[Exhibit A](#)

6. [202100742](#) MOTION, dated 02/17/2021, submitted by Councilmembers Mann and Landsman, WE MOVE that City should build medians and other traffic calming infrastructure ONLY if provision is made for the long-term maintenance needs and costs. We further move that the City provides a report and a maintenance master plan for all such amenities created in the past. The report should include a strategy for taking care of the maintenance. The strategy should include potential redesigns funded through capital funds, to enhance the maintainability of these features. (STATEMENT ATTACHED)
- Sponsors:** Mann and Landsman
- Attachments:** [Motion](#)
7. [202002226](#) ORDINANCE EMERGENCY, dated 12/10/2020, submitted by Councilmember Greg Landsman, from Andrew W. Garth, Interim City Solicitor, ESTABLISHING and City Council policy for evaluating real property tax incentives authorized by the City of Cincinnati.
- Sponsors:** Landsman
- Attachments:** [Transmittal](#)  
[Emergency Ordinance](#)  
[Attachment](#)
8. [202100291](#) MOTION, submitted by Councilmember Landsman, WE MOVE that if there is a conflict between the ordinance containing the Balanced Development Scorecard policy passed in connection herewith and the existing commercial CRA policy in Ordinance No. 275-2017, it's the policy of Council that the Balanced Development scorecard policy applies.
- Sponsors:** Landsman
- Attachments:** [Motion CRAs and the New Scorecard \(2\)](#)
9. [202100597](#) COMMUNICATION, dated 02/05/2021, submitted by Councilmember Landsman, regarding "Balanced Development Scorecard Packet",
- Sponsors:** Landsman
- Attachments:** [Communication](#)

10. [202100744](#) ORDINANCE (EMERGENCY) submitted by Paula Boggs Muething, City Manager, on 2/22/2021, AUTHORIZING the City Manager to execute and implement the Fire Fighters and Assistant Chiefs labor management agreements between the City of Cincinnati and the International Association of Fire Fighters, Local 48, the updated terms of which are reflected in the attached summary.

# Department Organization Chart

# Department of Recreation Significant Budget Issues Staffing

- ERIP Impact – reduction in staffing levels has impacted service delivery and hours of operation.
- Projected Budget reductions for FY 2022 and FY 2023 will further have a negative impact on operations.
- CRC extended recreation centers hours to accommodate school day enrichment to support the CPS virtual classroom.

# Department of Recreation

## Significant Budget Issues

### Staffing

- CRC business plan suggests that CRC is overextended financially.
- CRC needs to add a business manager, marketing manager and grant manager to its Table of Organization.
- More CRC indoor and outdoor maintenance staff, turf managers, laborers and truck drivers are needed.

# Department of Recreation Significant Budget Issues Staffing

- CRC had to absorb extended hours for Summer 2020, Fall 2020 and Winter 2021 (evenings, Saturdays and Sundays).

# Department Significant Issues

## Non-Personnel

- Maintaining adequate PPE supplies for staff and participants.
- Additional product costs of cleaning and maintaining buildings.
- Enhancing department technology to include software and hardware (Wi-Fi at recreation centers, pools and recreational areas).

# Department Significant Issues

## Non-Personnel

- CRC provided school day enrichment (SDE) and after school scholarships during the pandemic.
- CRC will need to continue to increase virtual programming.
- Continue with security camera enhancements across the system.
- CRC has assets that need major capital repairs.
- Continue to offer training and development opportunities for staff at every level within the organization.
- Continue to address deferred maintenance of CRC assets (advocate for a tax levy).

# Department Significant Accomplishments

- CRC partnered with Health Department to offer COVID-19 vaccination sites serving more than 6,000 residents.
- Awarded CAPRA Re-accreditation.
- Received various grants and federal funds.
- Provided emergency pandemic childcare, SDE programming and after school care.

# Department Significant Accomplishments

- Safely Operated 9 pools during the height of the COVID-19 pandemic.
- Expanded public Wi-fi at recreation centers.
- Served over 300 children in the Annual CRC Holiday Toy Drive.
- Provided over 60,000 Meals to seniors between March and September of 2020.

# Parks Department - Service During COVID-19

- Cincinnati Parks - an essential service during the pandemic
- Historic investment and vision
  - Oases in the middle of an industrialized city
  - 1907 Kessler Parks Master Plan
  - 1925 Comprehensive City Plan
  - 1992 'Planting the Future' Parks Master Plan
  - 2007 Centennial Parks Master Plan
- Parks open and safe for Community when everything else was closed
  - 2020 5<sup>th</sup> best City - ParkScore Rankings
  - Trust for Public Lands

# Parks Department - Organizational Impacts of COVID-19

- Organizational response
  - ERIP Impact
  - Organizational restructuring opportunity
    - Eliminated historic silos and barriers to professional advancement
    - Advancement of over 15 staff - internal promotions

# Parks Department - Staffing Issues

- Gap in amenity improvements
  - Establish Carpentry team
    - Add 2 FT Facility Maintenance Specialists
      - Example: Enhanced trail improvements
- Concern - Impact of 8% budget reduction exercise
  - Decrease in PVA - Filled positions after ERIP
  - Will require us to look at loss of services

# Parks Department - Significant Issues

## Capital Needs

- FY 2021 - Completion of Facilities & Infrastructure Study
  - \$74m in capital needs
  - Poor and fair assets total \$14m/\$28m
  - FY 2022/23 Capital Budget request is \$3.5m annually
    - Requested exceptions of \$843k (FY 2022) and \$1.3m (FY 2023) for road and parking restoration

# Parks Department - Significant Issues

## Loss of Revenue

- Parks has suffered \$2.5m revenue loss in restricted funds
  - Revenue supports operational costs
    - Krohn Conservatory
    - Riverfront Parks
      - Sawyer Point
      - Smale Riverfront Park
    - Explore Nature! programming
    - Parking, permits, rentals, and events

# Parks Department - Significant Issues

## Loss of Revenue

- Krohn Conservatory
  - Loss of Revenue - \$980k
  - Pre-pandemic fund balance - \$1.2m
  - Projected May 2021 fund balance - \$400k
  - Restricted fund supports staff
    - Expended \$671k (3/2020-1/2021)
      - Essential staff retained to care for the historic collection and COVID safe plant sales
      - Use stimulus dollars to relieve loss?

# QUESTIONS?

## Amid Protest and Pandemic, Urban Parks Show Their Worth

U.S. cities are now seeing the critical role that public space plays during a crisis. But severe budget cuts are looming. Can investing in parks be part of the urban recovery?

Patrick Sisson

June 4, 2020, 10:57 AM EDT

*Protesters gather at Dolores Park in San Francisco, California on June 3. Between hosting protesters and pandemic-weary residents, urban parks are seeing a surge in use. Josh Edelson / AFP via Getty Images*

During this extraordinary time in America's cities — weeks of coronavirus lockdowns followed by mass protests against police violence and racial inequality — one theme runs through the twinned crises: the power and value of public spaces.

The nation's parks experienced a surge of use during the pandemic that closed stores and businesses and kept so many Americans isolated in private. Since March, when coronavirus restrictions in the U.S. were enforced en masse, still-open city park facilities saw soaring numbers of visitors. Popular trails in Dallas, which tracks visitors, saw usage climb from 30% to 75% in March. In Minneapolis, during the still-cold month of March, trails experienced summertime levels of usage. Erie, Pennsylvania's Presque Isle State Park saw visitor numbers jump 165% year-over-year during the third week of March.

"Parks are the most valuable resource in the city at this point," says J. Nicholas Williams, director of the Parks, Recreation and Youth Development Department in Oakland, which has also seen an uptick in visitors in the last few months.

Then came the protests over the killing of George Floyd on May 25, triggering a wave of mass demonstrations that, in venues such as Lafayette Square in Washington, D.C., and Cal Anderson Park in Seattle, are using these same public spaces as stages for protest. That, too, is part of the critical role they play in urban life.

“The thing I tell people about parks and public spaces is they can be platforms for equity, and the events of the last week in America show the public realm is the essential platform for equity,” says James Hardy, Akron, Ohio’s deputy mayor for integrated development, who focuses on parks and public space. “It’s especially evident when the press and disregarded members of our community need these spaces to communicate truth to power.”

But amid this rediscovery of the value of parks, steep budget cuts now loom: City tax revenue is drying up, the need to provide additional protective gear for staff is expensive, and funds from special permits and fees, from athletic events to large outdoor concerts, may be small or non-existent during this socially distanced summer. The ongoing protests against police brutality and inequality both highlight the importance of public space for civil action and engagement and likely add to repair and maintenance costs.

A survey from the National Recreation and Park Association in mid-April of more than 300 park commissioners found half had been asked to make budget cuts this year between 10% and 20%, and many have already instituted hiring freezes or laid off part-time and seasonal staff. New York City faces a \$61.3 million cut in its park budget. Coming shortfalls may mean delayed maintenance, shelved plans and deteriorating facilities.

“This is a critical time for public space, perhaps more than we’ve seen in past decades,” says Bridget Marquis, director of the Civic Commons Learning Network, a national nonprofit initiative focused on public spaces. “We’re seeing the gaps and how we’ve let them erode in many places.” According to *Parks and the Pandemic*, a report issued last month by the Trust for Public Land, cities are repurposing this open space in ways that aid the civic response to the coronavirus. Toledo, Ohio’s botanical garden, for example, has been transformed into a Covid-19 test site. The report also highlights how the coronavirus, and the nation’s response to it, has accelerated existing divides and inequality. Despite big investments in signature parks like the reconstructed Brooklyn Waterfront or the \$100 million expansion of Klyde Warren Park in downtown Dallas, a widespread lack of equitable access to green space remains. That gap stands to widen further with Covid-related budget cuts.

But there’s some cautious hope here, too: This convergence of crises could ultimately help convince local leaders and the public to reconsider the importance of public space, and even see parks as part of a broader plan for economic and social recovery.

“We’re optimistic and excited around the top-to-bottom interest in this issue,” says Benita Hussain, director of the Trust for Public Land’s 10-Minute Walk campaign. “There are challenges, but there is a lot of hope, because the will politically to make public space and parks remain a priority is there.”

Hussain leads the Trust for Public Land's signature initiative, which calls for making sure every American is within a 10-minute walk to a public park or green space. That goal is far from being realized, with 100 million Americans, and 27 million children, lacking such access. In some cities — such as Charlotte, Oklahoma City, and Mesa, Arizona — less than half of residents live that close to a public recreation facility.

"We haven't been investing in civic infrastructure, parks, and trails," says Marquis. "I hate to say there's a silver lining to Covid-19, but it's a time to recognize what we prioritize in this country. I hope part of the legacy will be an equitable and resilient investment strategy in the public realm."

It's not hard to find examples of the public's new appetite for public space in the midst of a pandemic. While so many places to congregate have closed or changed, parks and public spaces still provide places to relax and decompress while maintaining social distance.

"The Covid-19 response, while clearly necessary, created a huge burden of cabin fever, loneliness, anxiety, stress, and personal loss," Howard Frumkin, professor emeritus of Environmental and Occupational Health Sciences at the University of Washington School of Public Health, told the report's authors.

Before the coronavirus crisis hit, park finances were on the upswing, according to Charlie McCabe, a city parks researcher with the Trust for Public Land. Public funding for city parks hit roughly \$8 billion nationwide in 2019, a slight increase from the last few years, as the robust pre-pandemic economy allowed some cities to invest in improving and reconstructing parks, McCabe says, spending money on newly popular amenities such as dog parks and splash pads, as well as recreation and senior centers.

This resurgence was long delayed: After increasing 15% between 2003 and 2007, city spending on parks plummeted 22% as the Great Recession arrived in 2008, according to the NRPA. Spending was slow to recover. By 2013, parks represented just 1.9% of local government spending, down from 2.2% in 2000.

"Part of the reason people have been protesting is disinvestment in public spaces to begin with, especially in black neighborhoods."

Coronavirus has forced city park departments to respond to fast-changing public health rules and needs. In addition to opening up trails, adapting space to social distancing, and converting golf courses to parks, a third of park and recreation departments are also offering emergency services, says Kevin Roth, vice president of research, evaluation, and technology at the NRPA. This includes converting recreation centers to shelters, delivering meals, setting up testing sites, and providing day care to children of first responders and health care workers.

"It's really quite challenging now," says McCabe. "Many amenities, especially the ones that have been invested in heavily in recent years, have closed due to concerns over close contact, while parks have

needed to quickly adapt to provide enough access to walk and bike on trails and open fields, which often get crowded.

Hussain says many park departments are cutting costs by engaging citizens to help; Rochester, New York, has instituted a pack-in pack-out trash policy, similar to what's seen at national parks. There's also a legislative push in Congress to get the Great American Outdoors Act, which would add \$900 million annually to the Land and Water Conservation Fund and help address the maintenance backlog for the nation's parks.\*

*Demonstrators observe a moment of silence during a protest over the killing of George Floyd by in Brooklyn's McCarren Park on June 3.  
Scott Heins/Getty Images*

Still other park advocates and staff see this moment of crisis as the right time to make the case for parks as key parts of larger economic recovery, and community investment plans, especially commercial corridors hard hit by both the pandemic and damage during ongoing protests. It's not just savvy political thinking, but a smart way to integrate smaller, community-focused green space in neighborhood-level development.

In Detroit, where the city faces a \$348 million budget shortfall over the next 16 months, park officials point to the ongoing Strategic Neighborhood Fund, a public-private initiative focused on building up commercial corridors across the city, as a model that can help make parks part of broader initiatives. The program, which has made parks and streetscape improvements pillars of the process, aims to make green spaces part of inclusive economic development; that may mean including parks in housing programs, and looking beyond traditional standalone "trees and recreation" thinking to figuring out how parks can fit into larger projects.

"The city just emerged from bankruptcy five years ago, so we've been doing economic recovery here ever since," says Alexa Bush, a design director for Detroit.

Akron's newly created Office of Integrated Development also focuses on making parks part of larger investments in neighborhoods and civic infrastructure. Hardy, the city's deputy mayor for integrated development, says that parks programs by themselves can struggle to get funding but fare better when included in larger programs about job access and the quality of public space.

Despite facing an estimated 20% decrease in municipal funding this year, Akron plans to focus on projects and priorities in traditionally redlined and lower-income neighborhoods first, says Hardy. It's all about being strategic and prioritizing the places that need it the most. Parks, community centers, and libraries are always the easiest to eliminate, Hardy says; he cautions that policymakers desperately need to do the opposite, doubling or tripling investments in public space. He fears that city leaders may look at the protests of the last week and see parks as a thing to cut, to limit the liability that comes from mass civic action. That mindset will only deepen the inequality.

"Part of the reason people have been protesting is disinvestment in public spaces to begin with, especially in black neighborhoods," he says. "Parks and park access are part of the large narrative of racism and discrimination against African Americans."

To the extent possible, Akron is trying to say no to cuts, and view recreation as an essential public service. That's a paradigm shift, and one that, post-Covid, park managers hope becomes standard practice.

"Parks are as important as roads and bridges, they're not something to get to later," Hardy says. "They're where people from different backgrounds come together and find themselves on equal footing. They're essential to the American experiment, and this is a great opportunity to make that argument."

**PROGRESS REPORT #5  
CINCINNATI PARKS INFRASTRUCTURE ASSESSMENT  
CINCINNATI PARK BOARD  
PROJECT NO. 19087**

**November 24, 2020**

The following report summarizes the progress to date and methodology. A more detailed summary report of the findings is being prepared.

## **I. INTRODUCTION**

This study assessed the Cincinnati Park Board park system's facilities and infrastructure to determine capital improvement needs, priorities, and costs. The study results will drive future capital improvement budgets and provide the levels of need and urgency for repairs, renovations, and replacements. The CPB has an aging system and facilities which host large numbers of users. Therefore, it is critical to perform this assessment to get a firm handle on the expanse of the capital needs to bring the system up to current standards for safety and to avoid further deterioration.

### **THE PROJECT TEAM:**

The following firms were part of the Assessment Team

- **Brandstetter Carroll Inc** – Prime consultant and assessment of roads, parking, curbs, slide areas, and concrete ponds.
- **Human Nature Inc.** – Site assessments of walks, playgrounds, site furniture and amenities, plazas, and more. Also in the updating of costs from the 2007 Centennial Master Plan.
- **GOP Limited** – Structural Engineering assessment of walls and structures.
- **E2M Engineering Inc.** – Assessment of mechanical, electrical, and plumbing engineering for structures, sites, and site lighting.
- **TEC Engineering Inc.** – Calculation of areas for roads, parking lots, walks, steps, and plazas.
- **Brownstone Design Inc.** – Will prepare the final report graphics.

## **II. THE ASSESSMENT PROCESS**

**INITIAL COORDINATION MEETING** - The process began with a coordination meeting of the BCI Team and CPB Staff to discuss specific issues to be assessed as part of the process.

**PREVIOUS STUDY REVIEW** - The Team then reviewed previous studies and information provided by the CPB staff prior to performing the assessments.

- a. 2007 Centennial Master Plan
- b. Previous Capital Improvement Plans
- c. 2002 Park Structures Assessment
- d. Infrastructure records and needs
- e. ADA facility and site assessments by the ADA Transition Team
- f. Individual park and facility master plans to update and determine costs for:
  - 1) Krohn Conservatory renovations and additions
  - 2) Nature Center upgrades

## GIS MAPPING

Sites were mapped to illustrate GIS information available, such as the property boundaries, structures, walls, walks, roads, parking, fences, and some limited utility information available through GIS and provided by CAGIS. A GIS map was prepared to illustrate the current CPB parks and parks by others to assist the Team in locating the parks to be assessed.

GIS, Google Earth, and other methods were used to estimate the surface area of roads, parking lots, plazas, and walkways prior to field visits.

## CPB ARCHIVES REVIEW

The Team spent two days in the CPB archives searching for floor plans, construction drawings, and utility plans to assist in the effort.

## FACILITIES INVENTORY

The Team prepared a detailed spreadsheet of the sites and facilities provided at each site that needed to be assessed. Sites with no facilities or that were operated by the Cincinnati Recreation Commission or Great Parks of Hamilton County were omitted from the assessment list.

## SITE AND STRUCTURE ASSESSMENT VISITS

- A. One group assessed the roads, parking lots, and curbs.
- B. Another group assessed the playgrounds, walks, site furniture, ADA access to facilities, and other site elements.
- C. Another group assessed the structures, including comfort stations, pavilions, shelters, nature centers, offices, lodges, and more.
- D. Another group assessed the concrete ponds.
- E. An aquatic engineer analyzed the fountains.
- F. These Advance Teams identified problem areas that needed further analysis by the Structural Engineers (walls and structures), Aquatic Engineers (for fountains), and Mechanical, Electrical, and Plumbing (MEP) Engineers. These included park lighting, plumbing, and electrical issues in specific structures, retaining walls, the fountains and water features, and areas known for potential slides.

**FACILITY QUALITATIVE ASSESSMENT CHECKLISTS** were prepared by each discipline as part of an interdisciplinary team at each site.

