MOTION

To ensure that taxpayer dollars are spent on results with our external partners, and with great accountability, sustainability, and impact, WE MOVE that:

The Administration provide the necessary resources to implement the new Performance-Based Contract ordinance, which requires that all agencies and programs that receive City funding for operating purposes sign results-based, or performance-based contracts with the City. This should include funding that flows through the United Way, our primary partner in delivering human services.

Each agency or program that receives funding for operating purposes present on their progress at least two times each year in the Council committee with jurisdiction.
