Investing in Community-Driven Safety Plans to Reduce Crime & Violence

In addition to expanded efforts to get illegal guns off our streets and other safety measures the City is pursuing, we hereby move that the Administration, working with its many capable and diverse partners, establish a renewed effort to support community-led violence reduction efforts.

In particular, **the Administration should re-establish the “Safe and Clean Fund” with a starting investment of \$500,000** in acknowledgment of the imminent crisis of gun violence and the importance of curbing it. This fund – the money for which could come out of this year’s carry-over budget or other relevant funding sources) – would support the execution of community-driven violence-reduction plans submitted to the City by neighborhood leaders*. In particular, place-based environmental improvement projects communities desperately need that are proven to reduce crime and nurture strong community-building (eg. improved lighting, security cameras, better signage, blight and litter control, etc.).

*In order to nurture the creation of such robust community-driven plans, the City should also provide the following additional support to neighborhoods as part of this renewed effort:

- **Update PIVOT¹ “micro-locations”** — described in the June 2017 report as “mak[ing] up only 1.4% of the city’s landmass, [but] a disproportionate amount of violence recurs in these places... 14.4% of all Part I crimes, 25.7% of Part I violent crimes, and 42.6% of shooting involving a victim occurred in these small geographic areas”² — with new data and information. The map of updated micro-locations should be shared with *all* neighborhoods, so communities have access to updated information as they build out community-led efforts. The City should assist and support neighborhoods in these efforts.
- **Provide SARA training³** to help neighborhoods build comprehensive plans to address ongoing issues contributing to crime and violence. The Administration should leverage current partnerships to provide this training.
- **Ensure follow-up and follow-through from the Administration and the City** in the form of coordinated support regarding any issues that emerge from the safety plans

¹ The assessments done on the original PIVOT efforts show effective, long-lasting gun violence reduction. The City should continue to lift up this proven strategy.

² <https://www.theiacp.org/sites/default/files/Research%20Center/CPD%20PIVOT%20Goldstein%20Submission.pdf>

³ SARA (Scanning, Analysis, Response, and Assessment) is the Collaborative’s approach to problem-solving crime. It is intended to reduce crime and improve the quality of life for its citizens by facilitating community work and coalition-building between communities and the police, to effectively address crime, disorder, and the fear of crime in communities.

Greg Landsman
Councilmember

submitted. This could include traffic calming efforts, curbing illegal dumping, temporary street closures for community events, police visibility, and more.

- **Confirm City partners' commitment to providing additional support to neighborhoods** on the issue of crime and violence reduction. Areas of additional coordinated support could include youth jobs and activities, mentoring, child care, career training opportunities, community events, support services, and more.

Due to the urgent nature of Cincinnati's gun violence crisis, we ask that the Administration report back to the Mayor and Council within 30 days as to how best to structure, fund, administer, and execute these new efforts, with the ultimate aim of most effectively providing support to communities who need it.

STATEMENT

One of the most effective ways to achieve long-lasting crime reduction is to not just listen and engage with the communities most impacted, but *follow their lead*; they will have the most nuanced and genuine understanding of what is needed.

In 2003, Cincinnati recognized the need for community-led responses to violence by establishing a "Safe and Clean Fund" to support and encourage community-based and community-initiated efforts aimed at improving neighborhood livability. Research proves that visible signs of disinvestment in neighborhoods lead to higher levels of crime, locking certain neighborhoods into a vicious cycle of poverty and disorder.

In recognition of this, we should re-establish the "The Safe and Clean Fund" with a starting investment of \$500,000 to financially support community-driven violence-reduction plans submitted to the City. Additionally, we should provide neighborhoods with updated data and information, and relevant training that will help support the creation of community-led plans, and commit to coordinated support from the City and partners to ensure plans are executed.

We must act now to apply more people, energy, attention, and funding to the needs identified by the communities most affected by gun violence in our city.

APPENDIX

THE FACTS:

The idea that increasing neighborhood livability through neighborhood-level problem solving approaches is effective at reducing crime is not a new discovery. It has been proven time and time again that visible signs of disinvestment in neighborhoods leads to higher levels of crime, and that this often locks certain neighborhoods into a vicious cycle of poverty and disorder.

- The demolition of vacant and abandoned buildings in Detroit was associated with an 11% reduction in gun assaults.⁴
- One 4-year study on an unnamed city in the Midwest found that the areas with vacant lots maintained through a City blight-reduction program had nearly 40% fewer assaults and violent crimes than those with unmaintained vacant, abandoned lots.⁵
- After vacant lots in high-poverty areas of Philadelphia were mowed, graded, or otherwise treated, gun violence dropped by 29%; researchers concluded that were the same treatments applied to vacant lots citywide, Philadelphia could expect to record 350 fewer shootings each year.⁶ In that same study, they also found a 22% decrease in burglaries, a 30% drop in noise complaints and illegal dumping, a 58% increase in residents reporting fewer security concerns when leaving their homes, and more than 3/4 of residents saying they significantly increased use of their outside spaces for relaxing and socializing.⁷
- In Chicago, researchers found that increased street lighting reduced outdoor nighttime felony crimes like murder, robbery, property damage, and aggravated assault by approximately 36%, and overall crime by 4%.⁸
- Improvements to lighting not only act as a situational deterrent to crime, but can also improve local community cohesion and pride, which in turn increases the willingness of residents to intervene in crime or cooperate with the police.⁹ Some researchers estimated the benefit-to-cost ratio of neighborhood street lighting upgrades to abate crime at about 4 to 1.¹⁰

Importantly, these studies do not find that the violence gets displaced to other neighborhoods — rather, it just sincerely decreases, across the board. This all goes to show that community-led, quick, inexpensive environmental-based tactics can substantially decrease violence in neighborhoods, particularly when addressed block by block. Furthermore, this approach yields a high return on investment — both economically and at a

MOTION

WE MOVE the Administration work with Fire Chief Michael Washington and his leadership team to evaluate the proper sworn strength for staffing the Cincinnati Fire Department.

WE FURTHER MOVE that if the evaluation determines a shortage exists, the Administration should immediately put in place future funding plans to recruit and train new or lateral members to get the CFD to its proper sworn strength to ensure the adequate safety of the citizens of Cincinnati.

Betsy Sundermann

STATEMENT

With service demand increasing at roughly 2.3 percent each year, and the absence of a sworn strength evaluation in many years, the citizens of Cincinnati need the confidence that we have the proper number of fire fighters to serve the needs of the City.

In order to recalculate the proper sworn strength, the Cincinnati Fire Department (CFD) should consider the following factors:

1. Review daily staffing trends, how many members are off on various leaves, vacation, holiday, compensatory leave, sick with pay, military leaves, etc.
2. Evaluate the current average age of the fire department, which is currently in the 40's.
3. Consider the actual positions that need to be filled daily. Currently, overtime has almost doubled in the recent past due to staffing shortages.
4. If the above evaluation determines that the CFD is experiencing a staffing shortage, with permission of the City Manager's office, the CFD Chief and his Chief Financial Officer make an official request to increase the sworn strength.
5. With the request, the Budget Office conducts an audit to determine the cost of the increase, which then goes through the annual budget process.
6. The City Manager then incorporates the recommendations for the increase into the next recommended budget for Mayoral and Council approval or denial.

MOTION

WE MOVE that the Administration use available closeout dollars to first prioritize the funding of additional recruits for Fire Recruit Class #118 scheduled to start in September, 2021 and Fire Recruit Class #119 scheduled to start in April, 2022 to ensure that each of the class sizes reach the maximum of 60 recruits.

WE FURTHER MOVE that the Administration continue to pursue SAFER grant funding opportunities when available to assist in offsetting the cost of these recruit classes.

STATEMENT

Service demand on the Cincinnati Fire Department (CFD) has been increasing roughly 2.3 percent each year although the sworn strength has not been adjusted to cover the increased demands.

For the twelve months ending FY20, CFD's overtime costs were \$3,437,641.67. Yet, for the six-plus months ending 01.05.2021 (FY21), overtime costs totaled \$5,583,965.56 revealing a growing use of overtime by the department.

The citizens of Cincinnati have consistently placed public safety as a very high priority in their expectations for city services. Adequate funding for fire protection is critical to providing these services. Currently, the budget for fire personnel and department expenses is being heavily challenged by COVID-19 and attrition.

The COVID-19 pandemic has necessitated the use of additional overtime to meet staffing and service requirements. Sick leave has increased due to COVID-19 diagnoses, exposure, or mandatory quarantine periods required while waiting for test results. COVID-19 related sick leave has been further exacerbated by the close living and working conditions of sworn staff in fire houses.

Additionally, attrition in the first quarter of FY21 has trended 200% higher than expected due to unanticipated separations. Several separations are attributed to medic unit staff burnout, which has increased since the start of COVID-19. Attrition tends to accelerate in the first quarter and then curtails in quarters two through four. If attrition trends do not curtail, the department will require additional overtime to backfill vacant positions.

Fire anticipates approximately 12.0 FTE to retire in FY22 and 31.0 FTE to retire in FY23. These figures do not include unanticipated retirements or other types of employment separation. As noted above, attrition has increased during COVID-19. These trends may continue in FY22. Additionally, the department has noticed that sworn personnel enrolled in the Deferred Retirement Option Plan (DROP) do not stay the entire eight years of the program, further increasing unanticipated attrition.

The trajectory of overtime costs due to COVID-19 and attrition, compounded by increased demand for services, requires the city to prioritize its two recruit classes planned for the FY22 budget. CFD leadership believes that classes can handle up to 60 recruits each. It is critical that the sizes of Recruit Classes #118 and #119 be increased to their maximum levels. Closeout dollars should be prioritized to cover these costs not included in the FY22 budget.

Even though it will take time to get recruits trained and on the job, the rebuilding of the sworn strength of the Cincinnati Fire Department will address both the attrition and overtime crises our city and budget are facing and ensure that the citizens of Cincinnati receive the services required in a time of need.

Transmitted herewith is an Emergency Ordinance captioned as follows:

PROVIDING FOR THE ISSUANCE, SALE AND DELIVERY OF NOT TO EXCEED \$500,000 OF JUDGMENT BONDS, OR NOTES IN ANTICIPATION THEREOF, OF THE CITY OF CINCINNATI, COUNTY OF HAMILTON, STATE OF OHIO, FOR THE PURPOSE OF PAYING A FINAL JUDGMENT AND COSTS ASSOCIATED THEREWITH; AUTHORIZING A PLEDGE OF THE CITY'S FAITH AND CREDIT OR A PLEDGE OF AND LIEN ON CERTAIN REVENUES AND OTHER CITY RESOURCES, AS APPROPRIATE, TO SECURE SUCH BONDS OR NOTES; AND AUTHORIZING NECESSARY DOCUMENTS TO SECURE SUCH BONDS OR NOTES.

This emergency ordinance authorizes the Finance Director to proceed with the sale of judgment bonds or notes in the amount of \$500,000 for the purpose of paying a negotiated and court approved settlement with the Estate of Leroy Garrison Jr., Probate Court of Hamilton County Case Number 2019003232. The bonds or notes will be supported by property tax revenue, the term will not exceed 25 years, and the interest rate is expected to be below 6.00%. An emergency ordinance is necessary to fulfill the obligations of the settlement agreement in a timely manner.

This emergency ordinance is recommended for approval. The settlement is contingent upon Council passage of this ordinance. If there are questions about the reasoning behind recommending settlement of this litigation, the Administration recommends that City Council or the Council committee adjourn into executive session so that the attorneys from the Law Department can fully answer those question to the entire body while maintaining the attorney-client privilege.

The officers specified herein are authorized to execute and deliver the documents necessary or appropriate in order to secure the Bonds.

This Issuing Authority hereby determines that the issuance of the Bonds will be for a proper public and municipal purpose and in the best interest of the Issuer.

Section 3. Terms of the Bonds.

- (a) Form, Denominations and Dates. The Bonds shall be designated “Unlimited Tax General Obligation Judgment Bonds Series 2021A” or as otherwise designated in the Fiscal Officer's Certificate, shall be negotiable instruments, shall be issued only in fully registered form, without coupons, and shall express upon their faces the purpose for which they are issued. The Bonds shall be dated as of their date of issuance, shall be numbered as determined by the Bond registrar or by the Trustee as Bond registrar, and shall be issued in denominations of \$5,000 or any integral multiple thereof. The Bonds shall be exchangeable for other Bonds in the manner and upon the terms set forth in the Indenture or the Fiscal Officer's Certificate.

- (b) Execution, Interest Rates and Maturities. The Bonds shall be executed by the signatures of the Mayor and Fiscal Officer of the Issuer and shall bear the official seal of the Issuer (provided that both of such signatures and such seal may be facsimiles), and shall bear the manual authenticating signature of an authorized signer of the Bond registrar or the Trustee, as appropriate. The Bonds shall bear interest from the most recent date to which interest has been paid or duly provided for, or, if no interest has been paid or duly provided for, from their dates, at an interest rate not to exceed 6%. The Bonds shall mature or be subject to mandatory sinking fund redemption at the times and in the respective principal amounts, and such principal amounts shall bear interest payable semiannually on each Interest Payment Date, at the respective rates per annum, as determined by the Fiscal Officer (after negotiation, if the Bonds are sold with the original purchaser of the Bonds), subject to the limitation provided herein, and set forth in the Fiscal Officer's Certificate or in a bond purchase agreement, as applicable. All Bonds shall finally mature not later than the last day of December of the twenty-fifth (25th) year following the year in which the first securities for such purpose are issued.
- (c) Optional Redemption. The Bonds of the maturities specified in the Fiscal Officer's Certificate or, if applicable, in the bond purchase agreement shall be subject to redemption, in the manner provided in the Fiscal Officer's Certificate or the Indenture, as applicable, at the option of the Issuer, by lot, either in whole or in part, on any date, and at the redemption prices (expressed as percentages of the principal amount to be redeemed) set forth in the Fiscal Officer's Certificate or Indenture, as applicable, plus accrued interest to the date fixed for redemption.
- (d) Payment. Bond Service Charges with respect to the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Trustee or the Paying Agent, in the manner provided in the Fiscal Officer's Certificate or the Indenture, as applicable.

Section 4. Issuance of Notes. If the Fiscal Officer, in the exercise of his or her judgment, determines that it is preferable that notes rather than bonds be issued initially, there are hereby authorized Notes in the aggregate principal amount of not to exceed \$500,000, which may be issued in anticipation of the issuance of a like principal amount of said bonds for the purpose described in Section 2 hereof. Such Notes shall be issued in such numbers and denominations as may be determined by the Fiscal Officer; shall bear interest at an interest rate not to exceed 6%, payable on such dates as are determined by the Fiscal Officer; shall be dated as of their date of issuance; shall mature on such date or dates as may be selected by the Fiscal Officer; may be callable in whole or in part at any time prior to maturity as approved by the Fiscal Officer; may be issued in installments as approved by the Fiscal Officer; shall be designated "Judgment Bond Anticipation Notes" or as otherwise designated in the Fiscal Officer's Certificate, and shall be payable as to principal at the office of the Paying Agent or the office of the Treasurer of the Issuer, and the interest thereon shall be paid by the Paying Agent or the office of the Treasurer of the Issuer on each interest payment date to the holders of the Notes.

Said Notes shall bear the facsimile signature of the Mayor and the manual signature of the Fiscal Officer, shall bear the corporate seal of the Issuer, and shall express on their faces the purpose for which they are issued and that they are issued pursuant to this ordinance.

Section 5. Sale of the Bonds or Notes. The Fiscal Officer is hereby authorized to award and sell the Bonds or Notes at public or private sale, in his or her sound discretion without further action by this Issuing Authority, at such price as is determined by the Fiscal Officer, plus accrued interest on the aggregate principal amount of the Bonds or Notes from their dates to the date of delivery and payment. The Executive or Fiscal Officer is hereby authorized to make arrangements for the delivery of the Bonds or Notes to, and payment therefor by, the purchaser or purchasers thereof at the price determined by the Fiscal Officer; and the Executive or Fiscal Officer is hereby authorized to execute a purchase agreement for the Bonds or Notes, if applicable, without further action by this Issuing Authority.

Section 6. Allocation of Proceeds of the Bonds or Notes. The proceeds received by the Issuer from the sale of the Bonds or Notes shall be allocated, and are hereby appropriated, in the amounts, and to the funds, set forth in the Fiscal Officer's Certificate or the Indenture, as applicable.

Section 7. Security for the Bonds or Notes. The security for the Bonds or Notes shall be determined by the Fiscal Officer, who is hereby authorized, in his or her discretion, to secure the Bonds or Notes with a pledge of the Issuer's full faith and credit, or with a pledge of Revenues, or with a combination of the two sources of security. The Fiscal Officer is also authorized, in his or her discretion: (a) to secure a portion of the Bonds or Notes with a pledge of the Issuer's full faith and credit and a portion with Revenues; (b) to cause the interest on all or a portion of the Bonds or Notes to be excludible from gross income for federal income tax purposes under the Code, and/or (c) to cause the interest on all or a portion of the Bonds or Notes to be includible in gross income for federal income tax purposes under the Code, on all or a portion of such Bonds to the extent permitted by law.

To the extent that the Bonds or Notes pledge the Issuer's full faith and credit:

For the purpose of providing the necessary funds to pay the interest on the foregoing issue of Bonds or Notes promptly when and as the same falls due, and also to provide for the discharge of said Bonds or Notes at maturity or as mandatory sinking fund payments fall due, there shall be and is hereby levied on all the taxable property in the City of Cincinnati, in addition to all other taxes, a direct tax annually during the period said Bonds are to run, outside of the limitations imposed by Article XII, Section 2, of the Constitution of Ohio and Section 5705.02 of the Ohio Revised Code, and by virtue of Section 4 of Article VIII of the Charter, in an amount sufficient to provide for the payment of said interest, when and as the same shall fall due, and also to discharge the principal of said Bonds at maturity or as mandatory sinking fund payments fall due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Constitution of Ohio.

Said tax shall be and is hereby ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of said years are certified, extended and collected. Said tax shall be placed before and in preference to all other items and for the full amount thereof. The funds derived from said tax levies hereby required shall be placed in the Issuer's Bond Retirement Fund which, together with the interest collected on the same, shall be irrevocably pledged for the payment of principal of and interest on said Bonds or Notes when and as the same fall due; provided, however, that to the extent that other revenues, including Revenues, are available for such purpose, such tax need not be levied.

To the extent that the Bonds or Notes are secured by Revenues:

The Bonds or Notes shall be payable solely from the Revenues and the Debt Service Reserve Fund (if any) and shall be secured only by the Indenture granting a lien upon the Revenues and the Debt Service Reserve Fund (if any). In addition, the Executive and the Fiscal Officer, in their sound discretion, are hereby authorized to further secure the Bonds or Notes by pledging toward payment of the Bonds or Notes other moneys not raised by taxation received by the Issuer, in the order and to the extent that they deem necessary or appropriate to obtain a favorable interest rate on the Bonds. The Executive and Fiscal Officer are further authorized to evidence such additional security in whatever manner they deem appropriate, and to execute and deliver any documents necessary to that end. Anything in the Indenture, the Bond Legislation or the Bonds or Notes notwithstanding, neither the Indenture, the Bond Legislation, nor the Bonds or Notes will constitute a debt, or a pledge of the faith, credit or taxing power of the Issuer, the State or any political subdivision thereof, and the holders or owners of the Bonds or Notes shall have no right to have taxes levied by the Issuing Authority, the General Assembly of the State, or the taxing authority of any political subdivision of the State for the payment of the Bond Service Charges, and the Bonds or Notes shall contain on their faces a statement to that effect. Nothing herein shall be deemed to prohibit the Issuer from lawfully using, of its own volition, any of its general resources for the fulfillment of any of the terms and conditions of the Indenture, the Bond Legislation, or the Bonds or Notes; provided, that no moneys raised by taxation are obligated or pledged therefor.

Section 8. Additional Provisions if Bonds or Notes Secured by Revenues. If the Fiscal Officer determines, pursuant to Section 7 hereof, to secure all or a portion of the Bonds or Notes with Revenues, the Executive and the Fiscal Officer are hereby authorized to make provision in the Indenture securing such Bonds or Notes for: the application of the Revenues; creation of such funds as are necessary or appropriate; investment of moneys in such funds; use of such funds; recordkeeping; such covenants of the Issuer as are necessary or appropriate; and such other matters as are customary or appropriate to be contained in the Indenture.

Section 9. Execution of the Indenture and Other Documents. The Executive and the Fiscal Officer are each hereby authorized to execute, acknowledge and deliver, on behalf of the Issuer, to the Trustee the Indenture (if any).

The Fiscal Officer is hereby authorized to exercise his or her discretion in order to set the terms contained in the Fiscal Officer's Certificate and to execute and deliver the same.

The Executive and the Fiscal Officer are each hereby separately authorized to take any and all actions and to execute such other instruments that may be necessary or appropriate in the opinion of Dinsmore & Shohl LLP, as Bond Counsel, in order to effect the issuance of the Bonds or Notes and the intent of the Bond Legislation. The Fiscal Officer, or other appropriate officer of the Issuer, shall certify a true transcript of all proceedings had with respect to the issuance of the Bonds or Notes, along with such information from the records of the Issuer as is necessary to determine the regularity and validity of the issuance of the Bonds or Notes.

This Bond Legislation shall constitute a part of the Indenture as therein provided and for all purposes of the Indenture, including, without limitation, application to the Bond Legislation of the provisions in the Indenture relating to amendment, modification and supplementation, and provisions for severability.

The Fiscal Officer is hereby authorized to appoint a trustee, paying agent and registrar for the Bonds or (if necessary) the Notes.

Section 10. Offering Document. The Executive and the Fiscal Officer are each separately authorized to execute and deliver a preliminary offering document and a final document on behalf of the Issuer, prepared by the Issuer's disclosure counsel, Dinsmore & Shohl LLP ("Disclosure Counsel") which shall be in such form as such officers may approve, their execution thereof on behalf of the Issuer to be conclusive evidence of such approval, and copies thereof are hereby authorized to be prepared and furnished by Disclosure Counsel to the original purchaser of the Bonds or Notes for distribution to prospective purchasers of the Bonds or Notes and other interested persons.

The Executive and the Fiscal Officer on behalf of the Issuer and each of them are hereby each separately authorized to furnish such information, to execute such instruments and to take such other actions in cooperation with the original purchaser of the Bonds or Notes as may be reasonably requested to qualify the Bonds or Notes for offer and sale under the Blue Sky or other securities laws and regulations and to determine their eligibility for investment under the laws and regulations of such states and other jurisdictions of the United States of America as may be designated by the original purchaser; provided however, that the Issuer shall not be required to register as a dealer or broker in any such state or jurisdiction or become subject to the service of process in any jurisdiction in which the Issuer is not now subject to such service.

Section 11. Taxability. As to any Bonds or Notes which constitute obligations the interest on which is excludable from gross income for federal income tax purposes under the Code, this Issuing Authority, for and on behalf of the City of Cincinnati, Hamilton County, Ohio, hereby covenants that it will restrict the use of the proceeds of the Bonds or Notes hereby authorized in such manner and to such extent, if any, and take such other actions as may be necessary, after taking into account reasonable expectations at the time the debt is incurred, so that they will not constitute obligations the interest on which is subject to federal income taxation or that they will not constitute "arbitrage bonds" under Sections 103(b)(2) and 148 of the Code. The Fiscal Officer or any other officer having responsibility with respect to the issuance of the Bonds or Notes is authorized and directed to give an appropriate certificate on behalf of the Issuer on the date of delivery of the Bonds or Notes for inclusion in the transcript of proceedings,

setting forth the facts, estimates and circumstances and reasonable expectations pertaining to the use of the proceeds thereof and the provisions of said Sections 103(b)(2) and 148 and regulations thereunder.

These Bonds or Notes are not designated “qualified tax-exempt obligations” for the purposes set forth in Section 265(b)(3) of the Code.

Section 12. Severability. Should it be judicially determined by a court having jurisdiction to pass upon the validity of the Bond Legislation, the Indenture or the Bonds or Notes, that any provision of the Bond Legislation is beyond the powers of the Issuing Authority or the Issuer, or is otherwise invalid, then such decision shall in no way affect the validity of the Bond Legislation, the Indenture or the Bonds or Notes, or any proceedings related thereto, except as to the particular matters found by such decision to be invalid.

Section 13. Consolidation. That, pursuant to the provisions of Section 133.30, O.R.C., these Bonds or Notes may be consolidated into a single issue with other bonds or notes which have been authorized by the Issuing Authority as determined by the Fiscal Officer.

That these Bonds or Notes shall be issued in such designations, series, and shall have maturities or principal payments, as are consistent with the aggregate of the series, periodic maturities or principal payments of the separate issues of bonds as set forth in the respective bond ordinances and as provided in a Fiscal Officer’s Certificate or in a bond purchase agreement to be entered into by and between the Issuer and an underwriter as determined by the Fiscal Officer.

Section 14. Book Entry Bonds or Notes. The Issuing Authority hereby determines to issue these Bonds or Notes in Book-Entry-Only form through The Depository Trust Company, New York, New York. The Letter of Representations to The Depository Trust Company from the Issuer, dated March 21, 1995, as supplemented from time to time, is hereby ratified and confirmed.

So long as these Bonds or Notes are in Book-Entry-Only form, the following covenants and agreements of the Issuer shall be in effect:

(a) Definitions.