- A. Aspects that were inventoried and evaluated on the Qualitative Assessment Forms included:
  1. ADA compliance of structures and site
  2. Structures:
    - a. Size and conditions by room
    - b. Structural condition
    - c. HVAC
    - d. MEP conditions
    - e. Roof
    - f. Walls, floors, and ceiling
    - g. Interior surfaces
    - h. Circulation
    - i. Security
    - j. Utilities
    - k. ADA
  3. Site:
    - a. Parking and access – roads and curb
    - b. Security
    - c. Lighting and electric power
    - d. Utilities
    - e. Stormwater system condition
    - f. Retaining walls
    - g. Walkways and stairs

- h. Site furnishings
  - i. Concrete lined ponds
  - j. Playgrounds and surfacing
  - k. Land management (erosion control and hillside management)
  - l. Signage and wayfinding
- B. STANDARD UNIT PRICES** – Following the assessments, the Team prepared a list of the most common improvement costs to be used in the cost estimating process.
- C. FACILITY CONDITION RATING** - The Team used the forms to document the condition, cost to repair, and priority level for each of the above. The cost to improve each issue was prepared. The forms used the following categories to identify inventoried items:
- **Excellent** – New / well maintained condition; no improvements anticipated within ten years
  - **Good** – Minor wear; minimal improvements needed; should be re-evaluated after five years
  - **Fair** – Significant wear / damage; needs repair; should be repaired or replaced within 3-5 years; asset functions now but is near the end of its life cycle.
  - **Poor** – Needs replacement or renovation; should be repaired or replaced within the next two years; reasons for this ranking include:
    - Unsafe conditions
    - Threat of further deterioration
    - Lacking in ADA Accessibility
    - Unsightly condition
    - Replacement parts not available
- D. PHOTOGRAPHS** - Photographic analysis was used to document the conditions of each facility.
- E. COMBINED ASSESSMENT FORMS** - BCI consolidated the various evaluations into a separate Excel spreadsheet for each park (with tabs for the various disciplines). For larger sites, tabs are included for individual areas. A separate form was completed for each structure.
- F. COST ESTIMATES** - These evaluation forms provided the foundation for a comprehensive spreadsheet identifying the costs for each type of facility. This table is sortable by facility type, condition level, and park. Most costs are based on the cost of upgrading to current standards. In the case of underground utilities where the condition could not be determined without use of video cameras in the pipes, overall replacement cost was ascertained using type and size of the existing utilities. The Civil Engineers typically recommend municipalities use the cost of the new infrastructure divided by a 50-year life to budget for annual utilities replacement. Due to the age of the CBP system, the estimates prepared include 15% of the replacement cost for those items to be replaced or repaired over the next ten years.
- G. FAIR AND POOR CONDITION ITEMS** - The Team also prepared a spreadsheet to highlight the items that were identified as "Fair" or "Poor" with the replacement/improvement values for each.
- H. 2007 CENTENNIAL MASTER PLAN UPDATE COSTS** – The Team met with CPB staff to discuss the recommendations from the 2007 Centennial Master Plan to identify the improvements that have been accomplished and those that still need to be implemented. Additional improvements desired by CPB but not outlined in the 2007 Plan were also identified. These additional costs are currently being updated.

### III. FINDINGS AND COST SUMMARY

#### OVERALL FINDINGS

The current cost to improve existing infrastructure is estimated at **\$60,820,827**. This includes over **\$22 million** in the **"Fair Condition"** category and over **\$11 million** in the **"Poor Condition"** category, meaning this is the amount needed to bring existing facilities up to a safe and functional state or to avoid further deterioration.

Overall, the Team's analysis finds that those facilities used for their intended purposes are in very good condition. However, there are significant issues with those facilities which are no longer used and are not maintained. For example, Inwood Pavilion is over 100 years old and a former pool bathhouse and pavilion. Since the removal of the pool a function and use for the space has not been determined. As a result, the facility has fallen into disrepair to the point that it will take significant renovation to save the historic structure. As another example, former concession stands that are now used for storage have considerable structural degradation.

#### ANNUAL BUDGET ITEMS

In addition to the infrastructure needs identified by the Team for this report, the following amounts are recommended to be budgeted annually to cover anticipated costs based on expenses CPB has historically incurred.

- |                                 |           |
|---------------------------------|-----------|
| • Fountains and Water Features  | \$250,000 |
| • Emergency Utility Maintenance | \$150,000 |
| • Emergency Damage / Vandalism  | \$150,000 |

#### METHODS AND FINDINGS

##### A. ROADS, CURBS, AND PARKING

TEC Engineering performed a review of CAGIS, Google Earth, and other sources to identify the quantities of various types of pavement, including for roads, parking lots, walks, steps, and plazas. The BCI Team supplemented this data with scans of site plans from the CPB archives and charts from CPB. Maps of each park were prepared and used for field inspections. Notes were taken in the field as well as photographs. In some cases, Google aerial mapping and Google Street View images were reviewed after the field investigations were completed.

These surfaces were ranked as Excellent, Good, Fair, or Poor. Unit price data came primarily from local municipal paving programs and were used to estimate the cost of the appropriate necessary work. This method has been used successfully by BCI for many years to plan annual street paving programs and to apply for grants where appropriate.

The costs included on the assessment forms are for those elements rated as "fair" or "poor" and which will need either replacement or repairs in the next few years. The provided tables include the quantities of all roads and parking lot areas.

##### B. UTILITIES

The utility data collection primarily included length, diameter, material type, and age using a combination of CPB's records and available CAGIS data. In some cases, the age is estimated from building permit records. For parks that have one facility on site and no available mapping CAGIS records were used to estimate the length of the water service and sewer lateral. The extent of the services was estimated using the facility's use and size.

The quality and condition of the utilities is difficult to identify without testing and the use of cameras in the pipes, methods that were beyond the scope of this assignment. Also taken under consideration is the fact most utility lines have a 50-year life span - many of the CPB parks are well over that 50 year limit. Typical construction unit pricing was used to calculate total replacement cost. A cost equal to 15% of the total replacement cost was added for areas which may need repairs or replacement over

the next ten years. Parks that are newer or have had utilities replaced were omitted from the formula (e.g., Westwood Town Hall, Washington Park, and Smale Riverfront Park).

It should be noted that age is not the primary factor for determining when an underground utility should be replaced. Pipe material dating as far back as the 1920's and 1930's is often higher quality than post WW II materials and workmanship. Additional factors to consider include ground conditions, soil type, and vegetative growth above the utility.

Past performance is a good indicator of need. This makes it critical that CPB personnel maintain accurate repair and replacement records, including the type of failure. For example, a longitudinal failure along the crown of a pipe has different causes than failures at a joint. Whenever major reconstruction or new paving takes place in a given park, video inspections of underground pipe should be conducted. Experience has shown that an underground utility replacement is 25-30% less expensive if completed in conjunction with a paving project.

### **C. CONCRETE PONDS**

The CPB system has four concrete ponds. Two are at Eden Park and one each at Inwood Park, and Rapid Run Park. The pond at Burnet Woods has a natural bottom. The BCI Team reviewed each pond in the field. The general observation is that wall repairs are needed now and periodically moving forward, as well as regular caulking of the joints.

To estimate the number of joints, BCI determined the number and length of joints using CPB archive drawings, Google Earth images, or CAGIS mapping for Rapid Run Park. Because it is under the jurisdiction of Cincinnati Waterworks, a cost for Mirror Lake was not identified. Based upon the area of the ponds, the Team calculated a linear foot of joint per square foot of concrete area and identified a linear foot of side wall. BCI successfully uses this method to determine the footage of cracks in asphalt and concrete pavement on large areas such as airport aprons, taxiways, and runways.

Typical repair unit price data was applied to these quantities.

### **D. SLIDE AREAS**

The BCI Civil Team completed site visits at five parks selected by CPB Staff::

- Fairview Park
- Burnet Woods
- Eden Park
- Hill Street Park
- Theodore Berry International Friendship Park
- Mt. Storm Park

At each site the length of the apparent slide area was measured and to the extent possible the downslope condition was also reviewed to obtain a better idea as to the type and depth of the slope failure. Except for Friendship Park, each is generally typical of the type of slope failures in southwest Ohio encountered along the Ohio River valley.

Using recent unit costs from other similar BCI projects an average linear foot cost was determined for a drilled pier wall with concrete plug piers.

The previous project at Friendship Park was extensive. The Team's understanding is that these are tie back walls the cost of which may vary significantly.

In summary, lacking more detailed geotechnical information and engineering analysis, the estimates included for these projects is an order-of-magnitude estimate.

### **E. WALLS**

All walls identified in CAGIS and those identified by CPB Staff were visited in the field by a Structural Engineer and rated on the assessment forms. All walls with a "fair" or "poor" rating have an associated cost. Walls needing immediate attention include some at Eden, Inwood, Jackson Hill, and

Mt. Airy Forest. Walls needing to be planned for repairs (rated “fair”) are found at Alms, Bettman, Eden, Fleischmann, Hoffner, and Theo Berry International Friendship Park.

## **F. STRUCTURES**

A collaborative approach was used on the structures. The Advance Team included an architect or construction administrator together with a staff person from CPB who could access locked areas and provide insight of known conditions. The Team documented external conditions (roof, walls, windows, doors, etc.) and size, materials, and condition of each room in buildings with multiple rooms. Where conditions warranted, a follow-up visit by the Structural and MEP Engineers allowed expanded documentation of the conditions and systems.

The Structural and MEP Engineers documented the condition and cost for each improvement required. The Architects and Construction Administrators documented the conditions but gave the structure an overall condition rating. They also applied a square foot cost (using the Unit Cost Table) for the entire structure rather than the individual elements. Costs are based upon the extent of the repairs required.

## **G. SITE FURNITURE, WALKS, STEPS, FENCES, PLAYGROUNDS, SWINGS, AND PLAY SURFACES**

This group included Landscape Architects from Human Nature and Brandstetter Carroll Inc. who visited every site to document the conditions of site elements. Using digital sources, TEC Engineering identified and quantified the amount of steps, walks, fences/railings prior to site visits. Qualitative assessment was then performed on site. All facilities were documented, rated, and costs assigned. The previously-conducted ADA assessment was reviewed to determine known conditions and deficiencies.

To ensure ADA accessibility, in places where walks to various features exceeded a 5% slope or 2% cross slope the amount of walk needed to be improved or added was identified and included in the cost.

These costs are identified on the Assessment forms.

## **SUMMARY COSTS**

The table on the following page summarizes the anticipated costs by project type.

## **STUDY LIMITATIONS**

- A. This project does not include the more than 65 miles of trails in the system because CPB Staff will assess those facilities.
- B. Also, this project does not include forest/landscape improvements or natural resource management recommendations.
- C. Utility information was based upon existing GIS mapping provided through CAGIS, as well as a review of scanned site plans from the CPB archives. Some of the GIS mapping for utilities was limited to the public right-of-way. In these instances, the scanned site plans were searched. If none were available, the team estimated the age based on the date of the park and surrounding neighborhood development.
- D. The costs represented in this analysis are for improvements to existing infrastructure. The cost of implementing the recommendations from the 2007 Centennial Master Plan and other planned improvements are in the process of being updated. The Master Plan Update will address these implementation costs plus costs associated with the ongoing Equity Analysis being performed by CPB Staff.

**PARK FACILITIES- FUNDING REQUIRED BY IMPROVEMENT TYPE**

## STRUCTURES

1. Inwood Pavilion decaying exterior

2. Inwood Pavilion decaying interior

3. Owls Nest Pavilion exterior

4. Owls Nest Pavilion interior

5. Mt. Airy Area 23 shelter

6. Mt. Airy Comfort Station closed for 30 years

7. Lichens and insect damage at Ault Pergolas

8. Burnet Woods concession used for storage

9. Eden Twin Lakes concession used for storage

10. Eden Twin Lakes used for storage

11. Cracked post at Eden Park

12. Cracked walls at Eden HQ Building

13. California Woods sagging roof on shelter

14. California Woods Schoolhouse roof

15. Seasongood Square CS interior damage

16. Seasongood Sq. CS rusted door frame

17. Wulsin unused former comfort station

18. Stella Shelter rusting posts

19. Fairview Shelter roof damage

20. Planning Office wet carpet damage

21. Mt. Echo CS ceiling damage

22. Mt. Echo shelter roof damage

23. Warder Greenhouse single pane glass

24. Ault Cascade delaminating sandstone

## PAVEMENT

1. Eden Twin Lakes crosswalk pavers

2. Eden Twin Lakes crosswalk

3. Alms Park deteriorating pavement

4. Avon Woods pavement

5. Mt. Echo poor pavement

6. Hauck Gardens deteriorated pavement

7. Wall, walk, and paving at Eden Park

8. Eden Park damaged curb

9. Sawyer Point deteriorated asphalt

10. Glenway Park stairs with no railing

11. French Park cracked sidewalks

12. Kennedy Heights uneven sidewalk

13. Kennedy Heights steps with no railing

14. Kennedy Heights shaky footbridge

15. Mayfield steps with no handrails

16. McEvoy cracked concrete

17. Mt. Airy Area 13 uneven sidewalks

18. Arboretum damaged sidewalk

## PLAYGROUNDS & SITE FURNISHINGS

1. Inwood tables

2. Jackson Hill rusted swings

3. Jackson Hill worn picnic tables

4. Mayfield dented slides

5. Mayfield inaccessible drinking fountain

6. Stella Park damaged playground

7. McEvoy uneven safety surface

8. Maple Ridge worn play equipment

9. Mt. Airy Treehouse dead tree

10. Mt. Airy Treehouse uneven surfaces

11. Cracked light post at Alms Park

12. Rusted light post at Burnet Woods

9 regional parks

70 neighborhood parks

34 nature preserves

**February 18, 2021**

**To:** Mayor and Members of City Council 202100628

**From:** Paula Boggs Muething, City Manager

**Subject:** **Finance and Budget Monitoring Report for the Period Ending December 31, 2020**

---

The purpose of this report is to provide the City Council with the status of the City's Fiscal Year (FY) 2021 financial and operating budget conditions as of December 31, 2020, to note any significant variances, identify potential budget issues, and provide recommendations. The report is divided in two sections: revenues and expenditures. Various supplemental reports are attached to reflect forecasted revenue, actual revenue, expenditures, and commitments through December 31, 2020.

The following Citywide issues may impact the General Fund 050, Special Revenue Funds, and Enterprise Funds.

1. Overall, General Fund revenues are greater than projected by \$20.0 million through December. However, increased expenditures noted in this report highlight a potential need of \$15.4 million.
2. Due to the unanticipated separation of several long-time sworn public safety employees, combined with actual attrition outpacing projections, Police and Fire lump sum payments have already exceeded budgeted amounts and will require an additional appropriation. Police lump sum payment expenditures currently exceed the budget by \$1.0 million. As attrition continues in FY 2021, the CPD lump sum need will increase. Fire's additional lump sum payment needs are currently estimated at \$1.0 million for FY 2021.
3. As noted above, Fire has experienced several unanticipated separations. Attrition through December 31, 2020 has trended nearly 190% higher than expected, which has necessitated the use of overtime to backfill sworn positions. Additionally, Fire overtime usage has been further exacerbated by the use of sick leave as a result of the COVID-19 pandemic. The additional overtime need for Fire is currently projected at up to \$5.7 million.
4. The Approved FY 2021 Budget Update included a 2.0% cost of living adjustment (COLA) for sworn public safety employees (e.g. the International Association of Fire Fighters (IAFF) and the Fraternal Order of Police (FOP)).

To date, a 5.0% COLA has been agreed to for FOP, which will be effective May 2021 and will generate an estimated additional need of \$500,000 in FY 2021. The IAFF collective bargaining agreement expired in December 2020 and negotiations are currently underway. Any agreements that exceed the budgeted COLA amount may result in a budget deficit for the Fire Department. If necessary, supplemental appropriations may be required.

5. Community Health Services Fund 395 revenues are being negatively impacted by COVID-19, especially in school-based medical and dental clinics due to the delay of in-person learning in Cincinnati Public Schools (CPS). Revenue trends will continue to be closely monitored. While Fund 395 is unlikely to meet revenue estimates, some expenditure savings are expected due to the reduction in school-based services. If additional Coronavirus Aid, Relief, and Economic Security (CARES) Act funds become available, certain activities may be eligible for reimbursement.
6. Due to COVID-19, many employers have instituted remote work policies and restaurants and retailers have limited capacity to promote social distancing. As a result, parking meter usage is down, which has negatively impacted Parking Meter revenue. However, many contractual service expenditures are based on revenue, so less revenue results in lower expenses in some cases. The Division of Parking Facilities currently projects a non-personnel savings of \$570,000. This will partially offset the reduction in revenue. The fund will be monitored closely to ensure expenditures do not outpace revenues.
7. The Approved FY 2021 Budget Update included a voluntary Early Retirement Incentive Program (ERIP) designed to reduce the City's workforce and generate long-term personnel savings. The budget assumed certain position vacancy savings and lump sum payment needs for departments with employees eligible to elect ERIP. The employee signup window is closed and a reconciliation of these savings and needs is required to realign resources between departments. Mid-year appropriation adjustment Ordinance #0030-2021 was passed on February 3, 2021 to reconcile the savings and needs. The program did result in net savings of \$3.5 million for FY 2021.
8. Certain budgeted reimbursements in various departments cannot be met due to natural turnover as well as turnover related to the Early Retirement Incentive Program. Additionally, the COVID-19 pandemic has necessitated the suspension or reduction of certain projects and activities that are reimbursable. Therefore, a shortfall in personnel and benefits is expected in various departments.

## REVENUE

The following report provides an update on the City of Cincinnati's financial condition as of the month ending December 31, 2020. Variances are based on current year estimates and prior year activity in attached schedules.

A more detailed explanation of revenues is attached for review, including reports comparing current year actual revenue vs. forecasted revenue and prior year actual revenue vs. current year actual revenue. Both of those reports are presented on a monthly and year to date basis.

### I. GENERAL FUND 050

The chart below portrays the performance of actual revenue collected against the forecasted revenue collected through December 31, 2020 and shows that actual revenue of \$256.7 million was above forecasted revenue of \$236.7 million by \$20 million.

The major revenue components of the General Fund are listed in the table below. This table highlights the year to date variance (favorable and unfavorable) in General Fund revenue collections as compared to forecasted revenue collections. Each major category that differs significantly from forecasted collections will be discussed in further detail.

<h2 style="text-align: center;">GENERAL FUND REVENUE SOURCES</h2>
-------------------------------------------------------------------

	FAVORABLE VARIANCE	(UNFAVORABLE) VARIANCE
General Property Tax	\$687,130	
City Income Tax	\$21,029,626	
Admission Tax		(\$1,164,522)
Short Term Rental Excise Tax	\$119,508	
Licenses & Permits		(\$167,174)
Fines, Forfeitures, & Penalties		(\$1,264,325)
Investment Income	\$182,768	
Local Government	\$291,519	
Casino	\$232,021	
Police		(\$562,108)
Buildings and Inspections	\$517,024	
Fire	\$145,853	
Parking Meter		(1,151,250)
Other	\$1,188,052	
	\$24,393,501	(\$4,309,379)
Difference	\$20,084,122	

**General Fund (favorable variance) is \$20 million** above the amount forecasted thru December in the FY 2021 Budget. What follows is an explanation of significant variances of individual General Fund revenue components.

- 1. Income Tax (favorable variance) is \$21 million** above the forecasted amount. The work from home exception due to the pandemic has been challenged in the courts. If the courts rule in favor of the plaintiff, a large portion of these revenues would need to be refunded. The Income Tax component represents 71% of the total General Fund percentage. Administration continues to evaluate and watch for trends.
- 2. Admission Tax (unfavorable variance) is \$1.2 million** below estimate. Most venues that generate admission tax continue to be closed, or open with very limited capacity, due to the pandemic. This trend will continue for the foreseeable future therefore, the estimate in this revenue category will not be met for the fiscal year.
- 3. License & Permits (unfavorable variance) is down \$1.3 million.** The Beer and Liquor Tax payment from the State was significantly lower for the first quarter of this year than in years past. Finance is working on contacting the State to follow up on future payment estimates. Permitting for HVAC has slowed in December.

4. **Fines, Forfeitures & Penalties (unfavorable variance) is down \$1.3 million.** Parking fines make up most of the revenue in this category, and parking fines continue to be significantly below estimate. As the pandemic continues and parking remains below normal around the City that will lead to this estimate not being met for the fiscal year.
5. **Police (unfavorable variance) is \$562k** below estimates. This variance is partly due to reductions in false alarm registrations. With more people staying home they are not registering their alarm systems with CPD. Police detail work has seen a decline as a result of businesses not needing as many officers due to decreased hours of operation stemming from the pandemic. In addition, the pandemic has led to less parking downtown which has created less cars being impounded resulting in decreased revenue in that area.
6. **Buildings and Inspections (favorable variance) is up \$517k.** This favorable variance is due to collections related to elevator inspections which are billed one time a year.
7. **Parking Meter (unfavorable variance) is \$1.2 million** below estimate. The unfavorable variance is due to reduced economic activity as a result of the COVID-19 pandemic.
8. **Other (favorable variance) is \$1.2 million** above forecast. This category is made up of many small sources of revenue that fluctuate from time to time. Finance will continue to monitor these various revenue sources.

