Subject: Ordinance – Stormwater Sewer Easements North of River Road

Attached is an Ordinance captioned:

ACCEPTING AND CONFIRMING the grant of permanent public utility easements in favor of the City of Cincinnati for stormwater sewers, appurtenances, fixtures, and equipment in and upon certain real property located north of River Road in Riverside.

The City initiated this project to redirect outfall from a County storm sewer in Delhi township that was creating localized flooding issues to private properties within the City of Cincinnati. The City installed stormwater facilities on the affected properties to redirect the outfall to stormwater facilities in the public right of way.

The Administration recommends passage of this Ordinance.