“Beneficial Owner” means the person in whose name a Bond or Note is recorded as the beneficial owner of such Bond or Note by the respective systems of DTC and each of the DTC Participants.

“DTC Participant” means banks, brokers or dealers who are participants of DTC.

“Letter of Representations” means the Letter of Representations dated March 21, 1995, as supplemented from time to time, from the Issuer and the Paying Agent and Registrar, to DTC with respect to the Bonds or Notes, which shall be the binding obligation of the Issuer and the Paying Agent and Registrar.

The Bonds or Notes shall initially be issued in global book entry form registered in the name of CEDE & Co, as nominee for DTC.

While in book entry form, payment of interest for any Bond or Note registered in the name of CEDE & Co shall be made by wire transfer or such other manner as permitted by the Letter of Representations, to the account of CEDE & Co on the Interest Payment Date or the redemption date at the address indicated for CEDE & Co in the bond register.

(b) Book Entry Bonds or Notes.

- (i) Except as provided herein, the registered owner of all of the bonds or notes shall be DTC and the Bond or Notes shall be registered in the name of CEDE & Co, as nominee for DTC. The Issuer and the Paying Agent and Registrar shall supplement (with a description of the bonds) the Letter of Representations with DTC, and the provisions of such Letter of Representations shall be incorporated herein by reference.
- (ii) The Bonds or Notes shall be initially issued in the form of single fully registered global certificates in the amount of each separate stated maturity of the Bonds or Notes. Upon initial issuance, the ownership of such Bonds or Notes shall be registered in the Issuer’s bond register in the name of CEDE & Co, as nominee of DTC. The Paying Agent and Registrar and the Issuer may treat DTC (or its nominee) as the sole and exclusive registered owner of the Bonds or Notes registered in its name for the purposes of payment of the principal, or redemption price of or interest on the Bonds or Notes, selecting the Bonds or Notes or portions thereof to be redeemed, giving any notice permitted or required to be given to Bondholders under this Ordinance, registering the transfer of Bonds or Notes, obtaining any consent or other action to be taken by Bondholders and for all other purposes whatsoever; and neither the Paying Agent and Registrar nor the Issuer shall be affected by any notice to the contrary. Neither the Paying Agent and Registrar nor the Issuer shall have any responsibility or obligation to any DTC Participant, any person claiming a beneficial ownership interest in the Bonds or Notes under or through DTC or any DTC Participant, or any other person which is not shown on the registration books of the Paying Agent and Registrar as being a registered owner, with respect to the accuracy of any records maintained by DTC or any DTC Participant; the payment of DTC or any DTC Participant of any

amount in respect of the principal or redemption price of or interest on the Bonds or Notes; any notice which is permitted or required to be given to Bondholders under this Ordinance; the selection by DTC or any DTC Participant of any person to receive payment in the event of a partial redemption of the Bonds or Notes; or any consent given or other action taken by DTC as Bondholder. The Paying Agent and Registrar shall pay from moneys available hereunder all principal of, and premium, if any, and interest on the Bonds or Notes only to or "upon the order of" DTC (as that term is used in the Uniform Commercial Code as adopted in the State of Ohio), and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to the principal of, and premium, if any, and interest on the Bonds or Notes to the extent of the sum or sums so paid. Except as otherwise provided herein, no person other than DTC shall receive an authenticated Bond certificate for each separate stated maturity evidencing the obligation of the Issuer to make payments of principal of, and premium, if any, and interest pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent and Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of CEDE & Co, and subject to the provisions of this Ordinance with respect to transfers of Bonds or Notes, the word "CEDE & Co" in this Ordinance shall refer to such new nominee of DTC.

- (c) Delivery of Bond Certificates. In the event the Issuer determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bond certificates, the Issuer may notify DTC and the Paying Agent and Registrar, whereupon DTC will notify the DTC Participants, of the availability through DTC of Bond certificates. In such event, the Paying Agent and Registrar shall issue, transfer and exchange, at the Issuer's expense, Bond certificates as requested by DTC in appropriate amounts. DTC may determine to discontinue providing its services with respect to the Bonds or Notes at any time by giving notice to the Issuer and the Paying Agent and Registrar and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is no successor securities depository), the Issuer and Paying Agent and Registrar shall be obligated to deliver Bond certificates as described in this Ordinance, provided that the expense in connection therewith shall be paid by DTC. In the event Bond certificates are issued, the provisions of this Ordinance shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal of, premium, if any, and interest on such certificates. Whenever DTC requests the Issuer and the Paying Agent and Registrar to do so, the Paying Agent and Registrar and the Issuer will cooperate with DTC in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Bonds or Notes to any DTC Participant having Bonds or Notes credited to its DTC account or (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Bonds or Notes.

Section 15. Open Meetings Determination. The Issuing Authority hereby finds and determines that all formal actions relative to the adoption of this Bond Legislation were taken in

an open meeting of this Issuing Authority, and that all deliberations of this Issuing Authority and of its committees, if any, which resulted in formal action, were taken in meetings open to the public, in full compliance with applicable legal requirements, including Section 121.22 of the Ohio Revised Code.

Section 16. Effective Date. That this ordinance shall be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall, subject to the terms of Article II, Section 6 of the Charter, be effective immediately. The reason for the emergency is that the sale of the Judgment Bonds or notes authorized herein may be required within thirty days of passage of the ordinance in order to generate the funds needed to pay the judgment in a timely manner.

Subject: **TO LEVY SPECIAL ASSESMENTS TO PAY FOR THE COSTS OF
IMPLEMENTING THE 2022-2025 DCID SERVICES PLAN**

Attached is an Emergency Ordinance captioned as follows:

TO LEVY special assessments to pay for the costs of implementing the 2022-2025 Services Plan for the Downtown Cincinnati Improvement District, in accordance with Chapters 727 and Chapter 1710 of the Ohio Revised Code.

BACKGROUND/CURRENT CONDITIONS

In 2018, the Downtown Cincinnati Improvement District (DCID) was instituted to provide funds that are used to carry out a Services Plan, which has been carried out by Downtown Cincinnati Inc. (DCI) – a subsidiary of Cincinnati Center City Development Corp. (3CDC) since 2019. The Downtown Cincinnati Improvement District includes all property within the boundaries of Eggleston Avenue on the east, Central Parkway on the north, Central Avenue on the west (including the Centennial buildings), and the river on the south (excluding the two stadiums). The current services plan expires at the end of 2021.

PROJECT DESCRIPTION

This Services Plan will be implemented from 2022-2025. The total assessment will be \$3,200,000 per year in 2022 and 2023, and \$3,400,000 per year in 2024 and 2025 is comprised of contributions from both private and public property owners. Individual and commercial owners make up about 80% of the total assessments, while the City of Cincinnati and Hamilton County contribute approximately 20%.

The Services Plan for 2022-2025 leverages resources, creates and sustains partnerships, and provides services fundamental to a vibrant, vital core of the city and the region. These services fall into four categories: Safe & Clean; Communication & Marketing; Stakeholder Services; and Events. This combination of services and activities helps maintain and enhance property owner's investment, improves the quality of life for future and existing residents, and drives tourism to Cincinnati's urban core.

The 2022-2025 Service Plan was adopted by the Board of the SID, and submitted to the City (Mayor, City Manager, and Council) for review on 11/17/2020. The administration did not have any suggestions, revision, or comments. The Service Plan was then mailed to property owners in the DCID as a petition for approval on 1/26/2021. Petitions were collected over several months from February to May of 2021. On 6/3/2021, City Council approved the Legislative Resolution that approved the petition for the 2022-2025 Services Plan. Since then, the City has been going through the special assessment process and has notified all property owners within the district, and no property owners have filed written objections with the Clerk of Council. This ordinance assesses all property located in the Downtown Cincinnati Improvement District for four years to pay for the costs of implementing the 2022-2025 Services Plan for the district

PROJECT TEAM & TIMELINE

The project team (listed below) will make themselves available at the request of the councilmember(s).

Subject: **DETERMINING TO PROCEED WITH THE ASSESSMENT OF
PROPERTIES IN THE DOWNTOWN CINCINNATI
IMPROVEMENT DISTRICT**

Attached is an Emergency Ordinance captioned as follows:

DETERMINING to proceed with the assessment of properties in the Downtown Cincinnati Improvement District to implement the 2022-2025 Services Plan for the district in accordance with Chapters 727 and Chapter 1710 of the Ohio Revised Code.

BACKGROUND/CURRENT CONDITIONS

In 2018, the Downtown Cincinnati Improvement District (DCID) was instituted to provide funds that are used to carry out a Services Plan, which has been carried out by Downtown Cincinnati Inc. (DCI) – a subsidiary of Cincinnati Center City Development Corp. (3CDC) since 2019. The Downtown Cincinnati Improvement District includes all property within the boundaries of Eggleston Avenue on the east, Central Parkway on the north, Central Avenue on the west (including the Centennial buildings), and the river on the south (excluding the two stadiums). The current services plan expires at the end of 2021.

PROJECT DESCRIPTION

This Services Plan will be implemented from 2022-2025. The total assessment will be \$3,200,000 per year in 2022 and 2023, and \$3,400,000 per year in 2024 and 2025 is comprised of contributions from both private and public property owners. Individual and commercial owners make up about 80% of the total assessments, while the City of Cincinnati and Hamilton County contribute approximately 20%.

The Services Plan for 2022-2025 leverages resources, creates and sustains partnerships, and provides services fundamental to a vibrant, vital core of the city and the region. These services fall into four categories: Safe & Clean; Communication & Marketing; Stakeholder Services; and Events. This combination of services and activities helps maintain and enhance property owner's investment, improves the quality of life for future and existing residents, and drives tourism to Cincinnati's urban core.

The 2022-2025 Service Plan was adopted by the Board of the SID, and submitted to the City (Mayor, City Manager, and Council) for review on 11/17/2020. The administration did not have any suggestions, revision, or comments. The Service Plan was then mailed to property owners in the DCID as a petition for approval on 1/26/2021. Petitions were collected over several months from February to May of 2021. On 6/3/2021, City Council approved the Legislative Resolution that approved the petition for the 2022-2025 Services Plan. Since then, the City has been going through the special assessment process and has notified all property owners within the district, and no property owners have filed written objections with the Clerk of Council. This ordinance determines to proceed with the assessment of properties in the Downtown Cincinnati Improvement District to implement the 2022-2025 Services Plan for the district

PROJECT TEAM & TIMELINE

The project team (listed below) will make themselves available at the request of the councilmember(s).

- Assistant City Manager: Billy Weber

Re: DCID Services Plan 2022-2025 for Vulcan Property Management Co.

Dear Sirs:

I am writing to object in the strongest terms to the estimated **38% increase** proposed to be levied upon our property per the DCID Services Plan for the years 2022-2025. Please provide me with its justification as it heaps an out-sized additional burden upon our office business's limited resources.

Over the last two years, the City has imposed new façade and fire escape inspection/repair requirements on buildings within the City. This unexpected expense has cost our company over \$200,000.00. This burden was piled on top of the customary annual fees we pay for property taxes, payroll taxes, lighting assessments, and for the maintenance of Piatt Park, which we abut.

Speaking of Piatt Park, I invite you to visit the park any afternoon around 4:30 p.m. and report back to me your experience. I guarantee it will not be pleasant unless you enjoy a police-free block party in which you will be treated to drug abuse, alcohol use, fighting, yelling, dereliction and, on occasion, offers from prostitutes. This is not my idea of a "Clean and Safe" environment in which my office tenants must try to work and expand their businesses and it is senseless for me to pay 38% more for it.

My point is that this assessment just piles more expense onto our business, which has already suffered great loss of unrecoverable income due to Covid-19, and provides us no evident benefit. If your aim these last two years has been to drive stakeholders out of the central business district by levying ever higher costs onto them, pat yourselves on the back, because you're accomplishing your mission. But I doubt that this is the case, so please reconsider this enormous increase and propose an amount which is reasonable.

Regards,

John Gabriel
President

Re: Objection from Textile Partners, LLC to Special Assessment Levied due to Legislative Resolution 38-2021 for the Property Located at 205 W 4th St, Cincinnati, OH 45202

Dear Members of the Assessment Equalization Board,

This letter serves as an objection to the Cincinnati City Council Legislative Resolution 38-2021 on June 3, 2021 which approved the petition for the 2022-2025 Services Plan for the Downtown Cincinnati Improvement District.

As the authorized representative of Textile Partners, LLC, the Owner of the property located at 205 W 4th St, Cincinnati, OH 45202 **we object and ask for an exemption** from this Special Assessment based on the following grounds that: 1) We never received notice of the renewal of the Special Improvement District Services Plan, to which we would have objected prior to its arrival and subsequent approval by City Council; 2) we already pay our employees and third party vendors to keep our frontage clean and safe and; 3) the proposed goals of the plan are redundant with the services we already provide and do not benefit the property as the plan earmarks over 75% of the budget for safety, cleaning and beautification.

For these reasons, we consider the special assessment to be an unnecessary added tax on the property, object to the Services Plan and Budget and request an exemption from the Assessment.

Sincerely,

Textile Partners, LLC

I am not going to file the complaint.

Say what you will, Rocco, ["We do greatly appreciate your feedback and the City, especially our Department, is sensitive to this. We are generally trying to cultivate an environment that is friendly to businesses, especially in our urban core."] but there is no possibility that your department is committed to cultivating a business-friendly environment. What has it done? Have you increased the number of police in the CBD to the levels they were five years ago? Ten years ago? No. Are there fewer or more inspections required now? More, and they're more costly. Have you ever looked at the cost of annual elevator testing and registration? Have you ever tried to navigate through the elevator registration process and pay the fees? It's a confusing and ridiculous system, as admitted by your own employees. These are just a couple issues of many. The City has heaped one expense or regulation after another onto the backs of its stakeholders in a never-ending money grab and nothing it does helps improve our businesses. We're just taken for granted. I am very eager to sell my building and get out.

Hey John,

My name is Giovanni Rocco, and I am with Cincinnati's Department of Community and Economic Development. I saw your letter regarding the proposed DCID, and I believe you have spoken with Cate Douglas of DCI/3CDC about this. My understanding is that you do not want to file a complaint with the Board of Equalization, but instead you wanted to voice your concerns about taxes on businesses in Cincinnati in general. We do greatly appreciate your feedback and the City, especially our Department, is sensitive to this. We are generally trying to cultivate an environment that is friendly to businesses, especially in our urban core.

With that being said, I am emailing today to confirm that you did not want to file a complaint with the Board of Equalization. Would you mind confirming this to me via email? It would be greatly appreciated.

Thank you , and never hesitate to reach out to me or our Department.

We move that the City Administration prepare a report to lay out a roadmap to implement the recommendations of the Economic Development Reform Panel. Report Attached.

Statement:

Some months ago, as the city was hit by a series of federal indictments involving corruption by members of Cincinnati city council, I authored legislation creating a so-called "Corruption" Reform Panel (Economic Development Panel) to study a range of issues and propose meaningful local reform. The Panel has completed its work.

We were blessed to have the leadership of retired Judge Ann Marie Tracey, former Chair of the Ohio Ethics Commission. Panel members included UC College of Law Dean Verna Williams and Guy C. Guckenberger, retired Judge and form Hamilton County Commissioner and former longtime member of Cincinnati City Council.

It is now time to take the next step and create a roadmap to implement the recommendations of the report.

EXECUTIVE SUMMARY

The Economic Development Reform Panel (“EDRP” or “Panel”) submits this Report pursuant to City Council Ordinance No. 384-2020. This ordinance provides the Panel’s mission: to study “the City’s development process” and “mak[e] recommendations. . . regarding best practices and ways to . . . better insulate it from political influence and cronyism.” Referring to the indictments and conviction that spurred creation of the EDRP, the ordinance observed that “citizens of Cincinnati have lost trust and confidence in City Council.”

With these goals in mind, the Panel examined the City’s existing development process, the attendant rules and myriad agencies governing it, as well as applicable local, state, and federal laws. It also reviewed best practices from other jurisdictions. As a result, the Panel formulated recommendations designed to improve transparency and accountability throughout City government—not merely those aspects addressing development. Guided by the philosophy that creating and maintaining an ethical culture throughout is the best preventive against graft, cronyism, and other forms of corruption and misconduct, the Panel recommends that follow take a broad approach, treating all those who work in and with City Hall as essential to protecting the public trust.

The impetus for this report has been the allegations of corruption levied at elected officials in connection to the development process. It is important in restoring the public trust to emphasize that the Panel is aware of no allegations of inappropriate behavior by the City administration, its employees or by developers. Nor have there been any concerns about improper behavior by City employees brought to the attention of the Panel. Rather, the Panel has taken this opportunity to review development practices, ethics rules, and conduct of public officials from a holistic perspective. Accordingly, the Panel’s recommendations include proposals for building a culture of good government and ethics not only for City elected officials, but across the City government as a whole.

The Panel’s recommendations fall into the following general categories: requiring conformity to certain standards of behavior; better informing stakeholders, including the public, of those requirements; training with respect to obligations and rights; and restricting behaviors that may or do undermine confidence in the fairness of the development process.

In this regard, the following summarizes the Panel’s recommendations:

1. Enactment of an ordinance prohibiting elected officials from soliciting or accepting, and developers from making, contributions while a matter involving the developer is before City Council;
2. Enforcement of new rules prohibiting elected officials from interacting with developers relating to contract negotiations, as well as measures to streamline the existing process;
3. Establishment of codes of conduct and training about expected behaviors for elected officials, their staffs, and developers, among others;

4. Strengthen and enhance ongoing education of City employees about their duties and those with whom they interact under the City's codes of conduct and ethics, personnel policies, and administrative regulations;
5. Enhancement of the City's confidential whistleblower hotline;
6. Review of the ongoing forensic audit upon completion and action to determine possible links between campaign contributions and development contracts;
7. Explore measures to simplify the development process and make it more accessible;
8. Expand requirements to report misconduct to appropriate officials; and
9. Council should appropriate funding sufficient to prioritize and implement the above recommendations.

This Report is divided into the following sections: Executive Summary, Background, Development Process, Training, Confidential Whistleblower Hotline, Campaign Contribution Regulations and Increasing Transparency & Disclosure, Code of Conduct, and Conclusion.

I. BACKGROUND

On December 16, 2020, City Council passed Ordinance No. 384-2020 ("the ordinance") establishing the Economic Development Reform Panel to make recommendations to address the loss of public trust and confidence in City Council after the indictment of several members of City Council on corruption or misconduct charges. Three of the indictments related to allegations of soliciting or accepting payments from developers in exchange for votes supporting certain economic development projects. The Panel's mission was to study the City's development process and make recommendations regarding best practices and ways to improve the process to better insulate it from political influence and cronyism. Council charged it to present recommendations to the citizens of Cincinnati, the Mayor, and City Council by August 1, 2021.¹

The Mayor proposed, and Council approved on February 3, 2021, the appointment of the nine Panel members. As Council prescribed, the Panel members include academic and business leaders as well as members with expertise in managing ethics issues. They are:

1. Ann Marie Tracey (Chair): Retired Hamilton County Court of Common Pleas judge; professor emeritus, Xavier University; former Assistant U.S. Attorney for the Southern District of Ohio; former Chair, Ohio Ethics Commission;
2. Alicia Bond-Lewis: Partner, Dinsmore & Shohl LLP;
3. Tim Burke: Principal, Manley Burke LPA; Former Chair of the Hamilton County Board of Elections and of the Hamilton County Democratic Party;
4. Bobbi Dillon: Senior Manager, State Government Relations, Procter & Gamble Company;

¹ Ordinance No. 384-2020 initially set a due date of May 1, 2021; however, Ordinance No. 31-2021 revised the due date to August 1, 2021.

5. Guy C. Guckenberger: Retired judge having served on the Hamilton County Municipal Court, First District Court of Appeals and (as a visiting judge) the Common Pleas Court; former Hamilton County Commissioner; former Cincinnati City Councilmember;
6. Dan Schimberg: President, Uptown Rental Properties, LLC;
7. KZ Smith: Senior Pastor, Corinthian Baptist Church;
8. Bernadette Watson: Retired City of Cincinnati Public Information Officer, Cincinnati Health Department; former Chief of Staff for Mayor Charlie Luken; and
9. Verna Williams: Dean and Nippert Professor of Law, University of Cincinnati College of Law.

The ordinance directs that the Panel engage in the following:

- a. consult municipal finance, development, and campaign contribution experts;
- b. review and evaluate the City's use of public incentives for development, including direct award, loans, and tax abatements;
- c. determine how well and with what clarity the City establishes and then achieves its goals in providing public incentives to development projects without allowing developers to benefit at a higher level than justified by the public benefit to the City;
- d. review best practices in other cities across the country;
- e. study possible links between campaign contributions and the award of development contracts and/or significant changes in the final form of a development contract;
- f. propose ways in which the City could track connections between campaign contributions and the award of public incentives to development projects;
- g. propose a Code of Conduct for the City's elected officials and developers, which Code should require developers to report inappropriate requests from the City's elected officials;
- h. recommend whether contract awards should be prohibited to developers who made campaign contributions to Council candidates within the prior twenty-four months; and
- i. recommend whether the City should establish a hotline by which any citizen, including developers, can report in confidence any inappropriate request or demand from any public servant, elected or otherwise.

The Panel began meeting bi-weekly on February 12, 2021, and met weekly from mid-June through July. All the meetings were broadcast live on CitiCable. The panel heard from various speakers on a range of topics,² and several key players in the City provided important background information to the panel.

² The presentations from the various speakers can be found in the meeting packets posted on the panel's webpage. <https://www.cincinnati-oh.gov/council/economic-development-reform-panel/>

City Manager Paula Boggs Muething spoke to the Panel on the charter roles of the Mayor, City Manager, and Council. She also discussed the new initiatives of her office including the creation of an Office of Constituent Affairs (“OCA”) and the restructuring of the Department of Community and Economic Development. Markiea Carter, the City’s Director of the Department of Community and Economic Development, spoke about the breadth of the work done by her department, the City’s Development process, the types of financial incentives available to developers and interactions with both developers and elected officials. Katherine Keough-Jurs, City Planning Director, spoke about zoning and planning issues and how they relate to the development process. The Panel also heard from the interim director of the City’s Office of Data and Performance Analytics, Kelly LaFrankie, regarding the new open data platform being created for the Cincinnati Elections Commission and the ability of the City to provide timely public access to reports of campaign contributions and other data submitted by candidates and elected officials.

Outside experts also assisted the Panel with its work. Phil Richter, Executive Director of the Ohio Elections Commission spoke about Ohio elections law, required campaign filings and campaign contribution limits. Chris Bryant, the Rufus King Professor of Constitutional Law at University of Cincinnati Law School, and Evan Gildenblatt, a third-year law student, spoke about constitutional First Amendment issues related to restrictions on campaign contributions, pay to play laws, and restoring public trust after experiencing corruption. Paul Nick, Executive Director of the Ohio Ethics Commission, spoke to the Panel on Ohio ethics laws, restrictions on the acceptance of gifts by public officials, and required financial disclosures. Mr. Nick gave the panel a national perspective of best practices being adopted by municipalities throughout the country, as well as in Ohio. These efforts included the drafting of codes of conduct, creating ethics officers and commissions, placing requirements on those doing business with a city, such as developers, and approaches with respect to training and whistleblower hotlines.

The Panel created an email address to allow the public to send ideas and comments to the panel. A total of 23 emails were received. Of those six were from the public, four were from news media, and thirteen of the emails related to a decision by the Greater Cincinnati Port Authority to sell property on Reading Road, which the Panel had no jurisdiction to address.

The Panel also held two public meetings, on April 9, 2021, and July 9, 2021, in order to solicit input from the public. Both meetings were advertised on the EDRP webpage as well as on the City’s main webpage and social media sites. The July 9th meeting was also the subject of a Cincinnati Enquirer article³ and was also promoted by Cincinnati Public Radio on WVXU.⁴ Prior to the July 9th public meeting, the Panel released a summary of its proposed recommendations to the public to allow the public

to review and comment on the proposed recommendations. Five people spoke at the April 9, 2021, meeting, and three people spoke at the July 9, 2021, meeting. After considering the information from the speakers, the public, and the panelists, this report details the recommendations from the Panel.

The Panel's recommendations fall into five integrated areas that Council and the Mayor should consider and adopt in order to deter corruption and misconduct. These areas are the Development Process, Training, Confidential Whistleblower Hotline, Campaign Contribution Regulations and Increasing Transparency & Disclosure and Code of Conduct.

II. DEVELOPMENT PROCESS

The efforts of the Economic Development Reform Panel have naturally revolved in large part around the development process. Development in Cincinnati can be an extremely complicated process and, consequently, the Panel has taken time to try to unpack and understand the process. This section provides a summary of key aspects of the development process in order to provide context for the Panel's recommendations.

The larger the project, the likely more complicated the project is, requiring both multiple levels of reviews and approvals and potentially financial assistance from the City. The failure of any of these may make the difference between whether the project happens or dies. The breadth of reviewers and approvals required for a successful development acts as a safeguard against corruption by City employees. No project can move forward without the buy-in of multiple departments, approvals from independent boards and commissions, multiple public hearings, and eventually Council approval for legislative actions.

It should also be recognized, however, that the smaller or first-time developer may need special assistance in navigating the complexities of development in Cincinnati. It is important that this assistance should come from the City administration, not elected officials, except, perhaps, for an elected official to direct the developer to the appropriate administrative office designated by the City Manager capable of providing assistance.

