McMillan Street over Interstate 71 in connection with the Ohio Department of Transportation's district-wide bridge maintenance project in the City of Cincinnati.

The bridges are located in the neighborhoods of Linwood, West End, and Walnut Hills within the City of Cincinnati corporation limits.

State Route 32 over the Little Miami River work includes replacing bridge bearings and cleaning beam seats, 9th Street over I-75 work includes replacing and cleaning bridge drainage items, and McMillan Street over I-71 work includes repairing sidewalks and sealing the bridge deck.

The City's Department of Transportation and Engineering (DOTE) has reviewed and approves of the proposed project that is scheduled for field construction in 2023 and 2024.

The State of Ohio will provide 100% of the cost of the Project. Upon completion of the project, the City will continue its existing right of way maintenance responsibilities.

The Administration recommends passage of the attached ordinance.
