In 2015, Cincinnati City Council voted to ban conversion therapy in the city. This “therapy” attempts to change a person’s sexual orientation or gender identity and has been widely discredited and proven harmful.

On March 31st, 2026, the Supreme Court ruled against Colorado’s ban on conversion therapy in *Chiles v. Salazar*, ruling that the ban was an unlawful violation of free speech. This could result in conversion therapy bans all across the country being struck down and putting countless LGBTQ+ youth in danger.

The Supreme Court’s opinion focused on specific portions of Colorado’s ban that are similar to Cincinnati’s ban. With some wording changes, it is possible to preserve the law and continue to protect Cincinnati’s LGBTQ+ youth.

WE MOVE that the Law Department review Chapter 769 of the Cincinnati Municipal Code “Sexual Orientation or Gender Identity Change Efforts” and suggest any changes to protect the law against challenges as a result of *Chiles v. Salazar*.

Subject: Emergency Ordinance – AUTHORIZING A PROPERTY SALE AND DEVELOPMENT AGREEMENT WITH PLANT PRESS PROPERTIES, LLC.

Attached is an Emergency Ordinance captioned:

APPROVING AND AUTHORIZING the City Manager to execute a Property Sale and Development Agreement with Plant Press Properties, LLC, for the sale of City-owned real property located at 1318 Boyd Street in the Northside neighborhood of Cincinnati, to facilitate the company's construction of a two-story duplex consisting of two residential rental units, at an estimated total project cost of approximately \$272,900.

STATEMENT

HOUSING: The additional housing units this project will provide will go toward helping to alleviate Cincinnati's strained housing market, which is currently experiencing increasing affordability issues due to lack of supply.

BACKGROUND/CURRENT CONDITIONS

1318 Boyd Street is a Cincinnati Land Reutilization Program (CLRP) property owned by the City of Cincinnati in the Northside neighborhood near the Northside Business District. The lot is approximately 0.07 acres and is zoned SF-2. It is a rectangular-shaped lot with approximately 26 feet of frontage on the north side of Boyd Street. The site is currently vacant land.

In 2022, DCED released a Request for Proposals (RFP) for the site after receiving continual expressed interest in the property from the development community over the prior years. The RFP remained open for three (3) months and DCED staff presented it to the Northside Community Council. There were no responses to the RFP, which closed December 9, 2022.

DEVELOPER INFORMATION

Plant Press Properties LLC is owned and operated by Aaron Leow. Mr. Leow is a citizen of Cincinnati looking to invest in and develop on the site of 1318 Boyd Street. DCED received an application (Application to Purchase Cincinnati Land Reutilization Program

Property) from Aaron Leow who expressed interest in purchasing this property after the zero submission RFP. This will be Mr. Leow's first project in the City of Cincinnati.

PROJECT DESCRIPTION

Aaron Leow will construct one (1) new, two-story, LEED certified building. The project will contain two (2) naturally affordable rental units, both being one (1) one-bedroom units. Projected rents are \$750 - \$850. Total project cost, excluding acquisition, is estimated to be \$238,900.

PROPOSED INCENTIVE

DCED is recommending a sale to Aaron Leow at fair market value of \$34,000. The recommendation is based on the determination that Aaron Leow has presented an advantageous proposal for the redevelopment of the vacant property. The proposed project will activate the site by adding two (2) new units of housing in Northside.

2. Closing and Conditions to Closing.

(A) Conditions. The Closing shall not occur unless and until each of the following conditions, including any and all other conditions as may be identified in the City's Coordinated Report No. 105-2024 (collectively, the "**Conditions**") have been satisfied or waived in writing by the City, at the City's sole and absolute discretion; *provided, however*, that if the City, in its sole and absolute discretion, determines that one or more of the Conditions would be more appropriately handled at Closing or post-Closing, the City may, if appropriate, include such Conditions in the Deed (as defined below) or handle such Conditions post-Closing:

- (i) *Title and Survey:* Developer shall have approved the title to the Property as set forth in a commitment of title insurance obtained by Developer and in an ALTA property survey of the Property.
- (ii) *Geotechnical and Environmental Condition:* Developer shall be satisfied that the geotechnical and environmental condition of the Property is acceptable for development of the Project.
- (iii) *Developer Inspections:* Developer shall have determined from any inspections and investigations made pursuant to this Section 2, including marketing studies, traffic studies, feasibility studies, and any other studies and investigations related to the Property or the Project that Developer may elect to conduct or have conducted, that the Property and the conditions and circumstances surrounding the Property are suitable for development, construction, and use of the Project in an economically feasible manner.
- (iv) *Financing:* Developer shall have delivered to the City a satisfactory loan commitment or letter from Developer's lender or other documentation evidencing that Developer has secured or will be able to secure all financing necessary to complete the Project.
- (v) *Scope and Budget:* Developer shall have delivered to the City a detailed and updated scope and budget for the Project.
- (vi) *Final Budget and Construction Contract:* Developer shall have obtained and delivered to the City final construction bids and a final budget for construction of the Project and an executed copy of Developer's construction contract with Developer's general contractor for the Project.
- (vii) *Building Permit and Zoning Approvals:* Developer shall have secured all zoning and permitting approvals necessary to construct the Project.
- (viii) *Construction Schedule:* Developer shall have delivered to the City the proposed construction schedule for the Project.

- (x) *Coordinated Report Conditions:* Developer shall have satisfied the conditions set forth in the City's Coordinated Report No. 105-2024, which conditions are summarized in Section 11 below.
- (xi) *Project Completion:* Based upon all information then available to the City, the City must be reasonably satisfied that Developer has attained or will attain all approvals and awards necessary to complete the Project, has made no false or misleading

claims to the City regarding the Project, and is otherwise prepared, able, and ready to complete the Project in accordance with the requirements of this Agreement.

- (xii) *Continued Compliance:* Developer shall be in compliance with all obligations under this Agreement and all representations made by Developer under this Agreement or any other document executed between Developer and the City related to the Project shall continue to be true and accurate.
- (xiii) *Other Information:* Developer shall have provided such other information and documents pertaining to Developer or the Project as the City may reasonably require.

All of the due diligence materials, investigations, and documents referred to in this paragraph (A) shall be performed and obtained, as the case may be, at no cost to the City.

(B) Copies of Due Diligence Materials to Be Provided to City. Once the aforementioned materials in this Section have been provided by Developer as a Condition and have been approved by the City, Developer shall not make or permit any changes thereto without the prior written consent of the Director of DCED. Without limitation of Developer's other obligations, prior to Closing, and as such due diligence materials are obtained by Developer, Developer, at no cost to the City, shall provide DCED with copies of the inspection, engineering, and environmental reports, title reports, surveys, and other materials prepared by third party professionals obtained by Developer prior to Closing that pertain to the Project or the Property, or are otherwise related to anything authorized pursuant to the terms and conditions of this Agreement.

(C) Developer's Right of Entry. Prior to Closing, Developer may enter the Property during reasonable business hours to conduct tests and inspections related to the Project, *provided that* Developer must provide DCED at least 24 hours' notice prior to entering the Property. Developer shall promptly repair any damage to the Property resulting from its inspections and Developer shall hold the City harmless from any loss or expense arising out of Developer's activities on the Property. Entry shall be at the sole risk of Developer.

(D) Right to Terminate. If prior to Closing, either party determines, after exercising reasonable good faith efforts, that any of the Conditions are not or cannot be satisfied within a reasonable period of time, such party shall have the right to terminate this Agreement by giving written notice thereof to the other party, whereupon this Agreement and all rights and obligations of the parties hereunder shall terminate. If all of the Conditions have not been satisfied to the satisfaction of both parties or waived in writing and for that reason the Closing has not occurred as of June 1, 2026, the City, in its sole and absolute discretion, may terminate this Agreement and all rights and obligations of the parties hereunder by giving written notice thereof to Developer.

(E) Closing Date. Subject to the terms and conditions of this Agreement, the purchase of the Property by Developer and the sale and conveyance of the Property by the City to Developer (the "**Closing**") shall take place no later than 3 months following the Effective Date of this Agreement, or such earlier or later date upon which the parties mutually agree. Under no circumstances shall Developer use insufficient funds as the justification for requesting an extension of such date.

(F) Closing Costs and Closing Documents. At the Closing, (i) Developer shall pay the City the Purchase Price in full, and (ii) the City shall convey all of its right, title, and interest in and to the City Property to Developer by Quitclaim Deed substantially in the form of Exhibit C (Form of Quitclaim Deed) hereto (the "**Deed**"). Developer shall pay all Hamilton County, Ohio, recording fees and any and all other customary closing costs associated with the Closing such that the City shall not be required to come up with any funds for the Closing. There shall be no proration of real estate taxes and assessments at Closing, and from and after the Closing, Developer and its successors in title, shall pay all real estate taxes and assessments thereafter becoming due. At Closing, the parties shall execute a closing statement and any and all other customary closing documents that are necessary for the Closing (except that the City shall not be required to execute a title affidavit or the like). Pursuant to Section 301-20, Cincinnati Municipal Code, at Closing, Developer shall pay to the City any and all unpaid related and unrelated fines, penalties, judgments, water or other utility charges, and any and all other outstanding amounts owed to the City by Developer or any of

its affiliated entities. The provisions of this Agreement shall survive the City's execution and delivery of the Deed and shall not be deemed to have been merged therein.

