-way; and

WHEREAS, Council seeks to promote and foster an active, accessible, and aesthetically pleasing urban environment for the benefit of the City and its citizens; now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That Section 723-41, “Regulations,” of Chapter 723, “Streets and Sidewalks, Use Regulations,” of the Cincinnati Municipal Code is hereby amended to read as follows:

In addition, the rules and regulations shall promote the orderly, efficient, and flexible management of the public right-of-way.
- (c)All rules and regulations established pursuant to subsection (a) and modifications thereto shall be published and made available for public review on the City's website for a period of no less than 14 days prior to their effective date.
- (d)No rules and regulations established pursuant to subsection (a) or modifications thereto shall be effective until approved as to form by the city solicitor and signed by the city manager and the director of the department of transportation and engineering.
