Additional sites may be requested in writing by persons interested in vending at specific locations which have not been designated for vending of the type proposed in the request. The city manager or his or her designee shall exercise sole discretion in determining the appropriateness of the requested location and shall notify the applicant in writing of the decision.
- (e) Temporary Locations. Temporary locations within the vending districts established in subsection (c) of this section for use in relocating sidewalk

- (g) Assignment of Vending Locations. Vending revocable street privileges for sidewalk vending locations will be awarded in accordance with the following:
  - 1. Each year, vendors with existing sidewalk vending locations may retain up to eight of their vending locations, upon provision of written notice to the city.
  - 2. New vending locations, and newly open vending locations not retained by a vendor, are to be awarded on a first come, first served basis.
  - 3. Applications for new or newly available vending locations shall be considered and awarded, in the order in which they are received, only to qualified applicants who submit proper and complete applications.
  - 4. Existing vendors seeking to retain one or more (up to eight) of their vending locations, and applicants seeking a new vending location, all must submit their applications within the deadlines for each step of the process. The application periods and deadlines shall be established in the rules and regulations governing the sidewalk vending program.
  - 5. In a given year, if deemed necessary because of high demand for new vending locations, the city manager or his or her designee may implement another method for awarding new locations, including but not limited to a lottery or another random drawing method, to ensure fairness both to existing vendors and new vendors.
  - 6. The provisions of this subsection (g) do not change the revocability of vending revocable street privileges addressed in subsection (h) of this section and in Chapter 718 of the Cincinnati Municipal Code.
- (h) Vending Revocable Street Privilege. The city manager or his designee shall issue a vending revocable street privilege for each vending location awarded upon payment of the required fee set forth in the rules and regulations for the sidewalk vending program. Vending revocable street privileges for vending locations issued pursuant to this chapter are also governed by Chapter 718 of the Cincinnati Municipal Code and are revocable at any time as set forth in Chapter 718. In the event of revocation not caused by any act or omission of

the vendor, the city shall make good faith efforts to accommodate the vendor by identifying an alternative vending location, or, if no alternative locations are available, the city will refund a prorated amount of the annual fee for the vending revocable street privilege based on the number of months of the year that the vendor had the vending revocable street privilege.

- (i) Vending During Special Events. When city council passes an ordinance in connection with a special event which temporarily prohibits vending in a specified area within any vending district except that which is authorized by the special event sponsor, and such area includes established sidewalk vending locations, or when, as a result of lawful construction or demolition or a significant change in the use of the street or sidewalk space in the vending district, it is necessary to eliminate an established vending site, the city manager or his or her designee may designate a temporary alternative sidewalk vending location within one of the defined vending districts established in subsection (c) of this section. The city manager or his or her designee shall designate temporary locations for sidewalk vending on an as-needed basis. The location of such temporary sites shall be at the sole discretion of the city manager or his or her designee.

Section 2. That existing Section 723-16, "Sidewalk Vending," is hereby repealed.

Section 3. That the proper City officials are hereby authorized to take all necessary and proper actions to carry out the provisions of this ordinance.

Section 4. That this ordinance shall be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall, subject to the terms of Article II, Section 6 of the Charter, be effective immediately.