(G) Maintenance of Property Between Closing and Prior to Construction Commencement. Between the Closing and Construction Commencement (as defined below), Developer, at no expense to the City, shall maintain the Property in presentable condition, including keeping the site reasonably free of debris and other unsightly materials.

(H) Environmental Indemnity. As a material inducement to the City to enter into this Agreement, Developer does hereby agree that, with respect to any environmental condition on or otherwise affecting the Property that exists at or prior to the time of the City's execution of this Agreement (herein, a "**Pre-existing Environmental Condition**"), and regardless of whether or not such Pre-existing Environmental Condition is described in any environmental assessment or any other environmental report that may have been previously furnished by Developer to the City or otherwise obtained by the City, Developer shall (i) at no expense to the City, promptly take all steps necessary to remediate such Pre-existing Environmental Condition, within a reasonable time after discovery, to the satisfaction of the City's Office of Environment and Sustainability, and (ii) defend, indemnify, and hold the City harmless from and against any and all actions, suits, claims, losses, costs (including, without limitation, attorneys' fees), demands, judgments, liability, and damages suffered or incurred by or asserted against the City as a result of or arising from any such Pre-existing Environmental Condition. Developer's remediation and indemnity obligations under this paragraph shall survive the completion of the Project.

3. Commencement and Completion of Project.

(A) Commencement and Completion of Construction. Following Closing, Developer shall (i) (a) apply for and receive the required building permits from the City's Department of Buildings and Inspections ("**B&I**") for construction of the Project, and (b) commence on-site demolition and construction of the Project in accordance with the Plans and Specifications (collectively, the "**Construction Commencement**") no later than August 1, 2026 (the "**Construction Commencement Date**") and (ii) complete construction of the Project (as evidenced by issuance of a certificate of occupancy for the Project) in accordance with the Plans and Specifications and all other City approvals no later than the April 31, 2027 (the "**Construction Completion Date**"); *provided however*, that upon Developer's written request and at the DCED Director's sole and absolute discretion, the City may extend the Construction Commencement Date and the Construction Completion Date each by up to 12 months by providing written notice to Developer. Under no circumstances shall Developer use insufficient funds as the justification for requesting an extension of either such date.

(B) Repurchase Option. As memorialized in the Deed, (i) if Construction Commencement has not occurred by the Construction Commencement Date (a "**Commencement Failure**"), or (ii) if the Project is not completed by the Construction Completion Date (a "**Completion Failure**"), then the City shall have the option, in the City's sole and absolute discretion, to repurchase the Property for the Purchase Price (the "**Repurchase Option**"). To exercise the Repurchase Option, the City shall deliver written notice of its intent to exercise the Repurchase Option to Developer any time after the occurrence of a Commencement Failure and prior to the date of actual Construction Commencement or after the occurrence of a Completion Failure and prior to the actual date the Project is completed, as applicable. If the City exercises the Repurchase Option, the re-conveyance shall take place on the date specified in the City's notice of exercise (but not later than 6 months after the date of the City's notice). At the closing on such re-conveyance of the Property from Developer to the City: (x) Developer shall re-convey marketable title to the Property to the City or its designee by limited warranty deed, free and clear of all liens and encumbrances except those, if any, that were in existence as of the date and time of Closing, and in the same condition as presently exists, reasonable wear and tear and damage by the elements excepted (and under no circumstances shall the City be required to pay for the value of any improvements made by Developer to the Property), (ii) real estate taxes and assessments shall be prorated in accordance with local custom, and (iii) Developer shall pay any and all closing costs associated therewith such that the City shall not be required to come up with any funds at the closing for such re-conveyance. After the date of actual Construction Commencement, the City shall no longer have the right to exercise the Repurchase Option for a Commencement Failure. After the date that the Project is completed (as evidenced by issuance of a certificate of occupancy for the Project) the City shall no longer have the right to exercise the Repurchase Option for a Completion Failure.

Following completion of the Project and after written request by Developer, the City shall execute and deliver to Developer a recordable release of the Repurchase Option. Developer shall be responsible for recording the release in the Hamilton County Recorder's Office, and all costs and expenses associated with the recording thereof.

(C) Plans and Specifications. Developer shall complete the Project in accordance with City-approved plans and specifications that are consistent with Exhibit B. Once the City's DCED Director has approved Developer's plans, Developer shall not make any material changes thereto without the Director's prior written consent.

(D) Contractors and Subcontractors. In performing work on the Project, Developer shall not solicit bids from any contractors or subcontractors who are identified as being debarred by the federal or state government or who are identified as being debarred on the City's Vendor's Performance list.

(E) Applicable Laws. Developer shall obtain, pay for, and maintain all necessary building permits and other permits, licenses, and other governmental approvals and shall comply with all applicable federal, state, and local laws, codes, ordinances, judicial orders, and other governmental requirements applicable to the Project, including, without limitation, those set forth on Exhibit D (Additional Requirements) hereto. The City makes no representations or other assurances to Developer that Developer will be able to obtain whatever variances, permits, or other approvals from B&I, DOTE, other City departments, City Planning Commission, City Council, or any other governmental agency that may be required in connection with the Project.

(F) Inspection of Work. During construction at the Property, the City, its employees and agents shall have the right at all reasonable times to inspect the progress of construction to determine whether Developer is complying with its obligations under this Agreement. If the City determines that the work is not in accordance with the Plans and Specifications or other requirements of this Agreement, is not in compliance with all applicable laws, or is not performed in a good and workmanlike manner, the City shall have the right, in its reasonable judgment and after giving Developer prior written notice thereof, to stop such work and order its replacement at Developer's expense.

(G) Mechanics' Liens. Developer shall not permit any mechanics' liens or other liens to be filed against the Property during construction. If a mechanic's lien shall at any time be filed, Developer shall, within 30 days after notice of the filing thereof, cause the same to be discharged of record.

(H) Reporting During Construction. Upon the City's request throughout construction, Developer shall provide the City with reports describing the status of the Project, including, without limitation, information about whether the Project is on budget and on schedule and containing such additional pertinent information thereto as the City may from time to time reasonably request. Developer shall submit a final report to the City upon completion of the Project.

(I) Recognition of City Support. Developer shall acknowledge the support of the City with respect to the Project in all printed materials such as informational releases, pamphlets and brochures, construction signs, project and identification signage, and any publicity such as that appearing on the Internet, television, cable television, radio, or in the press or any other printed media. In identifying the City as a participant, Developer shall use either the phrase "Project made possible by the City of Cincinnati" or a City of Cincinnati logotype or other form of acknowledgement that has been approved in advance in writing by the City. Developer's obligations under this section shall commence on the Effective Date and shall terminate on the date on which the Project has been completed.

(J) Barricade Fees Payable to DOTE. Developer acknowledges that (i) Developer may be required to obtain a barricade permit and pay barricade fees to DOTE for the closure of any sidewalks and curb lanes of the adjacent streets if and when construction necessitates such closures, and (ii) with many entities competing for space on City streets, it is important that construction activities be limited to as little space and the shortest duration as possible and that all work be scheduled and performed to cause the least interruption to vehicular travel, bicyclists, pedestrians and businesses; therefore, DOTE shall have the right to evaluate Developer's need for a barricade throughout construction and, if at any time after

consultation with Developer DOTE determines that a barricade is not needed, DOTE shall have the right to withdraw the permit.

4. Insurance; Indemnity.

(A) Insurance. Throughout construction, Developer shall maintain, or cause to be maintained, the following insurance: (i) Commercial General Liability insurance of at least \$1,000,000 per occurrence, combined single limit/\$2,000,000 aggregate, naming the City as an additional insured, (ii) builder's risk insurance in the amount of 100% of the value of the improvements to be constructed, (iii) worker's compensation insurance in such amount as required by law, (iv) all insurance as may be required by Developer's lenders for the Project, and (v) such other insurance as may be reasonably required by the City's Division of Risk Management. Developer's insurance policies shall (a) be written in standard form by companies of recognized responsibility and credit reasonably acceptable to the City, that are authorized to do business in Ohio, and that have an A.M. Best rating of A VII or better, and (b) provide that they may not be canceled or modified without at least 30 days' prior written notice to the City. Within 10 days following execution of this Agreement, Developer shall send proof of all such insurance to DCED at 805 Central Avenue, Suite 700, Cincinnati, Ohio 45202, Attention: Department of Community and Economic Development, or such other address as may be specified by the City from time to time.

(B) Waiver of Subrogation. Developer hereby waives all claims and rights of recovery, and on behalf of Developer's insurers, rights of subrogation, against the City, its employees, agents, contractors, and subcontractors with respect to any and all damage to or loss of property that is covered or that would ordinarily be covered by the insurance required under this Agreement to be maintained by Developer, even if such loss or damage arises from the negligence of the City, its employees, agents, contractors, or subcontractors; it being the agreement of the parties that Developer shall at all times protect against such loss or damage by maintaining adequate insurance. Developer shall cause its property insurance policies to include a waiver of subrogation provision consistent with the foregoing waiver.

(C) Indemnity. Notwithstanding anything in this Agreement to the contrary, as a material inducement to the City to enter into this Agreement, Developer shall defend, indemnify, and hold the City, its officers, council members, employees, and agents (collectively, the "**Indemnified Parties**") harmless from and against any and all actions, suits, claims, losses, costs (including, without limitation, attorneys' fees), demands, judgments, liability and damages (collectively, "**Claims**") suffered or incurred by or asserted against the Indemnified Parties as a result of or arising from the acts of Developer, its agents, employees, contractors, subcontractors, licensees, invitees or anyone else acting at the request of Developer in connection with the Project. Developer's obligations under this paragraph shall survive termination or expiration of this Agreement with respect to Claims suffered, incurred, asserted, or arising prior thereto.