A. FINANCIAL ASSISTANCE

City financial assistance to developers comes in a variety of ways. Some of it is essentially non-discretionary. If a project meets the pre-existing conditions defining the requirements for a particular financial benefit the developer is essentially assured the benefit. The bulk of discretionary City incentives are contingent on analysis of developer and project financial information. Some financial assistance is competitive and discretionary, subject to complicated negotiated contracts that require involvement of legal counsel for developers as well as the City. Such assistance may also include the sale of City property at an incentivizing negotiated price.

B. LAND USE AND ZONING APPROVALS

Projects may also require several administrative, quasi-judicial and/or legislative approvals from multiple boards and commissions (for example, the Planning Commission, the Zoning Hearing Examiner, the Historic Conservation Board, the Zoning Board of Appeals, the Building Board of Appeals) and City Council. The rules and procedures for each are different. Appropriate interaction between elected officials and those bodies varies and should be defined in an ethics policy for elected public officials and their staffs. Appropriate enforcement mechanisms must be a part of that policy.

C. CITY COUNCIL IS A LEGISLATIVE BODY

Cincinnati has a City Manager form of government.⁵ Authority over day-to-day operations and administrative authority is vested with the City Manager as chief administrative officer of the City.⁶ The legislative powers of the City are vested in the Council.⁷ City Council and the Mayor make policy affecting development. They do so by adopting legislation establishing the criteria which must be met to be eligible for financial assistance.

They also do so by adopting ordinances authorizing the City Manager to execute contracts awarding such benefits. The role of Council under the City Charter, however, is limited to the legislative approval of such contracts. Councilmembers are not permitted to play a role in directing the administration, or a developer, in the negotiation of such contracts. Council may as a part of the legislative process adopt, amend, and adopt, or defeat such ordinances. The Mayor may sign and approve ordinances adopted by Council or exercise the Mayor's veto power.

D. RECOGNIZING LIMITS

Council should adopt a provision as a part of its Code of Conduct⁸ recognizing that Council's role under the Charter is legislative and that both Council and its members and the Mayor "[e]xcept for the purpose of inquiry...shall deal with that part of the administrative service for which the City Manager is responsible, solely through the City Manager."⁹ Under the City Charter, Council's authority is purely legislative, which in the development realm means:

⁵ See City Solicitor Opinion re Charter Roles, Generally and in Economic Development (January 26, 2021).

⁶ Charter, Article IV.

⁷ Charter Article II Section 1.

⁸ Throughout these recommendations the Panel refers to codes of conduct. The Panel is not tied to this nomenclature. By this is meant a set of the ethical rules and good government practices necessary to ensure the stakeholders subject to them understand their obligations as public servants and those doing business with the City.

⁹ Charter Article IV Section 2.

- 1) Setting general policies applicable to economic development (e.g., tax incentive policy),
- 2) Helping to communicate constituent concerns (including developer and community) to the City Manager for report and possible action,
- 3) Voting whether to approve the economic development projects brought to Council by the City administration; and
- 4) Voting on legislative approvals where required by law.

If the Mayor or Council has concerns about a project before Council, then the option available, under the Charter, is for the Mayor and Council to work through the City Manager. The Mayor and Councilmembers are not to direct City employees on matters of administration except for the purpose of inquiry related to making laws. While the Mayor has the authority to negotiate with external parties in conjunction with the City Manager, City Council does not.

To reinforce the role of Council as the Charter mandates the Panel endorses the following measures already taken by the City Manager:

- 1) The establishment of a Constituent Affairs function in the City Manager's office. (Constituent inquiries from Councilmembers and the public are directed by all city staff to an assistant City Manager for tracking and response).
- 2) Directing the city administration and solicitor's office to provide all inquiries from Councilmembers or the Mayor on development deals directly to the City Manager for coordinated response, including requests for substitute versions of development legislation.
- 3) The City administration's provision of consistent, coordinated, and comprehensive onboarding and ongoing training for Councilmembers regarding Council's role under the Charter, as well as the functions and operations of City departments. The City Manager, likewise, should ensure that City employees are aware of City Council's appropriate role under the Charter.

E. LIMITS REGARDING NONFINANCIAL LAND USE APPROVALS.

With regard to the approvals or denials of various non-financial matters related to development, the roles of the Mayor and Council also need to be emphasized and defined. The Mayor has the right, subject to the advice and consent of Council, to appoint the members of most boards and commissions dealing with development. The City Charter or ordinances define some membership requirements.

When the Planning Commission is dealing with a legislative matter, elected officials have the same right as any citizen, for example, to urge the Planning Commission to recommend the approval or denial of a zone change or amendment to the Zoning Code. Elected officials are free to appear before the Planning Commission or send written materials to the Commission just as are citizens, community Councils, or

developers. However, the situation is different when the Planning Commission is acting in a quasi-judicial capacity. Similarly, the Zoning Hearing Examiner, the Historic Conservation Board, the Zoning Board of Appeals, or the Building Board of Appeals almost always act in a quasi-judicial capacity. In those circumstances the role of elected officials is limited, as is that of any citizen. Quasi-judicial proceedings are essentially trials. The body hearing the matter is expected to make decisions solely on the record before them and not be influenced by private communications with anyone. Elected officials or their staffs may testify before such bodies, but as with any other witness, they would do so under oath and subject to cross-examination. It is improper for them to communicate privately with the decision-makers in such proceedings.

Council should adopt an ordinance requiring that the Zoning Hearing Examiner or any member of a board or commission conducting quasi-judicial proceedings who is contacted privately by an elected official or the staff member of an elected official regarding a matter coming before them report such contact to the City Solicitor and include a recognition of this limitation in the Code of Conduct.

F. FORENSIC AUDIT TRANSPARENCY

Following the creation of the Economic Development Reform Panel the City adopted Ordinance No. 216-2021 approving funding for a forensic audit of City Council ordinances related to economic development between January 1, 2018, and December 31, 2020. The results of that audit should be publicly released. City Council should consider those results and determine if additional work is necessary to study possible links between campaign contributions and development agreements.

G. TAKE ADVANTAGE OF 2020 CENSUS

Detailed 2020 census data will soon be available. The City Planning staff should analyze that data and report to Council on the impacts that development incentives have had on the City population and where those impacts have occurred. Attention should be given to noting what neighborhoods have and have not benefitted. It may be necessary to seek assistance in that analysis from appropriately skilled experts which may well be found at one or more of our local universities.

H. TRAINING

In other sections of this Report, ethics training is discussed in detail. In addition to training for public officials and city employees, the City should also offer such training to developers. It may be done in a variety of ways, and an applicant for City assistance should be advised of that training and acknowledge in writing it has been made available.

I. SUMMARY OF SPECIFIC RECOMMENDATIONS

- 1) City Council should adopt an ordinance approving a Code of Conduct for elected officials, and elected officials should acknowledge in writing receipt of the Code of Conduct, and newly elected officials should do so at or before the first meeting of Council at which they are seated, the original of which shall be filed with the Clerk of Council.
- 2) The Code of Conduct should include recognition that the role of Council is legislative and that members of Council and the Mayor and their staffs may not, except for the purpose of inquiry, attempt to direct the administrative service for which the City Manager is responsible.
- 3) The Code of Conduct should include recognition that developers seeking financial assistance or land use approvals from the City should be directed to the City Manager's office.
- 4) The Code of Conduct should specifically include a recognition of the obligation of elected officials and staff to not attempt to privately interfere with quasi-judicial proceedings of boards and commission or the Zoning Hearing Officer.
- 5) Council should adopt and the Mayor should sign an ordinance requiring the Zoning Hearing Officer and members of boards and commissions considering quasi-judicial matters to report any private contacts from elected officials or their staffs attempting to influence the outcome of such matters to the City Solicitor.
- 6) Council and the Mayor should ensure that the results of the forensic audit funded by Ordinance No. 216-2021 are publicly released without delay and publicly determine if additional steps are necessary.
- 7) The Mayor, Council, and the City administration should utilize the 2020 census to assist in evaluating the impact of the City's financial development incentives, where they have been utilized, the impact they have had on population, and identifying the communities that have and have not been benefited. Planning staff may be able to conduct such evaluation, but City Council and the Mayor should be prepared to fund independent experts who may be found at a local university to complete such a study.
- 8) The Development, Building, and Planning Departments should be required to notify applicants for City financial assistance, City land, building permits, or zoning relief of the training available to guide the ethical processing of such applications. The applicants should acknowledge receipt of such information in writing.

III. TRAINING

The Panel recommends ethics/good government training for elected officials and their staff, City employees, and developers. After reviewing materials regarding best practices in government, consulting with experts, and engaging with the public in hearings, the Panel has determined that such training will help create an ethical culture by providing the necessary knowledge to avoid running afoul of rules, to identify breaches of them, and to enforce clear lines of authority and appropriate behavior. In this connection, as discussed below, the Panel recommends mandatory, job-specific training at regular intervals for elected officials and their staffs, as well as City

employees. With regard to elected officials and their staff, the Panel recommends that Council and the Mayor work together to develop and adopt rules requiring attendance at such training. The Panel also recommends voluntary training for developers on the development process and conduct expectations. Globally, the City should develop and make accessible materials explaining expectations for conduct, as well as the ethical rules and good government practices to ensure all elected officials and City workers understand their obligations as public servants. In addition, information about ethics, the code of conduct, and other important rules should be easily accessible to employees so they can get assistance whenever they need it.

Pursuant to a May 2021 Charter Amendment, Councilmembers must complete a course approved by the Ohio Ethics Commission covering Ohio ethics law within the first 60 days after taking office. Thereafter, the City Manager's office provides voluntary training on ethics and charter responsibilities four to six times a year. As the following details, the Panel recommends mandatory, regular training in ethics and expected behavior for elected officials, their staff, and City employees and that training is offered for developers.

When Paul Nick, Executive Director of the Ohio Ethics Commission, addressed the Panel on March 26, 2021, he identified five jurisdictions engaging in model practices regarding ethics. Three required training: Chicago, Illinois; Philadelphia, Pennsylvania; and Cuyahoga County, Ohio. In Chicago, a broad range of persons must complete regular training annually and/or quadrennially: elected officials, City employees, and registered lobbyists. A fine of at least \$200 may follow failure to comply.¹⁰ Philadelphia requires annual training for "all elected City officers, all cabinet members, all City department heads, and all board and commission members, and their respective staff members."¹¹ The substance of the training depends upon the position. The regulation encourages other City employees to attend voluntarily and authorizes supervisors to require certain members of their staffs to participate.¹² Cuyahoga County requires training for all elected officials, employees, and board members within their first 30 days at work, and annually thereafter.¹³ The County Department of Human Resources provides the necessary instruction.

Cincinnati Law third-year student Evan Gildenblatt discussed the importance of ethics training and education in his April 23, 2021, remarks to the Panel. Gildenblatt earned his MPA from Kent State University, where he conducted research regarding political corruption and public sector ethics. According to Gildenblatt in-house, "manager-led training" was important to demonstrate and "emphasize [institutional] support for the program."¹⁴ Discussing best practices for government, Gildenblatt noted that such training presents a "strategic opportunity to aid general decision-making and

transform organizational culture,” as well as “reestablish[ing] public trust in institutions of government.”¹⁵ He observed that a robust training regime includes materials designed to address the different needs of groups with different responsibilities – in other words, materials meant for employees would cover different issues and rules than those targeting elected officials or board appointees.¹⁶ In addition, he recommended developing supplemental materials employees can reference when confronting ambiguous situations, as well as identifying persons on staff or within the organization who can answer questions.¹⁷ “The more ethics education that public employees receive, the more likely they are to think themselves able to identify unethical behavior and have the courage to report it.”¹⁸ In this regard, regularized training and education are critical to creating an ethical culture and empowering all employees to contribute to its maintenance.

Finally, the Panel heard in public hearings about the complexity of the development process, which was a barrier to new developers, as well as diverse developers the City seeks to encourage. Such concerns reflect a lack of transparency, among other things, which can facilitate unethical behavior. Training developers about the process will help to obviate the need for them to contact Councilmembers, removing one opportunity for unethical conduct to occur. Moreover, educating developers will help level the playing ground for developers who are new to the City or the process.

TRAINING FOR ELECTED OFFICIALS

The Panel recommends that City Council and the Mayor work together to develop and adopt rules requiring them and their staff to attend annual ethics and “good government” training and education.

At present City Councilmembers must receive ethics training within 60 days¹⁹ of taking the oath of office. The Panel recommends building upon that requirement in several key areas. First, relevant training and education materials should be provided to candidates (be included in a candidates’ packet when they take out a petition to run, or when alerted of their requirements to file their campaign finance reports) and candidates should be required to sign an acknowledgement of receipt of these materials. Compliance with the training requirement will be made publicly available and promulgated. Such training shall periodically include, as applicable:

- Ethics
- All legal and administrative requirements with respect to campaign contributions and disclosure
- Interaction with developers and constituents
- Role of Councilmembers and the Mayor in development

¹⁹ The Charter, as amended in May 2021, requires the ethics course to be approved by the OEC, or if no such course is available within the 60 days, an alternative course may be provided by the City Solicitor.

The Panel further recommends that, consistent with the recent Charter amendment, elected officials who fail to get trained will lose their legislative privileges.

A. TRAINING FOR CITY EMPLOYEES

At present, the City administration provides training with respect to ethics requirements and its personnel policies regarding conduct that apply to all employees in the administrative service.²⁰ The City administration's ethics, conduct, and reporting requirements apply to the City Manager and all employees in the administrative service, including Community and Economic Development, Department of Public Services, and Contract Compliance staff.

The Panel recommends that all City employees continue to receive training and have refresher courses at least annually in these policies and ethics and "good government" practices provided by the City Manager's Office. Employees failing to complete this training will be subject to applicable disciplinary procedures. Training should include, as applicable:

- All relevant requirements, laws, regulations, and expectations
- Address job-specific issues
- Best practices
- Ethics and benefits of ethical behavior
- Contact information for questions

B. TRAINING FOR DEVELOPERS

The Panel recommends that the City Manager's office maintain conduct expectations for developers, as well as those who act on their behalf, consistent with the Code of Conduct discussed above.²¹ The City Manager should also provide regular training and information about those expectations. Developers should acknowledge in writing the availability of this optional training.

The training should be available for both new and experienced developers who are local or out-of-City/state as well as their staff and the City's legislative staff, marketed by the City, and be available online to maximize accessibility. Training shall include such topics as:

- Applicable/relevant legal, regulatory, and administrative requirements

²⁰ Per the Charter, City employees in the mayoral and legislative service (e.g., City Council) are not supervised by the City Manager and have therefore not been required to participate in the Administration's onboarding training process. As part of new employee onboarding and training held by the Department of Human Resources, all employees in the administrative service receive training on the ethics rules as part of the onboarding process.

²¹ Lobbyists are regulated at the City, State, and Federal levels and thus are not included here.

- Behavioral expectations
- Appropriate/inappropriate contact with legislators and the importance of understanding Cincinnati's City Manager form of government
- Development processes including planning and zoning.

IV. CONFIDENTIAL WHISTLEBLOWER HOTLINE

The City currently maintains a "Fraud, Waste and Abuse Hotline" through its Internal Audit Department. It is available both telephonically and online.²² According to its website, the hotline "allows employees and citizens to safely and anonymously alert the City to this sort of behavior. Employees calling the hotline are protected under Ordinance No. 468-1987, which prohibits retaliation against employees for whistleblower actions." The hotline is used infrequently, and even then, the subjects of the calls tend to be about matters other than fraud waste and abuse, including issues that do not relate to the City or fall under the jurisdiction of the City. The Panel does not see a need to add a new hotline. However, the Panel does recommend that additional measures be taken to ensure the hotline is better utilized, covers a wider range of concerns, is well publicized and its existence well known.

The Panel recommends that the City reformulate its existing confidential whistleblower hotline to allow and encourage a wider scope of topics reported. The City Manager's office should operate the hotline and invite any person to use the hotline to report unethical, illegal conduct, or inappropriate conduct, conflicts of interest, violations of City or Council behavioral or administrative codes and any inappropriate request or demand from any public servant, elected or otherwise. The name of the hotline should be changed from "Fraud, Waste and Abuse" to one that reflects the broader scope of the reports it is available to receive and so as to further encourage reporting.

The City Manager's office should promote the existence and availability of the hotline, urge its use, and publicize it widely. It should take action on the information provided by hotline callers, and, where appropriate, report back to the caller on action taken. The City should address how to allow confidentiality for those who want it subject to the requirements of Ohio Open Records laws and make clear to callers the applicability of City and state whistleblower protections afforded callers.

Whistleblower hotlines serve a number of functions.²³ They are a valuable means by which an organization can learn of concerns and then investigate them. They are a means by which the caller can raise issues, ask questions, and seek guidance from the appropriate office. As Paul Nick advised the panel, whistle blower hotlines help build an

ethical culture and have a deterrent effect. They can also increase trust in the organization and its leaders. For instance, in one local non-profit organization, the first call to the new hotline was a complaint against the CEO: a charge that the organization was overbilling on a contract. The organization investigated the charge and reported back to the caller that as the contract involved was a cost for services contract, no overbilling would result. Such processes reinforce trust in the organization and its leaders. They support morale and assure employees that they are heard without fearing or facing repercussions and in so doing can reduce turnover. Changes to the City's current hotline can better achieve these benefits.

The nomenclature of the present hotline, "Fraud Waste and Abuse," and its home in the Internal Audit Department suggest its scope is limited to those topics and management. In order to encourage callers to report matters beyond fraud, waste, and abuse, such as concepts like unethical or inappropriate conduct and conflicts of interest, the Panel recommends that the name of the hotline be changed to one that reflects the scope of the reports it is available to receive and so as to encourage reporting. Given this broader purpose, the City Manager's office should operate the hotline and take action on the information provided.

Such action should include reporting back to the original caller/ informer. Management and Ethics experts advise that such "closing the loop" supports good employee morale. While disclosing personnel actions typically would be off limits, the City Manager's designee can relate the organization's response. This could be as simple as saying that the appropriate party investigated the complaint made findings and then took appropriate action. This approach reinforces for the employee that reporting the conduct or concern was the right thing to do, and that misconduct is unacceptable. Consequently, where appropriate, the City Manager's office should report back to the caller on action taken.

Confidentiality for callers is key to encouraging their use of a hotline. Because of the sensitive nature of reporting illegal, unethical, or inappropriate conduct, callers, especially employees, fear reprisal. Therefore, it is important for the City to continue to address how to allow confidentiality for those who want it and making it available to them. One such way the Panel recommends for doing this is for the City to continue to notify those providing information by phone or online that Ohio Open Records laws may preclude their identity remaining confidential if they provide their name.²⁴ While the current hotline does allow callers to choose not to disclose their identity, an anonymous report is harder to investigate. The City should also make clear to callers the applicability of City and state whistleblower protections afforded callers.

²⁴ The City currently advises: "If the caller wishes to remain completely anonymous, Internal Audit will collect no data that could be tied to the caller." The City also so advises on its hotline website: "Employees calling the hotline are protected under Ordinance No. 468-1987, which prohibits retaliation against employees for whistle blower actions." <https://www.cincinnati-oh.gov/manager/internal-audit/internal-audit-fraud-hotline/>.

Given the paltry number of calls to the existing City hotline, the Panel recommends that the City Manager should regularly promote the existence and availability of the hotline, encourage its use, and publicize it. One way the Panel recommends that this occur is by the City including it, together with the attendant protections, in the training of City employees with respect to behavior expectations.

Another way for the City Manager to promote the hotline is to provide training with respect to whistle blower protections against retaliation that are afforded hotline callers under Ohio and Cincinnati laws. Ohio Revised Code 4113.52 provides such protections.²⁵ The state provisions extend to the report of wrongdoing related to development and related activities in the City of Cincinnati. Additionally, the City of Cincinnati's Municipal Code Section 308-79 provides anti-retaliation protections for City employees who report suspected wrongdoing. There are also numerous whistleblower programs at the federal level, including through the Department of Justice's Office of the Inspector General.²⁶ These programs typically protect federal employees and federal contractors that report wrongdoing and protect against retaliation.

The Panel also recommends that the existence of the hotline and the prohibition against retaliating against those who use it be included in the Codes of Conduct, and further recommends that elected officials recognize in their code the right of employees to report misconduct without retaliation and sign the Code of Conduct at their first meeting.

V. CAMPAIGN CONTRIBUTION REGULATIONS AND INCREASING TRANSPARENCY & DISCLOSURE

Reforming the City's regulations on campaign solicitations, contributions, and disclosures is an important component in a broad program of reforms covered in the Panel's recommendations. As courts and experts have noted, campaign contributions present a unique risk for unethical behavior through pay-to-play, which is why it is crucially important to have well-regulated campaign contribution rules and restrictions that prioritize disclosure and transparency to the public. Campaign contribution regulation alone cannot eliminate corrupt behavior, as past incidents have demonstrated, but targeted, restricted regulation as part of a broader package of ethics reform can have significant impact.

Therefore, the Panel recommends:

- City Council adopt an ordinance that prohibits the Mayor and Councilmembers from soliciting or accepting, and a developer from making, any contributions from the time a matter involving the developer is transmitted to the Clerk of Council until the matter is disposed of by final action of Council and the Mayor;
- City Council create a specific definition for "developer" for the purposes of this section;

²⁵ See <https://codes.ohio.gov/ohio-revised-code/section-4113.52>.

²⁶ See <https://oig.justice.gov/hotline/whistleblower-protection>

- City Council adopt an ordinance that requires the Mayor, Councilmembers, and candidates for those offices to file with the Cincinnati Elections Commission copies of all campaign finance reports of other campaign accounts or committees over which they have control, and that the City administration makes those available on the City website and searchable where possible; and
- the City create and maintain an “active developer” list that is published on the City’s website.

A. CAMPAIGN CONTRIBUTION RESTRICTIONS

As part of the Panel’s charge, the Panel has examined campaign contributions, their potential effects on the economic development process, and what regulations should be put in place to create an environment that encourages ethical behavior in this space. In doing so, the Panel has prioritized situations most at risk for pay-to-play schemes and illegal behavior based on the development process and the roles of various parties, including developers, the City administration, and elected officials.

In researching, the panel heard from experts Chris Bryant, Rufus King Professor of Constitutional Law, and Evan Gildenblatt, a Law student, from UC Law School who earned his master’s degree in public administration from Kent State University, regarding Constitutional issues related to restrictions on campaign contributions, pay-to-play laws, and methods to restore public trust after corruption issues. Professor Bryant provided a brief history of court decisions on campaign contributions and efforts to limit pay-to-play in government contracting and decision-making. Ultimately, while there are some constitutional limitations on the restrictions that can be implemented,²⁷ federal circuit courts have upheld certain types of restrictions, such as those that are limited in scope, meant to address demonstrated past incidents of corruption, and that are part of a broader package of reforms to restore the public trust.

Elected officials soliciting for or receiving campaign contributions from a developer while that developer has business on the City Council calendar pose great risk for corruption and undue influence.

Many economic development projects take several months or even several years to come to fruition. Much of that time is spent working with the City administration, the community, and other external parties to put all of the pieces together. Some projects never make it through the initial process and Council is never asked to take action on them. Ultimately, however, whether a certain project moves forward usually depends on official action taken by the City’s elected officials, which is an approval vote of City Council.²⁸ By allowing elected officials to solicit or receive contributions from developers during the time period that the developer’s project is officially before them increases the risk that the developer may be asked or offer to make a campaign contribution in exchange for the elected official taking that official action.

²⁷ For full summary, please see appendix outlining Constitutional Issues Surrounding Campaign Contributions and Expenditures.

²⁸The Mayor has legislative veto power, also, which can be overridden by a supermajority of City Council.

The Panel recommends that City Council adopt an ordinance that prohibits the Mayor and Councilmembers from soliciting or accepting, and a developer from making, any contributions from the time a matter involving the developer is transmitted to the Clerk of Council until the matter is disposed of by final action of Council and the Mayor. Final action will vary with the circumstances, but generally occurs upon the end of the exercise of Council and Mayoral authority over the legislative matter (e.g., upon passage of legislation by Council signed by the Mayor, upon conclusion of the veto process, or upon failure of an item in Council).

The Panel also recommends that the City define what constitutes a “developer” for the purposes of this section. The term “developer” is incredibly broad and is defined in very different ways; therefore, it is important for City Council to establish a definition of what constitutes a developer for this purpose in order to set clear expectations for those working in and around economic development, including the City administration who will need to oversee the regulations.

For purposes of this section, the Panel recommends that the definition of developer include, at minimum, the following criteria:

1. An entity who is pursuing a “qualifying matter” that falls into the following criteria:
 - a. Seeking tax or other economic development incentives valued at more than \$100,000;
 - b. Seeking to purchase City property valued at more than \$200,000; and/or
 - c. Applying for zoning changes that require City Council approval.
2. And pursuant to section 1:
 - a. If the entity pursuing the qualifying matter is an individual, it means the individual and the spouse of the individual.
 - b. If the entity pursuing the qualifying matter is a corporation, limited liability company, partnership, trust, or unincorporated association, it means (i) the corporation, partnership, trust, or unincorporated association itself, (ii) the owners, members, partners, directors, and principal officers of such corporation, partnership, trust, or unincorporated association, and the spouses of each.