## II. RESTRICTED FUNDS

- A. **Convention-Exposition Center (unfavorable variance) is down \$1.1 million.** Convention cancellations due to the COVID-19 pandemic have caused a decrease in revenue. This trend will continue for the foreseeable future therefore, the estimate in this revenue category will not be met for the fiscal year.
- B. **Municipal Golf (favorable variance) is up \$1.4 million.** The Cincinnati Recreation Commission experienced an increase in the utilization of the golf courses as people were looking for activities during the pandemic resulting in increased revenue.
- C. **Sawyer Point (unfavorable variance) is down \$282k.** The unfavorable variance is due to of less economic activity at the park as a result of the pandemic restrictions.
- D. **Recreation Special (unfavorable variance) is down \$1.6 million.** The

Cincinnati Recreation Commission has experienced a reduction in revenue due to the cancellation of recreation center programs as a result of the pandemic.

**E. Hazard Abatement (unfavorable variance) is down \$375K.** The Vacant Buildings Maintenance License revenue is down due to the number of license waivers requested due to the pandemic. In addition, Vacant Foreclosure License revenue is below estimate as a result of the reduced number of foreclosures being processed during the pandemic.

Variances in other restricted funds are due mostly to timing of billing and collections. By year end they will come more in line with the estimate. Finance will continue to monitor these funds.

## **EXPENDITURES**

The following provides an update on the City of Cincinnati's operating budget position as of the month ending December 31, 2020. The attached Fund Summary Report provides the current budget, expenditures, and commitments of each appropriated fund. This report is presented on a year to date basis.

### **I. GENERAL FUND 050**

As shown on the attached report, total expenditures are 46.7% of budget, and commitments are 51.1% of budget in the General Fund 050 as compared to the estimated period ending December 31, 2021, or 50.0% of the fiscal year. "Non-personnel expenses" are trending higher at 60.3% committed year to date due to encumbering twelve months of expenditures for certain commodities such as gas and electric costs, contractual services, and materials and supplies. This is not unusual for this reporting period.

The majority of departments have indicated their FY 2021 General Fund 050 appropriation will meet their budgetary needs through the end of the fiscal year. However, budget transfers may be necessary to move funds from divisions and programs with savings to others within the respective departments that have budget needs. These transfers will be included in the Final Adjustment Ordinance (FAO), which will be presented to the City Council in May 2021.

#### **A. Budget Savings Identified**

At this time, no General Fund 050 departments are projecting a savings at the end of FY 2021. Position vacancy savings and position eliminations associated with the Early Retirement Incentive Program, along with non-personnel reductions as part of the Approved FY 2021 Budget Update, have made it difficult for departments to achieve savings. Any savings identified will be available to support budget needs in

other departments and programs as necessary. Interdepartmental transfers of funds from one department to another will be included in the FAO as appropriate.

## **B. Budget Needs Identified**

Based on current expenditure projections, the following General Fund 050 departments are forecasting a budget need in FY 2021. The departments have been advised to manage their appropriated resources so that supplemental appropriations will not be required. However, the Administration will continue to closely monitor these budgets in the coming months and work with the respective departments to mitigate the need for supplemental appropriations. As appropriate, any remaining budget needs will be addressed in the FAO.

### **1. Cincinnati Fire Department (\$8.3 million)**

The Cincinnati Fire Department projects a need of up to \$8.3 million by fiscal year end due to higher than anticipated lump sum payments and increased overtime, which has also impacted fringe benefits expenses. Holiday sellback and sick sellback will occur in January and February, respectively. These items have historically exceeded the budget, so they will also be monitored closely. The COVID-19 pandemic has necessitated the use of additional overtime to meet staffing and service requirements. Sick leave has increased due to COVID-19 diagnoses, exposure, or mandatory quarantine periods required while waiting for test results. COVID-19 related sick leave has been further exacerbated by the close living and working conditions of sworn staff in fire houses. For the identified needs that are directly related to COVID-19, the Administration will seek additional federal or state dollars to help offset the overage. Additionally, attrition through December 31, 2020 has trended nearly 190% higher than expected due to unanticipated separations. Several separations are attributed to medic unit staff burnout, which has increased since the start of COVID-19. If attrition trends do not curtail, the department will require additional overtime to backfill vacant positions. Lastly, the Fire Department indicated a possible non-personnel need for contractual services and automotive maintenance and repairs, which may be offset by uniform savings. Both the department and the Office of Budget and Evaluation will continue to closely monitor staffing trends and overtime needs.

### **2. Cincinnati Police Department (\$6.3 million)**

The Cincinnati Police Department (CPD) currently projects a total budget need of \$6.3 million due a variety of factors brought on by COVID-19 related disruptions, prior year accounting corrections, and high levels of lump sum payments made to officers departing sworn service. Several high tenure officers entering retirement has led to a record amount of lump sum payments, with additional amounts expected for retirements that have already been announced. While some retiring officers have chosen the option of remaining on the payroll while accrued leave

time is dispensed, this reduces the expected level of Position Vacancy Allowance (PVA) the vacancy was expected to accumulate. In addition, disruptions to businesses due to COVID-19 have suppressed collections for reimbursable overtime, led to unplanned amounts of disaster overtime, and is expected to be a continued source of projected overtime expenditures as the fiscal year continues. While it is expected that additional retirements and resignations will decrease the overall need as the year progresses, all CPD personnel expenditures will continue to be strictly monitored and updated.

In addition to these personnel concerns, CPD has seen a higher amount of vehicle collisions as compared to past years, creating an estimated additional need in Automotive Repair by Garage of \$500,000. Lastly, due to a high level of warrant processing by Hamilton County, CPD will require an additional \$900,000 to meet its contractual requirements.

### **3. Department of Public Services (\$750,000)**

Stormwater rate increases over the previous two calendar years have resulted in expenses outpacing budgeted funds for utility expenses at city-owned buildings. Based on current billings, utility expenses could create a budget need of approximately \$550,000. Adjustments to the budget for increased stormwater fees will be made in future budget cycles. Additionally, the Department of Public Services is more aggressively filling key, street level positions such as Sanitation Helpers and Sanitation Engineers in order to provide greater operational capacity for critical Neighborhood Operations. This has reduced the amount of Position Vacancy Allowance (PVA) that the department is expected to generate. Because of this, an additional need of \$200,000 is expected. Personnel expenditures will continue to be strictly monitored and updated.

### **4. City Manager's Office: Office of Environment and Sustainability (\$75,600)**

The Office of Environment and Sustainability anticipates a total non-personnel budget need of \$75,600. Contractual services from Rumpke are projected to exceed the budget by \$69,400. Utility payments for the Center Hill Landfill are projected to create a \$6,200 shortfall in FY 2021. A need of \$20,000 in temporary personnel will be offset with personnel and fringe benefit savings from budgeted recycling cart service center positions that have not yet been filled.

## **C. Within Budget, Intradepartmental Budget Transfers May Be Needed**

Numerous General Fund 050 departments have indicated the ability to manage their resources within their appropriation. However, budget adjustments within their departments may be required. These transfers are referred to as Intradepartmental Budget Transfers. Unless noted otherwise, these Intradepartmental Budget Transfers will be included in the FAO, which will be presented to the City Council for approval in May 2021.

**1. Clerk of Council**

The Clerk of Council's Office projects no savings or need at this time. However, slight variances in personnel expenditures will be monitored in future months with any needs addressed in the Final Adjustment Ordinance.

**2. Enterprise Technology Solutions**

The Department of Enterprise Technology Solutions projects no budget savings or need at this time.

**3. City Manager's Office**

The City Manager's Office projects no budget savings or need at this time. However, the Office of Human Relations anticipates a budget need of \$15,000 due to a shortage for the pension obligation to the United Way as well as strategic planning. Budget savings in other areas are expected to offset these needs.

**4. City Manager's Office: Office of Communications**

The Office of Communications projects no budget savings or need at this time.

**5. City Manager's Office: Office of Budget and Evaluation**

The Office of Budget and Evaluation does not project a savings or need currently, pending reimbursement processing.

**6. City Manager's Office: Office of Performance and Data Analytics (OPDA)**

The Office of Performance and Data Analytics (OPDA) projects no budget savings or need.

**7. City Manager's Office: Internal Audit**

Internal Audit expects no budget savings or need currently.

**8. City Manager's Office: Emergency Communications Center (ECC)**

The Emergency Communications Center anticipates no budget savings or need currently. However, due to COVID-19 and related social distancing and overnight curfews, call volume to the ECC has substantially decreased during late night hours, leading to less revenue in 9-1-1 Cell Phone Fees Fund 364. As a result, the ECC may not be able to meet their budgeted reimbursement amount from Fund 364 to the General Fund.

**9. Department of Law**

At this time, the Department of Law forecasts no budget need or savings for FY 2021. The department has some outstanding reimbursement ID bills that will be processed shortly.

**10. Department of Human Resources**

The Department of Human Resources projects no budget savings or need at this time.

**11. Department of Finance**

The Department of Finance currently has identified some savings in their FY 2021 personnel budget. Savings will be used to help offset needs for expert and contractual services. The Department has several reimbursement ID bills in process. Additionally, the Purchasing Division is anticipating a shortfall in fringe benefits beginning in March due to reimbursements being less than expected. Transfers will be made in the spring with the Final Adjustment Ordinance (FAO) to account for a shortfall in fringe benefits and contractual services.

**12. Department of Community and Economic Development**

The Department of Community and Economic Development (DCED) projects possible personnel need due to several unanticipated promotions. Additionally, DCED projects a contractual services need due to unexpected expenditures for telephone charges and computer peripherals. These unanticipated expenses are the result of COVID-19, which necessitated the provision of remote access to staff. The department also projects a fixed charge need due to several prior year leveraged support obligations that must now be fulfilled. However, budget savings in other areas are expected to offset these needs.

**13. City Planning Department**

The City Planning Department projects no budget need or savings at this time. However, a potential non-personnel need may arise due to temporary personnel, membership fees, postage, and software. Additionally, the department may not be able to fully meet their budgeted reimbursements by fiscal year-end due to unexpected position vacancies, which would create a personnel shortfall as well.

**14. Citizen Complaint Authority**

The Citizen Complaint Authority currently has some position vacancy savings in the General Fund; however, vacant positions were filled in December. Some of the savings will help offset expected needs in fringe benefits.

**15. Department of Recreation**

The Department of Recreation is on target pending the processing of outstanding interdepartmental (ID) bills for service. Once those are processed, there should be no issues to report. The department does expect to need a transfer within the current appropriation as part of the FAO to better align various expenditures.

**16. Cincinnati Parks Department**

The Parks Department is not projecting savings or a need for FY 2021 General Fund budget currently. Variances are due to timing and will be used to offset salary reimbursements from other funds.

#### **17. Department of Buildings and Inspections**

The Department of Buildings and Inspections projects no budget savings or need at this time. The department will continue to process reimbursements regularly.

#### **18. Department of Transportation & Engineering**

Overall, the Department of Transportation and Engineering's monitoring report includes savings and needs within the department's appropriation. The department is behind on the processing of reimbursement ID bills. The department will continue to monitor all expenses but is confident at this time that any needs can be settled within their current appropriation.

#### **19. Department of Economic Inclusion**

The Department of Economic Inclusion does not project a savings or need at this time. The department may not be able to achieve its budgeted reimbursement amount, which may result in a personnel need. A potential non-personnel need may arise depending on which vendor is selected to perform the disparity study. Potential savings and needs will be monitored closely in the coming months.

## **II. ENTERPRISE FUNDS**

Enterprise Funds account for any activity for which a fee is charged to external users for goods or services. If an activity's principal revenue source meets any one of the following criteria, it is required to be reported as an enterprise fund: (1) an activity financed with debt that is secured solely by pledge of the net revenues from fees and charges for the activity; (2) laws or regulations which require that the activity's costs of providing services, including capital costs, be recovered with fees and charges, rather than with taxes or similar revenues; or (3) pricing policies which establish fees and charges designed to recover the activity's costs.

#### **A. Water Works Fund 101**

The Greater Cincinnati Water Works (GCWW) anticipates an overall savings of approximately \$2.8 million primarily due to debt service savings, position vacancy savings, and non-personnel savings. Total estimated savings have been reduced from \$4.8 million to reflect debt schedule changes. GCWW has actively sought to reduce non-personnel costs to limit the potential fiscal impacts of COVID-19. There will be some unexpected expenses due to the water main break on Riverside Drive which are being monitored.

#### **B. Parking System Facilities Fund 102**

Fund 102 is currently 41.6% expended year to date. The Division of Parking Facilities within the Department of Community and Economic Development projects a net savings of \$330,000 from contractual services and debt service. Due to COVID-19 and related social distancing and remote work policies, parking garage usage is below expectations. As a result, both revenue and revenue-based expenses are trending below estimates. The expenditure savings will partially offset the projected loss of revenue. Revenue and expenditure trends will continue to be closely monitored.

Note: Starting in FY 2020, the Division of Parking Facilities was altered to functionally separate off-street parking (garages, etc.) and on-street parking (parking meters, etc.). The budget for off-street parking enterprises remains in the Parking System Facilities Fund. The budget for on-street parking enterprises has shifted to the Parking Meter Fund, which was reactivated in FY 2020.

**C. Duke Energy Convention Center Fund 103**

The Duke Energy Convention Center's Fund 103 has identified some savings in its non-personnel budget for FY 2021. Savings will be used to help offset needs in personnel.

**D. General Aviation Fund 104**

The General Aviation Fund is 43.3% expended year to date and is projected to have neither a need nor a savings for FY 2021.

**E. Municipal Golf Fund 105**

Municipal Golf Fund 105 is projecting neither a need nor a savings for FY 2021.

**F. Stormwater Management Fund 107**

Stormwater Management Fund 107 provides resources to various City departments. The major recipient of resources from this fund is the Stormwater Management Utility (SMU). The Department of Public Services and the Parks Department also receive appropriations from this fund. SMU does not currently project a savings or need. The Department of Public Services does not project a savings or need at this time.

On October 28, 2020, the City Council passed Ordinance No. 0358-2020 to transfer and appropriate the Private Lot Abatement Program (PLAP) expenses from the Department of Public Services to the Department of Buildings and Inspections. The program transfer became effective November 1, 2020. Funding for this program is in the Stormwater Management Fund and spending will be closely monitored as part of the transfer.

**III. DEBT SERVICE FUND**

Debt Service Funds account for the accumulation of resources for, and the payment of, principal and interest on the City's bonds issued in support of governmental activities.

**A. Bond Retirement Fund 151**

Bond Retirement Fund 151 is not projecting savings or a need for FY 2021 currently.

**IV. APPROPRIATED SPECIAL REVENUE FUNDS**

Special Revenue Funds account for the proceeds of specific revenue sources (other than trusts for individuals, private organizations, or other governments, or for major capital projects) that are legally restricted to expenditures for specific purposes.

The Office of Budget and Evaluation, in cooperation with various City departments, reviewed appropriated special revenue funds to ensure the Approved FY 2021 Budget Update remains in balance. Based on expenditures and revenues through December 31, 2020, most special revenue funds are on target with regards to their budget and require no additional appropriations at this time. Any identified issues are highlighted in the narrative summaries provided below. If warranted, budget adjustments will be addressed in the FAO later in the fiscal year.

**A. Street Construction, Maintenance & Repair Fund 301**

The Department of Public Services and the Department of Transportation and Engineering are not projecting a need for FY 2021. The fund is 33.9% expended through December and below the estimated 50.0%.

**B. Income Tax-Infrastructure Fund 302**

Income Tax-Infrastructure Fund 302 provides resources to several City departments. The Department of Transportation and Engineering (DOTE) is the largest recipient of resources from this fund. The Department of Public Services also receives Income Tax-Infrastructure resources and is not projecting a savings or need at this time. The fund is 47.4% expended through December and will continue to be monitored closely to ensure sufficient resources are allocated.

**C. Parking Meter Fund 303**

Fund 303 is currently 39.1% expended year to date. The Division of Parking Facilities within the Department of Community and Economic Development projects a savings of \$570,000 from expert services and credit card. Due to COVID-19 and related social distancing and remote work policies, parking meter usage is below expectations. As a result, both revenue and revenue-based expenses are trending below estimates. The expenditure savings will partially offset the projected loss of revenue. Revenue and expenditure trends will continue to be closely monitored.

Note: Starting in FY 2020, the Division of Parking Facilities was altered to functionally separate off-street parking (garages, etc.) and on-street parking (parking meters, etc.). The budget for off-street parking enterprises remains in the Parking System Facilities Fund. The budget for on-street parking enterprises has shifted to the Parking Meter Fund, which was reactivated in FY 2020.

**D. Municipal Motor Vehicle License Tax Fund 306**

The Department of Public Services has indicated that it is not projecting a savings or need as this fund is 31.8% expended year to date and below the estimated 50.0%.

**E. Sawyer Point Fund 318**

Sawyer Point Fund 318 is currently not projecting savings or a need for FY 2021.

**F. Recreation Special Activities Fund 323**

Recreation Special Activities Fund 323 is projecting neither a need nor a savings for FY 2021. Due to the impacts of COVID-19, revenue in this fund is down significantly, but expenditures are also down based on reduced programming.

**G. Cincinnati Riverfront Park Fund 329**

Cincinnati Riverfront Park Fund 329 is not projecting savings or a need for FY 2021 currently. Variances are due to timing and will be used to meet salary reimbursement obligations.

**H. Hazard Abatement Fund 347**

The Hazard Abatement Fund 347 is an appropriated fund that is for activities related to the Vacant Building Maintenance License (VBML) Fee, the Residential Rental Registration (RRI) program, and the Residential Rental Property Inspection Pilot program. The fund is currently 22.0% expended year to date and is not projecting a savings or need at this time.

**I. Bond Hill Roselawn Stabilization & Revitalization Operations Fund 358**

This fund was established in FY 2016 as a \$200,000 per year contract for five years for the Bond Hill Roselawn neighborhood. This fund is 50.7% committed for FY 2021.

**J. 9-1-1 Cell Phone Fees Fund 364**

9-1-1 Cell Phone Fees Fund 364 is an appropriated fund that is for expenditures related to the Emergency Communications Center. Revenue for this fund is based on a proportion of the state mandated 9-1-1 Cell Phone fees allocated by call volume. Due to COVID-19 and related social distancing and overnight curfews, call volume to the ECC has substantially decreased during late night hours, leading to decreased revenues. As a result, the ECC may not be able to meet their

budgeted reimbursement amount to the General Fund. The fund will continue to be monitored for trends in revenue.

**K. Safe and Clean Fund 377**

Safe and Clean Fund 377 is the appropriated fund that accounts for funds received for billboard leases and is pledged for Keep Cincinnati Beautiful (KCB) expenditures. This fund is currently 4.0% expended year to date.

**L. Community Health Center Activities Fund 395**

There are some savings in the non-personnel and personnel budgets due to reduced patient care and position vacancies during the COVID-19 shutdown that could be used to offset various needs in personnel and benefits, contractual services, materials and supplies, and fixed charges. Needs are due to increased medical supplies and services as a result of the COVID-19 pandemic. Additional needs are a result of higher than anticipated office rent exceeding the budgeted amount. Internal transfers and grant funds will help offset needs as well. The Department has several staff members assigned to COVID-19 related tasks; therefore, CARES Act funding will help cover these costs. Additionally, transfers may be made in the spring with the Final Adjustment Ordinance (FAO) if necessary.

Currently, Fund 395 is on track to fall short of revenue estimates for FY 2021. The delay in in-person learning for Cincinnati Public Schools has impacted revenue for school-based medical and dental clinics.

**M. Cincinnati Health District Fund 416**

COVID-19 related expenses such as overtime, ongoing temporary services and equipment rental result in needs in contractual services, materials and supplies, and personnel for the Health Department. The COVID-19 related expenses will be reimbursed by CARES Act funding. There is also a potential need for the remainder of FY 2021 for COVID-19 contact tracing and vaccine distribution; however, grants and other sources of funding are being pursued to help cover those costs. Additionally, needs result from fixed charges such as rent and software, anticipated salaries, pension and hospitalization exceeding budgeted salaries. Security guard service and security upgrades including a surveillance camera system also are cause for needs by the Health Department.

