MR. GOODIN

- 1. MOTION**, submitted by Councilmember Goodin, While Cincinnati continues to grapple with long-term, systemic fixes to its affordable housing shortage, it has become apparent that the location of such units remains an issue for many homeowners. A concentration of subsidized units in one neighborhood can artificially lower property values and deter market-rate and commercial development. Accordingly, **WE MOVE** that the Administration advise as to whether Council may limit the development of new subsidized housing units in neighborhoods which already contain 50 percent or more of such units in their existing housing stock.

MR. GOODIN

MR. SMITHERMAN

3. **MOTION**, submitted by Councilmember Goodin and Vice Mayor Smitherman, The Cincinnati Police Department (CPD) recently reported that its complement of uniformed officers stands below 1,000 for the first time in decade as a result of retirements and attrition. This reduction in force comes at a time when Cincinnati neighborhoods have been faced with a record number of murders, as well as an increase in property and quality of life offenses as a result of the COVID-19 pandemic. Additionally, the community continues to seek thoughtful engagement between the Cincinnati Police Department and mental health and addiction service providers to, when appropriate, divert potential criminal defendants into treatment. Accordingly, **WE MOVE** that a portion of Cincinnati's American Rescue Plan appropriation be committed to: 1) immediately fund a new CPD recruit class in 2021 to better facilitate community policing and criminal investigations; 2) fund additional training and police personnel for CPD's Mental Health Response Team (MHRT); 3) fund training to better integrate the MHRT with existing mental health and substance abuse providers and to create a mechanism to track those citizens who are referred to such providers; 4) to fund the local chapter of the Saving Our Kings and Queens youth intervention program headed by Mitch Morris; 5) to fund Rev. Peterson Mingo's Southern Christian Leadership Program's Rites of Passage initiative, which includes a summer camp, anti-gang and anti-drug education and numerous youth sports programs in Evanston; and 6) to once again fully fund Hope Dudley's UCanSpeakForMe homicide victim's family assistance program.

- 31. MOTION**, submitted by Councilmember Keating, Mann, Sundermann and Kearney, Our small businesses have suffered from the negative impacts of COVID-19 at a disproportionate level. The City of Cincinnati is to receive \$290 million from the American Rescue Plan, President Joe Biden's \$1.9 trillion coronavirus stimulus bill. **WE MOVE** that the City Administration prepare a REPORT on how much money, of the \$290 million from the American Rescue Plan, that the city could feasibly set aside to aid the small business community in their COVID-19 recovery efforts. This approach needs to be a two-pronged effort that not only targets specific small businesses but also takes a blanket approach to focus on providing aid to neighborhood business districts. Therefore, **WE FURTHER MOVE** that the City Administration prepare a REPORT on how much money of \$290 million from the American Rescue Plan, that the city could feasibly set aside to identify and aid the neighborhood business districts that have been most negatively impacted by the COVID-19 impact. **WE FURTHER MOVE** that the City Administration prepare a REPORT on the eligibility requirements in which small businesses and

neighborhood business districts would need to meet in order to qualify for relief through the city. These funds would be utilized to assist in the recovery from the losses our small businesses and communities have endured due to the COVID-19 Pandemic. - 33. MOTION**, submitted by Councilmember Goodin, Vice Mayor Smitherman, Councilmember Sundermann, Keating and Kearney, During the COVID-19 pandemic, Cincinnati workers have adopted remote working at an amazing pace. Many routine office activities have been replaced by video conferencing and digital access to documents. While these innovations have kept our economy moving, they also present a looming crisis for Ohio's cities. More than 70 percent at Cincinnati's revenue is derived from its earning tax, and a significant portion of that percentage is derived from non-City residents who formerly worked in downtown offices.

[202101152](#)

Recent litigation and potential legislation have called into question our ability to tax those workers in the long term. These actions notwithstanding, many businesses may simply choose to close their offices or reduce their physical footprint in the City, thus shrinking the tax base over time. Accordingly, **WE MOVE** that the Administration prepare a report outlining the loss in revenue to the City per annum if, variably, 10, 20 or 30 percent of non-resident City workers would no longer be subject to the City's earning tax.