5. Casualty; Eminent Domain. If the Property, or any improvements thereon made pursuant to the Project, is damaged or destroyed by fire or other casualty during construction, or if any portion of the Property is taken by exercise of eminent domain (federal, state, or local), Developer shall repair and restore the Property, as expeditiously as possible, and to the extent practicable, to substantially the same condition that existed immediately prior to such occurrence. If the available condemnation or insurance proceeds are insufficient to fully repair and restore the Property, the City shall not be required to make up the deficiency. Developer shall handle all construction or reconstruction in accordance with the applicable requirements set forth herein, including, without limitation, obtaining the City's approval of the plans and specifications for the improvements if they deviate from the final Plans and Specifications as initially approved by the City hereunder. Developer shall not be relieved of any obligations, financial or otherwise, under this Agreement during any period in which the Project or the Property is being repaired or restored.

6. Default; Remedies.

(A) Default. The occurrence of any of the following shall be an "**event of default**" under this Agreement:

(i) the failure of Developer to perform or observe any obligation, duty, or responsibility under this Agreement or any other agreement to which Developer and the City are parties, and failure by

Developer to correct such failure within 30 days after Developer's receipt of written notice thereof from the City (the "**Cure Period**"); *provided, however*, that if the nature of the default is such that it cannot reasonably be cured during the Cure Period, Developer shall not be in default under this Agreement so long as Developer commences to cure the default within the Cure Period and thereafter diligently completes such cure within 60 days after Developer's receipt of the City's initial notice of default. Notwithstanding the foregoing, if Developer's failure to perform or observe any obligation, duty, or responsibility under this Agreement creates a dangerous condition or otherwise constitutes an emergency as determined by the City, an event of default shall be deemed to have occurred if Developer fails to take corrective action immediately upon discovering such dangerous condition or emergency; or

(ii) the dissolution of Developer, the filing of any bankruptcy or insolvency proceedings by or against Developer, the making by Developer of an assignment for the benefit of creditors, the appointment of a receiver (temporary or permanent) for Developer or the Property, or the attachment of, levy upon, or seizure by legal process of any of the property of Developer; or

(iii) any representation, warranty, or certification of Developer made in connection with this Agreement or any other related agreements or documents shall prove to have been false or materially misleading when made.

(B) **Remedies.** Upon the occurrence of an event of default under this Agreement that is not cured or corrected within the Cure Period, the City shall be entitled to: (i) if the default occurs prior to Closing, terminate this Agreement by giving Developer written notice thereof, (ii) take such actions in the way of "self-help" as the City determines to be reasonably necessary or appropriate to cure or lessen the impact of such event of default, all at the expense of Developer, and (iii) exercise any and all other rights and remedies under this Agreement or available at law or in equity, including, without limitation, pursuing an action for specific performance. Developer shall be liable for all costs and damages, including, without limitation, attorneys' fees, suffered or incurred by the City as a result of a default of Developer under this Agreement or the City's enforcement or termination of this Agreement. The failure of the City to insist upon the strict performance of any covenant or duty or to pursue any remedy under this Agreement or any other agreement to which Developer and the City are parties relating to the Project shall not constitute a waiver of the breach of such covenant or of such remedy.

7. Notices. All notices given by the parties hereunder shall be deemed given if personally delivered, or delivered by UPS, Federal Express, or other recognized courier service, or mailed by U.S. registered or certified mail, postage prepaid, return receipt requested, addressed to the parties at their addresses below or at such other addresses as either party may designate by notice to the other party given in the manner prescribed herein. Notices shall be deemed given on the date of receipt.

This Agreement has by proper action been duly authorized, executed, and delivered by Developer and all actions necessary have been taken to constitute this Agreement, when executed and delivered, valid and binding obligations of Developer.

(iii) Developer's execution, delivery, and performance of this Agreement and the transactions contemplated hereby will not violate any applicable laws, or any writ or decree of any court or governmental instrumentality, or Developer's organizational documents, or any mortgage, contract, agreement or other undertaking to which Developer is a party or which purports to be binding upon Developer or upon any of its assets, nor is Developer in violation or default of any of the foregoing.

(iv) There are no actions, suits, proceedings, or governmental investigations pending, or to the knowledge of Developer, threatened against or affecting the Project or Developer or its parents, subsidiaries, or affiliates, at law or in equity or before or by any governmental authority that, if determined adversely, would impair the financial condition of such entity or its ability to perform its obligations with respect to the matters contemplated herein.

(v) Developer shall give prompt notice in writing to the City of the occurrence or existence of any litigation, labor dispute, or governmental proceeding or investigation affecting Developer that could reasonably be expected to interfere substantially with its normal operations or materially and adversely affect its financial condition or its completion of the Project.

(vi) The statements made and information contained in the documentation provided by Developer to the City that are descriptive of Developer or the Project have been reviewed by Developer and do not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make such statements, in light of the circumstances under which they were made, not misleading.

(vii) With reference to Section 301-20 of the Cincinnati Municipal Code, neither Developer nor any of its affiliates are currently delinquent in paying any fines, penalties, judgments, water, or other utility charges, or any other amounts owed by them to the City.

9. Reporting Requirements.

(A) Submission of Records and Reports; Records Retention. Developer shall collect, maintain, and furnish to the City upon the City's request such accounting, financial, business, administrative, operational, and other reports, records, statements, and information as may be requested by the City pertaining to Developer, the Project, or this Agreement, including, without limitation, audited financial statements, bank statements, income tax returns, information pertinent to the determination of finances of the Project, and such reports and information as may be required for compliance with programs and projects funded by the City, Hamilton County, the State of Ohio, or any federal agency (collectively, "**Records and Reports**"). All Records and Reports compiled by Developer and furnished to the City shall be in such form as the City may from time to time require. Developer shall retain all Records and Reports for a period of 3 years after the completion of the Project.

(B) City's Right to Inspect and Audit. During construction and for a period of 3 years after completion of the Project, Developer shall permit the City and its employees, agents, and auditors to have reasonable access to and to inspect and audit Developer's Records and Reports. In the event any such inspection or audit discloses a material discrepancy with information previously provided by Developer to the City, Developer shall reimburse the City for its out-of-pocket costs associated with such inspection or audit.

10. General Provisions.

(A) Assignment. Developer shall not sell, lease, or convey any interest in or to the Property or assign its rights or obligations under this Agreement without the prior written consent of the City, which may be withheld in the City's sole and absolute discretion, and any attempt to do so without the City's consent shall, at the City's option, render this Agreement null and void.

(B) Entire Agreement. This Agreement (including the exhibits hereto) contains the entire agreement between the parties with respect to the subject matter hereof and supersedes any and all prior discussions, negotiations, representations, or agreements, written or oral, between them respecting the subject matter hereof. In the event that any of the provisions of this Agreement are in conflict or are inconsistent, the provision determined by the City to provide the greatest legal and practical safeguards with respect to the City's interests in connection with this Agreement shall control.

(C) Amendments and Waivers. This Agreement may be amended, waived, or otherwise modified only by a written amendment signed by both parties.

(D) Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the City of Cincinnati and the State of Ohio. (G) Severability. If any part of this Agreement is held by a court of law to be void, illegal, or unenforceable, such part shall be deemed severed from this Agreement, and the balance of this Agreement shall remain in full force and effect.

(H) No Third Party Beneficiaries. No third party beneficiary rights are intended to be created by this Agreement.

(I) No Brokers. Developer represents to the City that it has not dealt with a real estate broker, salesperson, or other person who might claim entitlement to a fee or other compensation from either party as a result of the parties' execution of this Agreement.

(K) Time. Time is of the essence with respect to the performance by Developer of its obligations under this Agreement.

(L) Official Capacity. All representations, warranties, covenants, agreements, and obligations of the City under this Agreement shall be effective to the extent authorized and permitted by applicable law. (M) Conflict of Interest. No officer, employee, or agent of the City who exercises any functions or responsibilities in connection with the planning or carrying out of the Project shall have any personal financial interest, direct or indirect, in Developer or in the Project, and Developer shall take appropriate steps to assure compliance.

(N) Administrative Actions. To the extent permitted by applicable laws, and unless otherwise expressly provided in this Agreement, all actions taken or to be taken by the City under this Agreement may be taken by administrative action and shall not require legislative action of the City beyond the legislative action authorizing the execution of this Agreement.

(O) Counterparts and Electronic Signatures. This Agreement may be executed and delivered by electronic signature.

11. Coordinated Report Conditions. Developer shall abide by the following additional conditions identified in the City's Coordinated Report No. 105-2024 (the "**Coordinated Report**"), unless and until each of the following additional conditions have been satisfied or waived in writing by the City, at the City's sole and absolute discretion:

Exhibit B
to Property Sale and Development Agreement

Statement of Work, Budget, and Sources of Funds

I. STATEMENT OF WORK

Developer shall construct on the Property:

- (i) an environmentally sustainable (under LEED Silver standards, as defined by the U.S. Green Building Council) two-story multi-family duplex, containing two residential rental units consisting of approximately 350 – 500 sq. ft. per unit, with a fully electric power source and electric appliances (no natural gas will service the building); and
- (ii) off-street parking serving the duplex.