The Department has identified some position vacancy and non-personnel savings that will be used to help offset the expected needs. Transfers may be made in the spring with the Final Adjustment Ordinance (FAO) if necessary.

\*Note: At the beginning of FY 2020, the Health Department's General Fund 050 account was switched to the Cincinnati Health District Fund 416, which was established by state mandate in Ordinance #0215-2019 for the purpose of

separately accounting for the support of the general operation of the Cincinnati Health Department.

**N. Cincinnati Area Geographic Information System (CAGIS) Fund 449**

The CAGIS Fund is 37.4% expended year to date and is projected to have neither a need nor a savings for FY 2021.

**O. Streetcar Operations Fund 455**

Streetcar Operations Fund 455 is projected to have neither a need nor a savings for FY 2021.

**P. County Law Enforcement Applied Regionally (CLEAR) Fund 457**

The CLEAR Fund is 24.4% expended year to date and is projected to have neither a need nor a savings for FY 2021.

**Q. Income Tax-Transit Fund 759**

Income Tax-Transit Fund 759 is 93.5% expended year to date and is projected to have neither a need nor a savings for FY 2021.

**Summary**

Through December 31, 2020, major budget issues include Police and Fire lump sum payments and cost of living adjustments, the Fire Department's staffing and overtime needs, COVID-19 related revenue decline in Community Health Center Activities Fund 395 and Parking Meter Fund 303, and the Early Retirement Incentive Program reconciliation. Departments have identified possible savings and shortfalls, which will continue to be monitored and updated monthly.

Submitted herewith are the following Office of Budget & Evaluation reports:

1. Fund Summary Report for the month ended December 31, 2020.

By approval of this report, City Council appropriates the revenues received in the various restricted funds on the attached Statement of Balances and as stated in greater detail on the records maintained by the Department of Finance, Division of Accounts & Audits. Such revenues are to be expended in accordance with the purposes for which the funds were established.

Submitted herewith are the following Department of Finance reports:

2. Comparative Statement of Revenue (Actuals, Forecast and Prior Year) as of December 31, 2020.
3. Audit of the City Treasurer's Report for the month ended November 30, 2020.

4. Statement of Balances in the various funds as of December 31, 2020.

**February 18, 2021**

**To:** Mayor and Members of City Council 202100673

**From:** Paula Boggs Muething, City Manager

**Subject:** **Emergency Ordinance – FY 2020 Ohio Drug Law Fund Enforcement Grant**

---

Attached is an Emergency Ordinance captioned:

**AUTHORIZING** the City Manager to apply for, accept, and appropriate a grant in an amount up to \$110,000 from the FY20 RecoveryOhio Law Enforcement Fund, awarded by the Office of Criminal Justice Services, a division of the Ohio Department of Public Safety, to support Title III investigations, specifically officer overtime and equipment employed in drug task force investigations in which the Cincinnati Police Department participates; and **AUTHORIZING** the Finance Director to deposit funds received pursuant to the RecoveryOhio grant into Law Enforcement Grant Fund 368, Project Account No. 20ROLE.

This Emergency Ordinance would authorize the City Manager to apply for, accept, and appropriate a grant in the amount up to \$110,000 from the Office of Criminal Justice Services, a division of the Ohio Department of Public Safety, to support Title III investigations, specifically officer overtime and equipment.

The RecoveryOhio Law Enforcement Fund is part of Governor Mike DeWine's RecoveryOhio Initiative which was developed to ensure Ohio acts aggressively to address the public health crisis caused by repercussions of the drug epidemic and mental illness. The RecoveryOhio Law Enforcement Fund will provide funding to defray expenses that a drug task force organization incurs in performing its functions related to the enforcement of the state's drug laws and other state laws related to illegal drug activity as well as activities related to the RecoveryOhio Initiative. If awarded, this grant will supplement Cincinnati Police Department (CPD) resources; helping to bridge the fiscal gap to abate Drug Trafficking Organization (DTO) operations, thereby reducing violence and drug overdoses. There are no new FTE or matching fund requirements associated with this grant. This Emergency Ordinance would also authorize the Finance Director to deposit the grant funds into Law Enforcement Grant Fund 368, Project Account No. 20ROLE.

As the grant application deadline is February 17, 2021, the Cincinnati Police Department will have applied for this grant prior to this Emergency Ordinance receiving approval from the City Council. Should this Emergency Ordinance not be approved, the grant funding will not be accepted. Please note that the grant term will be retroactive to October 1, 2020 if awarded.

This Emergency Ordinance is in accordance with the “Live” goal to “create a more livable community” as described on page 156 of Plan Cincinnati (2012).

The reason for the emergency is the immediate need for grant funds to be accepted in a timely fashion upon receipt of an award notice.

The Administration recommends passage of this Emergency Ordinance.

## **EMERGENCY**

**KKF**

**- 2021**

**AUTHORIZING** the City Manager to apply for, accept, and appropriate a grant in an amount up to \$110,000 from the FY20 RecoveryOhio Law Enforcement Fund, awarded by the Office of Criminal Justice Services, a division of the Ohio Department of Public Safety, to support Title III investigations, specifically officer overtime and equipment employed in drug task force investigations in which the Cincinnati Police Department participates; and **AUTHORIZING** the Finance Director to deposit funds received pursuant to the RecoveryOhio grant into Law Enforcement Grant Fund 368, Project Account No. 20ROLE.

WHEREAS, the RecoveryOhio Law Enforcement Fund is part of the RecoveryOhio Initiative, which was developed to ensure Ohio acts aggressively to address the public health crisis caused by repercussions of the drug epidemic and mental illness; and

WHEREAS, the RecoveryOhio Law Enforcement Fund provides funding to defray expenses that participants in a drug task force organization incur in performing the task force's functions related to the enforcement of Ohio's drug laws and other state laws related to illegal drug activity, as well as activities related to the RecoveryOhio Initiative; and

WHEREAS, the Cincinnati Police Department participates in drug task force organizations that aid in enforcement of Ohio's drug laws and other state laws related to illegal drug activity; and

WHEREAS, such grants funds, if received, will be used by the Cincinnati Police Department to defray the cost of officer overtime and equipment employed in the performance of duties in support of the drug task force operations in which the Cincinnati Police Department participates; and

WHEREAS, no matching funds and no additional FTEs are required for the acceptance of this grant; and

WHEREAS, the Cincinnati Police Department has already applied for this grant to comply with an application deadline of February 17, 2021, but no funds will be accepted without City Council approval; and

WHEREAS, this ordinance is in accordance with the "Live" goal to "Create a more livable community," as described on page 156 of Plan Cincinnati (2012); now, therefore,

**BE IT ORDAINED** by the Council of the City of Cincinnati, State of Ohio:

Section 1. That the City Manager is hereby authorized to apply for, accept, and appropriate a grant in an amount up to \$110,000 from the RecoveryOhio Law Enforcement Fund, awarded by the Office of Criminal Justice Services, a division of the Ohio Department of Public Safety, to support Title III investigations, including officer overtime and equipment employed in drug task force investigations in which the Cincinnati Police Department participates.

Section 2. That the Finance Director is hereby authorized to deposit funds received pursuant to the RecoveryOhio grant into Law Enforcement Grant Fund 368, Project Account No. 20ROLE.

Section 3. That the proper City officials are hereby authorized to do all things necessary and proper to comply with the terms of Sections 1 and 2 hereof.

Section 4. That this ordinance shall be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall, subject to the terms of Article II, Section 6 of the Charter, be effective immediately. The reason for the emergency is the immediate need for grant funds to be accepted in a timely fashion upon receipt of an award notice.

Subject: **COMMUNITY REINVESTMENT AREA TAX EXEMPTION  
AGREEMENT FOR 119 E. McMICKEN LLC**

---

Attached is an Emergency Ordinance captioned as follows:

**APPROVING AND AUTHORIZING** the City Manager to execute a *Community Reinvestment Area Tax Exemption Agreement* with 119 E. McMicken LLC, an affiliate of Northcrown Property LLC, thereby authorizing a 15-year tax exemption for 100% of the value of improvements made to real property located at 119 E. McMicken Avenue in the Over-The-Rhine neighborhood of Cincinnati, in connection with the remodeling of the existing building into approximately 2,218 square feet of commercial retail space, and approximately 5,120 square feet of residential space consisting of 8 apartments, at a total remodeling cost of approximately \$822,500.

### **BACKGROUND/CURRENT CONDITIONS**

This property is a multi-story vacant building in the Over-the-Rhine neighborhood of Cincinnati. It is within the OTR Historic District. The property is within walking distance to Grant Park. The Developer submitted a CRA application to DCED requesting assistance in the redevelopment of this property.

### **DEVELOPER INFORMATION**

119 E. McMicken LLC is an entity affiliate of Northcrown Property LLC, a neighborhood developer, who primarily redevelops vacant buildings in the Over the Rhine neighborhood surrounding Grant Park. In the past, they have stabilized the historic Crown Brewery Building located at 131 E. McMicken and have multiple projects underway north along E. McMicken.

## **PROJECT DESCRIPTION**

Once completed, this project will consist of eight apartment units. The ground floor of this building will also have 2,218 square feet of commercial space. In connection with this project, it is estimated that 30 temporary construction jobs are created at a total annual payroll of \$1,200,000 and 12 full-time equivalent employees will be created at a total annual payroll of \$362,000.

This project is consistent with several of Plan Cincinnati's goals including the City's goal to remain competitive economically, and the City's goal to be good stewards of its resources—both built and environmental.

## **PROPOSED INCENTIVE**

The Ordinance provides for a 100% (net 52%), 15-year CRA tax exemption for this property. The exemption applies only to the increase in value of the building attributable to the project improvements. Pursuant to the Commercial CRA policy established by City Council, this project is located within the Streetcar VTICA Area and is therefore subject to analysis based on project underwriting, VTICA contribution, and job creation to determine abatement terms.

The project has demonstrated a financial need to secure adequate financing. This project will result in a more vibrant commercial district along the McMicken corridor and bring much needed housing to the northern section of Over the Rhine.

<b>SUMMARY</b>		
<b>Forgone Public Benefit if Project Does not Proceed</b>		
	CPS PILOT (Forgone New Revenue)	(\$75,604)
	VTICA (Forgone New Revenue)	(\$34,366)
	Income Tax (Forgone New Revenue)	(\$24,003)
	<b>Total Public Benefit Lost</b>	<b>(\$133,973)</b>
<b>Incentive Value</b>		
	Annual Net Incentive to Developer	\$7,942
	<b>Total Term Incentive to Developer</b>	<b>\$119,134</b>
	<b>City's Portion of Property Taxes Forgone</b>	<b>\$29,568</b>
<b>Public Benefit</b>		
	CPS PILOT	
	Annual CPS Pilot	\$5,040
	<b>Total Term CPS PILOT</b>	<b>\$75,604</b>
	VTICA	
	Annual VTICA	\$2,291
	<b>Total Term VTICA</b>	<b>\$34,366</b>
	<b>Income Tax (Max)</b>	<b>\$24,003</b>
	<b>Total Public Benefit (CPS PILOT/VTICA /Income Tax)</b>	<b>\$133,973</b>
	<b>Total Public Benefit ROI*</b>	<b>\$1.12</b>
	<b>City's ROI*</b>	<b>\$4.53</b>
*If the project were going to happen regardless of incentive, this is the return of real dollars for public benefits as potential future dollars are forgone		

## **RECOMMENDATION**

The Administration recommends approval of this Emergency Ordinance.

EMERGENCY

City of Cincinnati

DSC

BWL

An Ordinance No. \_\_\_\_\_

- 2021

**APPROVING AND AUTHORIZING** the City Manager to execute a *Community Reinvestment Area Tax Exemption Agreement* with 119 E. McMicken LLC, an affiliate of Northcrown Property LLC, thereby authorizing a 15-year tax exemption for 100% of the value of improvements made to real property located at 119 E. McMicken Avenue in the Over-The-Rhine neighborhood of Cincinnati, in connection with the remodeling of the existing building into approximately 2,218 square feet of commercial retail space, and approximately 5,120 square feet of residential space consisting of 8 apartments, at a total remodeling cost of approximately \$822,500.

WHEREAS, to encourage the development of real property and the acquisition of personal property, the Council of the City of Cincinnati by Ordinance No. 274-2017 passed on September 27, 2017, designated the area within the corporate boundaries of the City of Cincinnati as a "Community Reinvestment Area" pursuant to Ohio Revised Code Sections 3735.65 through 3735.70 (the "Statute"); and

WHEREAS, Ordinance No. 275-2017 passed by this Council on September 27, 2017, as amended by Ordinance No. 339-2018, passed by this Council on October 31, 2018, sets forth certain additional policies, conditions and limitations regarding newly constructed or remodeled commercial and residential structures in the Community Reinvestment Area; and

WHEREAS, effective October 23, 2017, the Director of Development of the State of Ohio determined that the area within the corporate boundaries of the City of Cincinnati contains the characteristics set forth in the Statute and confirmed such area as a Community Reinvestment Area under the Statute; and

WHEREAS, 119 E. McMicken LLC (the "Company") desires to remodel the existing building into approximately 2,218 square feet of commercial retail space, and approximately 5,120 square feet of residential space consisting of 8 apartments, on real property at 119 E. McMicken Avenue located within the corporate boundaries of the City of Cincinnati (the "Improvements"), provided that the appropriate development incentives are available to support the economic viability of the Improvements; and

WHEREAS, to provide an appropriate development incentive for the Improvements, the City Manager has recommended a *Community Reinvestment Area Tax Exemption Agreement*, in substantially the form of Attachment A to this ordinance, to authorize a real property tax exemption for the Improvements in accordance with the Statute; and

WHEREAS, the property is located within the Cincinnati City School District of the City of Cincinnati; and

WHEREAS, the Board of Education of the Cincinnati City School District (the “Board of Education”), pursuant to that certain *Tax Incentive Agreement* effective as of April 28, 2020 (as may be amended, the “Board of Education Agreement”), has approved exemptions of up to 100% of Community Reinvestment Area projects, waived advance notice and the right to review such projects, and waived sharing or allocation of municipal income taxes in connection with such projects; and

WHEREAS, pursuant to the Board of Education Agreement, the Company has entered into (or will enter into) an agreement with the Board of Education requiring the Company to pay the Board of Education amounts equal to 33% of the exempt real property taxes; and

WHEREAS, the Company has represented that it has entered into (or will enter into) a voluntary tax incentive contribution agreement with a third-party organization for amounts equal to 15% of the exempt real property taxes, which funds shall be committed by the third-party organization to pay for streetcar operations that specially benefit the property; and

WHEREAS, the Improvements do not involve relocation of part or all of the Company’s operations from another county or municipal corporation in Ohio or, if there is relocation, notice has been given per ORC 3735.673; now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That Council approves a *Community Reinvestment Area Tax Exemption Agreement* with 119 E. McMicken LLC (the “Agreement”), thereby authorizing a 15-year tax exemption for 100% of the assessed value of improvements to be made to real property located at 119 E. McMicken Avenue in Cincinnati, as calculated by the Hamilton County Auditor, in connection with the remodeling of the existing building into approximately 2,218 square feet of commercial retail space, and approximately 5,120 square feet of residential space consisting of 8 apartments, to be completed at a total construction cost of approximately \$822,500.

Section 2. That Council authorizes the City Manager:

- (i) to execute the Agreement on behalf of the City in substantially the form of Attachment A to this ordinance; and
- (ii) to forward on behalf of Council a copy of the Agreement, within fifteen (15) days after execution, to the Director of the Ohio Development Services Agency in accordance with Ohio Revised Code Section 3735.671(F); and

- (iii) to submit on behalf of Council annual reports on the Agreement to the Director of the Ohio Development Services Agency and to the Board of Education of the Cincinnati City School District of the City of Cincinnati, in accordance with Ohio Revised Code Section 3735.672; and
- (iv) to take all necessary and proper actions to fulfill the City's obligations under the Agreement.

Section 3. That this ordinance shall be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall, subject to the terms of Article II, Section 6 of the Charter, be effective immediately. The reason for the emergency is the immediate need to allow the remodeling described in this ordinance and the corresponding revitalization of the City of Cincinnati and the benefits to the City's economic welfare to begin at the earliest possible time.

**CRA Tax Exemption Agreement**

**SEE ATTACHED**

## Community Reinvestment Area Tax Exemption Agreement

This Community Reinvestment Area Tax Exemption Agreement (this "Agreement") is made and entered into as of the Effective Date (as defined on the signature page hereof) by and between the CITY OF CINCINNATI, an Ohio municipal corporation (the "City"), and 119 E. MCMICKEN LLC, an Ohio limited liability company and affiliate of Northcrown Property LLC (the "Company").

## Recitals:

- A. The City, through the adoption of Ordinance No. 274-2017 on September 27, 2017, designated the entire City of Cincinnati as a Community Reinvestment Area to encourage the development of real property and the acquisition of personal property in that area, pursuant to Ohio Revised Code Sections 3735.65 through 3735.70 (the "Statute").
- B. In accordance with the Statute, the Ohio Director of Development has forwarded to the City the Director's determination dated October 23, 2017, stating that the findings contained in Ordinance No. 274-2017 are valid and that the entire City is a Community Reinvestment Area under the Statute. By such determination, the Director of Development of the State of Ohio determined that the area within the corporate boundaries of the City of Cincinnati contains the characteristics set forth in the Statute and confirmed such area as a Community Reinvestment Area under the Statute.
- C. The Council of the City of Cincinnati has also passed Ordinance No. 275-2017 as of September 27, 2017, as amended by Ordinance No. 339-2018 passed on October 31, 2018 (the "Commercial Policy Ordinance"), which sets forth certain additional policies, conditions and limitations regarding newly constructed or remodeled commercial and residential structures in the Community Reinvestment Area.
- D. The Company is the sole owner of certain real property within the City, located at 119 E. McMicken Avenue, Cincinnati, Ohio 45202 (the "Property"), as further described in Exhibit A (Legal Description of Property) hereto. Notwithstanding the foregoing, the Property shall not include any residential condominiums being developed in connection with the Project (as defined below) (the "Excluded Property"), and the Company acknowledges and agrees that the City's Community Reinvestment Area program entails separate applications by the owner of any residential condominium units included within the Project. For the avoidance of doubt, the Excluded Property shall not be exempt under this Agreement; however, this provision shall not be deemed to prohibit any owners from time to time of any Excluded Property from separately applying for a tax abatement in accordance with applicable law.
- E. The Company has proposed to remodel a building located on the Property, within the boundaries of the City of Cincinnati, as more fully described in Section 1 herein (the "Project"), provided that the appropriate development incentives are available to support the economic viability of the Project.
- F. The Statute provides that if any part of a project is to be used for commercial or industrial purposes, including projects containing four or more dwelling units, in order to be eligible for tax exemption the City and the Company must enter into an agreement pursuant to Ohio Revised Code Section 3735.671 prior to commencement of construction or remodeling.
- G. The City, having appropriate authority under the Statute for this type of project, agrees (as provided herein and subject to all conditions herein) to provide the Company with the tax exemption incentives stated herein, available under the Statute, for development of the Project.
- H. The Company has submitted to the City an application for this tax exemption agreement (the "Application"), a copy of which is attached hereto as Exhibit B, has remitted with the Application (i) the City application fee of One Thousand Two Hundred Fifty Dollars (\$1,250) made payable to

the City and (ii) in accordance with Ohio Revised Code Section 3735.672(C), the state application fee of Seven Hundred Fifty Dollars (\$750) made payable to the Ohio Development Services Agency ("ODSA"), to be forwarded to the ODSA with an executed copy of this Agreement.

