

**June 16, 2021**  
202102241

**To:** Mayor and Members of City Council

**From:** Paula Boggs Muething, City Manager

**Subject: Ordinance – Accept and Appropriate Donation from Clifton Resident, Timothy Maxey**

---

Attached is an Ordinance captioned:

**AUTHORIZING** the City Manager to accept, with gratitude, and appropriate a donation in an amount of up to \$2,920 from Clifton resident Timothy Maxey to existing capital improvement program project account no. 980x232x212383, “Pedestrian Safety Improvements,” for the purpose of providing resources for the purchase of two new solar powered blinking stop signs requested by the Clifton Town Meeting for the intersection of Middleton Avenue and Resor Avenue.

Approval of this Ordinance will authorize the City Manager to accept and appropriate a donation in the amount of up to \$2,920 from Clifton resident, Timothy Maxey, to existing capital improvement program project, “Pedestrian Safety Improvements,” for the purpose of providing resources to purchase two new solar powered blinking stop signs for the intersection of Middleton Avenue and Resor Avenue.

The Clifton Town Meeting requested that blinking stop signs be added to the intersection of Middleton Avenue and Resor Avenue as one of their top priority projects. Blinking stop signs have never been utilized in Cincinnati. The Clifton Town Meeting plans to enable a pilot of their use in the Clifton neighborhood to promote traffic safety and increase neighborhood vitality. Timothy Maxey generously offered, on behalf of the Clifton Town Meeting, to share in the additional cost required to install blinking stop signs over the cost of standard stop signs.

There are no new FTEs associated with this donation.

The installation of blinking stop signs is in accordance with the “Connect” goal to “develop an efficient multi-modal transportation system that supports neighborhood livability” and to “plan, design, and implement a safe and sustainable transportation system, as described on pages 127-138 of Plan Cincinnati (2012).

The Administration recommends passage of this Ordinance.
