GRANT OF ENCROACHMENT EASEMENTS

(encroachments into a portion of Considine Avenue)

This Grant of Encroachment Easements is granted as of the Effective Date (as defined on the signature page hereof) by the **CITY OF CINCINNATI**, an Ohio municipal corporation, 801 Plum Street, Cincinnati, OH 45202 (the "**City**"), in favor of **Warsaw Creative LLC**, an Ohio limited liability company, the address of which is c/o Price Hill Will 3724 St. Lawrence Avenue, Cincinnati, Ohio 45205 ("**Grantee**").

Recitals:

A. By virtue of a *General Warranty Deed* dated October 1, 2019, Grantee holds title to certain real property located at 3120 Warsaw Avenue, as more particularly described on Exhibit A (Legal Description – Benefitted Property) and depicted on Exhibit B (Survey Plat) hereto (the "**Benefitted Property**").

B. The City owns the adjoining Considine Avenue public right-of-way, which is under the management of the City's Department of Transportation and Engineering ("**DOT**").

C. Grantee has requested the City to grant encroachment easements for existing projections encroaching upon the Considine Avenue public right-of-way, i.e., a stone retaining wall, railing, and step (the "**Improvements**").

D. The City Manager, in consultation with DOT, has determined that (i) the encroachment easements will not have an adverse effect on the City's retained interest in the Considine Avenue public right-of-way, and (ii) granting the encroachment easements will not have an adverse effect on the usability or accessibility of any existing Considine Avenue public right-of-way facilities.

E. The City's Real Estate Services Division has determined that the fair market value of the encroachment easements, as determined by appraisal, is \$100, which has been deposited with the Real Estate Services Division.

F. City Planning Commission, having the authority to approve the change in the use of City-owned property, approved the encroachment easements at its meeting on March 19, 2021.

G. Cincinnati City Council approved the encroachment easements by Ordinance No. ____-2021, passed on _____, 2021.

NOW THEREFORE, the parties do hereby agree as follows:

1. Grant of Encroachment Easements. The City does hereby grant to Grantee, on the terms and conditions set forth herein, as an appurtenance to and for the benefit of the Benefitted Property, non-exclusive encroachment easements to maintain, repair, reconstruct, replace, and remove the Improvements on, below, and above the Considine Avenue public right-of-way, as more particularly depicted on Exhibit B, and more particularly described on Exhibit C (Legal Description-Encroachment Easements) hereto (the “**Encroachment Easements**” or “**Encroachment Easement Area**”, as applicable). Grantee shall not make any modifications to the Improvements without the City’s prior written consent. Notwithstanding anything herein to the contrary, the Encroachment Easements shall automatically terminate upon (i) the complete demolition of the Improvements within the Encroachment Easement Area, such that the Encroachment Easements would be rendered unnecessary; (ii) upon written notice from the City, if the City determines that it needs the Encroachment Easement Area, or any portion thereof for a municipal purpose, including, without limitation to the implementation of Americans with Disabilities Act (“**ADA**”) regulations compliance or accessibility standards; (iii) or upon written notice from the City if the City determines that the Improvements is creating a public safety issue, such as noncompliance with ADA accessibility regulations, contributing to adverse impacts on the usability or accessibility of any public right-of-way facilities.

2. Construction, Maintenance, and Repairs.

(A) The Improvements shall be constructed and maintained in accordance with the plans and specifications approved by DOTE, and in accordance with applicable code standards. Once installed, Grantee shall not make any enlargements or other modifications to the Improvements without DOTE’s prior written consent.

(B) Following installation, at no cost to the City, Grantee shall maintain the Improvements in a continuous state of good and safe condition and repair. Grantee acknowledges that there may be existing easements, utility lines, and related facilities in the vicinity of the Encroachment Easement Area (“**Third-Party Utility Lines**”). In connection with Grantee’s construction, maintenance, repair, and use of the Improvements, Grantee shall not interfere with the access of utility companies to maintain and repair the Third-Party Utility Lines and shall, at Grantee’s expense, promptly repair any and all damage to Third-Party Utility Lines caused by Grantee, their agents, employees, contractors, subcontractors, tenants, licensees, or invitees. Any relocation of Third-Party Utility Lines necessitated by the maintenance, repair, reconstruction, or removal of the Improvements under this instrument shall be handled entirely at Grantee’s expense. All activities undertaken by Grantee under this instrument shall be in compliance with all applicable codes, laws, and other governmental standards, policies, guidelines and requirements

3. Insurance; Indemnification. At all times, and in addition to whatever other insurance and bond requirements as the City may from time to time require, Grantee shall maintain or cause to be maintained a policy of Commercial General Liability insurance, with an insurance company reasonably acceptable to the City and naming the City as an additional insured, in an amount not less than \$1,000,000 per occurrence, combined single limit/\$1,000,000 aggregate, or in such greater amount as the City may from time to time require. Grantee shall furnish to the City a certificate of insurance evidencing such insurance upon the City’s request and, in any event, prior to undertaking any construction activities within the Encroachment Easement Area. Grantee hereby waives all claims and rights of recovery against the City, and on behalf of Grantee’s insurers, rights of subrogation, in connection with any damage to the Improvements, no matter how caused. Grantee shall defend (with counsel reasonably acceptable to the City), indemnify, and hold the City harmless from and against any and all claims, actions, losses, costs (including without limitation reasonable attorneys fees), liability and damages suffered or incurred by, or asserted against, the City in connection with the construction, maintenance, repair or other matters associated with the Improvements.