- I. The Director of the City's Department of Community and Economic Development has recommended approval of the Application on the basis that the Company is qualified by financial responsibility and business experience to create and preserve employment opportunities and improve the economic climate of the City.
- J. The Board of Education of the Cincinnati City School District (the "Board of Education"), pursuant to that certain *Tax Incentive Agreement* effective as of April 28, 2020, has approved exemptions of up to one hundred percent (100%) of Community Reinvestment Area projects, waived advance notice and right to review such projects, and waived sharing or allocation of municipal income taxes in connection with such projects.
- K. The Company has entered into (or will enter into) an agreement with the Board of Education requiring the Company to pay the Board of Education amounts equal to thirty-three percent (33%) of the full amount of exempt real property taxes that would have been paid to Hamilton County if this Agreement were not in effect (the "Board of Education Agreement").
- L. The Company represents and warrants to the City that the Company and its major tenants, if any, do not intend to relocate part or all of their operations to the City from another county or municipal corporation in the State of Ohio (the "State").
- M. The Company represents that within the past five (5) years neither the Company, any related member of the Company, nor any entity to which the Company is a successor has discontinued operations at a project site in the State during the term of a property tax exemption agreement (under Ohio Revised Code Section 3735.671, 5709.62, 5709.63 or 5709.632) applicable to that site, and the Company acknowledges that misrepresentation hereunder will result in voiding of this Agreement.
- N. The Company represents and warrants to the City that the Company is not subject to an Enterprise Zone Agreement with the City of Cincinnati for the Property or the Project.
- O. City Council passed (i) Motion No. 201401368 on November 19, 2014, establishing a tax incentive policy that incentivizes each applicant for a real property tax abatement in the neighborhoods of Downtown and OTR to enter into a voluntary tax incentive contribution agreement with a third-party organization ("VTICA") for an amount equal to a percentage of the real property taxes that would have been payable on the abated property but for the City-authorized tax abatement (the "VTICA Contribution"), which funds shall be committed by a third-party organization to pay for streetcar operations that specially benefit the abated property, and (ii) Motion No. 201501592 on December 16, 2015, which established that the VTICA Contribution to be recognized by the Director of the Department of Community and Economic Development is 15% of the real property taxes that would have been payable on the abated property but for the City-authorized tax abatement. The Commercial Policy Ordinance confirmed that such motions have not been superseded and remain the will of Council.
- P. The Company acknowledges that Streetcar operations in the Central Business District and Over-the-Rhine will specially benefit the Project due to (a) the Streetcar's enhancement of public transit options in such neighborhoods and (b) the anticipated increase in property values attributable to public investment in Streetcar infrastructure.
- Q. The Company represents and warrants to the City that the Company has entered or will enter into a VTICA and shall pay the VTICA Contribution each year for the full term of the abatement.

R. This Agreement has been authorized by Ordinance No. \_\_\_\_\_-2021, passed by Cincinnati City Council on \_\_\_\_\_, 2021.

S. In determining to recommend and authorize this Agreement, the Department of Community and Economic Development and City Council, respectively, have acted in material reliance on the Company's representations in the Application and herein regarding the Project including, but not limited to, representations relating to the number of jobs to be created and/or retained by the Company, the Board of Education Agreement, the VTICA Contribution, and the Project's effect in promoting the general welfare of the people of Cincinnati by, for example, encouraging the development of real property located in the Community Reinvestment Area and thereby promoting economic growth and vitality in Cincinnati.

NOW, THEREFORE, pursuant to Ohio Revised Code Section 3735.67(A) and in conformity with the format required under Ohio Revised Code Section 3735.671, in consideration of the mutual covenants contained herein and the benefit to be derived by the parties from the execution hereof, the parties agree as follows:

**Section 1. Project.** Upon issuance of the necessary zoning and building approvals, the Company agrees to remodel the existing building on the Property to create approximately: 2,218 square feet of commercial retail space; and 5,120 square feet of residential space consisting of 8 apartments (the "Improvements") at an estimated aggregate cost of \$822,500, to commence after the execution of this Agreement and to be completed no later than September 1, 2021; *provided*, however, that the Director of the Department of Community and Economic Development (the "Housing Officer") may, in his discretion, extend such deadline for a period of up to 12 months by written notice if, in the Director's judgment, the Company is proceeding in good faith towards completion. The remodeling shall be in compliance with applicable building code requirements and zoning regulations. In addition to the foregoing, (A) the Project shall comply with the Americans with Disabilities Act, together with any and all regulations or other binding directives promulgated pursuant thereto (collectively, the "**ADA**"), and (B) if (i) any building(s) within the Project is subject to the accessibility requirements of the ADA (e.g., by constituting a "place of public accommodation" or another category of structure to which the ADA is applicable) and (ii) such building(s) is not already required to meet the Contractual Minimum Accessibility Requirements (as defined below) pursuant to the ADA, applicable building code requirements, or by any other legal requirement, then the Company shall cause such building(s) to comply with the Contractual Minimum Accessibility Requirements in addition to any requirements pursuant to the ADA and the applicable building code or legal requirement. As used herein, "**Contractual Minimum Accessibility Requirements**" means that a building shall, at a minimum, include (1) at least one point of entry (as used in the ADA), accessible from a public right of way, with respect to which all architectural barriers (as used in the ADA) to entry have been eliminated, and (2) if such accessible point of entry is not a building's primary point of entry, conspicuous signage directing persons to such accessible point of entry.

**Section 2. Real Property Tax Exemption.** Subject to the satisfaction of the conditions set forth in this Agreement, the City approves exemption from real property taxation, pursuant to and to the fullest extent authorized by the Statute, of one hundred percent (100%) of the amount by which the Improvements increase the assessed value of the Property as determined by the Hamilton County Auditor, for a period of fifteen (15) years, provided that the Company shall have entered into the Board of Education Agreement. Within 120 days after completion of the Project (unless otherwise extended in writing by the City's Housing Officer), the Company must file the appropriate application for tax exemption with the City's Housing Officer. The Company is solely responsible to take this action. Upon receipt of the application for tax exemption, the City will proceed with the exemption authorized by this Agreement. In accordance with Ohio Revised Code Section 3735.67, the exemption is conditioned on verification by the Housing Officer of (A) the completion of remodeling (B) the cost of remodeling, (C) the facts asserted in the application for exemption and (D) if a remodeled structure is a structure of historical or architectural significance as designated by the City, state or federal government, that the appropriateness of the remodeling has been certified in writing by the appropriate agency. If the required verification is made, the Housing Officer will forward the exemption application to the Hamilton County Auditor with the necessary certification by the Housing Officer. Subject to the conditions set forth in this Agreement, the

exemption commences the first tax year for which the Improvements would first be taxable were the Improvements not exempted from taxation. The dates provided in this paragraph refer to tax years in which the subject property is assessed, as opposed to years in which taxes are billed. No exemption shall commence after tax year 2021 nor extend beyond the earlier of (i) tax year 2035 or (ii) the end of the fifteenth (15<sup>th</sup>) year of exemption.

Section 3. Use; Maintenance; Inspections. The Company shall use the Property solely for the purposes described in Section 1 hereof and shall properly maintain and repair the Property throughout the period of tax exemption authorized herein. The Company authorizes the Housing Officer, or the Housing Officer's designees, to enter upon the Property as reasonably required to perform property inspections in accordance with Ohio Revised Code Section 3735.68.

Section 4. Compliance with Board of Education Agreement. As a condition of the tax exemption authorized under this Agreement, the Company agrees to enter into and comply with its obligation under the Board of Education Agreement.

Section 5. Duty of Company to Pay Taxes. As required by Ohio Revised Code Section 3735.671(C)(2), the Company shall pay such real property taxes as are not exempted under this Agreement and are charged against the Property and shall file all tax reports and returns as required by law. If the Company fails to pay such taxes or file such returns and reports, exemptions from taxation granted or authorized under this Agreement are rescinded beginning with the year for which such taxes are charged or such reports or returns are required to be filed and continuing thereafter.

Section 6. Company Certifications Regarding Non-Delinquency of Tax Obligations. As required by Ohio Revised Code Section 3735.671(C)(3), the Company certifies that at the time this Agreement is executed, the Company does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State, and does not owe delinquent taxes for which the Company is liable under Ohio Revised Code Chapters 5733, 5735, 5739, 5741, 5743, 5747 or 5753, or if such delinquent taxes are owed, the Company currently is paying the delinquent taxes pursuant to an undertaking enforceable by the State or an agent or instrumentality thereof, has filed a petition in bankruptcy under 101, et seq., or such a petition has been filed against the Company. For the purposes of this certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Ohio Revised Code governing payment of those taxes.

Section 7. Covenant of Satisfaction of Tax and Other Obligations. In accordance with Ohio Revised Code Section 9.66, (A) the Company affirmatively covenants that it does not owe: (i) any delinquent taxes to the State or to a political subdivision of the State; (ii) any moneys to the State or a State agency for the administration or enforcement of any environmental laws of the State; or (iii) any other moneys to the State, a State agency or a political subdivision of the State that are past due, regardless of whether the amounts owed are being contested in a court of law or not; (B) the Company authorizes the City and/or the State to inspect the personal financial statements of the Company, including tax records and other similar information not ordinarily open to public inspection; and (C) the Company authorizes the Ohio Environmental Protection Agency and the Ohio Department of Taxation to release information to the City and or other State departments in connection with the above statements. As provided by statute, a knowingly false statement under this section may be prosecuted as a first degree misdemeanor under Ohio Revised Code Section 2921.13, may render the Company ineligible for any future economic development assistance from the State or any political subdivision of the State, and will result in the City requiring the Company's repayment of any assistance provided by the City in connection with the Project.

Section 8. City Cooperation. As required by Ohio Revised Code Section 3735.671(C)(4), upon specific request from the Company, the City shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve and maintain exemptions from taxation granted under this Agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions.

Section 9. Continuation of Exemptions. As provided in Ohio Revised Code Section 3735.671(C)(5), if for any reason the City revokes the designation of the City of Cincinnati as a Community Reinvestment Area, entitlements granted under this Agreement shall continue for the number of years specified under this Agreement, unless the Company materially fails to fulfill its obligations under this Agreement and the City terminates or modifies the exemptions from taxation authorized pursuant to this Agreement.

Section 10. City Not Liable. The Company acknowledges that the exemption authorized in this Agreement is subject to approval and implementation by the appropriate state and/or county taxing authorities. The Company acknowledges that the City does not give any guarantee or assurance that the exemption approved in this Agreement will be so approved, and the Company agrees that in no event shall the Company seek to hold the City liable in any way in the event such exemption is not granted or implemented.

Section 11. Small Business Enterprise Program.<sup>1</sup>

A. Compliance with Small Business Enterprise Program. The policy of the City is that a fair share of contracts be awarded to Small Business Enterprises (as such term is defined in Cincinnati Municipal Code ("CMC") Section 323-1-S, "SBEs"). Pursuant to CMC Section 323-11, the City's annual goal for SBE participation shall be thirty percent (30%) of the City's total dollars spent for construction (as such term is defined in CMC Section 323-1-C4), supplies (as such term is defined in CMC Section 323-1-S5), services (as such term is defined in CMC Section 323-1-S) and professional services (as such term is defined in CMC Section 323-1-P2). Accordingly, the Company shall use its best efforts and take affirmative steps to achieve the City's goal of voluntarily meeting thirty percent (30%) SBE participation. A list of SBEs may be obtained from the City's Department of Economic Inclusion. The Company may refer interested firms to the City's Department of Economic Inclusion for review and possible certification as an SBE. The Company shall comply with the provisions of CMC Chapter 323, including without limitation taking at least the following affirmative steps:

- (i) Including qualified SBEs on solicitation lists.
- (ii) Assuring that SBEs are solicited whenever they are potential sources. The Company must advertise, on at least two separate occasions, both in local minority publications and in other local newspapers of general circulation, invitations to SBEs to provide services, to supply materials, or to bid on construction contracts, as applicable.
- (iii) When economically feasible, dividing total requirements into small tasks or quantities so as to permit maximum SBE participation.
- (iv) If any subcontracts are to be let, the Company shall require the prime contractor (if different from the Company) to take the above affirmative steps.
- (v) Prior to the commencement of work under any subcontracts, the Company shall provide to the City a list of such subcontractors, including information as to the dollar amount of the subcontracts and such other information as may be requested by the City. The Company shall update the report monthly.
- (vi) The Company shall periodically document its best efforts and affirmative steps to meet the above SBE participation goals by submitting such information as may be requested from time to time by the City.

B. Remedies for Noncompliance with Small Business Enterprise Program. Failure of the Company or its contractors and subcontractors to take the affirmative steps specified above, to provide fair and equal opportunity to SBEs, or to provide technical assistance to SBEs as may be necessary to reach SBE participation as set out in CMC Chapter 323 may be construed by the City as failure of the Company to use its best efforts, and, in addition to other remedies under this Agreement, may be a cause for the City to file suit in Common Pleas Court to

---

<sup>1</sup> Note: this section will be revised prior to execution due to programmatic changes being implemented by the Department of Community and Economic Development as a result of recent legislation passed by City Council.

enforce specific performance of the terms of this Section. The provisions of CMC Section 323-99 are hereby incorporated by reference into this Agreement.

Section 12. Jobs. The Company represents that, as of the date of the execution of this Agreement, the Company has no existing employment at the Property or in the State.

Section 13. Job Creation and Retention.

A. Jobs to be Created by Company. The Company agrees to use its best efforts to create (i) 12 full-time permanent jobs and (ii) 30 full-time temporary construction jobs at the Property in connection with the Project. In the case of the construction jobs, the job creation and retention period shall be concurrent with remodeling, and in the case of the other jobs described herein, the job creation period shall begin upon completion of remodeling and shall end three (3) years thereafter.

B. Company's Estimated Payroll Increase. The Company's increase in the number of employees will result in approximately (i) \$362,000 of additional annual payroll with respect to the full-time permanent jobs and (ii) \$1,200,000 of additional annual payroll prior to the completion of the Project with respect to the full-time temporary construction jobs.

C. Community Reinvestment Area Employment. The Company shall (i) adopt hiring practices to ensure that at least twenty-five percent (25%) of the new employees shall be residents of the City of Cincinnati and (ii) give preference to residents of the City relative to residents of the State who do not reside in the City when hiring new employees under this Agreement.

D. Posting Available Employment Opportunities. To the extent allowable by law, the Company shall use its best efforts to post available employment opportunities within the Company's organization or the organization of any subcontractor working with the Company with the Ohio Means Jobs Center, 1916 Central Parkway, Cincinnati, Ohio 45214-2305, through its Employer Services Unit Manager at 513-746-7200.

Section 14. Equal Employment Opportunity. This Agreement is subject to the City's Equal Employment Opportunity Program contained in CMC Chapter 325. The Equal Employment Opportunity Clause in CMC Section 325-9 is incorporated by reference in this Agreement. The term "Company" is substituted for "Contractor" throughout CMC Section 325-9 in the context of this Agreement.

Section 15. Compliance with Immigration and Nationality Act. In the performance of its obligations under this Agreement, the Company agrees to comply with the provisions of the Immigration and Nationality Act codified at 8 U.S.C. §§ 1324a(a)(1)(A) and (a)(2). Any noncompliance with such provisions shall be solely determined by either the federal agencies authorized to enforce the Immigration and Nationality Act or the U.S. Attorney General, in accordance with Executive Order 12989 of the U.S. President dated February 13, 1996, and as amended by Executive Order 13465 of the U.S. President dated June 6, 2008.

Section 16. Default. As provided in Ohio Revised Code Section 3735.671(C)(6), if the Company materially fails to fulfill its obligations under this Agreement, or if the City determines that the certification as to delinquent taxes required by this Agreement (Section 6 hereof) or the covenant of satisfaction of tax and other obligations (Section 7 hereof) is fraudulent, the City may terminate or modify the exemptions from taxation granted or authorized under this Agreement and may require the repayment by the Company of the amount of taxes that would have been payable had the Improvements not been exempted from taxation pursuant to this Agreement. A modification of exemption may be in the form of reduction in the number of years that eligible property is exempt and/or a reduction in the exemption percentage. The City shall provide written notice to the Company prior to finding the Company in default under this section. The notice shall provide the Company with not less than thirty (30) days to cure the default prior to City termination or modification of the exemptions under this Agreement. The City may

extend the cure period as reasonably necessary under the circumstances. In the event of such termination or modification, the City is authorized to so notify the appropriate taxing authorities in order to effect the termination or modification. If repayment of previously exempt taxes is required by the City under this Section, such amount shall be paid as directed by the City within thirty (30) days of written demand. The City may secure repayment of such taxes by a lien on the Property in the amount required to be repaid. Such a lien shall attach, and may be perfected, collected, and enforced, in the same manner as a mortgage lien on real property, and shall otherwise have the same force and effect as a mortgage lien on real property. Amounts due and not paid when due under this Section 16 shall bear interest at the rate specified in Ohio Revised Code Section 1343.03(A) (as in effect on the date of the City's payment demand).

Section 17. Annual Review and Report. As required by Ohio Revised Code Sections 3735.671(C)(7) and 5709.85, the Company shall provide to the City's Tax Incentive Review Council (or to the City Manager if so requested by the City) any information reasonably required by the Council or the City Manager to evaluate the Company's compliance with this Agreement, including returns filed pursuant to Ohio Revised Code Section 5711.02 if requested by the Council or City Manager. The performance of the Company's obligations stated in this Agreement shall be subject to annual review by the City's Tax Incentive Review Council (the "Annual Review and Report"). The Company shall submit information for the Annual Review and Report to the City no later than March 1 of each year.

Section 18. Revocation.

A. Generally. Pursuant to Ohio Revised Code Section 3735.68, the housing officer shall make annual inspections of the properties within the community reinvestment area upon which are located structures or remodeling for which an exemption has been granted under Ohio Revised Code Section 3735.67. If the housing officer finds that the property has not been properly maintained or repaired due to the neglect of the Company, the housing officer may revoke the exemption at any time after the first year of exemption. If the Company has materially failed to fulfill its obligations under this Agreement, or if the owner is determined to have violated division (E) of that section (see Section 18(B) of this Agreement), City Council, subject to the terms of the agreement, may revoke the exemption at any time after the first year of exemption. The housing officer or City Council shall notify the county auditor and the Company that the tax exemption no longer applies. If the housing officer or legislative authority revokes a tax exemption, the housing officer shall send a report of the revocation to the community reinvestment area housing council and to the tax incentive review council established pursuant to section 3735.69 or 5709.85 of the Revised Code, containing a statement of the findings as to the maintenance and repair of the property, failure to fulfill obligations under the written agreement, or violation of division (E) of Ohio Revised Code Section 3735.671, and the reason for revoking the exemption.

B. Prior Statutory Violations. The Company represents and warrants to the City that it is not prohibited by Ohio Revised Code Section 3735.671(E) from entering into this Agreement. As required by Ohio Revised Code Section 3735.671(C)(9), exemptions from taxation granted or authorized under this Agreement shall be revoked if it is determined that the Company, any successor to the Company or any related member (as those terms are defined in division (E) of Ohio Revised Code Section 3735.671) has violated the prohibition against entering into this Agreement under division (E) of Ohio Revised Code Section 3735.671 or under Ohio Revised Code Sections 5709.62 or 5709.63 prior to the time prescribed by that division or either of those sections.

Section 19. False Statements; Penalties; Material Representations.

A. Generally. As required in connection with Ohio Revised Code Section 9.66(C), the Company affirmatively covenants that it has made no false statements to the State or the City in the process of obtaining approval for this Agreement. If any representative of the Company has knowingly made a false statement to the State or the City to obtain approval for this

Agreement, or if the Company fails to provide any information expressly required under the Application, the Company shall be required to immediately return all benefits received under this Agreement (by payment of the amount of taxes exempted hereunder, paid as directed by the City within thirty (30) days of written demand) and the Company shall be ineligible for any future economic development assistance from the State, any State agency or any political subdivision of the State pursuant to Ohio Revised Code Section 9.66(C)(1). Amounts due and not paid under this Section 19 shall bear interest at the rate of twelve percent (12%) per year. Any person who provides a false statement to secure economic development assistance (as defined in Ohio Revised Code Section 9.66) may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by fine of not more than One Thousand Dollars (\$1,000) and/or a term of imprisonment of not more than six (6) months.