In addition, the Developer intends to construct a fully accessible first floor of the duplex in accordance with the Americans with Disabilities Act (ADA).

Target Tenants:

The target rent per unit is approximately \$750 - \$850 monthly. This rent is intended to fill a housing gap for the “missing middle”. In particular, young families carrying large student loan burdens or retired citizens with fixed incomes would be target candidates for renting this property. Depending on existing debts (such as car payments and student loans), the target family income range for this property would be \$40,000 - \$60,000 annually.

After the date of actual Construction Commencement, the City shall no longer have the right to exercise the Repurchase Option for a Commencement Failure. After the date that the Project is completed (as evidenced by issuance of a certificate of occupancy for the Project) the City shall no longer have the right to exercise the Repurchase Option for a Completion Failure. Following completion of the Project .and after written request by Grantee, the City shall execute and deliver to Grantee a

Exhibit D
to Property Sale and Development Agreement

Additional Requirements

Developer and Developer's general contractor shall comply with all applicable statutes, ordinances, regulations, and rules of the government of the United States, State of Ohio, County of Hamilton, and City of Cincinnati (collectively, "**Government Requirements**"), including the Government Requirements listed below, to the extent that they are applicable. Developer hereby acknowledges and agrees that (a) the below listing of Government Requirements is not intended to be an exhaustive list of Government Requirements applicable to the Project, Developer, or Developer's contractors, subcontractors or employees, either on the City's part or with respect to any other governmental entity, and (b) neither the City nor its Law Department is providing legal counsel to or creating an attorney-client relationship with Developer by attaching this Exhibit to the Agreement.

This Exhibit serves two functions:

(i) Serving as a Source of Information with Respect to Government Requirements. This Exhibit identifies certain Government Requirements that may be applicable to the Project, Developer, or its contractors and subcontractors. Because this Agreement requires that Developer comply with all applicable laws, regulations, and other Government Requirements (and in certain circumstances to cause others to do so), this Exhibit flags certain Government Requirements that Developers, contractors and subcontractors regularly face in constructing projects or doing business with the City. To the extent a Developer is legally required to comply with a Government Requirement, failure to comply with such a Government Requirement is a violation of the Agreement.

(ii) Affirmatively Imposing Contractual Obligations. If certain conditions for applicability are met, this Exhibit also affirmatively imposes contractual obligations on Developer, even where such obligations are not imposed on Developer by Government Requirements. As described below, the affirmative obligations imposed hereby are typically a result of policies adopted by City Council which, per Council's directive, are to be furthered by the inclusion of certain specified language in some or all City contracts. The City administration (including the City's Department of Community and Economic Development) is responsible for implementing the policy directives promulgated by Council (which typically takes place via the adoption of motions or resolutions by Council), including, in certain circumstances, by adding specific contractual provisions in City contracts such as this Agreement.

(A) Construction Workforce.

(i) Applicability. Consistent with the limitations contained within the City Resolutions identified in clause (ii) below, this Section (A) shall not apply to contracts with the City other than construction contracts, or to construction contracts to which the City is not a party. For the avoidance of doubt, this Agreement is a construction contract solely to the extent that it directly obligates Developer to assume the role of a general contractor on a construction project for public improvements such as police stations or other government buildings, public parks, or public roadways.

The Construction Workforce Goals are not applicable to future work (such as repairs or modifications) on any portion of the Project. The Construction Workforce Goals are not applicable to the purchase of specialty fixtures and trade fixtures.

(ii) Requirement. In furtherance of the policy enumerated in City Resolutions No. 32-1983 and 21-1998 concerning the inclusion of minorities and women in City construction work, if Developer is performing construction work for the City under a construction contract to which the City is a party, Developer shall use Best Efforts to achieve a standard of no less than 11.8% Minority Persons (as defined below) and 6.9% females (of whom at least one-half shall be Minority Persons) in each craft trade in Developer and its general contractor's aggregate workforce in Hamilton County, to be achieved at least

halfway through the construction contract (or in the case of a construction contract of six months or more, within 60 days of beginning the construction contract) (collectively, the “**Construction Workforce Goals**”).

As used herein, the following terms shall have the following meanings:

(a) “**Best Efforts**” means substantially complying with all of the following as to any of its employees performing such construction, and requiring that all of its construction subcontractors substantially comply with all of the following: (1) solicitation of Minority Persons as potential employees through advertisements in local minority publications; and (2) contacting government agencies, private agencies, and/or trade unions for the job referral of qualified Minority Persons.

(b) “**Minority Person**” means any person who is Black, Asian or Pacific Islander, Hispanic, American Indian or Alaskan Native.

(c) “**Black**” means a person having origin in the black racial group of Africa.

(d) “**Asian or Pacific Islander**” means a person having origin in the original people of the Far East or the Pacific Islands, which includes, among others, China, India, Japan, Korea, the Philippine Islands, Malaysia, Hawaii and Samoa.

(e) “**Hispanic**” means a person of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish cultural origin.

(f) “**American Indian**” or “**Alaskan Native**” means a person having origin in any of the original people of North America and who maintains cultural identification through tribal affiliation.

(B) Trade Unions; Subcontracts; Competitive Bidding.

(i) Meeting and Confering with Trade Unions.

(a) Applicability. Per City of Cincinnati, Ordinance No. 130-2002, this requirement is limited to transactions in which Developer receives City funds or other assistance (including, but not limited to, the City’s construction of public improvements to specifically benefit the Project, or the City’s sale of real property to Developer at below fair market value).

(b) Requirement. This Agreement may be subject to the requirements of City of Cincinnati, Ordinance No. 130-2002, as amended or superseded, providing that, if Developer receives City funds or other assistance, Developer and its general contractor, prior to the commencement of construction of the Project and prior to any expenditure of City funds, and with the aim of reaching comprehensive and efficient project agreements covering all work done by Developer or its general contractor, shall meet and confer with: the trade unions representing all of the crafts working on the Project, and minority, female, and locally-owned contractors and suppliers potentially involved with the construction of the Project. At this meeting, Developer and/or its general contractor shall make available copies of the scope of work and if prevailing wage rates apply, the rates pertaining to all proposed work on the Project. Not later than ten (10) days following Developer and/or its general contractor’s meet and confer activity, Developer shall provide to the City, in writing, a summary of Developer and/or its general contractor’s meet and confer activity.

(ii) Contracts and Subcontracts; Competitive Bidding.

(a) Applicability. This clause (ii) is applicable to “construction contracts” under Cincinnati Municipal Code Chapter 321. Municipal Code Chapter 321 defines “construction” as “any construction, reconstruction, improvement, enlargement, alteration, repair, painting, decorating, wrecking or demolition, of any public improvement the total overall project cost of which is fairly estimated by Federal or Ohio statutes to be more than four thousand dollars and performed by other than full-time employees who have completed their probationary periods in the classified service of a public authority,” and “contract”

as “all written agreements of the City of Cincinnati, its boards or commissions, prepared and signed by the city purchasing agent or a board or commission for the procurement or disposal of supplies, service or construction.”

(b) Requirement. If CMC Chapter 321 applies to the Project, Developer is required to ensure that all contracts and subcontracts for the Project are awarded pursuant to a competitive bidding process that is approved by the City in writing. All bids shall be subject to review by the City. All contracts and subcontracts shall be expressly required by written agreement to comply with the provisions of this Agreement and the applicable City and State of Ohio laws, ordinances and regulations with respect to such matters as allocation of subcontracts among trade crafts, Small Business Enterprise Program, Equal Employment Opportunity, and Construction Workforce Goals.

(iii) Competitive Bidding for Certain City-Funded Development Agreements.

(a) Applicability. Pursuant to Ordinance No. 273-2002, the provision in clause (b) below applies solely where the Project receives in \$250,000 or more in direct City funding, and where such funding comprises at least 25% of the Project’s budget. For the purposes of this clause (iii), “direct City funding” means a direct subsidy of City funds in the form of cash, including grants and forgivable loans, but not including public improvements, land acquisitions and sales, job creation tax credits, or tax abatements or exemptions.

(b) Requirement. This Agreement requires that Developer issue an invitation to bid on the construction components of the development by trade craft through public notification and that the bids be read aloud in a public forum. For purposes of this provision, the following terms shall be defined as set forth below:

(1) “Bid” means an offer in response to an invitation for bids to provide construction work.

(2) “Invitation to Bid” means the solicitation for quoted prices on construction specifications and setting a time, date and place for the submission of and public reading of bids. The place for the public reading of bids shall be chosen at the discretion of Developer; however, the place chosen must be accessible to the public on the date and time of the public reading and must have sufficient room capacity to accommodate the number of respondents to the invitation to bid.

(3) “Trade Craft” means (a) general construction work, (b) electrical equipment, (c) plumbing and gas fitting, (d) steam and hot water heating and air conditioning and ventilating apparatus, and steam power plant, (e) elevator work, and (f) fire protection.

(4) “Public Notification” means (a) advertisement of an invitation to bid with ACI (Allied Construction Industries) and the Dodge Report, and (b) dissemination of the advertisement (either by mail or electronically) to the South Central Ohio Minority Business Council, Greater Cincinnati Northern Kentucky African-American Chamber of Commerce, and the Hispanic Chamber of Commerce. The advertisement shall include a description of the “scope of work” and any other information reasonably necessary for the preparation of a bid, and it shall be published and disseminated no less than fourteen days prior to the deadline for submission of bids stated in the invitation to bid.

