To: Members of the Budget and Finance Committee

From: Sheryl M. M. Long, City Manager

202301936

Subject: Ordinance – Cincinnati Fire Department: FY 2022 Urban Area Security Initiatives Grant Program

Attached is an Ordinance captioned:

AUTHORIZING the City Manager to apply for a grant from the United States Department of Homeland Security, Federal Emergency Management Agency, FY 2022 Homeland Security Grant Program, Urban Area Security Initiative (ALN 97.067) (the “UASI Grant”); and **AUTHORIZING** the City Manager to accept the transfer of equipment and supplies valued at up to \$251,247.50 from the Hamilton County Emergency Management Agency, which acts as the regional fiscal agent for the UASI Grant.

Approval of this Ordinance would authorize the City Manager to apply for a grant from the United States Department of Homeland Security (DHS), Federal Emergency Management Agency (FEMA), FY 2022 Homeland Security Grant Program, Urban Area Security Initiative (UASI) (ALN 97.067). This Ordinance further authorizes the City Manager to accept the transfer of equipment and supplies valued at up to \$251,247.50 from the Hamilton County Emergency Management Agency (HCEMA), which acts as the regional fiscal agent for the UASI Grant.

The UASI Grant is available through the U.S. Department of Homeland Security to assist in preventing, preparing for, protecting against, and responding to acts of terrorism. Through this grant the Cincinnati Fire Department (CFD) will receive a Fourier Transform Infrared Vapor and Gas Detection Monitor that will enable on-scene identification of low parts per million gases. CFD will also receive an explosive ordnance device (EOD) robot upgrade to sustain the department’s capability to respond to multiple threats and hazards.

There are no new FTEs associated with this grant, and no matching funds are required.

The City applied for the grant prior to the deadline of June 13, 2022, and was made aware of the award in August 2023. No supplies or equipment will be accepted without approval by the City Council.

Acceptance and use of the supplies and equipment funded by the UASI Grant is in accordance with the “Live” goal to “[c]reate a more livable community” as described on pages 156-163 of Plan Cincinnati (2012).

The Administration recommends passage of this Ordinance.
