## About

Dedicated connector and collaborator committed to inclusion and community building. Focused on fostering interdisciplinary, collaborative, and inclusive approaches to complex socio-economic, educational, and health problems and disparities. Extensive experience working with international, multiethnic, multicultural, and multilingual communities. Strong history of designing, developing, and implementing successful culturally and linguistically appropriate programs. Proven ability to effectively communicate, network and collaborate with multiple and diverse communities, institutions and organizations. Detailed working knowledge of local, state and federal resources, law and policies related to immigrant, refugee, and international populations.