One key consideration the Panel has taken into account in this definition is the size and scope of the project, which is outlined in section (1) of the definition. It is crucial to include economic development projects that have substantial levels of incentives or significant zoning changes. However, many incentives and regulations that could be considered “economic development” under a broad definition sometimes apply to someone's single family residence or a routine zoning change for a small business. It is important to the Panel that the City not create barriers to entry or unintended legal consequences for individuals who are developing their own homes or a single small project. It is also important to avoid hindering small but impactful neighborhood

development projects. Not only could the inclusion of these have negative unintended consequences, but given their low risk of corruption, it would create an unfair administrative burden.

Section (2) of the definition outlines who specifically qualifies as a developer via their status as an individual or a person within an organization that is receiving the benefit from the City. This definition is meant to ensure that those who have the most to gain from the approval of the project, and therefore would be most susceptible to potential pay-to-play schemes, are subjected to the restriction. It also creates a bright line for the administration of the regulation.

In response to the City Council's direction, the Panel considered, and does not recommend, that developers who contribute to elected officials be barred from receiving contracts with the City for 24 months. This proposal has the possibility of negatively impacting the city's ability to support desirable growth, whether intentionally or unintentionally. Many developers, individuals, or businesses often do not anticipate at least two years in advance if they are going to take on a particular project or especially in the case of small businesses, need incentives to grow. Additionally, this proposal could essentially bar certain people from making any contributions ever to councilmembers, even if those individuals are city residents who have an interest as citizens and community members in the election of the mayor and council. The panel preferred to take a more targeted approach.

The Panel reviewed various documents outlining the current laws and regulations for campaign contributions in the City of Cincinnati and State of Ohio. This included the 2018 Charter Amendment that closed the "LLC Loophole" by requiring any contribution to a candidate from an LLC be attributed to an individual owner so that an individual could not contribute through multiple LLCs. This ensures they are held to the \$1100 individual contribution limit. The Panel commends this notable step in reducing the risk for those who own multiple LLCs to have an outsized influence and possibly be more susceptible to pay-to-play solicitations.

The Panel also considered imposing a lower contribution limit for developers. A reduction of the campaign contribution limit, generally or for a specific group of people, would require a Charter amendment compared to restricting the period during which a developer may contribute to elected officials, which can likely be done by ordinance alone. It is also worth noting that the City of Cincinnati campaign contribution limit for individuals, which is \$1100, is among the lowest compared to many jurisdictions. The State of Ohio limits contributions by an individual to state legislative candidates to \$13,292.35 per election cycle. Many other cities in Ohio have adopted the state's limits and several have no contribution limits at all. Choosing to further limit the amount an individual can give, particularly after the closure of the so-called LLC Loophole would likely have minimal effect on the risk for pay-to-play.

As noted above, the Panel has prioritized situations most at risk for pay-to-play schemes and illegal behavior based on the development process and the roles of various parties, including developers, the City administration, and elected officials. Following the creation of the Economic Development Reform Panel, the City adopted Ordinance No. 216-2021 approving funding for a forensic audit of City Council ordinances related to economic development between January 1, 2018 and December 31, 2020. The results of that audit should be publicly released. City Council should consider those results and determine if additional work is necessary to study possible links between campaign contributions and development agreements.

B. DISCLOSURE AND TRANSPARENCY

Every expert on ethics who spoke to the Panel noted that disclosure and transparency were two of the best ways to deter unethical and corrupt behavior and to ensure public trust. As noted above, Evan Gildenblatt presented methods to restore public trust after corruption issues, and he emphasized that not only were disclosure and transparency important, but that those efforts also needed to include communicating disclosures in an accessible way to the public.

To that end, the Panel had a presentation by Kelly LaFrankie, Interim Director, Office of Data and Performance Analytics, regarding the capabilities of OPDA and specifically, its ability to place information on the City's website in an accessible, searchable manner.

The Panel reviewed various documents outlining the current laws and regulations for campaign disclosures in the City of Cincinnati and State of Ohio and found that reporting frequency is consistent with other states and municipalities. However, the City of Cincinnati does not currently publish on its website all campaign finance reports of other campaign accounts or committees over which the Mayor or individual Councilmembers have control. If an elected official making decisions on behalf of the City has another political account, the public should be given access through the City to see who is making contributions to that account.

Therefore, with respect to the disclosure of campaign contributions, the Panel recommends that City Council adopt an ordinance that requires the Mayor, Councilmembers, and candidates²⁹ for those offices to file with the Cincinnati Elections Commission copies of all campaign finance reports of other campaign accounts or committees over which they have control. This is in addition to the requirements of Article XIII of the City Charter. They should provide such reports to the Commission

²⁹ The Charter incorporates the definitions of "candidate" contained in R.C. 3517.01 and R.C. 3501.01(H). A candidate, generally, is someone that has been approved by the Hamilton County Board of Elections for placement on the official ballot as a candidate for Mayor or member of Council. It also includes anyone who at any time before or after an election, receives contributions or makes expenditures or appoints a campaign treasurer for the purpose of election to office.

within 48 hours of their filing with whatever body with which they were otherwise required to be filed. Compliance with this requirement may be satisfied by the officer holder or candidate providing a statement to the Commission that identifies all other campaign accounts or committees which they control in addition to their Mayoral or Council Campaign Committee by providing the name of any such account or committee, the name of its treasurer, the location where the original reports of such account or committee are filed, and an internet link to those reports on a searchable data base. If no such internet link is available, the candidate or office holder shall file a complete copy of such filings with the Commission. The City shall post such information on its website along with the filings of each office holder or candidates required by Article XIII of the City Charter.

In addition to furthering public availability of campaign contributions, the Panel also recommends that the City create and maintain an "active developer" list that is published on the City's website. Developers should be placed on the "active developer list" from the time a "qualifying matter" involving the developer is transmitted to the Clerk of Council until the matter is disposed of by final action of Council and the Mayor. Final action will vary with the circumstances, but generally occurs upon the end of the exercise of Council and Mayoral authority over the legislative matter (e.g., upon passage of legislation by Council signed by the Mayor, upon conclusion the veto process, or upon failure of an item in Council). During the period in which a developer is on the "active developer" list, City Councilmembers and the Mayor should be prohibited from soliciting or accepting any contributions to any of their campaign or political accounts. (See details above in campaign contribution section).

The Panel recommends that prior to or immediately upon entering the "active developer" list, developers should acknowledge in writing these restrictions and their obligation to report a violation by an elected official. This would serve as both an awareness tool and a deterrent for illegal behavior and pay-to-play schemes. This list should be maintained by the City administration and publicly available on the City's website. When an entity rolls off the "active" developer list, the developer should be placed in a separate "archive" section. Given the number of transactions that occur on a daily basis at the City, maintenance of an active developer list would be a significant undertaking. The Panel recommends that Council appropriate sufficient funding to set up and operate this function.

Adding the public disclosure of active developers paired with a searchable database of political contributions to all City elected officials' campaign accounts should provide the public with a significant increase in disclosure and transparency. This will allow the public to hold accountable the elected officials making decisions on their behalf.

VI. CODE OF CONDUCT

The Panel recommends that as further discussed below, Codes of Conduct be established and maintained for elected officials and their staff, the City administration and its employees, appointees, and developers. These codes should address their legal and administrative requirements as well as those with whom they interact, and requirements and protections for reporting impropriety. Receipt of these Codes should be acknowledged in writing and kept on file.

Unethical behavior, as has been seen and alleged recently in Cincinnati and nationally, erodes public trust in institutions of government. Public trust is hard to build, but easy to lose.³⁰ One step in building an ethical organization is clearly stating policies and expectations. It is for this reason the Panel recommends maintaining and establishing codes of conduct for elected officials, city employees, and developers. For purposes of these recommendations, the Panel uses the term “Code of Conduct,” and intends that a code embrace a wide spectrum of behavior ranging from reiterating legal requirements to expected ethical behavior and aspirations.

A code of conduct sets out requirements and makes public officials and employees aware of possible conflicts of interest. At the same time, these rules can alert the public, including those who have contact with City officials, employees, and appointees, what behavior they should be able to expect and when that line is crossed. These behavioral expectations can be included in a “Code of Conduct” that sets the tone for the organization. Cincinnati does so for City administrative employees in its Administrative Regulation 68, Conflicts of Interest and Contracting Ethics, as well as in the City employee handbook, Personnel Policies and Procedures.

Expectations concerning behavior should be agency specific. Instructive expectations “should include what constitutes misconduct, how to report it, and firm non-retaliation policies when employees communicate concerns.”³¹ Along this line, Mr. Gildenblatt advises that “materials distributed to all public employees and made accessible online should reinforce established ethical boundaries and encourage seeking an expert opinion when faced with a grey area.”³²

Cincinnati City Council and the Mayor agreed with the need for their own conduct guidelines as indicated by the charge to the Panel to “Propose a Code of Conduct for the City’s elected officials and developers, which Code should require developers to report inappropriate requests from the City’s elected officials.”³³ Given the events that led to the formation of the Panel, a more comprehensive approach should be taken: the

development of behavioral requirements for key stakeholders including elected officials and developers as is discussed here. Consequently, it is the recommendation of the Panel that ethical and behavioral requirements should govern the actions of elected City officials and their staffs, City employees and appointees, as well as those who do business with the City. In so doing, it is important to note that the Panel is aware of no allegations of inappropriate behavior by the City administration, its employees or by developers.³⁴

The Panel familiarized itself with approaches different municipalities have taken to address ethics and governance challenges. Many have codes of conduct, and the Executive Director of the Ohio Ethics Commission Paul Nick advised that that Chicago has a code of conduct that has been “modeled.” The Windy City’s code contains extensive guidelines, such as ones with respect to conflicts of interest that pertain to participating in decision-making. Expectations and requirements concerning behavior should be agency specific. Instructive expectations “should include what constitutes misconduct, how to report it, and firm non-retaliation policies when employees communicate concerns.”³⁵

Crafting a code of conduct for each of the stakeholder groups is best left to those solely charged with this duty and with the necessary expertise and familiarity with best practices and policies. The Panel therefore is not in a position to write a Code or recommend comprehensively what components necessarily should be included in each of the three sets of guidelines it is proffering. Based on our research and review, however, the Panel is in position to recommend topics that should be included in codes of conduct for elected officials and their staffs, City employees and appointees, and developers.

A. CODE OF CONDUCT FOR ELECTED OFFICIALS AND STAFF

City Council and the Mayor should, through an ordinance, collaborate to adopt and reflect requirements governing their behavior in a Code of Conduct for elected officials and staff. This should govern the interaction between elected officials and their staff, with City administration, City employees, and with developers and those who act on their behalf, as well as with each other. Elected officials should hold themselves and their staffs to the same high standards as those governing those with whom they interact. Elected officials should pledge in writing that they will follow this Code of Conduct at or before the first meeting of Council at which they are seated, the original of which shall be filed with the Clerk of Council.

³⁴ As noted in the Training section, the City Administration currently has codes of conduct, ethics, and reporting requirements in place for the administrative service. The Panel recommends regular training on these requirements and provision of resources to educate employees on how to identify and report potential issues.

³⁵ Timothy J. Kloppenborg and Laurence J. Laning, *Achieving Success in Non-Profit Organizations*, Ann Marie Tracey, Chapter 4 – Walking the Talk: Serving Stakeholders with Ethics, Values and Good Governance Business Expert Press (2014).

As further discussed below, the Code of Conduct for Elected Officials and Staff should restrict their involvement in development projects and interactions with developers, including with respect to campaign contributions. It should address how they and their staff interact with boards and commissions and underscore that they must not attempt to interfere privately with quasi-judicial proceedings of boards and commissions or the Zoning Hearing Officer. The Code of Conduct for Elected Officials and Staff should also require reporting wrongdoing on a hotline or otherwise and recognizing the ban on retaliation if others report inappropriate conduct.

While City Council may enact rules governing its behavior, the Panel has inquired, and has not found, any such guidance City elected officials have crafted or adopted for themselves. In order to maintain a level playing field, deter inappropriate behavior, reinforce proper behavior, and re-earn public confidence, City Council and the Mayor should adopt rules for themselves and their staffs that articulate the expectation of certain behaviors and remind of them of others.

While the rules may address a wide span of behaviors, it is essential that some be articulated unambiguously in the area of economic development projects. The rules should address conflicts of interest and maintain proper roles under the City Charter, as is discussed above in the development section. These rules should preclude the involvement of Councilmembers with contract negotiations especially with respect to economic development or interfering in the development process. In order to maintain the impartiality of the development process, the rules should underscore that it is improper for elected officials and their staffs (or anyone else for that matter) to attempt to privately influence the decision makers who will be conducting quasi-judicial hearings and making decisions based on those hearings. In this vein the stated expectations should address how an elected official/staff interacts with Boards and Commissions involved in development issues. These self-governing rules should require the Mayor, or a Councilmember or staff to report an offer of something of value in connection with a development project or public contract.

Finally, it is essential that elected officials encourage their employees to hold them to a high standard. One way they can do this, which the Panel recommends, is specifically to recognize by rule the right and obligation of City employees to report any conflicts of interest or violations of the law they have reasonable cause to believe are occurring to City, state, or federal agencies and recognize that in doing so they are protected by Ohio's Whistleblower Protection Act contained in R.C. 4113.52 and the provisions of Cincinnati Municipal Code Section 308-79, Protected Employees Actions.

B. CODE OF CONDUCT FOR CITY EMPLOYEES AND APPOINTEES

The Panel recommends that the City Manager's office should maintain conduct rules and expectations for all City employees and appointees, and regularly provide training and information about these expectations, together with applicable legal and administrative requirements. In addition to stating expected behavior for all City employees and appointees, the Code should articulate job-related requirements. The

Panel also recommends that certain topics be included, as further discussed below. Specifically, this Code should require reporting of inappropriate behavior, emphasize hotline availability and whistleblower protections, and prohibit interfering in or attempting to influence the City's quasi-judicial proceedings.

There have been no concerns brought to the attention of the Panel regarding improper behavior on the part of City employees and appointees. However, as clear guidelines set the tone and inform what behavior is expected, the Panel addresses them here. In so doing the Panel recognizes that there are some guidelines for City employees already in play. Administrative Regulation 68 addresses Conflicts of Interest and Contracting Ethics and the City's Personnel Policies and Procedures handbook also sets out expectations and requirements.

The Code of Conduct provisions the Panel recommends with respect to City employees and appointees goes beyond these provisions and fall into four categories. The first is that the guidelines *be specific* with respect to behavioral expectations, and that they correspond with the position responsibilities of the employee, as discussed earlier. For instance, employees working in the economic development process should be familiarized with guidelines not only with respect to their roles, but also with the conduct expectations for City Councilmembers and developers.

The second category emphasizes the importance of employee's *being knowledgeable* with the guidelines and enabling that to occur. In order to reinforce the guidelines and to assure familiarity, the rules should *require participation in training* with respect to expected behavior. When employees know what conduct is expected, they can more readily identify improper behavior and report it.

Next, the guidelines should *inform and impose responsibility* on employees and appointees with respect to upholding behavioral expectations. They should be required promptly to report violations of the Code of Conduct or unethical or illegal behavior to the City Manager, the Ohio Ethics Commission, law enforcement, a designated hotline, or other appropriate designee. At the same time, to facilitate and encourage such reporting, the guidelines should inform employees of the means of reporting improper behavior (e.g., hotlines, designated City Manager representative), and provide that contact information as employees may be reluctant to provide information about inappropriate conduct. In order to underscore its import and to ease concerns, the Code of Conduct provisions should advise of whistleblower protections.

Finally, it is important to uphold transparency and fairness in the development process. Employees and appointees, and others should be reminded of the prohibition against any attempt to privately influence decision makers who will conduct quasi-judicial hearings and making decisions based on those hearings.

C. CODE OF CONDUCT FOR DEVELOPERS

The Panel recommends that the City Manager's office should establish conduct requirements for developers, as well as those who act on their behalf, and regularly provide training and information about these expectations. Review and enforcement may be by the City Manager or the City Manager's designee. As further discussed below, the Panel recommends that the requirements articulated include applicable legal and administrative requirements, training, campaign contributions, reporting violations of the conduct expectations or illegal behavior, and quasi-judicial processes. The City Manager should require the developer to acknowledge in writing receipt of requirements regarding expected behavior and their agreement to abide by an ethics and/or code of conduct.

The Panel recommends that the City Manager establish a Code of Conduct for developers that contains certain components. The rules should advise them of duties they have and restrictions they face if they choose to do business with the City. These are intended to be informative about the development process and developers' appropriate role in it.

The Code should clearly state applicable legal and administrative requirements and should articulate legal and other requirements with respect to elected officials, as well as campaign contributions to elected officials and candidates. Specifically, the code should reiterate that developers should be prohibited from giving campaign contributions to City elected officials as proscribed by law and as set out elsewhere in this report. Because mutual reporting by the public and private sector is the most effective approach for full disclosure, the Panel recommends that their code require developers to immediately report improper solicitations from elected officials. The guidelines should also underscore the impropriety of any attempt to privately influence decision makers who will be conducting quasi-judicial hearings and making decisions based on those hearings.

The Panel further recommends that a Code for developers should address a duty to report. These standards should require them to promptly report violations of the conduct expectations or illegal behavior to the City Manager, law enforcement, a designated hotline, or other appropriate official. Specifically, developers should be required to report any attempt by an elected City official to solicit a campaign contribution when the same is not permitted.

Finally, the City Manager should require the developer to acknowledge in writing receipt of requirements regarding required behavior and their agreement to abide by City requirements and their code of conduct.

VII. CONCLUSION

City Council and the Mayor have charged the Economic Development Reform Panel with helping rebuild public confidence in City government. Members of the Economic Development Reform Panel have taken this responsibility seriously in recommending needed changes to Cincinnati's governance. Based on its review of the current regulatory regime, best practices, and information provided by the public, the Panel has provided an integrated set of recommendations—that is, each supports one another to provide a foundation for building an ethical culture. For example, imposing standards of behavior requires training and education about them. Similarly, restricting campaign contributions necessitates transparency. Requiring City officials, employees, and developers to report violations means these stakeholders and the public must be educated about expected behaviors. Finally, reporting mechanisms such as whistleblower hotlines require robust communications about their existence and, importantly, available protections against retaliation. The Panel has chosen this approach, guided by the imperative of restoring the public's faith in City government and ensuring that the development process is insulated from political influence and cronyism. For the foregoing reasons, the Panel requests that Council endorse this report and take steps necessary to implement the Panel's recommendations as a whole.

JOB CREATION TAX CREDIT AGREEMENT

This Job Creation Tax Credit Agreement (this "Agreement") is made and entered into as of the Effective Date (as defined on the signature page hereof) by and between the CITY OF CINCINNATI, an Ohio municipal corporation (the "City"), and STARSTONE US INTERMEDIARIES, INC., a New Jersey corporation (the "Grantee").

BACKGROUND INFORMATION

- A. The City seeks to increase employment opportunities and to encourage establishment of new jobs within the corporate boundaries of the City of Cincinnati (the "City Boundaries"), in order to improve the economic welfare of the City and its citizens, in furtherance of the public purposes enunciated in Article VIII, Section 13 of the Ohio Constitution.
- B. The City has determined that the Grantee will create new jobs within the City Boundaries in connection with a project to be implemented by the Grantee at 201 E. Fifth Street, Cincinnati, Ohio (the "Project Site"), consisting of constructing leasehold improvements on the Project Site (the "Project").
- C. Cincinnati Municipal Code ("CMC") Chapter 311 imposes income taxes, including a tax on business net profits. The Grantee represents and has documented to the City that the credit authorized by this Agreement against the tax imposed on the Grantee's net profits under CMC Chapter 311 (the "City Income Tax Credit") is a major factor in the Grantee's decision to go forward with the Project, to offset costs of capital expenditures and/or moving.
- D. The City Income Tax Credit as provided in this Agreement is authorized by Ohio Revised Code ("ORC") Sections 718.15 and 718.151.
- E. The City and Grantee intend that Grantee will implement the Project partly as a result of Grantee cost savings resulting from a thirty-five percent (35%) City Income Tax Credit applicable to new jobs created by Grantee at the Project Site for a period of four (4) years, and thereby create 55 new jobs in the City within three (3) years of the Determination Date (as defined below).

STATEMENT OF THE AGREEMENT

In consideration of the foregoing and the mutual promises and covenants hereinafter set forth, the parties agree as follows:

- 1. PRECONDITIONS TO EFFECTIVENESS OF AGREEMENT. Notwithstanding anything to the contrary herein, this Agreement shall be of no force and effect unless and until (1) this Agreement is fully executed by both parties and (2) the Council of the City of Cincinnati passes an ordinance approving this Agreement, and the ordinance takes effect.
- 2. CERTAIN DEFINITIONS. As used in this Agreement:

 - (B) "City Tax Credit Term" means the 4-year term commencing for Tax Year 2022 or 2023, at the option of the Grantee.

An employee is considered to have a primary work location within the City if at least fifty-one percent (51%) of the compensation paid by the Grantee to that employee is taxed by the City with respect to work performed in the City.
- (F) "Income Tax Revenue" means, for any Tax Year:
- (1) Payments from the Grantee to the City in an amount equal to the aggregate amount of earnings taxes withheld on the qualifying wages (as defined in CMC Section 311-9-Q) paid by the Grantee to all Aggregate Employees whose primary work location is the Project Site; less
 - (2) Any amounts refunded by the City to Aggregate Employees whose primary work location is the Project Site (pursuant to CMC Chapter 311) relating to qualifying wages (as defined in CMC Section 311-9-Q) paid by the Grantee, as such refunds are reported by the City to the Grantee from time to time.
- (G) "Initial Tax Year" means the first Tax Year during which the Grantee is entitled to a City Income Tax Credit.

- (I) "Net Number of New Employees" means, for any Tax Year, the lesser of:
- (1) The average Number of New Employees in the final three (3) calendar months of that Tax Year; or
 - (2) The remainder computed by subtracting (a) the Baseline City-Wide Employment Level from (b) the average number of the Grantee's City-Wide Employees in the final three (3) months of that Tax Year; or
 - (3) The remainder computed by subtracting (a) the Baseline Aggregate Employment Level from (b) the average number of Aggregate Employees in the final three (3) months of that Tax Year.
- Computations of an "average number" of employees, as required by this Agreement, shall be made and documented by the Grantee in a manner subject to approval by the City, such approval not to be unreasonably withheld.
- (J) "New Employee" means an employee of the Grantee that meets all of the following criteria during the applicable Tax Year: (i) has a primary work location at the Project Site, (ii) is first employed by the Grantee within the City Boundaries after the Determination Date, and (iii) is paid at least the Minimum Qualifying Wage by the Grantee at all times during the applicable Tax Year. An employee is considered to have a primary work location at the Project Site if at least fifty-one percent (51%) of the compensation paid by the Grantee to that employee is taxed by the City with respect to work performed at the Project Site. "New Employees" may include employees of the Grantee employed in

employment positions that were relocated to the Project Site from other operations of the Grantee (or of a Related Member) outside of the City Boundaries.

- (K) "New Income Tax Revenue" means, for any Tax Year, the lesser of:
- (1) Income Tax Revenue in such Tax Year relating only to New Employees; or
 - (2) The amount computed by multiplying (a) the Net Number of New Employees for such Tax Year by (b) the average amount of Income Tax Revenue received by the City in such Tax Year per New Employee (which average amount is computed by dividing (x) the total Income Tax Revenue for such Tax Year relating only to New Employees by (y) the monthly average of Number of New Employees (determined on a twelve (12) month basis) employed during such Tax Year.
- (L) "Number of Full-Time Employee Equivalents" means one fortieth (1/40) of the total number of compensated hours worked in a work week by permanent employees that are paid at least the Minimum Qualifying Wage for the duration of the applicable Tax Year (whether full-time or part-time), provided that the hours included in the calculation may not exceed forty (40) per week for any individual employee.
- (M) "Number of New Employees" means, for any stated period, the Number of Full-Time Employee Equivalents employed in that period, calculated only with reference to hours worked by New Employees.
- (N) "Related Member" means any of the Grantee's "related members" (as defined in ORC Section 122.171(A)(7)) that has at least one employee whose primary work location is within the City Boundaries (not limited to the Project Site), including those "related members" that begin operations within the City Boundaries on or after the Effective Date.
- (O) "Tax Year" means the fiscal year used by the Grantee to compute net profits under CMC Chapter 311.

3. PROJECT; JOB CREATION AND RETENTION.

- (A) Grantee Representations. The Grantee represents that:
- (1) The monthly average of the Number of Full-Time Employee Equivalents employed by the Grantee, for whom the Project Site was the primary work location, for the three (3) full calendar month period immediately prior to the Determination Date was 0.
 - (2) The monthly average of the Grantee's City-Wide Employees for the three (3) full calendar month period immediately prior to the Determination Date was 2 (the "Baseline City-Wide Employment Level").
 - (3) The monthly average of Aggregate Employees for the three (3) full calendar month period immediately prior to the Determination Date was 2 (the "Baseline Aggregate Employment Level").
 - (4) Related Members of the Grantee with any employees whose primary work location is within the City Boundaries as of the Effective Date (and the Related Members' Cincinnati addresses and Federal Tax Identification Numbers) consist of the following: None.
 - (5) The Grantee shall give written notice to the City of any Related Member that begins operations within the City Boundaries on or after the Effective Date.
- (B) Minimum Expenditures. The Grantee agrees to expend a minimum of \$425,000 on or before December 31, 2023 to accomplish the Project.
- (C) Minimum Number of New Employees. Within three (3) years from the Determination Date, the Grantee agrees to employ a Number of New Employees at the Project Site equal to at least fifty-five (55). The Grantee agrees that the aggregate annual wages of the New Employees will be equal to at least \$7,960,000.