(5) “Read Aloud in a Public Forum” means all bids shall be read aloud at the time, date and place specified in the invitation for bids, and the bids shall be available for public inspection at the reading.

(C) City Building Code. All construction work must be performed in compliance with City building code requirements.

(D) Lead Paint Regulations. All work must be performed in compliance with Chapter 3742 of the Ohio Revised Code, Chapter 3701-32 of the Ohio Administrative Code, and must comply with OSHA's Lead in Construction Regulations and the OEPA's hazardous waste rules. All lead hazard abatement work must be supervised by an Ohio Licensed Lead Abatement Contractor/Supervisor.

(E) Displacement. If the Project involves the displacement of tenants, Developer shall comply with all Government Requirements in connection with such displacement. If the City shall become obligated to pay any relocation costs or benefits or other sums in connection with the displacement of tenants, under Cincinnati Municipal Code Chapter 740 or otherwise, Developer shall reimburse the City for any and all such amounts paid by the City in connection with such displacement within twenty (20) days after the City's written demand.

(F) Small Business Enterprise Program.

(i) Applicability. The applicability of Municipal Code Chapter 323 (Small Business Enterprise Program) is limited to construction contracts in excess of \$5,000. Municipal Code Chapter 323 defines "contract" as "a contract in excess of \$5,000.00, except types of contracts listed by the City purchasing agent as exempt and approved by the City Manager, for (a) construction, (b) supplies, (c) services, or (d) professional services." It defines "construction" as "any construction, reconstruction, improvement, enlargement, alteration, repair, painting, decorating, wrecking or demolition, of any public improvement the total overall project cost of which is fairly estimated by Federal or Ohio statutes to be more than \$4,000 and performed by other than full-time employees who have completed their probationary periods in the classified service of a public authority." To the extent Municipal Code Chapter 323 does not apply to this Agreement, Developer is not subject to the various reporting requirements described in this Section (F).

(ii) Requirement. The City has an aspirational goal that 30% of its total dollars spent for construction and 15% of its total dollars spent for supplies/services and professional services be spent with Small Business Enterprises ("SBE"s), which include SBEs owned by minorities and women. Accordingly, subject to clause (i) above, Developer and its general contractor shall use its best efforts and take affirmative steps to assure that SBEs are utilized as sources of supplies, equipment, construction, and services, with the goal of meeting 30% SBE participation for construction contracts and 15% participation for supplies/services and professional services contracts. An SBE means a consultant, supplier, contractor or subcontractor who is certified as an SBE by the City in accordance with Cincinnati Municipal Code ("CMC") Chapter 323. (A list of SBEs may be obtained from the Department of Economic Inclusion or from the City's web page, <http://cincinnati.diversitycompliance.com>.) Developer and its general contractor may refer interested firms to the Department of Economic Inclusion for review and possible certification as an SBE, and applications may also be obtained from such web page. If the SBE program is applicable to this Agreement, as described in clause (i) above, Developer agrees to take (or cause its general contractor to take) at least the following affirmative steps:

(1) Including qualified SBEs on solicitation lists.

(2) Assuring that SBEs are solicited whenever they are potential sources. Contractor must advertise, on at least two separate occasions, both in local minority publications and in other local newspapers of general circulation, invitations to SBEs to provide services, to supply materials or to bid on construction contracts for the Project. Contractor is encouraged to use the internet and similar types of advertising to reach a broader audience, but these additional types of advertising cannot be used as substitutes for the above.

(3) When economically feasible, dividing total requirements into small tasks or quantities so as to permit maximum SBE participation.

(4) When needs permit, establishing delivery schedules that will encourage participation by SBEs.

(iii) Subject to clause (i) above, if any subcontracts are to be let, Developer shall require the prime contractor to take the above affirmative steps.

(iv) Subject to clause (i) above, Developer shall provide to the City, prior to commencement of the Project, a report listing all of the contractors and subcontractors for the Project, including information as to the owners, dollar amount of the contract or subcontract, and other information that may be deemed necessary by the City Manager. Developer or its general contractor shall update the report monthly by the 15th. Developer or its general contractor shall enter all reports required in this subsection via the City's web page referred to in clause (i) above or any successor site or system the City uses for this purpose. Upon execution of this Agreement, Developer and its general contractor shall contact the Department of Economic Inclusion to obtain instructions, the proper internet link, login information, and password to access the site and set up the necessary reports.

(v) Subject to clause (i) above, Developer and its general contractor shall periodically document its best efforts and affirmative steps to meet the above SBE participation goals by notarized affidavits executed in a form acceptable to the City, submitted upon the written request of the City. The City shall have the right to review records and documentation relevant to the affidavits. If affidavits are found to contain false statements, the City may prosecute the affiant pursuant to Section 2921.12, Ohio Revised Code.

(vi) Subject to clause (i) above, failure of Developer or its general contractor to take the affirmative steps specified above, to provide fair and equal opportunity to SBEs, or to provide technical assistance to SBEs as may be necessary to reach the minimum percentage goals for SBE participation as set forth in Cincinnati Municipal Code Chapter 323, may be construed by the City as failure of Developer to use best efforts, and, in addition to other remedies under this Agreement, may be a cause for the City to file suit in Common Pleas Court to enforce specific performance of the terms of this section

(G) Equal Employment Opportunity.

(i) Applicability. Chapter 325 of the Cincinnati Municipal Code (Equal Employment Opportunity) applies (a) where the City expends more than \$5,000 under a non-construction contract, or (b) where the City spends or receives over \$5,000 to (1) employ another party to construct public improvements, (2) purchase services, or (3) lease any real or personal property to or from another party. Chapter 325 of the Municipal Code does not apply where the contract is (a) for the purchase of real or personal property to or from another party, (b) for the provision by the City of services to another party, (c) between the City and another governmental agency, or (d) for commodities such as utilities.

(ii) Requirement. If this Agreement is subject to the provisions of Chapter 325 of the Cincinnati Municipal Code (the City of Cincinnati's Equal Employment Opportunity Program), the provisions thereof are hereby incorporated by reference into this Agreement.

(H) Prevailing Wage. Developer shall comply, and shall cause all contractors working on the Project to comply, with all any prevailing wage requirements that may be applicable to the Project. In the event that the City is directed by the State of Ohio to make payments to construction workers based on violations of such requirements, Developer shall make such payments or reimburse the City for such payments within twenty (20) days of demand therefor. A copy of the City's prevailing wage determination may be attached to this Exhibit as Addendum I to Additional Requirements Exhibit (City's Prevailing Wage Determination) hereto.

(I) Compliance with the Immigration and Nationality Act. In the performance of its construction obligations under this Agreement, Developer shall comply with the following provisions of the federal Immigration and Nationality Act: 8 U.S.C.A. 1324a(a)(1)(A) and 8 U.S.C.A. 1324a(a)(2). Compliance or noncompliance with those provisions shall be solely determined by final determinations resulting from the actions by the federal agencies authorized to enforce the Immigration and Nationality Act, or by determinations of the U.S.

(J) Prompt Payment. The provisions of Chapter 319 of the Cincinnati Municipal Code, which provides for a "Prompt Payment System", may apply to this Agreement. Municipal Code Chapter 319 also (i) provides certain requirements for invoices from contractors with respect to the Prompt Payment System, and (ii) obligates contractors to pay subcontractors for satisfactory work in a timely fashion as provided therein.

(K) Conflict of Interest. Pursuant to Ohio Revised Code 102.03, no officer, employee, or agent of the City who exercises any functions or responsibilities in connection with the planning or carrying out of the Project may have any personal financial interest, direct or indirect, in Developer or in the Project, and Developer shall take appropriate steps to assure compliance.

(L) Ohio Means Jobs. If this Agreement constitutes a construction contract (pursuant to the guidance with respect to the definition of that term provided in Section (A) above), then, pursuant to Ordinance No. 238-2010: To the extent allowable by law, Developer and its general contractor shall use its best efforts to post available employment opportunities with Developer, the general contractor's organization, or the organization of any subcontractor working with Developer or its general contractor with the OhioMeansJobs Center, 1916 Central Parkway, Cincinnati, Ohio 45214-2305, through its Employer Services Unit Manager at 513-946-7200.

(M) Wage Enforcement.

(i) Applicability. Council passed Ordinance No. 22-2016 on February 3, 2016, which ordained Chapter 326 (Wage Enforcement) of the Cincinnati Municipal Code (the "**Wage Enforcement Chapter**"). The Wage Enforcement Chapter was then amended by Ordinance No. 96-2017, passed May 17, 2017. As amended, the Wage Enforcement Chapter imposes certain requirements upon persons entering into agreements with the City whereby the City provides an incentive or benefit that is projected to exceed \$25,000, as described more particularly in the Wage Enforcement Chapter. Cincinnati Municipal Code Section 326-5 requires that the language below be included in contracts subject to the Wage Enforcement Chapter.

(ii) Required Contractual Language. Capitalized terms used, but not defined, in this clause (ii) have the meanings ascribed thereto in the Wage Enforcement Chapter.

(a) This contract is or may be subject to the Wage Enforcement provisions of the Cincinnati Municipal Code. These provisions require that any Person who has an Agreement with the city or with a Contractor or Subcontractor of that Person shall report all Complaints or Adverse Determinations of Wage Theft and Payroll Fraud (as each of those terms is defined in Chapter 326 of the Cincinnati Municipal Code) against the Contractor or Subcontractors to the Department of Economic Inclusion within 30 days of notification of the Complaint or Adverse Determination.