B. Material Representations – Board of Education Agreement and VTICA. The Parties acknowledge and agree that a material failure by the Company to comply with its representations concerning the Board of Education Agreement or VTICA Contribution shall constitute an event of default for purposes of Section 16 (*Default*) and the basis for revocation under Section 18 (*Revocation*). Subject to the terms of the VTICA, if the VTICA is unenforceable for reasons of infeasibility or otherwise, the Company shall enter into alternative arrangements providing for the economic equivalent of the VTICA Contribution in order to support streetcar operations. Such arrangements may include, but are not limited to, providing for the economic equivalent of the VTICA Contribution through formation of a special improvement district. For purposes of this Section 19.B, alternative arrangements must result in services substantially similar to those that would have been supported through the VTICA and at a value that is the economic equivalent of the VTICA Contribution, which value shall not be required to exceed the VTICA Contribution amount that would have been payable by the Company. Any determination of infeasibility or mechanism for providing alternative arrangements is subject to approval by the City at its sole discretion. Nothing in this Section 19.B shall operate to limit the City's enforcement authority under this Agreement including, without limitation, Section 16, Section 18, and Section 19.A.

Section 20. Conflict of Interest. The Company covenants that, to the Company's knowledge, no employee of the City has any personal interest, direct or indirect, in any matters pertaining to the Project, and the Company agrees to take appropriate steps to prevent any employee of the City from obtaining any such interest throughout the term of this Agreement.

Section 21. Annual Fee. As authorized by Ohio Revised Code Section 3735.671(D), the Company shall pay an annual fee of Five Hundred Dollars (\$500) or one percent (1%) of the annual taxes exempted under this Agreement, whichever is greater, but not to exceed Two Thousand, Five Hundred Dollars (\$2,500) per annum. This fee is due with submission of the information for Annual Review and Report by March 1 of each year.

Section 22. Discontinued Operations. As provided in Ohio Revised Code Section 3735.671(E), if, prior to the expiration of the term of this Agreement, the Company discontinues operations at the Project so that the Property is no longer being used for the purposes described in Section 1 hereof, then the Company, its successors, and any related member shall not enter into an agreement under Ohio Revised Code Sections 3735.671, 5709.62, 5709.63 or 5709.632, and no legislative authority shall enter into such an agreement with the Company, its successors or any related member prior to the expiration of five (5) years after the discontinuation of operations. As used in this Section 22, "successors" and "related member" shall have the meanings set forth in Ohio Revised Code Section 3735.671(E).

Section 23. Notices. Unless otherwise specified herein, each party shall address written notices, demands and communications in connection with this Agreement to the other party as follows (or to such other address as is communicated in accordance with this Section):

To the City:

City of Cincinnati  
Attention: Director of the Department of Community and Economic Development  
Centennial Plaza Two, Suite 700  
805 Central Avenue  
Cincinnati, Ohio 45202

To the Company:

119 E. McMicken LLC  
131 E. McMicken Avenue  
Cincinnati, Ohio 45202  
Attn: Jeremy Moore, Chief Operating Officer

If the Company sends a notice to the City alleging that the City is in default under this Agreement, the Company shall simultaneously send a copy of such notice to: City Solicitor, City of Cincinnati, 801 Plum Street, Room 214, Cincinnati, OH 45202.

Section 24. Acknowledgment of City Participation. The Company agrees to acknowledge the support of the City on construction signs, project and exhibition signage, and any publicity such as that appearing on the internet, television, cable television, radio, or in the press or any other printed media. In identifying the City as a Project partner, the Company shall use either the phrase "Project Assistance by the City of Cincinnati" or a City of Cincinnati logotype or other form of acknowledgement that has been approved in advance in writing by the City.

Section 25. Entire Agreement. This Agreement and the Exhibits attached hereto constitute the entire agreement between the City and the Company with respect to the subject matter herein, superseding any prior or contemporaneous agreement with respect thereto.

Section 26. Governing Law. This Agreement is entered into and is to be performed in the State. The City and the Company agree that the law of the State of Ohio shall govern the rights, obligations, duties and liabilities of the parties to this Agreement and shall govern the interpretation of this Agreement.

Section 27. Waiver. The City's waiver of any breach by the Company of any provision of this Agreement shall not constitute or operate as a waiver by the City of any other breach of such provision or of any other provisions, nor shall any failure or delay by the City to enforce any provision hereof operate as a waiver of such provision or of any other provision.

Section 28. Severability. This Agreement shall be severable; if any part or parts of this Agreement shall for any reason be held invalid or unenforceable by a court of competent jurisdiction, all remaining parts shall remain binding and in full force and effect.

Section 29. Amendment. This Agreement may be modified or amended only by a written agreement duly executed by the parties hereto or their representatives.

Section 30. Non-Assignment. As required by Ohio Revised Code Section 3735.671(C)(8), this Agreement is not transferable or assignable by the Company without the express written approval of the City Manager of the City. If the Company has entered into a Board of Education Agreement or VTICA in connection with the Property, the City shall not approve the assignment of this Agreement unless the assignee has assumed the Company's remaining obligations under the Board of Education Agreement and VTICA, as applicable. Failure to assign or otherwise perform the Company's obligations under the Board of Education Agreement or VTICA upon transfer of the Property during the term of the tax abatement authorized by this Agreement shall be basis for revocation of the tax exemption under Section 18.

Section 31. Recording. At its election, the City may record this Agreement at the City's expense in the Hamilton County Recorder's Office.

Section 32. Legislative Action Required. As provided in Ohio Revised Code Section 3735.671(C)(10), the Company and the City acknowledge that this Agreement must be approved by formal action of the City Council of the City as a condition for this Agreement to take effect. Notwithstanding anything to the contrary herein, this Agreement shall take effect after the later of the date of such approval or the final date of execution of this Agreement by all parties.

Section 33. Additional Representations and Warranties of Company. The Company represents and warrants that (a) it is duly organized and existing and it has full power and authority to take, and has taken, all action necessary to execute and deliver this Agreement and any other documents required or permitted to be executed or delivered by it in connection with this Agreement, and to fulfill its obligations hereunder; (b) no notices to, or consents, authorizations or approvals of, any person are required (other than any already given or obtained) for its due execution, delivery and performance of this Agreement; and (c) this Agreement has been duly executed and delivered by it and constitutes the legal, valid and binding obligation of the Company.

Section 34. Certification as to Non-Debarment. The Company represents that neither it nor any of its principals is presently debarred by any federal, state, or local government agency. In completing the Project, the Company shall not solicit bids from any contractors or subcontractors who are identified as being debarred by any federal, state, or local government agency. If the Company or any of its principals becomes debarred by any federal, state, or local government agency during the term of this Agreement, the company shall be considered in default under this Agreement.

Section 35. Appeals. Pursuant to Ohio Revised Code Section 3735.70, a person aggrieved under the Statute or this Agreement may appeal to the community reinvestment area housing council, which shall have the authority to overrule any decision of a housing officer. Appeals may be taken from a decision of the council to the court of common pleas of the county where the area is located.

Section 36. Wage Enforcement.

(i) Applicability. Council passed Ordinance No. 22-2016 on February 3, 2016, which ordained Chapter 326 (Wage Enforcement) of the Cincinnati Municipal Code (the "Wage Enforcement Chapter"). The Wage Enforcement Chapter was then amended by Ordinance No. 96-2017, passed May 17, 2017. As amended, the Wage Enforcement Chapter imposes certain requirements upon persons entering into agreements with the City whereby the City provides an incentive or benefit that is projected to exceed \$25,000, as described more particularly in the Wage Enforcement Chapter. Cincinnati Municipal Code Section 326-5 requires that the language below be included in contracts subject to the Wage Enforcement Chapter.

(ii) Required Contractual Language. Capitalized terms used, but not defined, in this clause (ii) have the meanings ascribed thereto in the Wage Enforcement Chapter.

(a) This contract is or may be subject to the Wage Enforcement provisions of the Cincinnati Municipal Code. These provisions require that any Person who has an Agreement with the city or with a Contractor or Subcontractor of that Person shall report all Complaints or Adverse Determinations of Wage Theft and Payroll Fraud (as each of those terms is defined in Chapter 326 of the Cincinnati Municipal Code) against the Contractor or Subcontractors to the Department of Economic Inclusion within 30 days of notification of the Complaint or Adverse Determination.

(b) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to include provisions in solicitations and contracts regarding a Development Site that all employers, Contractors or Subcontractors performing or proposing to perform work on a Development Site provide an initial sworn

and notarized "Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee and, within 30 days of an Adverse Determination or Complaint of Wage Theft or Payroll Fraud, shall provide an "Amended Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee.

(c) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to authorize, and does hereby specifically authorize, any local, state or federal agency, court, administrative body or other entity investigating a complaint of Wage Theft or Payroll Fraud against the Person (collectively "investigative bodies") to release to the City's Department of Economic Inclusion any and all evidence, findings, complaints and determinations associated with the allegations of Wage Theft or Payroll Fraud upon the City's request and further authorizes such investigative bodies to keep the City advised regarding the status of the investigation and ultimate determination. If the investigative bodies require the Person to provide additional authorization on a prescribed form or in another manner, the Person shall be required to provide such additional authorization within 14 days of a request by the City.

(d) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall include in its contracts with all Contractors language that requires the Contractors to provide the authorizations set forth in subsection (c) above and that further requires each Contractor to include in its contracts with Subcontractors those same obligations for each Subcontractor and each lower tier subcontractor.

(e) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall post a conspicuous notice on the Development Site throughout the entire period work is being performed pursuant to the Agreement indicating that the work being performed is subject to Cincinnati Municipal Code Chapter 326, Wage Enforcement, as administered by the City of Cincinnati Department of Economic Inclusion. Such notice shall include contact information for the Department of Economic Inclusion as provided by the department.

(f) Under the Wage Enforcement provisions, the City shall have the authority, under appropriate circumstances, to terminate this contract or to reduce the incentives or subsidies to be provided under this contract and to seek other remedies, including debarment.

Section 37. Legal Requirements. In completing and operating the Project, the Company shall comply with all applicable statutes, ordinances, regulations, and rules of the government of the United States, State of Ohio, County of Hamilton, and City of Cincinnati.

Section 38. Counterparts and Electronic Signatures. This Agreement may be executed by the parties hereto in two or more counterparts and each executed counterpart shall be considered an original but all of which together shall constitute one and the same instrument. This Agreement may be executed and delivered by electronic signature; any original signatures that are initially delivered electronically shall be physically delivered as soon as reasonably possible.

**TO BE ATTACHED**

## Community Reinvestment Area Tax Exemption Agreement

This Community Reinvestment Area Tax Exemption Agreement (this "Agreement") is made and entered into as of the Effective Date (as defined on the signature page hereof) by and between the CITY OF CINCINNATI, an Ohio municipal corporation (the "City"), and 119 E. MCMICKEN LLC, an Ohio limited liability company and affiliate of Northcrown Property LLC (the "Company").

## Recitals:

- A. The City, through the adoption of Ordinance No. 274-2017 on September 27, 2017, designated the entire City of Cincinnati as a Community Reinvestment Area to encourage the development of real property and the acquisition of personal property in that area, pursuant to Ohio Revised Code Sections 3735.65 through 3735.70 (the "Statute").
- B. In accordance with the Statute, the Ohio Director of Development has forwarded to the City the Director's determination dated October 23, 2017, stating that the findings contained in Ordinance No. 274-2017 are valid and that the entire City is a Community Reinvestment Area under the Statute. By such determination, the Director of Development of the State of Ohio determined that the area within the corporate boundaries of the City of Cincinnati contains the characteristics set forth in the Statute and confirmed such area as a Community Reinvestment Area under the Statute.
- C. The Council of the City of Cincinnati has also passed Ordinance No. 275-2017 as of September 27, 2017, as amended by Ordinance No. 339-2018 passed on October 31, 2018 (the "Commercial Policy Ordinance"), which sets forth certain additional policies, conditions and limitations regarding newly constructed or remodeled commercial and residential structures in the Community Reinvestment Area.
- D. The Company is the sole owner of certain real property within the City, located at 119 E. McMicken Avenue, Cincinnati, Ohio 45202 (the "Property"), as further described in Exhibit A (Legal Description of Property) hereto. Notwithstanding the foregoing, the Property shall not include any residential condominiums being developed in connection with the Project (as defined below) (the "Excluded Property"), and the Company acknowledges and agrees that the City's Community Reinvestment Area program entails separate applications by the owner of any residential condominium units included within the Project. For the avoidance of doubt, the Excluded Property shall not be exempt under this Agreement; however, this provision shall not be deemed to prohibit any owners from time to time of any Excluded Property from separately applying for a tax abatement in accordance with applicable law.
- E. The Company has proposed to remodel a building located on the Property, within the boundaries of the City of Cincinnati, as more fully described in Section 1 herein (the "Project"), provided that the appropriate development incentives are available to support the economic viability of the Project.
- F. The Statute provides that if any part of a project is to be used for commercial or industrial purposes, including projects containing four or more dwelling units, in order to be eligible for tax exemption the City and the Company must enter into an agreement pursuant to Ohio Revised Code Section 3735.671 prior to commencement of construction or remodeling.
- G. The City, having appropriate authority under the Statute for this type of project, agrees (as provided herein and subject to all conditions herein) to provide the Company with the tax exemption incentives stated herein, available under the Statute, for development of the Project.
- H. The Company has submitted to the City an application for this tax exemption agreement (the "Application"), a copy of which is attached hereto as Exhibit B, has remitted with the Application (i) the City application fee of One Thousand Two Hundred Fifty Dollars (\$1,250) made payable to

the City and (ii) in accordance with Ohio Revised Code Section 3735.672(C), the state application fee of Seven Hundred Fifty Dollars (\$750) made payable to the Ohio Development Services Agency ("ODSA"), to be forwarded to the ODSA with an executed copy of this Agreement.

- I. The Director of the City's Department of Community and Economic Development has recommended approval of the Application on the basis that the Company is qualified by financial responsibility and business experience to create and preserve employment opportunities and improve the economic climate of the City.
- J. The Board of Education of the Cincinnati City School District (the "Board of Education"), pursuant to that certain *Tax Incentive Agreement* effective as of April 28, 2020, has approved exemptions of up to one hundred percent (100%) of Community Reinvestment Area projects, waived advance notice and right to review such projects, and waived sharing or allocation of municipal income taxes in connection with such projects.
- K. The Company has entered into (or will enter into) an agreement with the Board of Education requiring the Company to pay the Board of Education amounts equal to thirty-three percent (33%) of the full amount of exempt real property taxes that would have been paid to Hamilton County if this Agreement were not in effect (the "Board of Education Agreement").
- L. The Company represents and warrants to the City that the Company and its major tenants, if any, do not intend to relocate part or all of their operations to the City from another county or municipal corporation in the State of Ohio (the "State").
- M. The Company represents that within the past five (5) years neither the Company, any related member of the Company, nor any entity to which the Company is a successor has discontinued operations at a project site in the State during the term of a property tax exemption agreement (under Ohio Revised Code Section 3735.671, 5709.62, 5709.63 or 5709.632) applicable to that site, and the Company acknowledges that misrepresentation hereunder will result in voiding of this Agreement.
- N. The Company represents and warrants to the City that the Company is not subject to an Enterprise Zone Agreement with the City of Cincinnati for the Property or the Project.
- O. City Council passed (i) Motion No. 201401368 on November 19, 2014, establishing a tax incentive policy that incentivizes each applicant for a real property tax abatement in the neighborhoods of Downtown and OTR to enter into a voluntary tax incentive contribution agreement with a third-party organization ("VTICA") for an amount equal to a percentage of the real property taxes that would have been payable on the abated property but for the City-authorized tax abatement (the "VTICA Contribution"), which funds shall be committed by a third-party organization to pay for streetcar operations that specially benefit the abated property, and (ii) Motion No. 201501592 on December 16, 2015, which established that the VTICA Contribution to be recognized by the Director of the Department of Community and Economic Development is 15% of the real property taxes that would have been payable on the abated property but for the City-authorized tax abatement. The Commercial Policy Ordinance confirmed that such motions have not been superseded and remain the will of Council.
- P. The Company acknowledges that Streetcar operations in the Central Business District and Over-the-Rhine will specially benefit the Project due to (a) the Streetcar's enhancement of public transit options in such neighborhoods and (b) the anticipated increase in property values attributable to public investment in Streetcar infrastructure.
- Q. The Company represents and warrants to the City that the Company has entered or will enter into a VTICA and shall pay the VTICA Contribution each year for the full term of the abatement.

- R. This Agreement has been authorized by Ordinance No. \_\_\_\_\_-2021, passed by Cincinnati City Council on \_\_\_\_\_, 2021.
- S. In determining to recommend and authorize this Agreement, the Department of Community and Economic Development and City Council, respectively, have acted in material reliance on the Company's representations in the Application and herein regarding the Project including, but not limited to, representations relating to the number of jobs to be created and/or retained by the Company, the Board of Education Agreement, the VTICA Contribution, and the Project's effect in promoting the general welfare of the people of Cincinnati by, for example, encouraging the development of real property located in the Community Reinvestment Area and thereby promoting economic growth and vitality in Cincinnati.

NOW, THEREFORE, pursuant to Ohio Revised Code Section 3735.67(A) and in conformity with the format required under Ohio Revised Code Section 3735.671, in consideration of the mutual covenants contained herein and the benefit to be derived by the parties from the execution hereof, the parties agree as follows:

Section 1. Project. Upon issuance of the necessary zoning and building approvals, the Company agrees to remodel the existing building on the Property to create approximately: 2,218 square feet of commercial retail space; and 5,120 square feet of residential space consisting of 8 apartments (the "Improvements") at an estimated aggregate cost of \$822,500, to commence after the execution of this Agreement and to be completed no later than September 1, 2021; *provided*, however, that the Director of the Department of Community and Economic Development (the "Housing Officer") may, in his discretion, extend such deadline for a period of up to 12 months by written notice if, in the Director's judgment, the Company is proceeding in good faith towards completion. The remodeling shall be in compliance with applicable building code requirements and zoning regulations. In addition to the foregoing, (A) the Project shall comply with the Americans with Disabilities Act, together with any and all regulations or other binding directives promulgated pursuant thereto (collectively, the "ADA"), and (B) if (i) any building(s) within the Project is subject to the accessibility requirements of the ADA (e.g., by constituting a "place of public accommodation" or another category of structure to which the ADA is applicable) and (ii) such building(s) is not already required to meet the Contractual Minimum Accessibility Requirements (as defined below) pursuant to the ADA, applicable building code requirements, or by any other legal requirement, then the Company shall cause such building(s) to comply with the Contractual Minimum Accessibility Requirements in addition to any requirements pursuant to the ADA and the applicable building code or legal requirement. As used herein, "**Contractual Minimum Accessibility Requirements**" means that a building shall, at a minimum, include (1) at least one point of entry (as used in the ADA), accessible from a public right of way, with respect to which all architectural barriers (as used in the ADA) to entry have been eliminated, and (2) if such accessible point of entry is not a building's primary point of entry, conspicuous signage directing persons to such accessible point of entry.

Section 2. Real Property Tax Exemption. Subject to the satisfaction of the conditions set forth in this Agreement, the City approves exemption from real property taxation, pursuant to and to the fullest extent authorized by the Statute, of one hundred percent (100%) of the amount by which the Improvements increase the assessed value of the Property as determined by the Hamilton County Auditor, for a period of fifteen (15) years, provided that the Company shall have entered into the Board of Education Agreement. Within 120 days after completion of the Project (unless otherwise extended in writing by the City's Housing Officer), the Company must file the appropriate application for tax exemption with the City's Housing Officer. The Company is solely responsible to take this action. Upon receipt of the application for tax exemption, the City will proceed with the exemption authorized by this Agreement. In accordance with Ohio Revised Code Section 3735.67, the exemption is conditioned on verification by the Housing Officer of (A) the completion of remodeling (B) the cost of remodeling, (C) the facts asserted in the application for exemption and (D) if a remodeled structure is a structure of historical or architectural significance as designated by the City, state or federal government, that the appropriateness of the remodeling has been certified in writing by the appropriate agency. If the required verification is made, the Housing Officer will forward the exemption application to the Hamilton County Auditor with the necessary certification by the Housing Officer. Subject to the conditions set forth in this Agreement, the

exemption commences the first tax year for which the Improvements would first be taxable were the Improvements not exempted from taxation. The dates provided in this paragraph refer to tax years in which the subject property is assessed, as opposed to years in which taxes are billed. No exemption shall commence after tax year 2021 nor extend beyond the earlier of (i) tax year 2035 or (ii) the end of the fifteenth (15<sup>th</sup>) year of exemption.