- (D) Relocation of Employment Positions from Elsewhere in Ohio. The Grantee may not relocate a substantial number of employment positions from elsewhere in Ohio (i.e., outside the City) unless the Director of the Department of Community and Economic Development determines that the legislative authority of the county, township, or municipal corporation from which the employment positions would be relocated has been notified by the Grantee of the relocation.
- (E) Employment Retention by the Grantee.
- (1) During each year of the Employment Retention Period, the Grantee agrees to maintain a monthly average of Aggregate Employees (determined on a twelve (12) month basis) equal to or greater than the Baseline Aggregate Employee Level.
 - (2) During each of the first three (3) years of the City Tax Credit Term, the Grantee agrees to maintain a monthly average of the Grantee's City-Wide Employees (determined on a twelve (12) month basis) equal to or greater than the Baseline City-Wide Employee Level.
 - (3) Beginning with the fourth (4th) year of the City Tax Credit Term and continuing during each subsequent year of the Employment Retention Period, the Grantee agrees to maintain an average Net Number of New Employees (determined on a twelve (12) month basis) of at least ninety percent (90%) of the highest Net Number of New Employees reported by the Grantee in calculating the City Income Tax Credit in any prior Tax Year during the City Tax Credit Term.

The Grantee acknowledges and agrees that the obligations of the Grantee under this Agreement may be affected by decisions of the Related Members, as the City's agreement to provide the City Income Tax Credit authorized herein is conditioned on maintenance of the existing employment within the City Boundaries by both the Grantee and the Related Members. The Grantee may apply to the City Manager for waiver of this employment retention requirement (which waiver may be granted in the City Manager's sole discretion) on the grounds that the Grantee's failure to maintain the required Net Number of New Employees is excusable based on exceptional circumstances not under the control of the Grantee or of the Related Members, as described in Section 12.

- (F) City Residents; Referral Procedure for New Hires. The Grantee agrees to use its best efforts to fill at least seventy-five percent (75%) of the new jobs created in connection with the Project with employees residing within the City Boundaries (the "City Resident Hiring Goal"). In furtherance of such goal, the Grantee shall implement the following procedures:
- (1) City Representative. In its efforts to meet the City Resident Hiring Goal, the Grantee agrees to request referrals from the OhioMeansJobs Center (or such other agency as the City Manager may designate) when positions need to be filled. A representative of the personnel office of the Grantee will meet periodically with a representative of the OhioMeansJobs Center (the "City Representative") to assess the Grantee's future employment needs and to assure that qualified applicants can be recruited and trained in a timely manner.
 - (2) Initial Positions. As soon as practicable after execution of this Agreement, and no later than ninety (90) days prior to the earlier of (a) the scheduled initial occupancy of the Project or completion of renovation or expansion or (b) the date when the following employment positions will be filled, the Grantee agrees to notify the City Representative of the following:
 - (i) the number of new employees that will be required, and the date when the positions must be filled; (ii) the training, qualifications and experience required for the individuals who will fill the positions; and (iii) the name, address and telephone number of the person responsible for hiring. For positions requiring customized training, the Grantee agrees to provide such notice as far in advance of such ninety-day period as is practicable.
 - (3) City Referrals. The City Representative shall, within thirty (30) days after receiving such notification from the Grantee, submit in writing the following: (a) the positions for which the City intends to make referrals; (b) the names and qualifications of referred applicants for each position available; and (c) the date when these applicants will be available for interview. For positions requiring customized training, however, such information may be submitted to the Grantee up to thirty (30) days prior to the date that such positions are to be filled.

- (4) Interviews. The Grantee agrees to interview those applicants who are referred by the City Representative and shall consider for employment those applicants the Grantee finds to be qualified for an available position. If (a) the City Representative informs the Grantee that it does not intend to make referrals for a position, (b) the City Representative fails to refer applicants who are available for interview for a position in accordance with this subsection or (c) the applicants referred for a position are deemed not qualified by the Grantee, then the Grantee may hire individuals from other sources for such position, without any further obligations or restrictions hereunder as to such position.
- (5) Subsequent Positions. During the three (3) year period following the date upon which this Agreement becomes effective, if the Grantee needs to fill a vacant employment position (either from attrition or an increase in employment), the Grantee agrees to notify the City Representative for an additional referral of applicants. The Grantee, however, is under no obligation to postpone the hiring of a new employee pending receipt of referrals from the City Representative. If the position is still vacant at the time referrals are received from the City Representative, the Grantee shall interview those applicants who are referred by the City Representative and shall consider for employment those applicants the Grantee finds to be qualified for an available position.
- (6) Continuation of Referral Procedure. If the Grantee and the City agree that this referral process has been mutually beneficial, the parties shall continue the process after the three (3) year period.

4. CITY INCOME TAX CREDIT.

- (A) Credit Requirements. Subject to the terms and conditions of this Agreement, for each Tax Year during the City Tax Credit Term in which the Grantee has claimed the City Income Tax Credit on an income tax return filed directly with the City with respect to its net profits and is otherwise in full compliance with all requirements under both CMC Chapter 311 and this Agreement, the Grantee shall be allowed to apply the City Income Tax Credit stated in this Section against the tax imposed on the Grantee's net profits under CMC Chapter 311. The City Income Tax Credit shall be applied in accordance with any applicable rules and regulations (consistent with this Agreement) that may be adopted by the Board of Review (as defined in CMC Section 311-9-B1).
- (B) Amount of Credit. The amount of the City Income Tax Credit shall be the lesser of \$30,000 or thirty-five percent (35%) of any New Income Tax Revenue in a given Tax Year. The City Income Tax Credit shall be applied against net profits tax due to the City (pursuant to CMC Chapter 311) from the Grantee for such Tax Year. The City Income Tax Credit shall be allowed only after the allowance of all other credits and deductions under CMC Chapter 311. If the City Income Tax Credit exceeds the Grantee's tax liability for such Tax Year, the City Income Tax Credit shall be fully refundable.
- (C) Related Members. The Grantee acknowledges and agrees that the City Income Tax Credit calculated under this Agreement will be reduced to the extent that reductions in the number of Aggregate Employees of both the Grantee and the Related Members affect the calculation of Net Number of New Employees.

5. COVENANT AS TO OUTSTANDING LIABILITIES; INSPECTION OF RECORDS; FALSE STATEMENTS. In accordance with Ohio Revised Code Section 9.66, (A) the Grantee affirmatively covenants that it does not owe: (1) any delinquent taxes to the State of Ohio (the "State") or to a political subdivision of the State; (2) any moneys to the State or a State agency for the administration or enforcement of any environmental laws of the State; or (3) any other moneys to the State, a State agency or a political subdivision of the State that are past due, regardless of whether the amounts owed are being contested in a court of law or not; (B) the Grantee authorizes the City and/or the State to inspect the personal financial statements of the Grantee, including tax records and other similar information not ordinarily open to public inspection; and (C) the Grantee authorizes the Ohio Environmental Protection Agency and the Ohio Department of Taxation to release information to the City and or other State departments in connection with the above statements. As provided by statute, a knowingly false statement under this Section may be prosecuted as a first-degree misdemeanor under Ohio Revised Code Section 2921.13, may render the Grantee ineligible for any future

economic development assistance from the State or any political subdivision of the State and will result in the City requiring the Grantee's repayment of any assistance provided by the City in connection with the Project.

6. TERMINATION; REIMBURSEMENT FOR DEFAULT.

- (A) Suspension or Termination of the City Income Tax Credit. Subject to the provisions of subsections (B) and (C) below, if the City provides the Grantee with written notice of an event of default under this Agreement, and such default is not cured to the City's satisfaction within thirty (30) days of such notice, the City shall suspend or terminate the City Income Tax Credit hereunder and may, in the City's sole discretion, take such other measures as may be lawful (including suing for specific performance). Except as provided in subsections (B) or (C) below, such suspension or termination shall only affect City Income Tax Credits otherwise allowable after the date of suspension or termination.
- (B) Grantee's Failure to Comply with Job Creation and Retention Obligations. If the City provides the Grantee with written notice of an event of default under Section 3(C) or 3(D), and such default is not cured to the City's satisfaction within thirty (30) days of such notice, the City may, after giving the Grantee an opportunity to explain such default, require the Grantee to pay to the City all or a portion of the City Income Tax Credits previously claimed under this Agreement. In determining the portion of the City Income Tax Credit amounts to be repaid, the City may consider the effect of market conditions on the Grantee's Project and whether the Grantee continues to maintain other operations and employment in the City. For the avoidance of doubt, the City shall have the ability to exercise its rights under this Section with respect to each event of default under Section 3(C) or 3(D) (i.e. in the event that Grantee defaults under Section 3(C) or 3(D) in multiple Tax Years, the City may require the Grantee to pay to the City all or a portion of the City Income Tax Credits previously claimed and not repaid under this Agreement after each event of default).
- (C) Grantee's Failure to Comply with Outstanding Liability Obligations. If the City provides the Grantee with written notice of an event of default under Section 5, the City may, after giving the Grantee an opportunity to explain such default, require the Grantee to pay to the City all or any portion of the City Income Tax Credits previously claimed under this Agreement. For the avoidance of doubt, the City shall have the ability to exercise its rights under this Section with respect to each event of default under Section 5 (i.e. in the event that Grantee defaults under Section 5 in multiple Tax Years, the City may require the Grantee to pay to the City all or a portion of the City Income Tax Credits previously claimed and not repaid under this Agreement after each event of default).
- (D) Reimbursement. The Grantee hereby agrees (i) to make any payments required by the City under this Section within thirty (30) days of written demand by the City and (ii) in the event that the City refunds any Income Tax Revenue in a subsequent Tax Year for which a City Income Tax Credit was previously granted pursuant to this Agreement (the "Refund Amount"), then no later than thirty (30) days following Grantee's receipt of written notice from the City (the "City's Notice"), the Grantee will either (a) pay an amount equal to the Refund Amount to the City, as detailed in the City's Notice or (b) deliver written notice to the City that the Grantee will reduce its future City Income Tax Credits by the Refund Amount, such reduction to begin with the first City Income Tax Credit the Grantee is eligible to receive pursuant to this Agreement following the Grantee's receipt of the City's Notice. In the event that the Grantee fails to make a timely election pursuant to the foregoing sentence, then the City may, in its sole and absolute discretion, reduce the amount of any future City Income Tax Credits by the Refund Amount, charge interest on the Refund Amount, terminate this Agreement, and/or take any and all other actions available to the City pursuant to this Agreement and applicable law. Amounts due and not paid when due shall bear interest at the rate specified in ORC Section 1343.03(A) (as such rate is in effect on the date of the applicable payment demand by the City). The Grantee hereby expressly waives the statute of limitations period contained in CMC Chapter 311 with respect to any such demand and payment.

7. **SUBMISSION OF ANNUAL REPORTS.** During the Employment Retention Period, the Grantee shall submit to the City an annual progress report documenting the Number of Full-Time Employee Equivalents at the Project Site, the number of the Grantee's City-Wide Employees, the number of Aggregate Employees, the Net Number of New Employees, the New Income Tax Revenue, the hourly wages and any related Grantee-paid benefits claimed as part of a Minimum Qualifying Wage for each New Employee for the duration of the applicable Tax Year, and any other information that the City deems relevant to this Agreement. The report shall include computations of necessary employment information for the Grantee and the Related Members for the report period, and the City may, in its discretion, require that the report be submitted in a certain format and manner (e.g., submission of a particular electronic file format, mailing a hard copy, etc.). The Grantee agrees to furnish the progress report to the City no later than the first business day of May following each year during the Employment Retention Period. The annual report, as submitted, must be certified as accurate and signed by (A) an independent certified public accountant licensed to do business in the state of Ohio (an "ICPA"), (B) the Chief Executive Officer of the Grantee and (C) the Chief Financial Officer of the Grantee; provided, however, that (1) reports for any or all of the initial two Tax Years may be submitted without certification and signature of an ICPA, so long as the Grantee's report for the third Tax Year includes an ICPA certification and signature for all Tax Years in which a City Income Tax Credit has been claimed without previous certification by an ICPA and (2) after the report for the third Tax Year, the ICPA certification and signature need not be provided more frequently than once every two years, so long as each ICPA certification and signature applies both to the current reported Tax Year and any previous Tax Year in which a City Income Tax Credit has been claimed without previous certification by an ICPA. If the report is approved by the City as demonstrating compliance with this Agreement, a certificate of verification from the City will be sent to the Grantee and the Tax Commissioner (as defined in CMC Section 311-9-T2) within thirty (30) days after receipt of the annual report. Failure to submit an annual report within the time periods specified herein will be considered a default and may result in termination of this Agreement.
8. **SMALL BUSINESS ENTERPRISE PROGRAM AND EQUAL EMPLOYMENT OPPORTUNITY PROGRAM.**¹
- (A) **Small Business Enterprise Program Policy.** The policy of the City is that a fair share of contracts be awarded to Small Business Enterprises (as such term is defined in CMC Section 323-1, "**SBEs**"). Pursuant to CMC Section 323-7, the City's annual goal for SBE participation shall be thirty percent (30%) of the City's total dollars spent for construction (as such term is defined in CMC Section 323-1), supplies (as such term is defined in CMC Section 323-1), services (as such term is defined in CMC Section 323-1) and professional services (as such term is defined in CMC Section 323-1). Accordingly, the Grantee shall use its best efforts and take affirmative steps to achieve the City's goal of voluntarily meeting thirty percent (30%) SBE participation. A list of SBEs may be obtained from the City's Department of Economic Inclusion. The Grantee may refer interested firms to the City's Department of Economic Inclusion for review and possible certification as an SBE. The Grantee shall comply with the provisions of CMC Chapter 323, including without limitation taking at least the following affirmative steps:
- (1) Including qualified SBEs on solicitation lists.
 - (2) Assuring that SBEs are solicited whenever they are potential sources. The Grantee must advertise, on at least two separate occasions, both in local minority publications and in other local newspapers of general circulation, invitations to SBEs to provide services, to supply materials, or to bid on construction contracts, as applicable.
 - (3) When economically feasible, dividing total requirements into small tasks or quantities so as to permit maximum SBE participation.
 - (4) If any subcontracts are to be let, the Grantee shall require the prime contractor (if different from the Grantee) to take the above affirmative steps.
 - (5) Prior to the commencement of work under any subcontracts, the Grantee shall provide to the City a list of such subcontractors, including information as to the dollar amount of the subcontracts and such other information as may be requested by the City. The Grantee shall update the report monthly.

¹ Note: The Department of Community and Economic Development is currently reviewing alternatives for updating this provision based on recent legislative changes adopted by Council. If an alternative policy is approved by DCED prior to the execution of this Agreement, this provision will be revised accordingly.

- (6) The Grantee shall periodically document its best efforts and affirmative steps to meet the above SBE participation goals by submitting such information as may be requested from time to time by the City.
 - (B) Small Business Enterprise Program Remedies. Failure of the Grantee or its contractors and subcontractors to take the affirmative steps specified above, to provide fair and equal opportunity to SBEs, or to provide technical assistance to SBEs as may be necessary to reach SBE participation as set out in CMC Chapter 323 may be construed by the City as failure of the Grantee to use its best efforts, and, in addition to other remedies under this Agreement, may be a cause for the City to file suit in Common Pleas Court to enforce specific performance of the terms of this Section. The provisions of CMC Section 323-99 are hereby incorporated by reference into this Agreement.
 - (C) Equal Employment Opportunity Program. This Agreement is subject to and hereby incorporates the provisions of the Equal Employment Opportunity Program set forth in CMC Chapter 325 (including, without limitation, CMC Section 325-9).
 - (D) Further Information. Details concerning both the SBE Program and the Equal Employment Opportunity Program can be obtained from the City's Department of Economic Inclusion, Two Centennial Plaza, 805 Central Avenue, Suite 222, Cincinnati, Ohio 45202, (513)352-3144.
9. RECORDS, ACCESS AND MAINTENANCE. Throughout the period required by CMC Section 311-81, the Grantee agrees to establish and maintain such records as are necessary to document compliance with this Agreement (including but not limited to, financial reports, payroll records, documentation with respect to any Grantee-paid benefits claimed as part of a Minimum Qualifying Wage, intake and participant information and all other relevant information). For the three (3) year period following the end of the Employment Retention Period, the Grantee agrees to maintain records of the amounts of City Income Tax Credits claimed and allowed. The parties further agree that records with respect to any audit disallowances, litigation or dispute between the City and the Grantee shall be maintained for the time needed for the resolution of said disallowance, litigation or dispute, and that in the event of early termination of this Agreement (or if for any other reason the City shall require a review of the records related to the Project), the Grantee shall, at its own cost and expense, segregate all such records related to the Project and this Agreement (or copies thereof) from its other records of operation.
10. AUDITS AND INSPECTIONS. At any time during normal business hours upon written notice and as often as the City may deem necessary, the Grantee shall make available to the City and to appropriate State agencies or officials all records of the Grantee and the Related Members with respect to matters covered by this Agreement including, but not limited to, records of personnel and conditions of employment, and shall permit the City to audit, examine and make excerpts or transcripts from such records.
11. FORBEARANCE NOT A WAIVER. No act of forbearance or failure to insist on the prompt performance by the Grantee of its obligations under this Agreement, either express or implied, shall be construed as a waiver by the City of any of its rights hereunder.
12. ENFORCED FAILURE TO PERFORM FOR CAUSES BEYOND CONTROL OF THE GRANTEE -- RELIEF FROM REIMBURSEMENT OBLIGATION.
 - (A) The Grantee shall not be required to pay the reimbursement required for default under Section 6(B) of this Agreement for any Tax Year in which such default is due to unforeseeable causes beyond the control of the Grantee and the Related Members and without fault or negligence of the Grantee or the Related Members, restricted to: acts of the federal, state or city government; orders of courts; fires, floods, epidemics, earthquakes or similar natural disasters; quarantine restrictions; strikes; and other causes which in the opinion of the City Manager are beyond the control of the Grantee and the Related Members and without fault or negligence of the Grantee or the Related Members. Economic difficulties of the Grantee or the Related Members (including, without limitation, bankruptcy), do not constitute causes beyond the control of the Grantee or the Related Members under this subsection.

If the Grantee seeks the benefit of the provisions of this subsection it shall, within sixty (60) days after the beginning of any such unforeseeable cause, notify the City thereof in writing.

- (B) Notwithstanding the provisions set forth in subsection (A) above, the Grantee shall not be allowed a City Income Tax Credit hereunder (including any credit carried forward from prior tax years) in any Tax Year in which the Grantee is not in full compliance with all requirements of this Agreement.

13. COMPLIANCE WITH IMMIGRATION AND NATIONALITY ACT. In the performance of its obligations under this Agreement, the Grantee agrees to comply with the provisions of the Immigration and Nationality Act codified at 8 U.S.C. §§ 1324a(a)(1)(A) and (a)(2). Any noncompliance with such provisions shall be solely determined by either the federal agencies authorized to enforce the Immigration and Nationality Act or the U.S. Attorney General, in accordance with Executive Order 12989 of the U.S. President dated February 13, 1996, and as amended by Executive Order 13465 of the U.S. President dated June 6, 2008.
14. INDEMNIFICATION. The Grantee shall indemnify, defend and save the City, its agents and employees harmless from and against any and all losses, claims, damages, liabilities, costs or expenses (including reasonable fees, disbursements, settlement costs and other charges of counsel) imposed on, incurred by or asserted against any of them in connection with any litigation, investigation, claim or proceeding commenced or threatened related to the negotiation, preparation, execution, delivery, enforcement, performance or administration of this Agreement, any other documents related to this Agreement or any undertaking or proceeding related to any of the transactions contemplated hereby or thereby or any act, omission, event or transaction related or attendant thereto, including amounts paid in settlement, court costs and the fees and expenses of counsel, except that the Grantee shall not have any obligation under this Section to the extent that such losses, claims, damages, liabilities, costs or expenses do not result from an act or omission by the Grantee. To the extent that the undertaking to indemnify, pay and hold harmless set forth in this Section may be unenforceable because it violates any law or public policy, the Grantee shall pay the maximum portion which it is permitted to pay under applicable law to the City in satisfaction of indemnified matters under this Section. To the extent permitted by applicable law, neither the Grantee nor the City shall assert, and each of the Grantee and the City hereby waives, any claim against either the Grantee or the City, as applicable, on any theory of liability for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other documents related to this Agreement or any undertaking or transaction contemplate hereby. All amounts due under this Section shall be payable upon demand. The foregoing indemnity shall survive the termination of this Agreement.
15. CITY IDENTIFICATION IN MARKETING MATERIALS. The Grantee shall acknowledge the financial support of the City with respect to this Agreement in all printed materials (including but not limited to informational releases, pamphlets and brochures, construction signs, project and identification signage and stationery) and any publicity (such as but not limited to materials appearing on the Internet, television, cable television, radio or in the press or any other printed media). In identifying the City as a funding source, the Grantee shall use either the phrase "Funded by the City of Cincinnati" or a City of Cincinnati logotype or other form of acknowledgement that has been approved in advance in writing by the City. The Grantee's obligations under this Section shall be in effect throughout the term of this Agreement.
16. CONFLICT OF INTEREST. The Grantee agrees that no officer, employee or agent of the City who exercises any functions or responsibilities in connection with the planning and carrying out of this Agreement, nor any immediate family member, close business associate or organization which is about to employ any such person, shall have any personal financial interest, direct or indirect, in the Grantee or in this Agreement and the Grantee shall take appropriate steps to assure compliance.
17. MISCELLANEOUS.
- (A) Relocation of Project Site Within the City. During the City Tax Credit Term, the Grantee may change the location of the Project Site to another location, but only within the City of Cincinnati's corporate boundaries.

- (B) Governing Law. This Agreement shall be governed by the laws of the State as to all matters, including but not limited to matters of validity, construction, effect and performance.
- (C) Forum and Venue. All actions regarding this Agreement shall be brought in a court of competent subject matter jurisdiction in Hamilton County, Ohio.
- (D) Entire Document. This Agreement and its exhibits and any documents referred to herein constitute the complete understanding of the parties and merge and supersede any and all other discussions, agreements and understandings, either oral or written, between the parties with respect to the subject matter hereof.
- (E) Severability. If any provisions of this Agreement are declared by final non-appealable court order to be unlawful or invalid under applicable law, then such order shall not invalidate the remainder of this Agreement not found to be unlawful or invalid and shall not create any liability to the City resulting from the unlawfulness or invalidity of such provisions. Any provision so declared to be unlawful or invalid shall, if possible, be construed in a manner which will give effect to the terms of such provision to the fullest extent possible while remaining lawful and valid.
- (F) Assignment. Neither this Agreement nor any rights, duties, or obligations described herein shall be assigned or subcontracted by the Grantee without the prior express written consent of the City.
- (G) Successor in Interest. Each and all of the Grantee's obligations under this Agreement shall extend to and bind not only the Grantee, but its successors and assigns. Only in the case of assignment consented to by the City (as provided in subsection (F) above), the Grantee's benefits hereunder shall inure to the benefit of any approved assignee.
- (H) Certification as to Non-Debarment. Grantee represents that neither it nor any of its principals is presently debarred by any federal, state, or local government agency. In completing the Project, Grantee shall not solicit bids from any contractors or subcontractors who are identified as being debarred by any federal, state, or local government agency. If Grantee or any of its principals becomes debarred by any federal, state, or local government agency during the term of this Agreement, Grantee shall be considered in default under this Agreement.
- (I) Notices. All notices, consents, demands, requests and other communications given hereunder shall be in writing and shall be deemed duly given if personally delivered or sent by mail, registered or certified, to the addresses set forth hereunder, or to such other address as the other party hereto may designate in written notice transmitted in accordance with this provision.

JOB CREATION TAX CREDIT AGREEMENT

This Job Creation Tax Credit Agreement (this "Agreement") is made and entered into as of the Effective Date (as defined on the signature page hereof) by and between the CITY OF CINCINNATI, an Ohio municipal corporation (the "City"), and STARSTONE US INTERMEDIARIES, INC., a New Jersey corporation (the "Grantee").

BACKGROUND INFORMATION

- A. The City seeks to increase employment opportunities and to encourage establishment of new jobs within the corporate boundaries of the City of Cincinnati (the "City Boundaries"), in order to improve the economic welfare of the City and its citizens, in furtherance of the public purposes enunciated in Article VIII, Section 13 of the Ohio Constitution.
- B. The City has determined that the Grantee will create new jobs within the City Boundaries in connection with a project to be implemented by the Grantee at 201 E. Fifth Street, Cincinnati, Ohio (the "Project Site"), consisting of constructing leasehold improvements on the Project Site (the "Project").
- C. Cincinnati Municipal Code ("CMC") Chapter 311 imposes income taxes, including a tax on business net profits. The Grantee represents and has documented to the City that the credit authorized by this Agreement against the tax imposed on the Grantee's net profits under CMC Chapter 311 (the "City Income Tax Credit") is a major factor in the Grantee's decision to go forward with the Project, to offset costs of capital expenditures and/or moving.
- D. The City Income Tax Credit as provided in this Agreement is authorized by Ohio Revised Code ("ORC") Sections 718.15 and 718.151.
- E. The City and Grantee intend that Grantee will implement the Project partly as a result of Grantee cost savings resulting from a thirty-five percent (35%) City Income Tax Credit applicable to new jobs created by Grantee at the Project Site for a period of four (4) years, and thereby create 55 new jobs in the City within three (3) years of the Determination Date (as defined below).