(b) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to include provisions in solicitations and contracts regarding a Development Site that all employers, Contractors or Subcontractors performing or proposing to perform work on a Development Site provide an initial sworn and notarized "Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee and, within 30 days of an Adverse Determination or Complaint of Wage Theft or Payroll Fraud, shall provide an "Amended Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee.

(c) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to authorize, and does hereby specifically authorize, any local, state or federal agency, court, administrative body or other entity investigating a complaint of Wage Theft or Payroll Fraud against the Person (collectively "investigative bodies") to release to the City's Department of Economic Inclusion any and all evidence, findings, complaints and determinations associated with the allegations of Wage Theft or Payroll Fraud upon the City's request and further authorizes such investigative bodies to keep the City advised regarding the status of the investigation and ultimate determination. If the investigative bodies require the Person to provide additional authorization on a prescribed form or in another manner, the Person shall be required to provide such additional authorization within 14 days of a request by the City.

(d) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall include in its contracts with all Contractors language that requires the Contractors to provide the authorizations set forth in subsection (c) above and that further requires each Contractor to include in its contracts with Subcontractors those same obligations for each Subcontractor and each lower tier subcontractor.

(e) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall post a conspicuous notice on the Development Site throughout the entire period work is being performed pursuant to the Agreement indicating that the work being performed is subject to Cincinnati Municipal Code Chapter 326, Wage Enforcement, as administered by the City of Cincinnati Department of Economic Inclusion. Such notice shall include contact information for the Department of Economic Inclusion as provided by the department.

(f) Under the Wage Enforcement provisions, the city shall have the authority, under appropriate circumstances, to terminate this contract or to reduce the incentives or subsidies to be provided under this contract and to seek other remedies, including debarment.

(N) Americans With Disabilities Act; Accessibility.

(i) Applicability. Cincinnati City Council adopted Motion No. 201600188 on February 3, 2016 (the “**Accessibility Motion**”). This motion directs City administration, including DCED, to include language specifically requiring compliance with the Americans With Disabilities Act, together with any and all regulations or other binding directives promulgated pursuant thereto (collectively, the “**ADA**”), and imposing certain minimum accessibility standards on City-subsidized projects regardless of whether there are arguably exceptions or reductions in accessibility standards available under the ADA or State law.

(ii) Requirement. In furtherance of the policy objectives set forth in the Accessibility Motion, (A) the Project shall comply with the ADA, and (B) if (i) any building(s) within the Project is subject to the accessibility requirements of the ADA (e.g., by constituting a “place of public accommodation” or another category of structure to which the ADA is applicable) and (ii) such building(s) is not already required to meet the Contractual Minimum Accessibility Requirements (as defined below) pursuant to the ADA, applicable building code requirements, or by any other legal requirement, then Developer shall cause such building(s) to comply with the Contractual Minimum Accessibility Requirements in addition to any requirements pursuant to the ADA and the applicable building code or legal requirement. As used herein, “**Contractual Minimum Accessibility Requirements**” means that a building shall, at a minimum, include (1) at least one point of entry (as used in the ADA), accessible from a public right of way, with respect to which all architectural barriers (as used in the ADA) to entry have been eliminated, and (2) if such accessible point of entry is not a building’s primary point of entry, conspicuous signage directing persons to such accessible point of entry.

(O) Electric Vehicle Charging Stations in Garages.

(i) Applicability. Cincinnati City Council passed Ordinance No. 89-2017 on May 10, 2017. This ordinance requires all agreements in which the City provides any amount of “qualifying incentives” for projects involving the construction of a parking garage to include a provision requiring the inclusion of certain features in the garage relating to electric vehicles. The ordinance defines “qualifying incentives” as the provision of incentives or support for the construction of a parking garage in the form of (a) the provision of any City monies or monies controlled by the City including, without limitation, the provision of funds in the form of loans or grants; (b) the provision of service payments in lieu of taxes in connection with tax increment financing, including rebates of service payments in lieu of taxes; and (c) the provision of the proceeds of bonds issued by the City or with respect to which the City has provided any source of collateral security or repayment, including, but not limited to, the pledge of assessment revenues or service payments in lieu of taxes. For the avoidance of doubt, “qualifying incentives” does not include (1) tax abatements such as Community Reinvestment Area abatements pursuant to Ohio Revised Code 3735.67, et seq., or Job Creation Tax Credits pursuant to Ohio Revised Code 718.15; (2) the conveyance

of City-owned real property for less than fair market value; and (3) any other type of City support in which the City provides non-monetary assistance to a project, regardless of value.

(ii) Requirement. If the applicability criteria of Ordinance No. 89-2017 are met, then the following requirements shall apply to any parking garage included within the Project: (a) at least one percent of parking spaces, rounding up to the nearest integer, shall be fitted with Level 2 minimum 7.2 kilowatt per hour electric car charging stations; provided that if one percent of parking spaces is less than two parking spaces, the minimum number of parking spaces subject to this clause shall be two parking spaces; and (b) the parking garage's electrical raceway to the electrical supply panel serving the garage shall be capable of providing a minimum of 7.2 kilowatts of electrical capacity to at least five percent of the parking spaces of the garage, rounding up to the nearest integer, and the electrical room supplying the garage must have the physical space for an electrical supply panel sufficient to provide 7.2 kilowatts of electrical capacity to at least five percent of the parking spaces of the garage, rounding up to the nearest integer.

(P) Certification as to Non-Debarment. Developer represents that neither it nor any of its principals is presently suspended or debarred by any federal, state, or local government agency. In completing the Project, Developer shall not solicit bids from any contractors or subcontractors who are identified as being suspended or debarred by any federal, state, or local government agency. If Developer or any of its principals becomes suspended or debarred by any federal, state, or local government agency during the term of this Agreement, Developer shall be considered in default under this Agreement.

(Q) Use of Nonfranchised Commercial Waste Haulers Prohibited. The City requires that persons providing commercial waste collection services (as that term is defined under CMC Chapter 730) within the City of Cincinnati obtain a franchise, and the City maintains a list of franchised commercial waste haulers. Developer is prohibited from using or hiring (or causing to be used or hired) a nonfranchised commercial waste hauler to provide commercial waste collection services in connection with the performance of this Agreement, and Developer is responsible for ensuring that any commercial waste collection services provided in connection with the performance of this Agreement are provided by a franchised commercial waste hauler. Subject: Emergency Ordinance – DOTE: 2026 Airport Improvement Program FAA Grant Lunken

Attached is an Emergency Ordinance captioned:

ESTABLISHING new capital improvement program project account no. 984x234x262356, “Lunken FAA 2026 AIP Grant,” to provide resources for the design of the Taxiway D reconstruction project and the design of the obstruction removal project adjacent to Runway 7 at Lunken Airport; **AUTHORIZING** the City Manager to apply for, accept, and appropriate an Airport Improvement Program grant of up to \$294,000 awarded through the Federal Aviation Administration (ALN 20.106) to the newly established capital improvement program project account no. 984x234x262356, “Lunken FAA 2026 AIP Grant,” to provide resources for the design of the Taxiway D reconstruction project and the design of the obstruction removal project adjacent to Runway 7 at Lunken Airport; **AUTHORIZING** the Director of Finance to deposit the grant resources into newly established capital improvement program project account no. 984x234x262356, “Lunken FAA 2026 AIP Grant”; and **AUTHORIZING** the City Manager to execute any agreements and do all things necessary for the receipt and administration of these grant resources.

Approval of this Emergency Ordinance will authorize the following:

1. The City Manager to apply for, accept, and appropriate a grant of up to \$294,000 awarded through the Federal Aviation Administration (FAA) Airport Improvement Program (AIP) to provide resources for the design of the Taxiway D reconstruction project and the design of the obstruction removal project adjacent to Runway 7 at Lunken Airport.
2. The Director of Finance to deposit grant resources into newly established capital improvement program project account no. 984x234x262356, “Lunken FAA 2026 AIP Grant”.

Taxiway D at Lunken Airport has exceeded its useful life and no longer complies with current FAA taxiway design standards, requiring total pavement reconstruction and new lighting and signage to be installed. The approved Airport Layout Plan identifies Hangar 3 as an obstruction to Runway 07 at Lunken Airport, causing a safety deficiency that requires the removal of Hangar 3. The AIP grant would provide resources to support the design phase work on each of these projects, which is a prerequisite to a future construction phase.

Acceptance of this grant requires matching resources of up to \$32,667, which will be available in capital improvement program project account no. 980x234x222352, “FAA/ODOT Local Match,” as well as other future eligible grant awards. There are no new FTEs/full time equivalents associated with this grant

Designing improvements for Lunken Airport is in accordance with the “Connect” goal to “[d]evelop a regional transportation system that promotes economic vitality” as described on page 139 of Plan Cincinnati (2012).

The reason for the emergency is the immediate need to apply for the grant by May 1, 2026, to comply with the established FAA deadline.

The Administration recommends passage of this Emergency Ordinance.

Attached is an Emergency Ordinance captioned:

AUTHORIZING the City Manager to apply for a grant awarded by the Ohio Department of Transportation’s Safe Routes to School program of up to \$1,000,000 to provide resources for a pedestrian and bicycle project focused on providing students of local schools with safe routes to school.