Section 3. Use; Maintenance; Inspections. The Company shall use the Property solely for the purposes described in Section 1 hereof and shall properly maintain and repair the Property throughout the period of tax exemption authorized herein. The Company authorizes the Housing Officer, or the Housing Officer's designees, to enter upon the Property as reasonably required to perform property inspections in accordance with Ohio Revised Code Section 3735.68.

Section 4. Compliance with Board of Education Agreement. As a condition of the tax exemption authorized under this Agreement, the Company agrees to enter into and comply with its obligation under the Board of Education Agreement.

Section 5. Duty of Company to Pay Taxes. As required by Ohio Revised Code Section 3735.671(C)(2), the Company shall pay such real property taxes as are not exempted under this Agreement and are charged against the Property and shall file all tax reports and returns as required by law. If the Company fails to pay such taxes or file such returns and reports, exemptions from taxation granted or authorized under this Agreement are rescinded beginning with the year for which such taxes are charged or such reports or returns are required to be filed and continuing thereafter.

Section 6. Company Certifications Regarding Non-Delinquency of Tax Obligations. As required by Ohio Revised Code Section 3735.671(C)(3), the Company certifies that at the time this Agreement is executed, the Company does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State, and does not owe delinquent taxes for which the Company is liable under Ohio Revised Code Chapters 5733, 5735, 5739, 5741, 5743, 5747 or 5753, or if such delinquent taxes are owed, the Company currently is paying the delinquent taxes pursuant to an undertaking enforceable by the State or an agent or instrumentality thereof, has filed a petition in bankruptcy under 101, et seq., or such a petition has been filed against the Company. For the purposes of this certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Ohio Revised Code governing payment of those taxes.

Section 7. Covenant of Satisfaction of Tax and Other Obligations. In accordance with Ohio Revised Code Section 9.66, (A) the Company affirmatively covenants that it does not owe: (i) any delinquent taxes to the State or to a political subdivision of the State; (ii) any moneys to the State or a State agency for the administration or enforcement of any environmental laws of the State; or (iii) any other moneys to the State, a State agency or a political subdivision of the State that are past due, regardless of whether the amounts owed are being contested in a court of law or not; (B) the Company authorizes the City and/or the State to inspect the personal financial statements of the Company, including tax records and other similar information not ordinarily open to public inspection; and (C) the Company authorizes the Ohio Environmental Protection Agency and the Ohio Department of Taxation to release information to the City and or other State departments in connection with the above statements. As provided by statute, a knowingly false statement under this section may be prosecuted as a first degree misdemeanor under Ohio Revised Code Section 2921.13, may render the Company ineligible for any future economic development assistance from the State or any political subdivision of the State, and will result in the City requiring the Company's repayment of any assistance provided by the City in connection with the Project.

Section 8. City Cooperation. As required by Ohio Revised Code Section 3735.671(C)(4), upon specific request from the Company, the City shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve and maintain exemptions from taxation granted under this Agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions.

Section 9. Continuation of Exemptions. As provided in Ohio Revised Code Section 3735.671(C)(5), if for any reason the City revokes the designation of the City of Cincinnati as a Community Reinvestment Area, entitlements granted under this Agreement shall continue for the number of years specified under this Agreement, unless the Company materially fails to fulfill its obligations under this Agreement and the City terminates or modifies the exemptions from taxation authorized pursuant to this Agreement.

Section 10. City Not Liable. The Company acknowledges that the exemption authorized in this Agreement is subject to approval and implementation by the appropriate state and/or county taxing authorities. The Company acknowledges that the City does not give any guarantee or assurance that the exemption approved in this Agreement will be so approved, and the Company agrees that in no event shall the Company seek to hold the City liable in any way in the event such exemption is not granted or implemented.

Section 11. Small Business Enterprise Program.<sup>1</sup>

A. Compliance with Small Business Enterprise Program. The policy of the City is that a fair share of contracts be awarded to Small Business Enterprises (as such term is defined in Cincinnati Municipal Code ("CMC") Section 323-1-S, "SBEs"). Pursuant to CMC Section 323-11, the City's annual goal for SBE participation shall be thirty percent (30%) of the City's total dollars spent for construction (as such term is defined in CMC Section 323-1-C4), supplies (as such term is defined in CMC Section 323-1-S5), services (as such term is defined in CMC Section 323-1-S) and professional services (as such term is defined in CMC Section 323-1-P2). Accordingly, the Company shall use its best efforts and take affirmative steps to achieve the City's goal of voluntarily meeting thirty percent (30%) SBE participation. A list of SBEs may be obtained from the City's Department of Economic Inclusion. The Company may refer interested firms to the City's Department of Economic Inclusion for review and possible certification as an SBE. The Company shall comply with the provisions of CMC Chapter 323, including without limitation taking at least the following affirmative steps:

(i) Including qualified SBEs on solicitation lists.

(ii) Assuring that SBEs are solicited whenever they are potential sources.

The Company must advertise, on at least two separate occasions, both in local minority publications and in other local newspapers of general circulation, invitations to SBEs to provide services, to supply materials, or to bid on construction contracts, as applicable.

(iii) When economically feasible, dividing total requirements into small tasks or quantities so as to permit maximum SBE participation.

(iv) If any subcontracts are to be let, the Company shall require the prime contractor (if different from the Company) to take the above affirmative steps.

(v) Prior to the commencement of work under any subcontracts, the Company shall provide to the City a list of such subcontractors, including information as to the dollar amount of the subcontracts and such other information as may be requested by the City. The Company shall update the report monthly.

(vi) The Company shall periodically document its best efforts and affirmative steps to meet the above SBE participation goals by submitting such information as may be requested from time to time by the City.

B. Remedies for Noncompliance with Small Business Enterprise Program. Failure of the Company or its contractors and subcontractors to take the affirmative steps specified above, to provide fair and equal opportunity to SBEs, or to provide technical assistance to SBEs as may be necessary to reach SBE participation as set out in CMC Chapter 323 may be construed by the City as failure of the Company to use its best efforts, and, in addition to other remedies under this Agreement, may be a cause for the City to file suit in Common Pleas Court to

---

<sup>1</sup> Note: this section will be revised prior to execution due to programmatic changes being implemented by the Department of Community and Economic Development as a result of recent legislation passed by City Council.

enforce specific performance of the terms of this Section. The provisions of CMC Section 323-99 are hereby incorporated by reference into this Agreement.

Section 12. Jobs. The Company represents that, as of the date of the execution of this Agreement, the Company has no existing employment at the Property or in the State.

Section 13. Job Creation and Retention.

A. Jobs to be Created by Company. The Company agrees to use its best efforts to create (i) 12 full-time permanent jobs and (ii) 30 full-time temporary construction jobs at the Property in connection with the Project. In the case of the construction jobs, the job creation and retention period shall be concurrent with remodeling, and in the case of the other jobs described herein, the job creation period shall begin upon completion of remodeling and shall end three (3) years thereafter.

B. Company's Estimated Payroll Increase. The Company's increase in the number of employees will result in approximately (i) \$362,000 of additional annual payroll with respect to the full-time permanent jobs and (ii) \$1,200,000 of additional annual payroll prior to the completion of the Project with respect to the full-time temporary construction jobs.

C. Community Reinvestment Area Employment. The Company shall (i) adopt hiring practices to ensure that at least twenty-five percent (25%) of the new employees shall be residents of the City of Cincinnati and (ii) give preference to residents of the City relative to residents of the State who do not reside in the City when hiring new employees under this Agreement.

D. Posting Available Employment Opportunities. To the extent allowable by law, the Company shall use its best efforts to post available employment opportunities within the Company's organization or the organization of any subcontractor working with the Company with the Ohio Means Jobs Center, 1916 Central Parkway, Cincinnati, Ohio 45214-2305, through its Employer Services Unit Manager at 513-746-7200.

Section 14. Equal Employment Opportunity. This Agreement is subject to the City's Equal Employment Opportunity Program contained in CMC Chapter 325. The Equal Employment Opportunity Clause in CMC Section 325-9 is incorporated by reference in this Agreement. The term "Company" is substituted for "Contractor" throughout CMC Section 325-9 in the context of this Agreement.

Section 15. Compliance with Immigration and Nationality Act. In the performance of its obligations under this Agreement, the Company agrees to comply with the provisions of the Immigration and Nationality Act codified at 8 U.S.C. §§ 1324a(a)(1)(A) and (a)(2). Any noncompliance with such provisions shall be solely determined by either the federal agencies authorized to enforce the Immigration and Nationality Act or the U.S. Attorney General, in accordance with Executive Order 12989 of the U.S. President dated February 13, 1996, and as amended by Executive Order 13465 of the U.S. President dated June 6, 2008.

Section 16. Default. As provided in Ohio Revised Code Section 3735.671(C)(6), if the Company materially fails to fulfill its obligations under this Agreement, or if the City determines that the certification as to delinquent taxes required by this Agreement (Section 6 hereof) or the covenant of satisfaction of tax and other obligations (Section 7 hereof) is fraudulent, the City may terminate or modify the exemptions from taxation granted or authorized under this Agreement and may require the repayment by the Company of the amount of taxes that would have been payable had the Improvements not been exempted from taxation pursuant to this Agreement. A modification of exemption may be in the form of reduction in the number of years that eligible property is exempt and/or a reduction in the exemption percentage. The City shall provide written notice to the Company prior to finding the Company in default under this section. The notice shall provide the Company with not less than thirty (30) days to cure the default prior to City termination or modification of the exemptions under this Agreement. The City may

extend the cure period as reasonably necessary under the circumstances. In the event of such termination or modification, the City is authorized to so notify the appropriate taxing authorities in order to effect the termination or modification. If repayment of previously exempt taxes is required by the City under this Section, such amount shall be paid as directed by the City within thirty (30) days of written demand. The City may secure repayment of such taxes by a lien on the Property in the amount required to be repaid. Such a lien shall attach, and may be perfected, collected, and enforced, in the same manner as a mortgage lien on real property, and shall otherwise have the same force and effect as a mortgage lien on real property. Amounts due and not paid when due under this Section 16 shall bear interest at the rate specified in Ohio Revised Code Section 1343.03(A) (as in effect on the date of the City's payment demand).

Section 17. Annual Review and Report. As required by Ohio Revised Code Sections 3735.671(C)(7) and 5709.85, the Company shall provide to the City's Tax Incentive Review Council (or to the City Manager if so requested by the City) any information reasonably required by the Council or the City Manager to evaluate the Company's compliance with this Agreement, including returns filed pursuant to Ohio Revised Code Section 5711.02 if requested by the Council or City Manager. The performance of the Company's obligations stated in this Agreement shall be subject to annual review by the City's Tax Incentive Review Council (the "Annual Review and Report"). The Company shall submit information for the Annual Review and Report to the City no later than March 1 of each year.

Section 18. Revocation.

A. Generally. Pursuant to Ohio Revised Code Section 3735.68, the housing officer shall make annual inspections of the properties within the community reinvestment area upon which are located structures or remodeling for which an exemption has been granted under Ohio Revised Code Section 3735.67. If the housing officer finds that the property has not been properly maintained or repaired due to the neglect of the Company, the housing officer may revoke the exemption at any time after the first year of exemption. If the Company has materially failed to fulfill its obligations under this Agreement, or if the owner is determined to have violated division (E) of that section (see Section 18(B) of this Agreement), City Council, subject to the terms of the agreement, may revoke the exemption at any time after the first year of exemption. The housing officer or City Council shall notify the county auditor and the Company that the tax exemption no longer applies. If the housing officer or legislative authority revokes a tax exemption, the housing officer shall send a report of the revocation to the community reinvestment area housing council and to the tax incentive review council established pursuant to section 3735.69 or 5709.85 of the Revised Code, containing a statement of the findings as to the maintenance and repair of the property, failure to fulfill obligations under the written agreement, or violation of division (E) of Ohio Revised Code Section 3735.671, and the reason for revoking the exemption.

B. Prior Statutory Violations. The Company represents and warrants to the City that it is not prohibited by Ohio Revised Code Section 3735.671(E) from entering into this Agreement. As required by Ohio Revised Code Section 3735.671(C)(9), exemptions from taxation granted or authorized under this Agreement shall be revoked if it is determined that the Company, any successor to the Company or any related member (as those terms are defined in division (E) of Ohio Revised Code Section 3735.671) has violated the prohibition against entering into this Agreement under division (E) of Ohio Revised Code Section 3735.671 or under Ohio Revised Code Sections 5709.62 or 5709.63 prior to the time prescribed by that division or either of those sections.

Section 19. False Statements; Penalties; Material Representations.

A. Generally. As required in connection with Ohio Revised Code Section 9.66(C), the Company affirmatively covenants that it has made no false statements to the State or the City in the process of obtaining approval for this Agreement. If any representative of the Company has knowingly made a false statement to the State or the City to obtain approval for this

Agreement, or if the Company fails to provide any information expressly required under the Application, the Company shall be required to immediately return all benefits received under this Agreement (by payment of the amount of taxes exempted hereunder, paid as directed by the City within thirty (30) days of written demand) and the Company shall be ineligible for any future economic development assistance from the State, any State agency or any political subdivision of the State pursuant to Ohio Revised Code Section 9.66(C)(1). Amounts due and not paid under this Section 19 shall bear interest at the rate of twelve percent (12%) per year. Any person who provides a false statement to secure economic development assistance (as defined in Ohio Revised Code Section 9.66) may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by fine of not more than One Thousand Dollars (\$1,000) and/or a term of imprisonment of not more than six (6) months.

B. Material Representations – Board of Education Agreement and VTICA. The Parties acknowledge and agree that a material failure by the Company to comply with its representations concerning the Board of Education Agreement or VTICA Contribution shall constitute an event of default for purposes of Section 16 (*Default*) and the basis for revocation under Section 18 (*Revocation*). Subject to the terms of the VTICA, if the VTICA is unenforceable for reasons of infeasibility or otherwise, the Company shall enter into alternative arrangements providing for the economic equivalent of the VTICA Contribution in order to support streetcar operations. Such arrangements may include, but are not limited to, providing for the economic equivalent of the VTICA Contribution through formation of a special improvement district. For purposes of this Section 19.B, alternative arrangements must result in services substantially similar to those that would have been supported through the VTICA and at a value that is the economic equivalent of the VTICA Contribution, which value shall not be required to exceed the VTICA Contribution amount that would have been payable by the Company. Any determination of infeasibility or mechanism for providing alternative arrangements is subject to approval by the City at its sole discretion. Nothing in this Section 19.B shall operate to limit the City's enforcement authority under this Agreement including, without limitation, Section 16, Section 18, and Section 19.A.

Section 20. Conflict of Interest. The Company covenants that, to the Company's knowledge, no employee of the City has any personal interest, direct or indirect, in any matters pertaining to the Project, and the Company agrees to take appropriate steps to prevent any employee of the City from obtaining any such interest throughout the term of this Agreement.

Section 21. Annual Fee. As authorized by Ohio Revised Code Section 3735.671(D), the Company shall pay an annual fee of Five Hundred Dollars (\$500) or one percent (1%) of the annual taxes exempted under this Agreement, whichever is greater, but not to exceed Two Thousand, Five Hundred Dollars (\$2,500) per annum. This fee is due with submission of the information for Annual Review and Report by March 1 of each year.

Section 22. Discontinued Operations. As provided in Ohio Revised Code Section 3735.671(E), if, prior to the expiration of the term of this Agreement, the Company discontinues operations at the Project so that the Property is no longer being used for the purposes described in Section 1 hereof, then the Company, its successors, and any related member shall not enter into an agreement under Ohio Revised Code Sections 3735.671, 5709.62, 5709.63 or 5709.632, and no legislative authority shall enter into such an agreement with the Company, its successors or any related member prior to the expiration of five (5) years after the discontinuation of operations. As used in this Section 22, "successors" and "related member" shall have the meanings set forth in Ohio Revised Code Section 3735.671(E).

Section 23. Notices. Unless otherwise specified herein, each party shall address written notices, demands and communications in connection with this Agreement to the other party as follows (or to such other address as is communicated in accordance with this Section):

To the City:

City of Cincinnati  
Attention: Director of the Department of Community and Economic Development  
Centennial Plaza Two, Suite 700  
805 Central Avenue  
Cincinnati, Ohio 45202

To the Company:

119 E. McMicken LLC  
131 E. McMicken Avenue  
Cincinnati, Ohio 45202  
Attn: Jeremy Moore, Chief Operating Officer

If the Company sends a notice to the City alleging that the City is in default under this Agreement, the Company shall simultaneously send a copy of such notice to: City Solicitor, City of Cincinnati, 801 Plum Street, Room 214, Cincinnati, OH 45202.

Section 24. Acknowledgment of City Participation. The Company agrees to acknowledge the support of the City on construction signs, project and exhibition signage, and any publicity such as that appearing on the internet, television, cable television, radio, or in the press or any other printed media. In identifying the City as a Project partner, the Company shall use either the phrase "Project Assistance by the City of Cincinnati" or a City of Cincinnati logotype or other form of acknowledgement that has been approved in advance in writing by the City.

Section 25. Entire Agreement. This Agreement and the Exhibits attached hereto constitute the entire agreement between the City and the Company with respect to the subject matter herein, superseding any prior or contemporaneous agreement with respect thereto.

Section 26. Governing Law. This Agreement is entered into and is to be performed in the State. The City and the Company agree that the law of the State of Ohio shall govern the rights, obligations, duties and liabilities of the parties to this Agreement and shall govern the interpretation of this Agreement.

Section 27. Waiver. The City's waiver of any breach by the Company of any provision of this Agreement shall not constitute or operate as a waiver by the City of any other breach of such provision or of any other provisions, nor shall any failure or delay by the City to enforce any provision hereof operate as a waiver of such provision or of any other provision.

Section 28. Severability. This Agreement shall be severable; if any part or parts of this Agreement shall for any reason be held invalid or unenforceable by a court of competent jurisdiction, all remaining parts shall remain binding and in full force and effect.

Section 29. Amendment. This Agreement may be modified or amended only by a written agreement duly executed by the parties hereto or their representatives.

Section 30. Non-Assignment. As required by Ohio Revised Code Section 3735.671(C)(8), this Agreement is not transferable or assignable by the Company without the express written approval of the City Manager of the City. If the Company has entered into a Board of Education Agreement or VTICA in connection with the Property, the City shall not approve the assignment of this Agreement unless the assignee has assumed the Company's remaining obligations under the Board of Education Agreement and VTICA, as applicable. Failure to assign or otherwise perform the Company's obligations under the Board of Education Agreement or VTICA upon transfer of the Property during the term of the tax abatement authorized by this Agreement shall be basis for revocation of the tax exemption under Section 18.

Section 31. Recording. At its election, the City may record this Agreement at the City's expense in the Hamilton County Recorder's Office.

Section 32. Legislative Action Required. As provided in Ohio Revised Code Section 3735.671(C)(10), the Company and the City acknowledge that this Agreement must be approved by formal action of the City Council of the City as a condition for this Agreement to take effect. Notwithstanding anything to the contrary herein, this Agreement shall take effect after the later of the date of such approval or the final date of execution of this Agreement by all parties.

Section 33. Additional Representations and Warranties of Company. The Company represents and warrants that (a) it is duly organized and existing and it has full power and authority to take, and has taken, all action necessary to execute and deliver this Agreement and any other documents required or permitted to be executed or delivered by it in connection with this Agreement, and to fulfill its obligations hereunder; (b) no notices to, or consents, authorizations or approvals of, any person are required (other than any already given or obtained) for its due execution, delivery and performance of this Agreement; and (c) this Agreement has been duly executed and delivered by it and constitutes the legal, valid and binding obligation of the Company.