STATEMENT OF THE AGREEMENT

In consideration of the foregoing and the mutual promises and covenants hereinafter set forth, the parties agree as follows:

- 1. PRECONDITIONS TO EFFECTIVENESS OF AGREEMENT. Notwithstanding anything to the contrary herein, this Agreement shall be of no force and effect unless and until (1) this Agreement is fully executed by both parties and (2) the Council of the City of Cincinnati passes an ordinance approving this Agreement, and the ordinance takes effect.
- 2. CERTAIN DEFINITIONS. As used in this Agreement:
 - (A) "Aggregate Employees" means, for any stated period, the Number of Full-Time Employee Equivalents employed either by the Grantee or by a Related Member, calculated with reference to all employees of the Grantee and all Related Members of the Grantee for which (1) the primary work location is within the City of Cincinnati and (2) the Grantee or a Related Member withholds City income taxes.
 - (B) "City Tax Credit Term" means the 4-year term commencing for Tax Year 2022 or 2023, at the option of the Grantee.

- (C) “Determination Date” means May 18, 2021.
- (D) “Employment Retention Period” means an 8-year period commencing as of the start of the City Tax Credit Term.
- (E) “Grantee’s City-Wide Employees” means, for any stated period, the Number of Full-Time Employee Equivalents employed by the Grantee, calculated with reference to all employees of the Grantee for which (1) the primary work location is within the City (not limited to the Project Site) and (2) the Grantee withholds City income taxes. An employee is considered to have a primary work location within the City if at least fifty-one percent (51%) of the compensation paid by the Grantee to that employee is taxed by the City with respect to work performed in the City.
- (F) “Income Tax Revenue” means, for any Tax Year:
- (1) Payments from the Grantee to the City in an amount equal to the aggregate amount of earnings taxes withheld on the qualifying wages (as defined in CMC Section 311-9-Q) paid by the Grantee to all Aggregate Employees whose primary work location is the Project Site; less
 - (2) Any amounts refunded by the City to Aggregate Employees whose primary work location is the Project Site (pursuant to CMC Chapter 311) relating to qualifying wages (as defined in CMC Section 311-9-Q) paid by the Grantee, as such refunds are reported by the City to the Grantee from time to time.
- (G) “Initial Tax Year” means the first Tax Year during which the Grantee is entitled to a City Income Tax Credit.
- (H) “Minimum Qualifying Wage” means an hourly wage of at least (1) \$12.50 per hour on and after July 1, 2018, (2) \$13.50 per hour on and after January 1, 2019, and (3) \$15.00 per hour on and after July 1, 2019; *provided however*, that if (i) the Grantee contributes to any health, vision and/or dental insurance plan; provides retirement benefits; or provides childcare, tuition, or training reimbursement benefits to a New Employee and (ii) the City approves in writing, in its sole and absolute discretion any such contribution, retirement, or reimbursement benefit, then the hourly cash value of any such City-approved benefit shall be added to the New Employee’s base monetary hourly wage for the purposes of calculating that New Employee’s hourly wage under this definition.
- (I) “Net Number of New Employees” means, for any Tax Year, the lesser of:
- (1) The average Number of New Employees in the final three (3) calendar months of that Tax Year; or
 - (2) The remainder computed by subtracting (a) the Baseline City-Wide Employment Level from (b) the average number of the Grantee’s City-Wide Employees in the final three (3) months of that Tax Year; or
 - (3) The remainder computed by subtracting (a) the Baseline Aggregate Employment Level from (b) the average number of Aggregate Employees in the final three (3) months of that Tax Year.
- Computations of an “average number” of employees, as required by this Agreement, shall be made and documented by the Grantee in a manner subject to approval by the City, such approval not to be unreasonably withheld.
- (J) “New Employee” means an employee of the Grantee that meets all of the following criteria during the applicable Tax Year: (i) has a primary work location at the Project Site, (ii) is first employed by the Grantee within the City Boundaries after the Determination Date, and (iii) is paid at least the Minimum Qualifying Wage by the Grantee at all times during the applicable Tax Year. An employee is considered to have a primary work location at the Project Site if at least fifty-one percent (51%) of the compensation paid by the Grantee to that employee is taxed by the City with respect to work performed at the Project Site. “New Employees” may include employees of the Grantee employed in

employment positions that were relocated to the Project Site from other operations of the Grantee (or of a Related Member) outside of the City Boundaries.

- (K) "New Income Tax Revenue" means, for any Tax Year, the lesser of:
 - (1) Income Tax Revenue in such Tax Year relating only to New Employees; or
 - (2) The amount computed by multiplying (a) the Net Number of New Employees for such Tax Year by (b) the average amount of Income Tax Revenue received by the City in such Tax Year per New Employee (which average amount is computed by dividing (x) the total Income Tax Revenue for such Tax Year relating only to New Employees by (y) the monthly average of Number of New Employees (determined on a twelve (12) month basis) employed during such Tax Year.
- (L) "Number of Full-Time Employee Equivalents" means one fortieth (1/40) of the total number of compensated hours worked in a work week by permanent employees that are paid at least the Minimum Qualifying Wage for the duration of the applicable Tax Year (whether full-time or part-time), provided that the hours included in the calculation may not exceed forty (40) per week for any individual employee.
- (M) "Number of New Employees" means, for any stated period, the Number of Full-Time Employee Equivalents employed in that period, calculated only with reference to hours worked by New Employees.
- (N) "Related Member" means any of the Grantee's "related members" (as defined in ORC Section 122.171(A)(7)) that has at least one employee whose primary work location is within the City Boundaries (not limited to the Project Site), including those "related members" that begin operations within the City Boundaries on or after the Effective Date.
- (O) "Tax Year" means the fiscal year used by the Grantee to compute net profits under CMC Chapter 311.

3. PROJECT; JOB CREATION AND RETENTION.

- (A) Grantee Representations. The Grantee represents that:
 - (1) The monthly average of the Number of Full-Time Employee Equivalents employed by the Grantee, for whom the Project Site was the primary work location, for the three (3) full calendar month period immediately prior to the Determination Date was 0.
 - (2) The monthly average of the Grantee's City-Wide Employees for the three (3) full calendar month period immediately prior to the Determination Date was 2 (the "Baseline City-Wide Employment Level").
 - (3) The monthly average of Aggregate Employees for the three (3) full calendar month period immediately prior to the Determination Date was 2 (the "Baseline Aggregate Employment Level").
 - (4) Related Members of the Grantee with any employees whose primary work location is within the City Boundaries as of the Effective Date (and the Related Members' Cincinnati addresses and Federal Tax Identification Numbers) consist of the following: None.
 - (5) The Grantee shall give written notice to the City of any Related Member that begins operations within the City Boundaries on or after the Effective Date.
- (B) Minimum Expenditures. The Grantee agrees to expend a minimum of \$425,000 on or before December 31, 2023 to accomplish the Project.
- (C) Minimum Number of New Employees. Within three (3) years from the Determination Date, the Grantee agrees to employ a Number of New Employees at the Project Site equal to at least fifty-five (55). The Grantee agrees that the aggregate annual wages of the New Employees will be equal to at least \$7,960,000.

- (D) Relocation of Employment Positions from Elsewhere in Ohio. The Grantee may not relocate a substantial number of employment positions from elsewhere in Ohio (i.e., outside the City) unless the Director of the Department of Community and Economic Development determines that the legislative authority of the county, township, or municipal corporation from which the employment positions would be relocated has been notified by the Grantee of the relocation.
- (E) Employment Retention by the Grantee.
- (1) During each year of the Employment Retention Period, the Grantee agrees to maintain a monthly average of Aggregate Employees (determined on a twelve (12) month basis) equal to or greater than the Baseline Aggregate Employee Level.
 - (2) During each of the first three (3) years of the City Tax Credit Term, the Grantee agrees to maintain a monthly average of the Grantee's City-Wide Employees (determined on a twelve (12) month basis) equal to or greater than the Baseline City-Wide Employee Level.
 - (3) Beginning with the fourth (4th) year of the City Tax Credit Term and continuing during each subsequent year of the Employment Retention Period, the Grantee agrees to maintain an average Net Number of New Employees (determined on a twelve (12) month basis) of at least ninety percent (90%) of the highest Net Number of New Employees reported by the Grantee in calculating the City Income Tax Credit in any prior Tax Year during the City Tax Credit Term.

The Grantee acknowledges and agrees that the obligations of the Grantee under this Agreement may be affected by decisions of the Related Members, as the City's agreement to provide the City Income Tax Credit authorized herein is conditioned on maintenance of the existing employment within the City Boundaries by both the Grantee and the Related Members. The Grantee may apply to the City Manager for waiver of this employment retention requirement (which waiver may be granted in the City Manager's sole discretion) on the grounds that the Grantee's failure to maintain the required Net Number of New Employees is excusable based on exceptional circumstances not under the control of the Grantee or of the Related Members, as described in Section 12.

- (F) City Residents; Referral Procedure for New Hires. The Grantee agrees to use its best efforts to fill at least seventy-five percent (75%) of the new jobs created in connection with the Project with employees residing within the City Boundaries (the "City Resident Hiring Goal"). In furtherance of such goal, the Grantee shall implement the following procedures:
- (1) City Representative. In its efforts to meet the City Resident Hiring Goal, the Grantee agrees to request referrals from the OhioMeansJobs Center (or such other agency as the City Manager may designate) when positions need to be filled. A representative of the personnel office of the Grantee will meet periodically with a representative of the OhioMeansJobs Center (the "City Representative") to assess the Grantee's future employment needs and to assure that qualified applicants can be recruited and trained in a timely manner.
 - (2) Initial Positions. As soon as practicable after execution of this Agreement, and no later than ninety (90) days prior to the earlier of (a) the scheduled initial occupancy of the Project or completion of renovation or expansion or (b) the date when the following employment positions will be filled, the Grantee agrees to notify the City Representative of the following: (i) the number of new employees that will be required, and the date when the positions must be filled; (ii) the training, qualifications and experience required for the individuals who will fill the positions; and (iii) the name, address and telephone number of the person responsible for hiring. For positions requiring customized training, the Grantee agrees to provide such notice as far in advance of such ninety-day period as is practicable.
 - (3) City Referrals. The City Representative shall, within thirty (30) days after receiving such notification from the Grantee, submit in writing the following: (a) the positions for which the City intends to make referrals; (b) the names and qualifications of referred applicants for each position available; and (c) the date when these applicants will be available for interview. For positions requiring customized training, however, such information may be submitted to the Grantee up to thirty (30) days prior to the date that such positions are to be filled.

- (4) Interviews. The Grantee agrees to interview those applicants who are referred by the City Representative and shall consider for employment those applicants the Grantee finds to be qualified for an available position. If (a) the City Representative informs the Grantee that it does not intend to make referrals for a position, (b) the City Representative fails to refer applicants who are available for interview for a position in accordance with this subsection or (c) the applicants referred for a position are deemed not qualified by the Grantee, then the Grantee may hire individuals from other sources for such position, without any further obligations or restrictions hereunder as to such position.
- (5) Subsequent Positions. During the three (3) year period following the date upon which this Agreement becomes effective, if the Grantee needs to fill a vacant employment position (either from attrition or an increase in employment), the Grantee agrees to notify the City Representative for an additional referral of applicants. The Grantee, however, is under no obligation to postpone the hiring of a new employee pending receipt of referrals from the City Representative. If the position is still vacant at the time referrals are received from the City Representative, the Grantee shall interview those applicants who are referred by the City Representative and shall consider for employment those applicants the Grantee finds to be qualified for an available position.
- (6) Continuation of Referral Procedure. If the Grantee and the City agree that this referral process has been mutually beneficial, the parties shall continue the process after the three (3) year period.

4. CITY INCOME TAX CREDIT.

- (A) Credit Requirements. Subject to the terms and conditions of this Agreement, for each Tax Year during the City Tax Credit Term in which the Grantee has claimed the City Income Tax Credit on an income tax return filed directly with the City with respect to its net profits and is otherwise in full compliance with all requirements under both CMC Chapter 311 and this Agreement, the Grantee shall be allowed to apply the City Income Tax Credit stated in this Section against the tax imposed on the Grantee's net profits under CMC Chapter 311. The City Income Tax Credit shall be applied in accordance with any applicable rules and regulations (consistent with this Agreement) that may be adopted by the Board of Review (as defined in CMC Section 311-9-B1).
- (B) Amount of Credit. The amount of the City Income Tax Credit shall be the lesser of \$30,000 or thirty-five percent (35%) of any New Income Tax Revenue in a given Tax Year. The City Income Tax Credit shall be applied against net profits tax due to the City (pursuant to CMC Chapter 311) from the Grantee for such Tax Year. The City Income Tax Credit shall be allowed only after the allowance of all other credits and deductions under CMC Chapter 311. If the City Income Tax Credit exceeds the Grantee's tax liability for such Tax Year, the City Income Tax Credit shall be fully refundable.
- (C) Related Members. The Grantee acknowledges and agrees that the City Income Tax Credit calculated under this Agreement will be reduced to the extent that reductions in the number of Aggregate Employees of both the Grantee and the Related Members affect the calculation of Net Number of New Employees.

5. COVENANT AS TO OUTSTANDING LIABILITIES; INSPECTION OF RECORDS; FALSE STATEMENTS. In accordance with Ohio Revised Code Section 9.66, (A) the Grantee affirmatively covenants that it does not owe: (1) any delinquent taxes to the State of Ohio (the "State") or to a political subdivision of the State; (2) any moneys to the State or a State agency for the administration or enforcement of any environmental laws of the State; or (3) any other moneys to the State, a State agency or a political subdivision of the State that are past due, regardless of whether the amounts owed are being contested in a court of law or not; (B) the Grantee authorizes the City and/or the State to inspect the personal financial statements of the Grantee, including tax records and other similar information not ordinarily open to public inspection; and (C) the Grantee authorizes the Ohio Environmental Protection Agency and the Ohio Department of Taxation to release information to the City and or other State departments in connection with the above statements. As provided by statute, a knowingly false statement under this Section may be prosecuted as a first-degree misdemeanor under Ohio Revised Code Section 2921.13, may render the Grantee ineligible for any future

economic development assistance from the State or any political subdivision of the State and will result in the City requiring the Grantee's repayment of any assistance provided by the City in connection with the Project.

6. TERMINATION; REIMBURSEMENT FOR DEFAULT.

- (A) Suspension or Termination of the City Income Tax Credit. Subject to the provisions of subsections (B) and (C) below, if the City provides the Grantee with written notice of an event of default under this Agreement, and such default is not cured to the City's satisfaction within thirty (30) days of such notice, the City shall suspend or terminate the City Income Tax Credit hereunder and may, in the City's sole discretion, take such other measures as may be lawful (including suing for specific performance). Except as provided in subsections (B) or (C) below, such suspension or termination shall only affect City Income Tax Credits otherwise allowable after the date of suspension or termination.
- (B) Grantee's Failure to Comply with Job Creation and Retention Obligations. If the City provides the Grantee with written notice of an event of default under Section 3(C) or 3(D), and such default is not cured to the City's satisfaction within thirty (30) days of such notice, the City may, after giving the Grantee an opportunity to explain such default, require the Grantee to pay to the City all or a portion of the City Income Tax Credits previously claimed under this Agreement. In determining the portion of the City Income Tax Credit amounts to be repaid, the City may consider the effect of market conditions on the Grantee's Project and whether the Grantee continues to maintain other operations and employment in the City. For the avoidance of doubt, the City shall have the ability to exercise its rights under this Section with respect to each event of default under Section 3(C) or 3(D) (i.e. in the event that Grantee defaults under Section 3(C) or 3(D) in multiple Tax Years, the City may require the Grantee to pay to the City all or a portion of the City Income Tax Credits previously claimed and not repaid under this Agreement after each event of default).
- (C) Grantee's Failure to Comply with Outstanding Liability Obligations. If the City provides the Grantee with written notice of an event of default under Section 5, the City may, after giving the Grantee an opportunity to explain such default, require the Grantee to pay to the City all or any portion of the City Income Tax Credits previously claimed under this Agreement. For the avoidance of doubt, the City shall have the ability to exercise its rights under this Section with respect to each event of default under Section 5 (i.e. in the event that Grantee defaults under Section 5 in multiple Tax Years, the City may require the Grantee to pay to the City all or a portion of the City Income Tax Credits previously claimed and not repaid under this Agreement after each event of default).
- (D) Reimbursement. The Grantee hereby agrees (i) to make any payments required by the City under this Section within thirty (30) days of written demand by the City and (ii) in the event that the City refunds any Income Tax Revenue in a subsequent Tax Year for which a City Income Tax Credit was previously granted pursuant to this Agreement (the "Refund Amount"), then no later than thirty (30) days following Grantee's receipt of written notice from the City (the "City's Notice"), the Grantee will either (a) pay an amount equal to the Refund Amount to the City, as detailed in the City's Notice or (b) deliver written notice to the City that the Grantee will reduce its future City Income Tax Credits by the Refund Amount, such reduction to begin with the first City Income Tax Credit the Grantee is eligible to receive pursuant to this Agreement following the Grantee's receipt of the City's Notice. In the event that the Grantee fails to make a timely election pursuant to the foregoing sentence, then the City may, in its sole and absolute discretion, reduce the amount of any future City Income Tax Credits by the Refund Amount, charge interest on the Refund Amount, terminate this Agreement, and/or take any and all other actions available to the City pursuant to this Agreement and applicable law. Amounts due and not paid when due shall bear interest at the rate specified in ORC Section 1343.03(A) (as such rate is in effect on the date of the applicable payment demand by the City). The Grantee hereby expressly waives the statute of limitations period contained in CMC Chapter 311 with respect to any such demand and payment.

7. SUBMISSION OF ANNUAL REPORTS. During the Employment Retention Period, the Grantee shall submit to the City an annual progress report documenting the Number of Full-Time Employee Equivalents at the

Project Site, the number of the Grantee's City-Wide Employees, the number of Aggregate Employees, the Net Number of New Employees, the New Income Tax Revenue, the hourly wages and any related Grantee-paid benefits claimed as part of a Minimum Qualifying Wage for each New Employee for the duration of the applicable Tax Year, and any other information that the City deems relevant to this Agreement. The report shall include computations of necessary employment information for the Grantee and the Related Members for the report period, and the City may, in its discretion, require that the report be submitted in a certain format and manner (e.g., submission of a particular electronic file format, mailing a hard copy, etc.). The Grantee agrees to furnish the progress report to the City no later than the first business day of May following each year during the Employment Retention Period. The annual report, as submitted, must be certified as accurate and signed by (A) an independent certified public accountant licensed to do business in the state of Ohio (an "ICPA"), (B) the Chief Executive Officer of the Grantee and (C) the Chief Financial Officer of the Grantee; provided, however, that (1) reports for any or all of the initial two Tax Years may be submitted without certification and signature of an ICPA, so long as the Grantee's report for the third Tax Year includes an ICPA certification and signature for all Tax Years in which a City Income Tax Credit has been claimed without previous certification by an ICPA and (2) after the report for the third Tax Year, the ICPA certification and signature need not be provided more frequently than once every two years, so long as each ICPA certification and signature applies both to the current reported Tax Year and any previous Tax Year in which a City Income Tax Credit has been claimed without previous certification by an ICPA. If the report is approved by the City as demonstrating compliance with this Agreement, a certificate of verification from the City will be sent to the Grantee and the Tax Commissioner (as defined in CMC Section 311-9-T2) within thirty (30) days after receipt of the annual report. Failure to submit an annual report within the time periods specified herein will be considered a default and may result in termination of this Agreement.

8. SMALL BUSINESS ENTERPRISE PROGRAM AND EQUAL EMPLOYMENT OPPORTUNITY PROGRAM.¹

- (A) Small Business Enterprise Program Policy. The policy of the City is that a fair share of contracts be awarded to Small Business Enterprises (as such term is defined in CMC Section 323-1, "SBEs"). Pursuant to CMC Section 323-7, the City's annual goal for SBE participation shall be thirty percent (30%) of the City's total dollars spent for construction (as such term is defined in CMC Section 323-1), supplies (as such term is defined in CMC Section 323-1), services (as such term is defined in CMC Section 323-1) and professional services (as such term is defined in CMC Section 323-1). Accordingly, the Grantee shall use its best efforts and take affirmative steps to achieve the City's goal of voluntarily meeting thirty percent (30%) SBE participation. A list of SBEs may be obtained from the City's Department of Economic Inclusion for review and possible certification as an SBE. The Grantee shall comply with the provisions of CMC Chapter 323, including without limitation taking at least the following affirmative steps:
- (1) Including qualified SBEs on solicitation lists.
 - (2) Assuring that SBEs are solicited whenever they are potential sources. The Grantee must advertise, on at least two separate occasions, both in local minority publications and in other local newspapers of general circulation, invitations to SBEs to provide services, to supply materials, or to bid on construction contracts, as applicable.
 - (3) When economically feasible, dividing total requirements into small tasks or quantities so as to permit maximum SBE participation.
 - (4) If any subcontracts are to be let, the Grantee shall require the prime contractor (if different from the Grantee) to take the above affirmative steps.
 - (5) Prior to the commencement of work under any subcontracts, the Grantee shall provide to the City a list of such subcontractors, including information as to the dollar amount of the subcontracts and such other information as may be requested by the City. The Grantee shall update the report monthly.

¹ Note: The Department of Community and Economic Development is currently reviewing alternatives for updating this provision based on recent legislative changes adopted by Council. If an alternative policy is approved by DCED prior to the execution of this Agreement, this provision will be revised accordingly.

- (6) The Grantee shall periodically document its best efforts and affirmative steps to meet the above SBE participation goals by submitting such information as may be requested from time to time by the City.
 - (B) Small Business Enterprise Program Remedies. Failure of the Grantee or its contractors and subcontractors to take the affirmative steps specified above, to provide fair and equal opportunity to SBEs, or to provide technical assistance to SBEs as may be necessary to reach SBE participation as set out in CMC Chapter 323 may be construed by the City as failure of the Grantee to use its best efforts, and, in addition to other remedies under this Agreement, may be a cause for the City to file suit in Common Pleas Court to enforce specific performance of the terms of this Section. The provisions of CMC Section 323-99 are hereby incorporated by reference into this Agreement.
 - (C) Equal Employment Opportunity Program. This Agreement is subject to and hereby incorporates the provisions of the Equal Employment Opportunity Program set forth in CMC Chapter 325 (including, without limitation, CMC Section 325-9).
 - (D) Further Information. Details concerning both the SBE Program and the Equal Employment Opportunity Program can be obtained from the City's Department of Economic Inclusion, Two Centennial Plaza, 805 Central Avenue, Suite 222, Cincinnati, Ohio 45202, (513)352-3144.
9. RECORDS, ACCESS AND MAINTENANCE. Throughout the period required by CMC Section 311-81, the Grantee agrees to establish and maintain such records as are necessary to document compliance with this Agreement (including but not limited to, financial reports, payroll records, documentation with respect to any Grantee-paid benefits claimed as part of a Minimum Qualifying Wage, intake and participant information and all other relevant information). For the three (3) year period following the end of the Employment Retention Period, the Grantee agrees to maintain records of the amounts of City Income Tax Credits claimed and allowed. The parties further agree that records with respect to any audit disallowances, litigation or dispute between the City and the Grantee shall be maintained for the time needed for the resolution of said disallowance, litigation or dispute, and that in the event of early termination of this Agreement (or if for any other reason the City shall require a review of the records related to the Project), the Grantee shall, at its own cost and expense, segregate all such records related to the Project and this Agreement (or copies thereof) from its other records of operation.
 10. AUDITS AND INSPECTIONS. At any time during normal business hours upon written notice and as often as the City may deem necessary, the Grantee shall make available to the City and to appropriate State agencies or officials all records of the Grantee and the Related Members with respect to matters covered by this Agreement including, but not limited to, records of personnel and conditions of employment, and shall permit the City to audit, examine and make excerpts or transcripts from such records.
 11. FORBEARANCE NOT A WAIVER. No act of forbearance or failure to insist on the prompt performance by the Grantee of its obligations under this Agreement, either express or implied, shall be construed as a waiver by the City of any of its rights hereunder.
 12. ENFORCED FAILURE TO PERFORM FOR CAUSES BEYOND CONTROL OF THE GRANTEE -- RELIEF FROM REIMBURSEMENT OBLIGATION.
 - (A) The Grantee shall not be required to pay the reimbursement required for default under Section 6(B) of this Agreement for any Tax Year in which such default is due to unforeseeable causes beyond the control of the Grantee and the Related Members and without fault or negligence of the Grantee or the Related Members, restricted to: acts of the federal, state or city government; orders of courts; fires, floods, epidemics, earthquakes or similar natural disasters; quarantine restrictions; strikes; and other causes which in the opinion of the City Manager are beyond the control of the Grantee and the Related Members and without fault or negligence of the Grantee or the Related Members. Economic difficulties of the Grantee or the Related Members (including, without limitation, bankruptcy), do not constitute causes beyond the control of the Grantee or the Related Members under this subsection.

If the Grantee seeks the benefit of the provisions of this subsection it shall, within sixty (60) days after the beginning of any such unforeseeable cause, notify the City thereof in writing.

