C. Grantee has requested the City to grant an easement for an out swinging door encroachment upon the West 8<sup>th</sup> Street public right-of-way (the "**Encroachment**").

D. The City Manager, in consultation with DOTE, has determined that (i) the easement will not have an adverse effect on the City's retained interest in the West 8<sup>th</sup> Street public right-of-way, and (ii) granting the easement will not have an adverse effect on the usability or accessibility of any existing West 8<sup>th</sup> Street public right-of-way facilities.

E. The City's Real Estate Services Division has determined that the fair market value of the easement, as determined by professional appraisal, is \$50, which has been deposited with the Real Estate Services Division.

F. City Planning Commission, having the authority to approve the change in the use of City-owned property, approved the easement at its meeting on August 19, 2022.

G. Cincinnati City Council approved the easement by Ordinance No. [\_\_]-2022, passed on [\_\_\_\_], 2022.

NOW THEREFORE, the parties do hereby agree as follows:

1. Grant of Easement. The City does hereby grant to Grantee, on the terms and conditions set forth herein, as an appurtenance to and for the benefit of the Benefitted Property, a non-exclusive encroachment easement to use, maintain, repair, reconstruct, replace, and remove the Encroachment in, over, and across the West 8th Street public right-of-way, as more particularly depicted on Exhibit B and described on Exhibit C (Legal Description- Easement) hereto (the “**Easement**” or “**Easement Area**”, as applicable). Grantee shall not make any modifications to the Encroachment within the Easement Area without the City’s prior written consent.

2. Termination. Notwithstanding anything herein to the contrary, the Easement shall automatically terminate upon (i) the complete or partial demolition of the Encroachment within the Easement Area, such that the Easement would be rendered unnecessary; (ii) upon written notice from the City, if the City determines that it needs the Easement Area, or any portion thereof for a municipal purpose, including, without limitation to the implementation of Americans with Disabilities Act (“**ADA**”) regulations compliance or accessibility standards; or (iii) upon written notice from the City if the City determines that the Encroachment are creating a public safety issue, such as noncompliance with ADA accessibility regulations, contributing to adverse impacts on the usability or accessibility of any public right-of-way facilities.

3. Maintenance and Repairs. At no cost to the City, Grantee shall maintain the Encroachment in a continuous state of good and safe condition and repair. Grantee acknowledges that there may be existing easements, utility lines, and related facilities in the vicinity of the Easement Area (“**Third-Party Utility Lines**”). In connection with Grantee’s maintenance, repair, and use of the Encroachment, Grantee shall not interfere with the access of utility companies to maintain and repair the Third-Party Utility Lines and shall, at Grantee’s expense, promptly repair any and all damage to Third-Party Utility Lines caused by Grantee, its agents, employees, contractors, subcontractors, tenants, licensees, or invitees. Any relocation of Third-Party Utility Lines necessitated by the maintenance, repair, reconstruction, removal, or sealing of the Encroachment under this instrument shall be handled entirely at Grantee’s expense. All activities undertaken by Grantee under this instrument shall be in compliance with all applicable codes, laws, and other governmental standards, policies, guidelines and requirements.

4. Insurance; Indemnification. At all times, and in addition to whatever other insurance and bond requirements as the City may from time to time require, Grantee shall maintain or cause to be maintained a policy of Commercial General Liability insurance, with an insurance company reasonably acceptable to the City and naming the City as an additional insured, in an amount not less than \$1,000,000 per occurrence, combined single limit/\$1,000,000 aggregate, or in such greater amount as the City may from time to time require. Grantee shall furnish to the City a certificate of insurance evidencing such insurance upon the City’s request and, in any event, prior to undertaking any construction activities within the Easement Area. Grantee hereby waives all claims and rights of recovery against the City, and on behalf of Grantee’s insurers, rights of subrogation, in connection with any damage to the Encroachment, no matter how caused. Grantee shall defend (with counsel reasonably acceptable to the City), indemnify, and hold the City harmless from and against any and all claims, actions, losses, costs (including without limitation reasonable attorneys’ fees), liability and damages suffered or incurred by, or asserted against, the City in connection with the use, maintenance, repair, and all other matters associated with the Encroachment.

5. Default. If Grantee, its successors-in-interest, or assigns fail to perform any required work under this instrument and fail to address the same to DOTE’s satisfaction within thirty (30) days after receiving written notice thereof from DOTE, the City shall have right to perform such work, at Grantee’s expense, payable within ten (10) days after receiving an invoice from DOTE evidencing the amount due. Grantee, its successors-in-interest, or assigns shall be liable to DOTE for the payment of such work. Any outstanding amount due under this instrument shall create a lien on the Benefitted Property until fully paid. At the City’s option, the City may file an affidavit in the Hamilton County, Ohio Recorder’s office to memorialize any outstanding amounts due under this instrument.