Section 34. Certification as to Non-Debarment. The Company represents that neither it nor any of its principals is presently debarred by any federal, state, or local government agency. In completing the Project, the Company shall not solicit bids from any contractors or subcontractors who are identified as being debarred by any federal, state, or local government agency. If the Company or any of its principals becomes debarred by any federal, state, or local government agency during the term of this Agreement, the company shall be considered in default under this Agreement.

Section 35. Appeals. Pursuant to Ohio Revised Code Section 3735.70, a person aggrieved under the Statute or this Agreement may appeal to the community reinvestment area housing council, which shall have the authority to overrule any decision of a housing officer. Appeals may be taken from a decision of the council to the court of common pleas of the county where the area is located.

Section 36. Wage Enforcement.

(i) Applicability. Council passed Ordinance No. 22-2016 on February 3, 2016, which ordained Chapter 326 (Wage Enforcement) of the Cincinnati Municipal Code (the "Wage Enforcement Chapter"). The Wage Enforcement Chapter was then amended by Ordinance No. 96-2017, passed May 17, 2017. As amended, the Wage Enforcement Chapter imposes certain requirements upon persons entering into agreements with the City whereby the City provides an incentive or benefit that is projected to exceed \$25,000, as described more particularly in the Wage Enforcement Chapter. Cincinnati Municipal Code Section 326-5 requires that the language below be included in contracts subject to the Wage Enforcement Chapter.

(ii) Required Contractual Language. Capitalized terms used, but not defined, in this clause (ii) have the meanings ascribed thereto in the Wage Enforcement Chapter.

(a) This contract is or may be subject to the Wage Enforcement provisions of the Cincinnati Municipal Code. These provisions require that any Person who has an Agreement with the city or with a Contractor or Subcontractor of that Person shall report all Complaints or Adverse Determinations of Wage Theft and Payroll Fraud (as each of those terms is defined in Chapter 326 of the Cincinnati Municipal Code) against the Contractor or Subcontractors to the Department of Economic Inclusion within 30 days of notification of the Complaint or Adverse Determination.

(b) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to include provisions in solicitations and contracts regarding a Development Site that all employers, Contractors or Subcontractors performing or proposing to perform work on a Development Site provide an initial sworn

and notarized "Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee and, within 30 days of an Adverse Determination or Complaint of Wage Theft or Payroll Fraud, shall provide an "Amended Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee.

(c) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to authorize, and does hereby specifically authorize, any local, state or federal agency, court, administrative body or other entity investigating a complaint of Wage Theft or Payroll Fraud against the Person (collectively "investigative bodies") to release to the City's Department of Economic Inclusion any and all evidence, findings, complaints and determinations associated with the allegations of Wage Theft or Payroll Fraud upon the City's request and further authorizes such investigative bodies to keep the City advised regarding the status of the investigation and ultimate determination. If the investigative bodies require the Person to provide additional authorization on a prescribed form or in another manner, the Person shall be required to provide such additional authorization within 14 days of a request by the City.

(d) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall include in its contracts with all Contractors language that requires the Contractors to provide the authorizations set forth in subsection (c) above and that further requires each Contractor to include in its contracts with Subcontractors those same obligations for each Subcontractor and each lower tier subcontractor.

(e) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall post a conspicuous notice on the Development Site throughout the entire period work is being performed pursuant to the Agreement indicating that the work being performed is subject to Cincinnati Municipal Code Chapter 326, Wage Enforcement, as administered by the City of Cincinnati Department of Economic Inclusion. Such notice shall include contact information for the Department of Economic Inclusion as provided by the department.

(f) Under the Wage Enforcement provisions, the City shall have the authority, under appropriate circumstances, to terminate this contract or to reduce the incentives or subsidies to be provided under this contract and to seek other remedies, including debarment.

Section 37. Legal Requirements. In completing and operating the Project, the Company shall comply with all applicable statutes, ordinances, regulations, and rules of the government of the United States, State of Ohio, County of Hamilton, and City of Cincinnati.

Section 38. Counterparts and Electronic Signatures. This Agreement may be executed by the parties hereto in two or more counterparts and each executed counterpart shall be considered an original but all of which together shall constitute one and the same instrument. This Agreement may be executed and delivered by electronic signature; any original signatures that are initially delivered electronically shall be physically delivered as soon as reasonably possible.

Remainder of this page intentionally left blank. Signature page follows.

Executed by the parties on the dates indicated below, effective as of the later of such dates (the "Effective Date").

## MOTION

**WE MOVE** that City should build medians and other traffic calming infrastructure ONLY if provision is made for the long-term maintenance needs and costs.

We further move that the City provides a report and a maintenance master plan for all such amenities created in the past. The report should include a strategy for taking care of the maintenance. The strategy should include potential redesigns funded through capital funds, to enhance the maintainability of these features.

  
Councilmember David Mann  
Councilmember Greg Landsman

## Statement:

Even before "Traffic Calming" was an idea in everyone's mind, and mainly for beautification and gateway enhancement purposes, the City built many traffic islands. Too often, the assumption was that volunteers would take care of the maintenance, and if not, the Department of Public Services (DPS) "somehow" would become the caretaker. As a result, DPS has now over 500 of these areas, including about 250 islands, with a budget to care for only 10% of these "Greenspaces". What was to be beautification and gateway enhancements have often become eyesores. Communities struggle with meager funds and sporadic volunteer help. The cost of adequate maintenance is often beyond the total budget of these communities.

---

**David S. Mann**  
*Councilmember*

Most of the time these areas were not designed properly with shallow depth of poor soil, dreadful subsurface that prevents proper drainage and lack of watering options. In addition, by their own nature, traffic islands are in the middle of traffic, making maintenance by volunteers, without safety gears (vest, cones,...) a very hazardous activity.

Now that these areas are “popping up” all over the City, under worthy and important Traffic Calming initiatives, it is important that each new project include:

- 1- Careful design, created for maintainability
- 2- Funds set aside for ongoing maintenance, funds that are not later eliminated or reduced to compensate for budget shortfalls.

It is also essential to correct past errors by:

- 3- Evaluating existing traffic Islands and medians
- 4- Creating a strategy to provide sufficient funding for what we have now.
- 5- If maintenance funding is not possible, the City should allocate capital funding to correct the design (including installing pavers or pavement in lieu of landscaping and water systems)

Attached is a partial list of medians (as of 2015) to convey the magnitude of the issue. The list does not include other greenspaces and gateways.

Also, pictures added to provide a visual of the problem.

## An Ordinance No. \_\_\_\_\_

- 2020

**ESTABLISHING** a City Council policy for evaluating real property tax incentives authorized by the City of Cincinnati.

WHEREAS, City Council has the authority to declare up to 100% of the increase in the assessed value of improvements to be exempt from real property taxation by means of (i) project-based tax increment financing incentives pursuant to Ohio Revised Code ("ORC") Sections 5709.40(B) and 5709.41; and (ii) "Community Reinvestment Area" incentives pursuant to ORC Sections 3735.65 through 3735.70; and

WHEREAS, Motion No. 201901811, as adopted by this Council on December 11, 2019, recommended updates to how the City Administration evaluates the public benefits created by projects receiving real property tax incentives pursuant to the aforementioned ORC provisions, with a focus on prioritizing projects that create good, local jobs; preserve and/or create affordable housing; minimize displacement of residents and businesses; and/or commit to project-specific inclusion goals; and

WHEREAS, to incentivize balanced development throughout the City of Cincinnati as recommended in the aforementioned Motion, City Council desires to adopt a *Project Scorecard*, a copy of which is attached hereto as Attachment A, to assist City Council in evaluating development projects when qualifying real property tax exemptions or abatements are recommended; now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That City Council adopts the *Project Scorecard* attached to this ordinance as Attachment A, which establishes a City Council policy relating to qualifying real property tax abatements and exemptions.

Section 2. That Council intends that the *Project Scorecard* be prepared by the Administration as a policy tool to be utilized for evaluating the public benefits associated with economic and community development projects for which (a) the total estimated costs of the project exceed \$5,000,000, and (b) the proposed City assistance includes a real property tax incentive authorized pursuant to Ohio Revised Code ("ORC") Section 5709.40(B), ORC Section 5709.41, or ORC Sections 3735.65 through 3735.70 with a present value exceeding \$3,000,000.

Council desires that the Administration present project-based scorecard information for Council consideration as part of the Administration's recommendation to Council. Council intends that the Administration have latitude to create additional criteria and update the *Project Scorecard* as appropriate to ensure the City's tax incentives support the City's residents and neighborhoods while attracting local investment. City Council further acknowledges that the *Project Scorecard* process is a policy tool to guide City Council decision making and does not diminish the Administration's executive authority under the Charter of the City of Cincinnati, which authority includes the power to determine whether and on what terms to recommend development deals for Council consideration.

Section 3. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed: \_\_\_\_\_, 2020

## **Balanced Development Scorecard Packet**

*The following is a packet containing all relevant documents relating to the Balanced Development Scorecard, including an Executive Summary, drafted Motions, Proposed Updates, and the Scorecard itself.*

**Greg Landsman**  
*Councilmember*

January 25, 2021

## **Executive Summary: Ushering in an Era of ‘Balanced Development’**

These five ordinances and motions emerged from the Administration’s Balanced Development Report and Council’s motion on new laws and policies that will help to ensure that we continue to attract new investments and jobs while lifting up and protecting our residents and businesses.

### **Ordinance: New ‘Balanced Development’ Scorecard**

This ordinance will establish a new ‘Balanced Development’ scorecard for commercial projects that seek support from the City of Cincinnati, including TIF funding and CRAs.

- **Local jobs and Good Wages:** projects will be asked to have a local partner and plan to hire locally, with measurable goals, to include both local workers and good wages the project’s pre-construction, construction, and post-construction opportunities.
- **Inclusion:** the new scorecard also incentivizes the inclusion of local businesses, MBEs, and minority developer partnerships.
- **Affordable Housing:** puts affordable housing projects at the front of the line for support.
- **Community Engagement and Anti-Displacement:** includes meaningful engagement with the community, including commitments to protect existing residents and businesses

### **Motion: CRAs and the New Scorecard**

WE MOVE that if there is a conflict between the ordinance containing the Balanced Development Scorecard policy passed in connection herewith and the existing commercial CRA policy in Ordinance No. 275-2017, it’s the policy of Council that the Balanced Development scorecard policy applies.

### **Motion: Minority Real Estate Development Capacity Building Program**

WE MOVE that the Administration draft legislation establishing a Minority Real Estate Development Capacity Building Program to support the mentorship of minority real estate

---

**Greg Landsman**  
Councilmember

development professionals. This program should lift up and provide additional opportunities for minority developers, especially Black real estate professionals who have the potential to be leaders of new minority-led commercial development firms. This is part of the City’s larger “Balanced Development” efforts to ensure real inclusion of development efforts in Cincinnati.

The proposed program, requiring ~\$150,000 in funding, would extend opportunities for minority developers to actively participate in and shape an inclusive growth strategy for the City—one that integrates the new Balanced Development Scorecard proposed by my office.

The program would draw from similar successful efforts in Detroit, wherein they created an “Equitable Development Initiative.” Our efforts should build on best practice efforts such as this one, as well as others around the Country (spelled out in the Administration’s 2020 Balanced Development Report to Council).

New scorecard incentivizes participation in the program. The program should consider the Customized Development Academy offered by the National Development Council (NDC).

*The NDC develops specific curriculum based on community needs and local policy objectives. Overall the program seeks to build capacity of traditionally underrepresented individuals in real estate development. Starting with a cohort of individuals with some real estate experience the program teaches participants commercial (including multi-family of 4+ units) Development Finance and development concepts.*

*This is done through a combination of classroom learning, case studies, topical “deep dives” using local speakers and possibly undertaking a capstone project. This work teaches critical skills and development principles, and connects participants with local experts on issues from environmental law, navigating local zoning and site plan processes, hiring an architect, raising equity and hiring construction professionals.*

*In Detroit, the Equitable Development Initiative was expanded to provide the proposed NDC training, technical assistance, mentorships, networking opportunities, and even extends into project financing. The initiative especially focuses on African-American Detroiters seeking to develop multi-family rental units, though some mixed-use developments and even a food hall concept make up part of the first cohort. There were 28 people in the inaugural class, which began in February 2018. It remains in its pilot two-year window. Just as it adjusted course to include a training component, Capital Impact plans to continue monitoring the project to see how it can be made better. But the impetus remains on creating a more equitable development and real estate industry throughout Detroit.*

**MOTION: Targeted Per-Property Waiver on Parking, Density for Affordable Housing Projects.**

Similar to actions taken in Memphis and Minneapolis, according to the City's 2020 Balanced Development Report, WE MOVE that the City pursue zoning changes to allow for per-property waivers on parking minimums and density requirements for affordable housing projects.

**MOTION: Debt-Forgiveness and Maintaining Affordability**

WE MOVE that the Administration draft legislation, if necessary, to allow the Department of Community and Economic Development (DCED) to create a formal internal policy to best leverage the City's debt forgiveness capacity, in order to 1. Better preserve existing affordable housing, and 2. Help finance new affordable housing options in the City.

## **Request of the Administration: The Balanced Development Scorecard**

*We've gotten good feedback on the Balanced Development Scorecard. Our goal is to make improvements to the Scorecard next week. That said, we hope that the Administration could respond to the questions/requests below at the upcoming B&F committee on 2/8:*

1. Each bulleted item needs its own line for clarity purposes. Is this acceptable?
2. There is interest in actual scoring—assigning a numerical value or points—as opposed to the current language of “simply meets” or “exceeds.” This We ask the Administration to weigh-in on this, if not propose scoring options.
3. Is it possible for multiple people to review and score a project?
4. Can the Administration speak to “compliance” and how the City will ensure that commitments are monitored and kept?
5. Does the Administration take issue with language around historic preservation? If not, does the Administration recommend any specific language?
6. Does the Administration take issue with language being added to ensure that the scorecard is used and presented to Council with recommendations for *each relevant project*? If not, does the Administration have suggested language for an updated ordinance?
7. There are requests that we require specific *actions* regarding community engagement, such as giving early notice to a community. If that were to materialize, is that something the Administration should do or the developer?
8. There is interest in training on the scorecard, TIFs, CRAs, and VITCA. What does the Administration think? Should we add to the ordinance?
9. There has been a request that the Administration discuss with Council its work on the Balanced Development Report and its findings, as well as how development deals are evaluated and/or scored now.

## An Ordinance No. \_\_\_\_\_

- 2020

**ESTABLISHING** a City Council policy for evaluating real property tax incentives authorized by the City of Cincinnati.

WHEREAS, City Council has the authority to declare up to 100% of the increase in the assessed value of improvements to be exempt from real property taxation by means of (i) project-based tax increment financing incentives pursuant to Ohio Revised Code (“ORC”) Sections 5709.40(B) and 5709.41; and (ii) “Community Reinvestment Area” incentives pursuant to ORC Sections 3735.65 through 3735.70; and

WHEREAS, Motion No. 201901811, as adopted by this Council on December 11, 2019, recommended updates to how the City Administration evaluates the public benefits created by projects receiving real property tax incentives pursuant to the aforementioned ORC provisions, with a focus on prioritizing projects that create good, local jobs; preserve and/or create affordable housing; minimize displacement of residents and businesses; and/or commit to project-specific inclusion goals; and

WHEREAS, to incentivize balanced development throughout the City of Cincinnati as recommended in the aforementioned Motion, City Council desires to adopt a *Project Scorecard*, a copy of which is attached hereto as Attachment A, to assist City Council in evaluating development projects when qualifying real property tax exemptions or abatements are recommended; now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That City Council adopts the *Project Scorecard* attached to this ordinance as Attachment A, which establishes a City Council policy relating to qualifying real property tax abatements and exemptions.

Section 2. That Council intends that the *Project Scorecard* be prepared by the Administration as a policy tool to be utilized for evaluating the public benefits associated with economic and community development projects for which (a) the total estimated costs of the project exceed \$5,000,000, and (b) the proposed City assistance includes a real property tax incentive authorized pursuant to Ohio Revised Code (“ORC”) Section 5709.40(B), ORC Section 5709.41, or ORC Sections 3735.65 through 3735.70 with a present value exceeding \$3,000,000.

Council desires that the Administration present project-based scorecard information for Council consideration as part of the Administration’s recommendation to Council. Council intends that the Administration have latitude to create additional criteria and update the *Project Scorecard* as appropriate to ensure the City’s tax incentives support the City’s residents and neighborhoods while attracting local investment. City Council further acknowledges that the *Project Scorecard* process is a policy tool to guide City Council decision making and does not diminish the Administration’s executive authority under the Charter of the City of Cincinnati, which authority includes the power to determine whether and on what terms to recommend development deals for Council consideration.

Section 3. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Passed: \_\_\_\_\_, 2020

# City of Cincinnati

Interdepartmental  
Correspondence Sheet

February 22, 2021

To: Members of the Budget and Finance Committee 202100744

From: Paula Boggs Muething, City Manager

Subject: Emergency Ordinance – Authorizing the Implementation of the IAFF,  
Local 48 Labor Management Agreement

---

Attached is an Emergency Ordinance captioned:

AUTHORIZING the City Manager to execute and implement the Fire Fighters and Assistant Chiefs labor management agreements between the City of Cincinnati and the International Association of Fire Fighters, Local 48, the updated terms of which are reflected in the attached summary.

This agreement increases Fire Administration's ability to manage the Cincinnati Fire Department by removing Peer Review from the disciplinary process and strengthening the ability to transfer qualified members to specialized units. The three-year agreement provides the members with a 5.0% wage increase in the first year of the contract (effective December 13, 2020), a 4.0% wage increase in the second year of the contract (effective December 12, 2021), and a 3.0% wage increase in the final year of the contract (effective December 10, 2022). A summary of the tentative agreement is attached hereto.

The Administration recommends approval of this Emergency Ordinance.

An Ordinance No. \_\_\_\_\_ - 2021

**AUTHORIZING** the City Manager to execute and implement the Fire Fighters and Assistant Chiefs labor management agreements between the City of Cincinnati and the International Association of Fire Fighters, Local 48, the updated terms of which are reflected in the attached summary.

WHEREAS, the current Fire Fighters and Assistant Chiefs labor management agreements (“Agreements”) between the City of Cincinnati and the International Association of Fire Fighters, Local 48 (“IAFF, Local 48”) expired on December 12, 2020; and

WHEREAS, the City and IAFF, Local 48, through their respective negotiating teams, have reached tentative agreement on the terms of successor Agreements (“Tentative Agreements”), the updated terms of which are reflected in the attached summary; and

WHEREAS, all employees in the IAFF, Local 48, Fire Fighters and Assistant Chiefs bargaining units will receive a 5.0% increase to their base wage retroactive to December 13, 2020, a 4.0% increase to their base wage effective December 12, 2021; and a 3.0% increase to their base wage effective December 10, 2022; and

WHEREAS, Peer Review will be removed from the disciplinary grievance process; and

WHEREAS, personnel transfers into certain specialized units will henceforth be primarily based on certification and the Fire Chief’s discretion; and

WHEREAS, mandatory blood draws will be replaced by a second breathalyzer for confirmatory alcohol testing; and

WHEREAS, the Tentative Agreements have a duration of three years beginning on December 13, 2020 and expiring on December 9, 2023; and

WHEREAS, the terms and conditions of the Tentative Agreements as agreed to by the parties represent fair and equitable gains for both parties; now, therefore.

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That the City Manager is hereby authorized to execute and implement the Fire Fighters and Assistant Chiefs labor management agreements between the City of Cincinnati and

the International Association of Fire Fighters, Local 48, the updated terms of which are reflected in the attached summary.

Section 2. That the proper City officials are authorized to do all things necessary and proper to carry out the terms of Section 1 herein.

Section 3. That this ordinance shall be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall, subject to the terms of Article II, Section 6 of the Charter, be effective immediately. The reason for the emergency is the immediate need to implement a successor labor management agreement between the City and International Association of Fire Fighters, Local 48 to replace the agreements which expired on December 12, 2020.