Approval of this Emergency Ordinance authorizes the City Manager to apply for grant resources of up to \$1,000,000 awarded by the Ohio Department of Transportation (ODOT) through the Safe Routes to School grant program to provide resources for a pedestrian and bicycle project focused on providing students of local schools with safe routes to school.

There are grant funds available from the Ohio Department of Transportation through the Safe Routes to School grant program that would assist with funding for the construction of a planned roadway project to install bicycle infrastructure and create safety improvements along Court Street downtown, including creating a bicycle connection and a comprehensive bicycle network in downtown, Over-the-Rhine, and the West End, and improving the intersection of Central Avenue and West 9th Street for safer crossings for pedestrians. Various pedestrian and bicycle safety improvements near local schools will provide safe and secure routes for students.

The grant application deadline was March 6, 2026, and the City has already applied for the grant, but no grant funds will be accepted without approval by the City Council.

This grant does not require matching funds, and there are no new FTE/full time equivalents associated with the acceptance of these grant resources.

Providing students with pedestrian and bicycle safety improvements near local schools is in accordance with the “Connect” goal to “[d]evelop an efficient multi-modal transportation system that supports neighborhood livability” and strategy to “[p]lan, design, and implement a safe and sustainable transportation system” as described on pages 127-137 of Plan Cincinnati (2012).

Lessee shall use the Leased Premises solely for the development and operation of a public park and greenspace open to all members of the public in a manner similar to other public parks in the City of Cincinnati (the "**Permitted Use**") and for no other purpose. Lessee shall not bring or permit to be brought onto the Leased Premises any hazardous materials or other contaminants or substances that are harmful to the public or to the environment. Lessee shall not use or permit the use of the Leased Premises for storage of materials or supplies of any nature, equipment, refuse, junk, or other items not conducive to the enjoyment of the Leased Premises by the public for the Permitted Use. Lessee shall not permit vending of any kind or character to be conducted, permitted, or allowed within the Leased Premises. In the event that Lessee installs any playground equipment, or constructs or installs components, structures, systems or other improvements or fixtures intended for similar use, all such equipment, components, structures, systems or other improvements or fixtures shall be in compliance with any applicable national, state or local safety standards and shall be inspected by a certified playground inspector, and Lessee shall provide a copy of the report from such inspection to the City upon request.

Lessee hereby acknowledges that the Permitted Use is subject to compliance with all applicable federal, state, and local laws, codes, regulations or other governmental requirements, and this Lease shall not function as an authorization to act in conflict with the same. In the event that the Permitted Use does violate any such laws, codes, regulations or other requirements, the Permitted Use may be modified upon the mutual agreement of each party. In no event shall Lessee use the Leased Premises for purposes outside of the Permitted Use without the express written consent of the City.

Any attempt by Lessee to utilize or develop the Leased Premises for purposes outside of the scope of the Permitted Use, in conflict with the submitted and approved plans, or without obtaining the requisite permits, shall be considered a material default and may result in immediate termination of this Lease at the discretion of the City.

5. Utilities; Real Estate Taxes; Other Expenses. During the Term of this Lease, Lessee shall pay, when due, (i) any and all utility expenses for utilities directly serving the Leased Premises, (ii) any and all real estate taxes, assessments, penalties, interest, and charges levied against the Leased Premises that become due and payable during the Term, including the two semi-annual tax bills issued by the Hamilton County Treasurer following the expiration or termination of the Term, payable in arrears, and (iii) any and all other operating expenses associated with the Leased Premises. Lessee acknowledges and agrees that the City shall not be liable for any expenses associated with the Leased Premises during the Term of this Lease.

6. Maintenance and Repairs. Lessee shall, at its sole expense, keep and maintain the Leased Premises in good, safe, orderly, sanitary, and clean condition and repair, ordinary wear and tear excepted, including without limitation any and all concrete and asphalt pavement, pavers, curbs, and sidewalks within the Leased Premises. Lessee shall perform all vegetation management on the Leased Premises, including but not limited to mowing and the maintenance and control of all trees and other vegetation on the Leased Premises as necessary to keep the same from creating any hazards or causing the Leased Premises to become overgrown or unsightly. Lessee shall not permit garbage, debris or unsightly or odorous materials to accumulate within the Leased Premises. In the event of damage to the Leased Premises, Lessee shall promptly repair such damage, at its sole expense, to the satisfaction of CRC (however Lessee shall not be required to restore the Leased Premises to a better condition than otherwise required under this Lease). Lessee shall be solely responsible for all snow and ice removal from the Leased Premises. During the Term of this Lease, the City shall have no maintenance or repair obligations with respect to the Leased Premises or any improvements thereon.

7. Alterations.

(A) Alterations. Lessee, at its sole expense, shall install such curb ramps, blockades, signage, and other improvements as may be reasonably required from time to time by CRC or the Cincinnati Department of Transportation and Engineering ("DOTE"). Lessee shall not make any alterations or improvements to the Leased Premises, without obtaining the prior written consent of the City. Lessee, through a licensed contractor or other licensed professional experienced in the development, construction or operation of a public park, shall obtain all required permits from the City prior to constructing any improvements within the Leased Premises. Before a permit can be issued, Lessee's licensed contractor or other licensed professional experienced in the development or operation of a public park must supply two sets of plans to CRC or DOTE, or other City Departments if required, for approval showing the location of the proposed improvements.

(B) No Liens. Lessee shall not permit any mechanics' liens to attach to the Leased Premises in connection with work performed by or at the request of Lessee.

(C) Compliance with Laws. Lessee shall obtain all necessary City permits associated with work within the Leased Premises performed by Lessee and shall pay all required permit fees. Lessee shall ensure that all work is performed in compliance with all applicable federal, state, and local laws, codes, regulations, and other governmental requirements.

8. Information and Reports. Upon thirty (30) days' prior written request, Lessee shall permit or cause to permit the City to have access to and to inspect any and all agreements and accounting, financial, administrative, and operational books, records, and statements as may be requested by the City that relate or pertain to the Leased Premises and the operation of a public park thereon and that are in Lessee's possession or control (all such reports, records, statements and other information furnished by Lessee under this paragraph being referred to herein collectively as "**Records and Reports**"). All Records and Reports compiled by Lessee and furnished to the City shall be in such form as the City may from time to time require. During the Term, Lessee shall permit the City and its designees and auditors to have access to and to inspect and audit Lessee's Records and Reports.

9. Liability; Indemnification.

(A) Liability. Throughout the Term, Lessee shall be responsible for all liabilities, damages, claim, costs and expenses in connection with the Permitted Use, or with Lessee's activities or the activities of the public on the Leased Premises, and Lessee hereby releases the City from any liability for any property damage or personal injury suffered or incurred by Lessee in connection with or incidental to this Lease or the exercise of Lessee's rights granted herein.

(B) Insurance. Throughout the Term, Lessee shall maintain Commercial General Liability insurance with respect to the Leased Premises in an amount not less than One Million Dollars (\$1,000,000) per occurrence, combined single limit, Two Million Dollars (\$2,000,000) aggregate, naming the City as an additional insured, and such additional insurance as the CRC or Department of Risk Management may from time to time reasonably require. All insurance required to be maintained by Lessee hereunder shall be issued by insurance companies reasonably acceptable to the City. If Lessee constructs any improvements within the Leased Premises, Lessee shall maintain property insurance on such improvements in the amount of the full replacement cost thereof. On or prior to the Commencement Date and prior to the expiration of each insurance policy, Lessee shall furnish to the City a certificate of insurance evidencing the insurance required hereunder.

(C) Waiver of Claims and Subrogation. All improvements, materials, equipment, and other personal property of every kind that may at any time be on the Leased Premises shall be on the Leased Premises at Lessee's sole risk, and under no circumstances shall the City be liable for any loss or damage thereto, no matter how caused. Lessee hereby waives, as against the City, its employees, agents and contractors, all claims and liability, and on behalf of Lessee's insurers, rights of subrogation, with respect to property damaged by fire or other casualty or any other cause, even if caused by

negligence, it being the agreement of the parties that Lessee shall at all times protect itself against such loss or damage by maintaining adequate property insurance.

(D) Indemnification. Lessee shall defend (with counsel reasonably acceptable to the City), indemnify and hold the City harmless from and against any and all claims, causes of action, losses, costs, judgments, fines, liability and damages caused by or arising out of any occurrence on the Leased Premises during or with respect to the Term of this Lease, including without limitation any of the foregoing that may occur or be claimed with respect to any death, personal injury or loss of or damage to property on or about the Leased Premises.

10. Casualty. If the Leased Premises is damaged or destroyed by fire or other casualty, Lessee shall repair and restore the same, as expeditiously as possible, and to the extent practicable, to substantially the same condition in which they were in immediately prior to such occurrence. The City and Lessee shall jointly participate in filing claims and taking such other actions pertaining to the payment of proceeds resulting from such occurrence. If Lessee's insurance proceeds are insufficient to fully repair and restore the Leased Premises, Lessee shall make up the deficiency. Lessee shall handle all construction in accordance with the applicable requirements set forth by DOTE. Lessee shall not be relieved of any obligations, financial or otherwise, under this Lease during any period in which the Leased Premises is being repaired or restored.

