MOTION

We MOVE that City Council allocate funds in the amount of \$100,000 from the Special Events Fund for 'FY25 to support the Avondale Film Festival.

STATEMENT

The Avondale Film Festival provides meaningful employment opportunities for Avondale residents as well as residents from across the City of Cincinnati. In addition to local workforce development, the festival attracts participants and creatives from across the country, ranging from Ohio to as far as California.

This investment supports economic development, cultural enrichment, and community visibility within the Avondale neighborhood while positioning Cincinnati as a destination for arts, film, and creative expression.
