## Project Need

Based on the analysis, completed with assistance from a third-party consultant, it was determined that if the rents are held at the level proposed by the Developer, the rents are far below market. While the incentive does slightly increase the rate of return, the rate of return is still lower than similar projects within the market area when the rents are kept.
Additionally, the continuing change in demand for office space may present a challenge in leasing at higher rates.

| PROFORMA WITHOUT ABATEMENT (Market Rent) |  |
| :--- | ---: |
| Revenue | $\$ 31,624$ |
| Operating Expenses | $\$ 14,864$ |
| Net Operating Income | $\$ 16,760$ |
| Debt Service | $\$ 6,724$ |