11. Default. If Lessee fails to pay any sum due hereunder or perform any other obligation under this Lease within ten (10) days after receiving written notice thereof from the City (herein, a "default"), the City, at its option, immediately or at any time during the continuance of the default, may terminate this Lease by delivering a written notice of termination to Lessee. Lessee shall pay to the City, upon demand, all costs and damages suffered or incurred by the City in connection with Lessee's default or the termination of this Lease. Without limitation of the City's other rights and remedies hereunder, upon the occurrence of a default, the City may, but shall not be obligated to, cure or attempt to cure such default at Lessee's sole expense and may, if necessary, enter onto the Leased Premises to undertake such cure. Lessee shall pay the City within ten (10) days after the City's written demand an amount equal to all costs paid or incurred by the City in effecting compliance with Lessee's obligations under this Lease, together with interest thereon from the date that the City pays or incurs such costs at an annual rate of ten percent. The rights and remedies of the City under this Lease are cumulative and are not intended to be exclusive of, and the City shall be entitled to, any and all other rights and remedies to which the City may be entitled hereunder, at law or in equity. The City's failure to insist in any one or more cases on strict performance of any provision of this Lease or to exercise any right herein contained shall not constitute a waiver in the future of such right.

12. Notices. All notices required to be given hereunder by either party shall be in writing and personally delivered, sent by Federal Express or other recognized overnight courier that in the ordinary course of business maintains a record of each delivery, or mailed by U.S. certified mail, postage prepaid, return receipt requested, addressed to the parties at their respective addresses set forth in the introductory paragraph of this Lease, or at such other address as either party may from time to time specify by notice to the other. Notices shall be deemed to have been given on the date of receipt if personally delivered, on the following business day if sent by an overnight courier, and on the date noted on the return receipt if mailed by U.S. certified mail. If Lessee sends a notice to the City alleging that the City is in default under this Lease, Lessee shall simultaneously send a copy of such notice by U.S. certified mail to: City Solicitor, 801 Plum Street, Suite 214, Cincinnati, OH 45202.

13. Surrender; Holdover.

(A) Surrender; Holdover. At the end of the Term, Lessee shall surrender the Leased Premises to the City in the condition in which Lessee is required to maintain the Leased Premises under the terms of this Lease. If Lessee remains in possession of the Leased Premises after the end of the Term without the City's consent, then, at the City's option, such holdover shall create a tenancy-at-will on the same terms and conditions as set forth in this Lease except that rent payable during such month-to-month tenancy shall be equal to one hundred fifty percent of the rent in effect immediately prior to the end of the Term.

(B) Removal of Alterations. If Lessee has made improvements to the Leased Premises during the Term, then, at the end of the Term, the City shall identify which improvements, if any, Lessee shall be required to surrender (at no cost to the City) and which improvements Lessee shall be required to remove. If Lessee fails to timely remove improvements that are designated for removal by the City and fails to restore the Leased Premises to their former condition, or if Lessee fails to remove any items of personal property from the Leased Premises, such improvements and items of personal property shall be deemed abandoned by Lessee, whereupon the City may remove, store, keep, sell, discard or otherwise dispose of such improvements and items of personal property, and Lessee shall pay all costs incurred by the City in so doing within ten (10) days after the City's written demand. If the City incurs costs in removing Lessee's improvements and restoring the Leased Premises to their former condition, Lessee shall reimburse the City for all such removal and restoration costs within thirty (30) days after receiving an invoice therefor from the City.

14. Assignment and Sublease. Lessee shall not assign its interests under this Lease, and an attempted assignment or sub-lease of this Lease shall be null and void. The City acknowledges that Lessee may enter into a management agreement with a third party to operate the park referenced above ("**Manager**"). Lessee shall require that its Manager comply with all of Lessee's obligations to the City under this Lease, including, but not limited to, maintaining insurance at the same levels as required of Lessee and naming the City as an additional insured under the Manager's insurance policy. The Manager's obligations shall be in addition to those of Lessee and shall not relieve Lessee of any of its obligations to the City under this Lease.

15. Additional Conditions, Coordinated Report #92-2024. Lessee shall comply with the following terms and conditions as required by the indicated City department or affiliate:

(A) NONE

16. General Provisions.

(A) Entire Agreement. This Lease (including the exhibits hereto) contains the entire agreement between the parties with respect to the subject matter hereof and supersedes any and all prior discussions, negotiations, representations or agreements, written or oral, between them respecting the subject matter hereof.

(B) Amendments. This Lease may be amended only by a written amendment signed by both parties.

(C) Governing Law. This Lease shall be governed by and construed in accordance with the laws of the City of Cincinnati and the State of Ohio. All actions regarding this Lease shall be brought in the Hamilton County Court of Common Pleas, and Lessee agrees that venue in such court is proper. Lessee hereby waives trial by jury with respect to any and all disputes arising under this Lease.

(D) Binding Effect. This Lease shall be binding upon and shall inure to the benefit of and be enforceable by and against the parties and their respective successors and permitted assigns.

(E) Captions. The captions of the various sections and paragraphs of this Lease are not part of the context hereof and are only guides to assist in locating such sections and paragraphs and shall be ignored in construing this Lease.

(F) Severability. If any part of this Lease is held to be void, illegal or unenforceable by a court of law, such part shall be deemed severed from this Lease, and the balance of this Lease shall remain in full force and effect.

(G) No Recording. This Lease shall not be recorded in the Hamilton County Recorder's office.

(H) Time. Time is of the essence with respect to the performance by Lessee of its obligations under this Lease.

(I) No Third-Party Beneficiaries. The parties hereby agree that no third-party beneficiary rights are intended to be created by this Lease.

(J) No Brokers. Lessee represents that it has not dealt with a real estate broker, salesperson or other person who might claim entitlement to a fee or other compensation as a result of the parties' execution of this Lease.

(K) Official Capacity. All representations, warranties, covenants, agreements, and obligations of the City under this Lease shall be effective to the extent authorized and permitted by applicable law. None of those representations, warranties, covenants, agreements, or obligations shall be deemed to be a representation, warranty, covenant, agreement or obligation of any present or future member, officer, agent or employee of the City in other than his or her official capacity. No official executing or approving the City's participation in this Lease shall be personally liable under this Lease.

(L) Representation as to Authority. Lessee represents that it has the power and authority to enter and perform its obligations under this Lease without the consent of anyone who is not a party to this Lease and that the execution and performance of this Lease has been duly authorized by all necessary actions on Lessee's part.

Approval of this Emergency Ordinance authorizes the City Manager to accept an in-kind donation from Taking Root and the University of Cincinnati, valued at up to \$40,000, consisting of land improvements on City-owned property in the Camp Washington neighborhood.

To increase canopy coverage, reduce the urban heat island effect, and reduce exposure to air pollution, the Cincinnati Parks Department is partnering with Taking Root and the University of Cincinnati Field Center to install two Miyawaki-style forests on parcels of land in the Camp Washington neighborhood that are owned by the City and utilized by the Department of Transportation and Engineering (DOTE) and the Department of Public Services (DPS). Miyawaki forests are dense, fast-growing micro-forests composed of biodiverse native plants and are particularly well suited for urban environments.

Upon completion of the installations, Taking Root and the University of Cincinnati Field Center will monitor and maintain the Miyawaki forests.

This in-kind donation does not require matching resources, and there are no FTEs/full time equivalents associated with this donation.

Enhancing canopy coverage, mitigating the urban heat island effect, and reducing air pollution in the Camp Washington neighborhood are in alignment with the “Sustain” goal to “[b]ecome a healthier Cincinnati” and strategy to “[c]reate a healthy environment and reduce energy consumption” as described on pages 181-185 of Plan Cincinnati (2012).

The reason for the emergency is the immediate need to accept the in-kind donation before the project begins in mid-April 2026.

The Administration recommends passage of this Emergency Ordinance.

Motion: Eliminating Street Takeovers on Cincinnati Streets

March 16, 2026

With the massive street takeover this past weekend, someone is going to be seriously hurt or killed unless further measures are put in place to prevent this type of activity in the future.

Therefore, WE MOVE that the administration produce a report in the next 30 days on the following:

- A recommendation for an ordinance that establishes a civil fine, authorizes the impoundment of vehicles for a minimum of six months, and requires the offender to cover all impoundment costs.
- Report on when CPD has brought charges under the 2024 Ohio Street takeover law (ORC 4511.251) and include information on the results of those criminal proceedings.
- Other policy choices City Council can make to eliminate street takeovers.

STATEMENT

On Saturday, March 14, ~100 vehicles organized in Cincinnati for a street takeover. In fact, it was advertised on social media (attached). The Cincinnati Police Department arrested 50 individuals with guns recovered. 58 cars were impounded, of which only 9 were registered to an individual within the city limits (3 from Madisonville, 2 from Westwood, 2 from Price Hill, 1 from Saylor Park, 1 from Spring Grove Village). 39 were outside of city limits but Ohio (Columbus, Troy, Cleveland, Fairfield, Sunbury, Reynoldsburg), 7 from Kentucky, 1 from Indiana, 1 from Illinois and 1 from Texas.

Other cities, such as Louisville, have successfully clamped down on street takeovers. In Louisville, they have instituted higher civil fines of up to \$1,000 for the first offense and \$2,000 for repeat offenses and allow police to seize and hold vehicles involved for up to 6 months creating a major financial penalty due to towing and storage costs. This has resulted in a significant reduction on street takeovers.

The advertisement on social media and the fact that 85% of the cars impounded were from individuals outside of Cincinnati clearly shows that some view Cincinnati as a destination for this type of dangerous activity. We must do what we can to prevent further street takeovers especially as we enter the warmer months.