- (B) Notwithstanding the provisions set forth in subsection (A) above, the Grantee shall not be allowed a City Income Tax Credit hereunder (including any credit carried forward from prior tax years) in any Tax Year in which the Grantee is not in full compliance with all requirements of this Agreement.
13. COMPLIANCE WITH IMMIGRATION AND NATIONALITY ACT. In the performance of its obligations under this Agreement, the Grantee agrees to comply with the provisions of the Immigration and Nationality Act codified at 8 U.S.C. §§ 1324a(a)(1)(A) and (a)(2). Any noncompliance with such provisions shall be solely determined by either the federal agencies authorized to enforce the Immigration and Nationality Act or the U.S. Attorney General, in accordance with Executive Order 12989 of the U.S. President dated February 13, 1996, and as amended by Executive Order 13465 of the U.S. President dated June 6, 2008.
14. INDEMNIFICATION. The Grantee shall indemnify, defend and save the City, its agents and employees harmless from and against any and all losses, claims, damages, liabilities, costs or expenses (including reasonable fees, disbursements, settlement costs and other charges of counsel) imposed on, incurred by or asserted against any of them in connection with any litigation, investigation, claim or proceeding commenced or threatened related to the negotiation, preparation, execution, delivery, enforcement, performance or administration of this Agreement, any other documents related to this Agreement or any undertaking or proceeding related to any of the transactions contemplated hereby or thereby or any act, omission, event or transaction related or attendant thereto, including amounts paid in settlement, court costs and the fees and expenses of counsel, except that the Grantee shall not have any obligation under this Section to the extent that such losses, claims, damages, liabilities, costs or expenses do not result from an act or omission by the Grantee. To the extent that the undertaking to indemnify, pay and hold harmless set forth in this Section may be unenforceable because it violates any law or public policy, the Grantee shall pay the maximum portion which it is permitted to pay under applicable law to the City in satisfaction of indemnified matters under this Section. To the extent permitted by applicable law, neither the Grantee nor the City shall assert, and each of the Grantee and the City hereby waives, any claim against either the Grantee or the City, as applicable, on any theory of liability for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other documents related to this Agreement or any undertaking or transaction contemplate hereby. - (F) Assignment. Neither this Agreement nor any rights, duties, or obligations described herein shall be assigned or subcontracted by the Grantee without the prior express written consent of the City.

Subject: **EMERGENCY ORDINANCE – COMMUNITY REINVESTMENT AREA TAX EXEMPTION AGREEMENT FOR HYDE PARK PARTNERS, LLC.**

Attached is an Emergency Ordinance captioned:

APPROVING AND AUTHORIZING the City Manager to execute a Community Reinvestment Area Tax Exemption Agreement (LEED or Living Building Challenge) with Hyde Park Hotel Partners, LLC, thereby authorizing a 13-year tax exemption for 100% of the value of improvements made to real property located at 2654 Madison Road in the Hyde Park neighborhood of Cincinnati, in connection with the construction of a 103-room hotel, which construction shall be completed in compliance with Leadership in Energy and Environmental Design Silver, Gold, or Platinum standards or Living Building Challenge standards, at a total construction cost of approximately \$11,771,503.

BACKGROUND/CURRENT CONDITIONS

This property was formally a vacant, multi-building site in the Hyde Park neighborhood of Cincinnati. The Developer submitted a CRA application to DCED requesting assistance in the redevelopment of this property. The property is within walking distance to Rookwood Shopping Center and Hyde Park Square. The property is also within proximity to the city funded Wasson Way Trail, a bicycle and pedestrian corridor using trail and signed bicycle routes connecting Uptown and Fairfax. The trail will be located primarily within an unused railroad corridor and existing City right-of-way which starts at Marburg Avenue in Hyde Park and goes to Montgomery Road on the edge of Xavier's campus. Wasson Way is a key east-west corridor in CROWN, the Cincinnati Riding or Walking Network.

DEVELOPER INFORMATION

Hyde Park Partners, LLC is an entity affiliate of Brandicorp. Based in Bellevue, KY. Brandicorp has been investing in their local markets since 1984 to serve the real estate needs of clients and provide a positive impact on communities by which they operate. Brandicorp develops, owns, operates, and manages commercial real estate across a variety of product types located primarily in Greater Cincinnati and Northern Kentucky. Brandicorp has been working on Montgomery Quarter, a transformational mixed-use development located at the intersection of Montgomery Road (US-22) and Ronald Reagan Cross-County Highway (SR-126). Brandicorp specializes in medical office buildings, hotels, restaurants, and retail projects.

PROJECT DESCRIPTION

Once completed, the formally vacant site will consist of a seven-floor, one hundred and three (103) guest room hotel located at 2654 Madison Road in the Hyde Park neighborhood of Cincinnati. The hotel will be constructed to LEED-Silver standards. Hyde Park Partners, LLC will partner with Lexington Management to develop, build, and operate the hotel. These two firms have been working together for over 12 years and co-own and manage over a dozen hotels in the tri-state area. In connection with this project, it is estimated that 65 temporary construction jobs are created at a total annual payroll of \$2,500,000 and 17 estimated full-time employees are created at a total annual payroll of \$600,000.

This project is consistent with several of Plan Cincinnati's goals including the City's goal to remain competitive economically, and the City's goal to be good stewards of its resources—both built and environmental.

PROPOSED INCENTIVE

DCED is recommending a 100% (net 52%), 13-year CRA tax exemption for this property. The exemption applies only to the increase in value of the property site attributable to the project improvements. Pursuant to the Commercial CRA policy established by City Council, this project scored 12 points as indicated below which would merit a 13-year net 52% CRA Tax Abatement:

"But For" Analysis (0-3 points) *	2
LEED (0-6 points)	2
Neighborhood VTICA (1 point for contributions over 1% but less than 15% and 8 points for contributions of 15% or more)	8
TOTAL	12

* *"But For" Analysis Explanation:* 3 points were awarded for the following reasons:

- The *"But For"* analysis factors in site assembly required by the developer to construct the hotel
- Over 10 parcels were acquired and consolidated to form new parcel 041-0005-0193-00 (2690 Madison Road)
- The Project will create 17 FTEs with a payroll of \$600,000

The administration is recommending a 13-year CRA term to allow for the project to secure adequate construction and permanent financing using the realized savings. This project will result in a much-needed hotel option in the Hyde Park neighborhood, in very close proximity to Rookwood Shopping Center, and Hyde Park Center at Madison and Edwards Road intersection.

(LEED or Living Building Challenge)

This Community Reinvestment Area Tax Exemption Agreement (this "Agreement") is made and entered into as of the Effective Date (as defined on the signature page hereof) by and between the CITY OF CINCINNATI, an Ohio municipal corporation (the "City"), and HYDE PARK HOTEL PARTNERS, LLC, an Ohio limited liability company (the "Company").

Recitals:

- A. The City, through the adoption of Ordinance No. 274-2017 on September 27, 2017, designated the entire City of Cincinnati as a Community Reinvestment Area to encourage the development of real property and the acquisition of personal property in that area, pursuant to Ohio Revised Code Sections 3735.65 through 3735.70 (the "Statute").
- B. In accordance with the Statute, the Ohio Director of Development has forwarded to the City the Director's determination dated October 23, 2017, stating that the findings contained in Ordinance No. 274-2017 are valid and that the entire City is a Community Reinvestment Area under the Statute. By such determination, the Director of Development of the State of Ohio determined that the area within the corporate boundaries of the City of Cincinnati contains the characteristics set forth in the Statute and confirmed such area as a Community Reinvestment Area under the Statute.
- C. The Council of the City of Cincinnati has also passed Ordinance No. 275-2017 as of September 27, 2017, as amended by Ordinance No. 339-2018 passed on October 31, 2018 (the "Commercial Policy Ordinance"), which sets forth certain additional policies, conditions and limitations regarding newly constructed or remodeled commercial and residential structures in the Community Reinvestment Area.
- D. Pursuant to the Commercial Policy Ordinance, a project that is constructed or remodeled to (1) Leadership in Energy and Environmental Design ("LEED") Silver, Gold or Platinum standards (as defined by the U.S. Green Building Council), or (2) receives a (a) Living Building Challenge Net Zero certification, (b) Living Building Challenge Full certification, or (c) solely in circumstances where the construction or remodeling complies with the requirements of the "Energy Petal" of the Living Building Challenge, Living Building Challenge Petal certification, in each case as defined by the International Living Future Institute and the Cascadia Green Building Council (such qualifying remodeling or construction is referred to, collectively, as "LBC" remodeling or construction), may qualify for a longer term and/or greater abatement.
- E. The Company is the sole owner of certain real property within the City, located at 2654 Madison Road, Cincinnati, Ohio 45208 (the "Property"), as further described in Exhibit A (Legal Description of Property) hereto. Notwithstanding the foregoing, the Property shall not include any residential condominiums being developed in connection with the Project (as defined below) (the "Excluded Property"), and the Company acknowledges and agrees that the City's Community Reinvestment Area program entails separate applications by the owner of any residential condominium units included within the Project. For the avoidance of doubt, the Excluded Property shall not be exempt under this Agreement; however, this provision shall not be deemed to prohibit any owners from time to time of any Excluded Property from separately applying for a tax abatement in accordance with applicable law.
- F. The Company has proposed the construction of a building located on the Property to LEED Silver standards, within the boundaries of the City of Cincinnati, as more fully described in Section 1 herein (the "Project"); provided that the appropriate development incentives are available to support the economic viability of the Project.
- G. The Statute provides that if any part of a project is to be used for commercial or industrial purposes, including projects containing four or more dwelling units, in order to be eligible for tax

exemption the City and the Company must enter into an agreement pursuant to Ohio Revised Code Section 3735.671 prior to commencement of construction or remodeling.

- H. The City, having appropriate authority under the Statute for this type of project, agrees (as provided herein and subject to all conditions herein) to provide the Company with the tax exemption incentives stated herein, available under the Statute, for development of the Project.
- I. The Company has submitted to the City an application for this tax exemption agreement (the "Application"), a copy of which is attached hereto as Exhibit B, has remitted with the Application (i) the City application fee of One Thousand Two Hundred Fifty Dollars (\$1,250) made payable to the City and (ii) in accordance with Ohio Revised Code Section 3735.672(C), the state application fee of Seven Hundred Fifty Dollars (\$750) made payable to the Ohio Development Services Agency ("ODSA"), to be forwarded to the ODSA with an executed copy of this Agreement.
- J. The Director of the City's Department of Community and Economic Development has recommended approval of the Application on the basis that the Company is qualified by financial responsibility and business experience to create and preserve employment opportunities and improve the economic climate of the City.
- K. The Board of Education of the Cincinnati City School District (the "Board of Education"), pursuant to that certain *Tax Incentive Agreement* effective as of April 28, 2020, has approved exemptions of up to one hundred percent (100%) of Community Reinvestment Area projects, waived advance notice and right to review such projects, and waived sharing or allocation of municipal income taxes in connection with such projects.
- L. The Company has entered into (or will enter into) an agreement with the Board of Education requiring the Company to pay the Board of Education amounts equal to thirty-three percent (33%) of the full amount of exempt real property taxes that would have been paid to Hamilton County if this Agreement were not in effect (the "Board of Education Agreement").
- M. The Company represents and warrants to the City that the Company and its major tenants, if any, do not intend to relocate part or all of their operations to the City from another county or municipal corporation in the State of Ohio (the "State").
- N. The Company represents that within the past five (5) years neither the Company, any related member of the Company, nor any entity to which the Company is a successor has discontinued operations at a project site in the State during the term of a property tax exemption agreement (under Ohio Revised Code Section 3735.671, 5709.62, 5709.63 or 5709.632) applicable to that site, and the Company acknowledges that misrepresentation hereunder will result in voiding of this Agreement.
- O. The Company represents and warrants to the City that the Company is not subject to an Enterprise Zone Agreement with the City of Cincinnati for the Property or the Project.
- P. The Company acknowledges that the Hyde Park neighborhood is a rising neighborhood in need of resources for development, neighborhood improvements, amenities, and organizations oriented towards neighborhood services. The Company anticipates that future development, improvements, amenities and organizations will contribute to the quality and vitality of the neighborhood, therefore increasing the value of the Property and directly and indirectly contributing to the Project's success. The Project's success, in turn, will benefit the neighborhood. Although this feedback effect will promote the revitalization and redevelopment of the City, it could also impact the affordability of property in the area. Therefore, in support of the Hyde Park neighborhood and with the intention of preserving and improving the availability of quality, reliable affordable housing on a City-wide basis, as a material inducement to the City to enter into this Agreement, the Company hereby represents to the City that it will enter into a voluntary tax incentive contribution agreement ("VTICA") with a City-designated third-party non-profit

administrative organization (the "Third-Party Administrator") to contribute to the Third-Party Administrator an amount equal to fifteen percent (15%) of the real property taxes that would have been payable on the abated property but for the City-authorized tax abatement (the "VTICA Contribution"). Half of such VTICA Contribution is to be committed by the Third-Party Administrator to facilitate permanent improvements and neighborhood services furthering urban redevelopment in the Hyde Park neighborhood and the other half of such VTICA Contribution is to be committed by the Third-Party Administrator in supporting quality affordable housing on a City-wide basis. The Company hereby represents and warrants that it will pay the VTICA Contribution for the full term of the abatement.

- Q. This Agreement has been authorized by Ordinance No. _____-2021, passed by Cincinnati City Council on _____, 2021.
- R. In determining to recommend and authorize this Agreement, the Department of Community and Economic Development and City Council, respectively, have acted in material reliance on the Company's representations in the Application and herein regarding the Project including, but not limited to, representations relating to the number of jobs to be created and/or retained by the Company, the Board of Education Agreement, the VTICA Contribution, and the Project's effect in promoting the general welfare of the people of Cincinnati by, for example, encouraging the development of real property located in the Community Reinvestment Area and thereby promoting economic growth and vitality in Cincinnati.

NOW, THEREFORE, pursuant to Ohio Revised Code Section 3735.67(A) and in conformity with the format required under Ohio Revised Code Section 3735.671, in consideration of the mutual covenants contained herein and the benefit to be derived by the parties from the execution hereof, the parties agree as follows:

Section 1. Project. Upon issuance of the necessary zoning and building approvals, the Company agrees to construct a 103-room hotel with associated amenities and site improvements on the Property (the "Improvements") at an estimated aggregate cost of \$11,771,503 to commence after the execution of this Agreement and to be completed no later than December 31, 2023; *provided*, however, that the Director of the Department of Community and Economic Development (the "Housing Officer") may, in his discretion, extend such deadline for a period of up to 12 months by written notice if, in the Director's judgment, the Company is proceeding in good faith towards completion. The construction shall be in compliance with applicable building code requirements and zoning regulations, as well as complying with LEED Silver standards. The Company hereby represents that it has registered with the U.S. Green Building Council with intent to certify compliance with LEED Silver standards. In addition to the foregoing, (A) the Project shall comply with the Americans with Disabilities Act, together with any and all regulations or other binding directives promulgated pursuant thereto (collectively, the "ADA"), and (B) if (i) any building(s) within the Project is subject to the accessibility requirements of the ADA (e.g., by constituting a "place of public accommodation" or another category of structure to which the ADA is applicable) and (ii) such building(s) is not already required to meet the Contractual Minimum Accessibility Requirements (as defined below) pursuant to the ADA, applicable building code requirements, or by any other legal requirement, then the Company shall cause such building(s) to comply with the Contractual Minimum Accessibility Requirements in addition to any requirements pursuant to the ADA and the applicable building code or legal requirement. As used herein, "**Contractual Minimum Accessibility Requirements**" means that a building shall, at a minimum, include (1) at least one point of entry (as used in the ADA), accessible from a public right of way, with respect to which all architectural barriers (as used in the ADA) to entry have been eliminated, and (2) if such accessible point of entry is not a building's primary point of entry, conspicuous signage directing persons to such accessible point of entry.

Section 2. Real Property Tax Exemption. Subject to the satisfaction of the conditions set forth in this Agreement, the City approves exemption from real property taxation, pursuant to and to the fullest extent authorized by the Statute, of 100% of the amount by which the Improvements increase the assessed value of the Property as determined by the Hamilton County Auditor, for a period of 13 years, provided that the Company shall have entered into the Board of Education Agreement. Within 120 days

after completion of the Project (unless otherwise extended in writing by the City's Housing Officer), the Company must file the appropriate application for tax exemption with the City's Housing Officer. The Company is solely responsible to take this action. Upon receipt of the application for tax exemption, the City will proceed with the exemption authorized by this Agreement. In accordance with Ohio Revised Code Section 3735.67, the exemption is conditioned on verification by the Housing Officer of (A) the completion of construction, (B) the cost of construction, (C) the facts asserted in the application for exemption, (D) compliance with LBC and/or LEED standards identified in Section 1, and (E) if a remodeled structure is a structure of historical or architectural significance as designated by the City, state or federal government, that the appropriateness of the construction has been certified in writing by the appropriate agency. If the required verification is made, the Housing Officer will forward the exemption application to the Hamilton County Auditor with the necessary certification by the Housing Officer. Subject to the conditions set forth in this Agreement, the exemption commences the first tax year for which the Improvements would first be taxable were the Improvements not exempted from taxation. The dates provided in this paragraph refer to tax years in which the subject property is assessed, as opposed to years in which taxes are billed. No exemption shall commence after tax year 2024 nor extend beyond the earlier of (i) tax year 2036 or (ii) the end of the 13th year of exemption.

Section 3. Use; Maintenance; Inspections. The Company shall use the Property solely for the purposes described in Section 1 hereof and shall properly maintain and repair the Property throughout the period of tax exemption authorized herein. The Company authorizes the Housing Officer, or the Housing Officer's designees, to enter upon the Property as reasonably required to perform property inspections in accordance with Ohio Revised Code Section 3735.68.

Section 4. Compliance with Board of Education Agreement. As a condition of the tax exemption authorized under this Agreement, the Company agrees to enter into and comply with its obligation under the Board of Education Agreement.

Section 5. Duty of Company to Pay Taxes. As required by Ohio Revised Code Section 3735.671(C)(2), the Company shall pay such real property taxes as are not exempted under this Agreement and are charged against the Property and shall file all tax reports and returns as required by law. If the Company fails to pay such taxes or file such returns and reports, exemptions from taxation granted or authorized under this Agreement are rescinded beginning with the year for which such taxes are charged or such reports or returns are required to be filed and continuing thereafter.

Section 6. Company Certifications Regarding Non-Delinquency of Tax Obligations. As required by Ohio Revised Code Section 3735.671(C)(3), the Company certifies that at the time this Agreement is executed, the Company does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State, and does not owe delinquent taxes for which the Company is liable under Ohio Revised Code Chapters 5733, 5735, 5739, 5741, 5743, 5747 or 5753, or if such delinquent taxes are owed, the Company currently is paying the delinquent taxes pursuant to an undertaking enforceable by the State or an agent or instrumentality thereof, has filed a petition in bankruptcy under 101, et seq., or such a petition has been filed against the Company. For the purposes of this certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Ohio Revised Code governing payment of those taxes.

Section 7. Covenant of Satisfaction of Tax and Other Obligations. In accordance with Ohio Revised Code Section 9.66, (A) the Company affirmatively covenants that it does not owe: (i) any delinquent taxes to the State or to a political subdivision of the State; (ii) any moneys to the State or a State agency for the administration or enforcement of any environmental laws of the State; or (iii) any other moneys to the State, a State agency or a political subdivision of the State that are past due, regardless of whether the amounts owed are being contested in a court of law or not; (B) the Company authorizes the City and/or the State to inspect the personal financial statements of the Company, including tax records and other similar information not ordinarily open to public inspection; and (C) the Company authorizes the Ohio Environmental Protection Agency and the Ohio Department of Taxation to release information to the City and or other State departments in connection with the above statements. As provided by statute, a knowingly false statement under this section may be prosecuted as a first

degree misdemeanor under Ohio Revised Code Section 2921.13, may render the Company ineligible for any future economic development assistance from the State or any political subdivision of the State, and will result in the City requiring the Company's repayment of any assistance provided by the City in connection with the Project.

Section 8. City Cooperation. As required by Ohio Revised Code Section 3735.671(C)(4), upon specific request from the Company, the City shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve and maintain exemptions from taxation granted under this Agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions.

Section 9. Continuation of Exemptions. As provided in Ohio Revised Code Section 3735.671(C)(5), if for any reason the City revokes the designation of the City of Cincinnati as a Community Reinvestment Area, entitlements granted under this Agreement shall continue for the number of years specified under this Agreement, unless the Company materially fails to fulfill its obligations under this Agreement and the City terminates or modifies the exemptions from taxation authorized pursuant to this Agreement.

Section 10. City Not Liable. The Company acknowledges that the exemption authorized in this Agreement is subject to approval and implementation by the appropriate state and/or county taxing authorities. The Company acknowledges that the City does not give any guarantee or assurance that the exemption approved in this Agreement will be so approved, and the Company agrees that in no event shall the Company seek to hold the City liable in any way in the event such exemption is not granted or implemented.

Section 11. Small Business Enterprise Program.¹

A. Compliance with Small Business Enterprise Program. The policy of the City is that a fair share of contracts be awarded to Small Business Enterprises (as such term is defined in Cincinnati Municipal Code ("CMC") Section 323-1-S, "SBEs"). Pursuant to CMC Section 323-11, the City's annual goal for SBE participation shall be thirty percent (30%) of the City's total dollars spent for construction (as such term is defined in CMC Section 323-1-C4), supplies (as such term is defined in CMC Section 323-1-S5), services (as such term is defined in CMC Section 323-1-S) and professional services (as such term is defined in CMC Section 323-1-P2). Accordingly, the Company shall use its best efforts and take affirmative steps to achieve the City's goal of voluntarily meeting thirty percent (30%) SBE participation. A list of SBEs may be obtained from the City's Department of Economic Inclusion. The Company may refer interested firms to the City's Department of Economic Inclusion for review and possible certification as an SBE. The Company shall comply with the provisions of CMC Chapter 323, including without limitation taking at least the following affirmative steps:

- (i) Including qualified SBEs on solicitation lists.
- (ii) Assuring that SBEs are solicited whenever they are potential sources.
The Company must advertise, on at least two separate occasions, both in local minority publications and in other local newspapers of general circulation, invitations to SBEs to provide services, to supply materials, or to bid on construction contracts, as applicable.
- (iii) When economically feasible, dividing total requirements into small tasks or quantities so as to permit maximum SBE participation.
- (iv) If any subcontracts are to be let, the Company shall require the prime contractor (if different from the Company) to take the above affirmative steps.
- (v) Prior to the commencement of work under any subcontracts, the Company shall provide to the City a list of such subcontractors, including information as to the dollar amount of the subcontracts and such other information as may be requested by the City. The Company shall update the report monthly.

¹ Note: this section will be revised prior to execution due to programmatic changes being implemented by the Department of Community and Economic Development as a result of recent legislation passed by City Council.

(vi) The Company shall periodically document its best efforts and affirmative steps to meet the above SBE participation goals by submitting such information as may be requested from time to time by the City.

B. Remedies for Noncompliance with Small Business Enterprise Program. Failure of the Company or its contractors and subcontractors to take the affirmative steps specified above, to provide fair and equal opportunity to SBEs, or to provide technical assistance to SBEs as may be necessary to reach SBE participation as set out in CMC Chapter 323 may be construed by the City as failure of the Company to use its best efforts, and, in addition to other remedies under this Agreement, may be a cause for the City to file suit in Common Pleas Court to enforce specific performance of the terms of this Section. The provisions of CMC Section 323-99 are hereby incorporated by reference into this Agreement.

Section 12. Jobs. The Company represents that, as of the date of the execution of this Agreement, the Company has no existing employment at the Property or in the State.

Section 13. Job Creation and Retention.

A. Jobs to be Created by Company. The Company agrees to use its best efforts to create (i) 17 full-time equivalent permanent jobs, and (ii) 65 full-time temporary construction jobs at the Property in connection with the Project. In the case of the construction jobs, the job creation and retention period shall be concurrent with construction, and in the case of the other jobs described herein, the job creation period shall begin upon completion of construction and shall end three (3) years thereafter.

B. Company's Estimated Payroll Increase. The Company's increase in the number of employees will result in approximately (i) \$600,000 of additional annual payroll with respect to the full-time equivalent permanent jobs, and (ii) \$2,500,000 of additional annual payroll prior to the completion of the Project with respect to the full-time temporary construction jobs.

C. Community Reinvestment Area Employment. The Company shall (i) adopt hiring practices to ensure that at least twenty-five percent (25%) of the new employees shall be residents of the City of Cincinnati and (ii) give preference to residents of the City relative to residents of the State who do not reside in the City when hiring new employees under this Agreement.

D. Posting Available Employment Opportunities. To the extent allowable by law, the Company shall use its best efforts to post available employment opportunities within the Company's organization or the organization of any subcontractor working with the Company with the Ohio Means Jobs Center, 1916 Central Parkway, Cincinnati, Ohio 45214-2305, through its Employer Services Unit Manager at 513-746-7200.

Section 14. Equal Employment Opportunity. This Agreement is subject to the City's Equal Employment Opportunity Program contained in CMC Chapter 325. The Equal Employment Opportunity Clause in CMC Section 325-9 is incorporated by reference in this Agreement. The term "Company" is substituted for "Contractor" throughout CMC Section 325-9 in the context of this Agreement.

