An Ordinance No. _____

-2021

MODIFYING the salary range schedule for the classification of Water Works Construction Inspector by amending existing Section 463, Division I, of Chapter 307 of the Cincinnati Municipal Code in order to ensure that the new salary range is consistent with the level of responsibility and competitive with similar positions across internal and external job markets.

WHEREAS, the Greater Cincinnati Water Works (GCWW) and Human Resources Department are recommending a modification to the current salary for the classification of Water Works Construction Inspector to ensure that the new salary range is consistent with the level of responsibility and competitive with similar positions across internal and external job markets; and

WHEREAS, GCWW and the City's Department of Human Resources was approached by employees with concerns of wage inequity based on a comparison to like classifications in comparable external governmental water and wastewater utilities; and

WHEREAS, GCWW and the City's Department of Human Resources conducted a market analysis to further assess the compensation range against industry trends, and the research confirmed that the salary range for this classification is below market and requires amendment based on the level of responsibility, liability, and scope of work performed by the classification; and

WHEREAS, the Department of Human Resources has done due diligence to ensure that the new salary range is consistent with the scope of services and the level of responsibility of the position of Water Works Construction Inspector, considering factors including liability, scope of responsibility, judgment, independent action, and accountability throughout the evaluation process; now, therefore,