Section 15. Compliance with Immigration and Nationality Act. In the performance of its obligations under this Agreement, the Company agrees to comply with the provisions of the Immigration and Nationality Act codified at 8 U.S.C. §§ 1324a(a)(1)(A) and (a)(2). Any noncompliance with such provisions shall be solely determined by either the federal agencies authorized to enforce the Immigration and Nationality Act or the U.S. Attorney General, in accordance with Executive Order 12989 of the U.S. President dated February 13, 1996, and as amended by Executive Order 13465 of the U.S. President dated June 6, 2008.

Section 16. Default. As provided in Ohio Revised Code Section 3735.671(C)(6), if the Company materially fails to fulfill its obligations under this Agreement, or if the City determines that the certification as to delinquent taxes required by this Agreement (Section 6 hereof) or the covenant of satisfaction of tax and other obligations (Section 7 hereof) is fraudulent, the City may terminate or modify the exemptions from taxation granted or authorized under this Agreement and may require the repayment by the Company of the amount of taxes that would have been payable had the Improvements not been exempted from taxation pursuant to this Agreement. A modification of exemption may be in the form of reduction in the number of years that eligible property is exempt and/or a reduction in the exemption percentage. The City shall provide written notice to the Company prior to finding the Company in default under this section. The notice shall provide the Company with not less than thirty (30) days to cure the default prior to City termination or modification of the exemptions under this Agreement. The City may extend the cure period as reasonably necessary under the circumstances. In the event of such termination or modification, the City is authorized to so notify the appropriate taxing authorities in order to effect the termination or modification. If repayment of previously exempt taxes is required by the City under this Section, such amount shall be paid as directed by the City within thirty (30) days of written demand. The City may secure repayment of such taxes by a lien on the Property in the amount required to be repaid. Such a lien shall attach, and may be perfected, collected, and enforced, in the same manner as a mortgage lien on real property, and shall otherwise have the same force and effect as a mortgage lien on real property. Amounts due and not paid when due under this Section 16 shall bear interest at the rate specified in Ohio Revised Code Section 1343.03(A) (as in effect on the date of the City's payment demand).

Section 17. Annual Review and Report. As required by Ohio Revised Code Sections 3735.671(C)(7) and 5709.85, the Company shall provide to the City's Tax Incentive Review Council (or to the City Manager if so requested by the City) any information reasonably required by the Council or the City Manager to evaluate the Company's compliance with this Agreement, including returns filed pursuant to Ohio Revised Code Section 5711.02 if requested by the Council or City Manager. The performance of the Company's obligations stated in this Agreement shall be subject to annual review by the City's Tax Incentive Review Council (the "Annual Review and Report"). The Company shall submit information for the Annual Review and Report to the City no later than March 1 of each year.

Section 18. Revocation.

A. Generally. Pursuant to Ohio Revised Code Section 3735.68, the housing officer shall make annual inspections of the properties within the community reinvestment area upon which are located structures or remodeling for which an exemption has been granted under Ohio Revised Code Section 3735.67. If the housing officer finds that the property has not been properly maintained or repaired due to the neglect of the Company, the housing officer may revoke the exemption at any time after the first year of exemption. If the Company has materially failed to fulfill its obligations under this Agreement, or if the owner is determined to have violated division (E) of that section (see Section 18(B) of this Agreement), City Council, subject to the terms of the agreement, may revoke the exemption at any time after the first year of exemption. The housing officer or City Council shall notify the county auditor and the Company that the tax exemption no longer applies. If the housing officer or legislative authority revokes a tax exemption, the housing officer shall send a report of the revocation to the community reinvestment area housing council and to the tax incentive review council established pursuant to section 3735.69 or 5709.85 of the Revised Code, containing a statement of the findings as to the maintenance and repair of the property, failure to fulfill obligations under the written agreement, or violation of division (E) of Ohio Revised Code Section 3735.671, and the reason for revoking the exemption.

B. Prior Statutory Violations. The Company represents and warrants to the City that it is not prohibited by Ohio Revised Code Section 3735.671(E) from entering into this Agreement. As required by Ohio Revised Code Section 3735.671(C)(9), exemptions from taxation granted or authorized under this Agreement shall be revoked if it is determined that the Company, any successor to the Company or any related member (as those terms are defined in division (E) of

Ohio Revised Code Section 3735.671) has violated the prohibition against entering into this Agreement under division (E) of Ohio Revised Code Section 3735.671 or under Ohio Revised Code Sections 5709.62 or 5709.63 prior to the time prescribed by that division or either of those sections.

Section 19. False Statements; Penalties; Material Representations.

A. Generally. As required in connection with Ohio Revised Code Section 9.66(C), the Company affirmatively covenants that it has made no false statements to the State or the City in the process of obtaining approval for this Agreement. If any representative of the Company has knowingly made a false statement to the State or the City to obtain approval for this Agreement, or if the Company fails to provide any information expressly required under the Application, the Company shall be required to immediately return all benefits received under this Agreement (by payment of the amount of taxes exempted hereunder, paid as directed by the City within thirty (30) days of written demand) and the Company shall be ineligible for any future economic development assistance from the State, any State agency or any political subdivision of the State pursuant to Ohio Revised Code Section 9.66(C)(1). Amounts due and not paid under this Section 19 shall bear interest at the rate of twelve percent (12%) per year. Any person who provides a false statement to secure economic development assistance (as defined in Ohio Revised Code Section 9.66) may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by fine of not more than One Thousand Dollars (\$1,000) and/or a term of imprisonment of not more than six (6) months.

B. Material Representations – Board of Education Agreement and VTICA. The Parties acknowledge and agree that a material failure by the Company to comply with its representations concerning the Board of Education Agreement or VTICA Contribution shall constitute an event of default for purposes of Section 16 (Default) and the basis for revocation under Section 18 (Revocation). Subject to the terms of the VTICA, if the VTICA is unenforceable for reasons of infeasibility or otherwise, the Company shall enter into alternative arrangements providing for the economic equivalent of the VTICA Contribution. Such arrangements may include, but are not limited to, providing for the economic equivalent of the VTICA Contribution through formation of a special improvement district. For purposes of this Section 19.B, alternative arrangements must result in services substantially similar to those that would have been supported through the VTICA and at a value that is the economic equivalent of the VTICA Contribution, which value shall not be required to exceed the VTICA Contribution amount that would have been payable by the Company. Any determination of infeasibility or mechanism for providing alternative arrangements is subject to approval by the City at its sole discretion. Nothing in this Section 19.B shall operate to limit the City's enforcement authority under this Agreement including, without limitation, Section 16, Section 18, and Section 19.A.

Section 20. Conflict of Interest. The Company covenants that, to the Company's knowledge, no employee of the City has any personal interest, direct or indirect, in any matters pertaining to the Project, and the Company agrees to take appropriate steps to prevent any employee of the City from obtaining any such interest throughout the term of this Agreement.

Section 21. Annual Fee. As authorized by Ohio Revised Code Section 3735.671(D), the Company shall pay an annual fee of Five Hundred Dollars (\$500) or one percent (1%) of the annual taxes exempted under this Agreement, whichever is greater, but not to exceed Two Thousand, Five Hundred Dollars (\$2,500) per annum. This fee is due with submission of the information for Annual Review and Report by March 1 of each year.

Section 22. Discontinued Operations. As provided in Ohio Revised Code Section 3735.671(E), if, prior to the expiration of the term of this Agreement, the Company discontinues operations at the Project so that the Property is no longer being used for the purposes described in Section 1 hereof, then the Company, its successors, and any related member shall not enter into an

agreement under Ohio Revised Code Sections 3735.671, 5709.62, 5709.63 or 5709.632, and no legislative authority shall enter into such an agreement with the Company, its successors or any related member prior to the expiration of five (5) years after the discontinuation of operations. As used in this Section 22, "successors" and "related member" shall have the meanings set forth in Ohio Revised Code Section 3735.671(E).

Section 23. Notices. Unless otherwise specified herein, each party shall address written notices, demands and communications in connection with this Agreement to the other party as follows (or to such other address as is communicated in accordance with this Section):

To the City:

City of Cincinnati
Attention: Director of the Department of Community and Economic Development
Centennial Plaza Two, Suite 700
805 Central Avenue
Cincinnati, Ohio 45202

To the Company:

Hyde Park Hotel Partners, LLC
45 Fairfield Avenue, Suite 200
Bellevue, Kentucky 41073

If the Company sends a notice to the City alleging that the City is in default under this Agreement, the Company shall simultaneously send a copy of such notice to: City Solicitor, City of Cincinnati, 801 Plum Street, Room 214, Cincinnati, Ohio 45202.

Section 24. Acknowledgment of City Participation. The Company agrees to acknowledge the support of the City on construction signs, project and exhibition signage, and any publicity such as that appearing on the internet, television, cable television, radio, or in the press or any other printed media. In identifying the City as a Project partner, the Company shall use either the phrase "Project Assistance by the City of Cincinnati" or a City of Cincinnati logotype or other form of acknowledgement that has been approved in advance in writing by the City.

Section 25. Entire Agreement. This Agreement and the Exhibits attached hereto constitute the entire agreement between the City and the Company with respect to the subject matter herein, superseding any prior or contemporaneous agreement with respect thereto.

Section 26. Governing Law. This Agreement is entered into and is to be performed in the State. The City and the Company agree that the law of the State of Ohio shall govern the rights, obligations, duties and liabilities of the parties to this Agreement and shall govern the interpretation of this Agreement.

Section 27. Waiver. The City's waiver of any breach by the Company of any provision of this Agreement shall not constitute or operate as a waiver by the City of any other breach of such provision or of any other provisions, nor shall any failure or delay by the City to enforce any provision hereof operate as a waiver of such provision or of any other provision.

Section 28. Severability. This Agreement shall be severable; if any part or parts of this Agreement shall for any reason be held invalid or unenforceable by a court of competent jurisdiction, all remaining parts shall remain binding and in full force and effect.

Section 29. Amendment. This Agreement may be modified or amended only by a written agreement duly executed by the parties hereto or their representatives.

Section 30. Non-Assignment. As required by Ohio Revised Code Section 3735.671(C)(8), this Agreement is not transferable or assignable by the Company without the express written approval of the City Manager of the City. If the Company has entered into a Board of Education Agreement or VTICA in connection with the Property, the City shall not approve the assignment of this Agreement unless the assignee has assumed the Company's remaining obligations under the Board of Education Agreement and VTICA, as applicable. Failure to assign or otherwise perform the Company's obligations under the Board of Education Agreement or VTICA upon transfer of the Property during the term of the tax abatement authorized by this Agreement shall be basis for revocation of the tax exemption under Section 18.

Section 31. Recording. At its election, the City may record this Agreement at the City's expense in the Hamilton County Recorder's Office.

Section 32. Legislative Action Required. As provided in Ohio Revised Code Section 3735.671(C)(10), the Company and the City acknowledge that this Agreement must be approved by formal action of the City Council of the City as a condition for this Agreement to take effect. Notwithstanding anything to the contrary herein, this Agreement shall take effect after the later of the date of such approval or the final date of execution of this Agreement by all parties.

Section 33. Additional Representations and Warranties of Company. The Company represents and warrants that (a) it is duly organized and existing and it has full power and authority to take, and has taken, all action necessary to execute and deliver this Agreement and any other documents required or permitted to be executed or delivered by it in connection with this Agreement, and to fulfill its obligations hereunder; (b) no notices to, or consents, authorizations or approvals of, any person are required (other than any already given or obtained) for its due execution, delivery and performance of this Agreement; and (c) this Agreement has been duly executed and delivered by it and constitutes the legal, valid and binding obligation of the Company.

Section 34. Certification as to Non-Debarment. The Company represents that neither it nor any of its principals is presently debarred by any federal, state, or local government agency. In completing the Project, the Company shall not solicit bids from any contractors or subcontractors who are identified as being debarred by any federal, state, or local government agency. If the Company or any of its principals becomes debarred by any federal, state, or local government agency during the term of this Agreement, the company shall be considered in default under this Agreement.

Section 35. Appeals. Pursuant to Ohio Revised Code Section 3735.70, a person aggrieved under the Statute or this Agreement may appeal to the community reinvestment area housing council, which shall have the authority to overrule any decision of a housing officer. Appeals may be taken from a decision of the council to the court of common pleas of the county where the area is located.

Section 36. Wage Enforcement.

(i) Applicability. Council passed Ordinance No. 22-2016 on February 3, 2016, which ordained Chapter 326 (Wage Enforcement) of the Cincinnati Municipal Code (the "Wage Enforcement Chapter"). The Wage Enforcement Chapter was then amended by Ordinance No. 96-2017, passed May 17, 2017. As amended, the Wage Enforcement Chapter imposes certain requirements upon persons entering into agreements with the City whereby the City provides an incentive or benefit that is projected to exceed \$25,000, as described more particularly in the Wage Enforcement Chapter. Cincinnati Municipal Code Section 326-5 requires that the language below be included in contracts subject to the Wage Enforcement Chapter.

(ii) Required Contractual Language. Capitalized terms used, but not defined, in this clause (ii) have the meanings ascribed thereto in the Wage Enforcement Chapter.

(a) This contract is or may be subject to the Wage Enforcement provisions of the Cincinnati Municipal Code. These provisions require that any Person who has an Agreement with

the city or with a Contractor or Subcontractor of that Person shall report all Complaints or Adverse Determinations of Wage Theft and Payroll Fraud (as each of those terms is defined in Chapter 326 of the Cincinnati Municipal Code) against the Contractor or Subcontractors to the Department of Economic Inclusion within 30 days of notification of the Complaint or Adverse Determination.

(b) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to include provisions in solicitations and contracts regarding a Development Site that all employers, Contractors or Subcontractors performing or proposing to perform work on a Development Site provide an initial sworn and notarized "Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee and, within 30 days of an Adverse Determination or Complaint of Wage Theft or Payroll Fraud, shall provide an "Amended Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee.

(c) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to authorize, and does hereby specifically authorize, any local, state or federal agency, court, administrative body or other entity investigating a complaint of Wage Theft or Payroll Fraud against the Person (collectively "investigative bodies") to release to the City's Department of Economic Inclusion any and all evidence, findings, complaints and determinations associated with the allegations of Wage Theft or Payroll Fraud upon the City's request and further authorizes such investigative bodies to keep the City advised regarding the status of the investigation and ultimate determination. If the investigative bodies require the Person to provide additional authorization on a prescribed form or in another manner, the Person shall be required to provide such additional authorization within 14 days of a request by the City.

(d) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall include in its contracts with all Contractors language that requires the Contractors to provide the authorizations set forth in subsection (c) above and that further requires each Contractor to include in its contracts with Subcontractors those same obligations for each Subcontractor and each lower tier subcontractor.

(e) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall post a conspicuous notice on the Development Site throughout the entire period work is being performed pursuant to the Agreement indicating that the work being performed is subject to Cincinnati Municipal Code Chapter 326, Wage Enforcement, as administered by the City of Cincinnati Department of Economic Inclusion. Such notice shall include contact information for the Department of Economic Inclusion as provided by the department.

(f) Under the Wage Enforcement provisions, the City shall have the authority, under appropriate circumstances, to terminate this contract or to reduce the incentives or subsidies to be provided under this contract and to seek other remedies, including debarment.

Section 37. Legal Requirements. In completing and operating the Project, the Company shall comply with all applicable statutes, ordinances, regulations, and rules of the government of the United States, State of Ohio, County of Hamilton, and City of Cincinnati.

Section 38. Counterparts and Electronic Signatures. This Agreement may be executed by the parties hereto in two or more counterparts and each executed counterpart shall be considered an original but all of which together shall constitute one and the same instrument. This Agreement may be executed and delivered by electronic signature; any original signatures that are initially delivered electronically shall be physically delivered as soon as reasonably possible.

APPLICATION FOR TAX EXEMPTION

[TO BE ATTACHED TO EXECUTION VERSION]

Community Reinvestment Area Tax Exemption Agreement
(LEED or Living Building Challenge)

This Community Reinvestment Area Tax Exemption Agreement (this “Agreement”) is made and entered into as of the Effective Date (as defined on the signature page hereof) by and between the CITY OF CINCINNATI, an Ohio municipal corporation (the “City”), and HYDE PARK HOTEL PARTNERS, LLC, an Ohio limited liability company (the “Company”).

Recitals:

- A. The City, through the adoption of Ordinance No. 274-2017 on September 27, 2017, designated the entire City of Cincinnati as a Community Reinvestment Area to encourage the development of real property and the acquisition of personal property in that area, pursuant to Ohio Revised Code Sections 3735.65 through 3735.70 (the “Statute”).
- B. In accordance with the Statute, the Ohio Director of Development has forwarded to the City the Director’s determination dated October 23, 2017, stating that the findings contained in Ordinance No. 274-2017 are valid and that the entire City is a Community Reinvestment Area under the Statute. By such determination, the Director of Development of the State of Ohio determined that the area within the corporate boundaries of the City of Cincinnati contains the characteristics set forth in the Statute and confirmed such area as a Community Reinvestment Area under the Statute.
- C. The Council of the City of Cincinnati has also passed Ordinance No. 275-2017 as of September 27, 2017, as amended by Ordinance No. 339-2018 passed on October 31, 2018 (the “Commercial Policy Ordinance”), which sets forth certain additional policies, conditions and limitations regarding newly constructed or remodeled commercial and residential structures in the Community Reinvestment Area.
- D. Pursuant to the Commercial Policy Ordinance, a project that is constructed or remodeled to (1) Leadership in Energy and Environmental Design (“LEED”) Silver, Gold or Platinum standards (as defined by the U.S. Green Building Council), or (2) receives a (a) Living Building Challenge Net Zero certification, (b) Living Building Challenge Full certification, or (c) solely in circumstances where the construction or remodeling complies with the requirements of the “Energy Petal” of the Living Building Challenge, Living Building Challenge Petal certification, in each case as defined by the International Living Future Institute and the Cascadia Green Building Council (such qualifying remodeling or construction is referred to, collectively, as “LBC” remodeling or construction), may qualify for a longer term and/or greater abatement.
- E. The Company is the sole owner of certain real property within the City, located at 2654 Madison Road, Cincinnati, Ohio 45208 (the “Property”), as further described in Exhibit A (Legal Description of Property) hereto. Notwithstanding the foregoing, the Property shall not include any residential condominiums being developed in connection with the Project (as defined below) (the “Excluded Property”), and the Company acknowledges and agrees that the City’s Community Reinvestment Area program entails separate applications by the owner of any residential condominium units included within the Project. For the avoidance of doubt, the Excluded Property shall not be exempt under this Agreement; however, this provision shall not be deemed to prohibit any owners from time to time of any Excluded Property from separately applying for a tax abatement in accordance with applicable law.
- F. The Company has proposed the construction of a building located on the Property to LEED Silver standards, within the boundaries of the City of Cincinnati, as more fully described in Section 1 herein (the “Project”); provided that the appropriate development incentives are available to support the economic viability of the Project.
- G. The Statute provides that if any part of a project is to be used for commercial or industrial purposes, including projects containing four or more dwelling units, in order to be eligible for tax

exemption the City and the Company must enter into an agreement pursuant to Ohio Revised Code Section 3735.671 prior to commencement of construction or remodeling.

- H. The City, having appropriate authority under the Statute for this type of project, agrees (as provided herein and subject to all conditions herein) to provide the Company with the tax exemption incentives stated herein, available under the Statute, for development of the Project.
- I. The Company has submitted to the City an application for this tax exemption agreement (the "Application"), a copy of which is attached hereto as Exhibit B, has remitted with the Application (i) the City application fee of One Thousand Two Hundred Fifty Dollars (\$1,250) made payable to the City and (ii) in accordance with Ohio Revised Code Section 3735.672(C), the state application fee of Seven Hundred Fifty Dollars (\$750) made payable to the Ohio Development Services Agency ("ODSA"), to be forwarded to the ODSA with an executed copy of this Agreement.
- J. The Director of the City's Department of Community and Economic Development has recommended approval of the Application on the basis that the Company is qualified by financial responsibility and business experience to create and preserve employment opportunities and improve the economic climate of the City.
- K. The Board of Education of the Cincinnati City School District (the "Board of Education"), pursuant to that certain *Tax Incentive Agreement* effective as of April 28, 2020, has approved exemptions of up to one hundred percent (100%) of Community Reinvestment Area projects, waived advance notice and right to review such projects, and waived sharing or allocation of municipal income taxes in connection with such projects.
- L. The Company has entered into (or will enter into) an agreement with the Board of Education requiring the Company to pay the Board of Education amounts equal to thirty-three percent (33%) of the full amount of exempt real property taxes that would have been paid to Hamilton County if this Agreement were not in effect (the "Board of Education Agreement").
- M. The Company represents and warrants to the City that the Company and its major tenants, if any, do not intend to relocate part or all of their operations to the City from another county or municipal corporation in the State of Ohio (the "State").
- N. The Company represents that within the past five (5) years neither the Company, any related member of the Company, nor any entity to which the Company is a successor has discontinued operations at a project site in the State during the term of a property tax exemption agreement (under Ohio Revised Code Section 3735.671, 5709.62, 5709.63 or 5709.632) applicable to that site, and the Company acknowledges that misrepresentation hereunder will result in voiding of this Agreement.
- O. The Company represents and warrants to the City that the Company is not subject to an Enterprise Zone Agreement with the City of Cincinnati for the Property or the Project.
- P. The Company acknowledges that the Hyde Park neighborhood is a rising neighborhood in need of resources for development, neighborhood improvements, amenities, and organizations oriented towards neighborhood services. The Company anticipates that future development, improvements, amenities and organizations will contribute to the quality and vitality of the neighborhood, therefore increasing the value of the Property and directly and indirectly contributing to the Project's success. The Project's success, in turn, will benefit the neighborhood. Although this feedback effect will promote the revitalization and redevelopment of the City, it could also impact the affordability of property in the area. Therefore, in support of the Hyde Park neighborhood and with the intention of preserving and improving the availability of quality, reliable affordable housing on a City-wide basis, as a material inducement to the City to enter into this Agreement, the Company hereby represents to the City that it will enter into a voluntary tax incentive contribution agreement ("VTICA") with a City-designated third-party non-profit

administrative organization (the "Third-Party Administrator") to contribute to the Third-Party Administrator an amount equal to fifteen percent (15%) of the real property taxes that would have been payable on the abated property but for the City-authorized tax abatement (the "VTICA Contribution"). Half of such VTICA Contribution is to be committed by the Third-Party Administrator to facilitate permanent improvements and neighborhood services furthering urban redevelopment in the Hyde Park neighborhood and the other half of such VTICA Contribution is to be committed by the Third-Party Administrator in supporting quality affordable housing on a City-wide basis. The Company hereby represents and warrants that it will pay the VTICA Contribution for the full term of the abatement.

- Q. This Agreement has been authorized by Ordinance No. _____-2021, passed by Cincinnati City Council on _____, 2021.
- R. In determining to recommend and authorize this Agreement, the Department of Community and Economic Development and City Council, respectively, have acted in material reliance on the Company's representations in the Application and herein regarding the Project including, but not limited to, representations relating to the number of jobs to be created and/or retained by the Company, the Board of Education Agreement, the VTICA Contribution, and the Project's effect in promoting the general welfare of the people of Cincinnati by, for example, encouraging the development of real property located in the Community Reinvestment Area and thereby promoting economic growth and vitality in Cincinnati.

NOW, THEREFORE, pursuant to Ohio Revised Code Section 3735.67(A) and in conformity with the format required under Ohio Revised Code Section 3735.671, in consideration of the mutual covenants contained herein and the benefit to be derived by the parties from the execution hereof, the parties agree as follows:

Section 1. Project. Upon issuance of the necessary zoning and building approvals, the Company agrees to construct a 103-room hotel with associated amenities and site improvements on the Property (the "Improvements") at an estimated aggregate cost of \$11,771,503 to commence after the execution of this Agreement and to be completed no later than December 31, 2023; *provided*, however, that the Director of the Department of Community and Economic Development (the "Housing Officer") may, in his discretion, extend such deadline for a period of up to 12 months by written notice if, in the Director's judgment, the Company is proceeding in good faith towards completion. The construction shall be in compliance with applicable building code requirements and zoning regulations, as well as complying with LEED Silver standards. The Company hereby represents that it has registered with the U.S. Green Building Council with intent to certify compliance with LEED Silver standards. In addition to the foregoing, (A) the Project shall comply with the Americans with Disabilities Act, together with any and all regulations or other binding directives promulgated pursuant thereto (collectively, the "**ADA**"), and (B) if (i) any building(s) within the Project is subject to the accessibility requirements of the ADA (e.g., by constituting a "place of public accommodation" or another category of structure to which the ADA is applicable) and (ii) such building(s) is not already required to meet the Contractual Minimum Accessibility Requirements (as defined below) pursuant to the ADA, applicable building code requirements, or by any other legal requirement, then the Company shall cause such building(s) to comply with the Contractual Minimum Accessibility Requirements in addition to any requirements pursuant to the ADA and the applicable building code or legal requirement. As used herein, "**Contractual Minimum Accessibility Requirements**" means that a building shall, at a minimum, include (1) at least one point of entry (as used in the ADA), accessible from a public right of way, with respect to which all architectural barriers (as used in the ADA) to entry have been eliminated, and (2) if such accessible point of entry is not a building's primary point of entry, conspicuous signage directing persons to such accessible point of entry.

Section 2. Real Property Tax Exemption. Subject to the satisfaction of the conditions set forth in this Agreement, the City approves exemption from real property taxation, pursuant to and to the fullest extent authorized by the Statute, of 100% of the amount by which the Improvements increase the assessed value of the Property as determined by the Hamilton County Auditor, for a period of 13 years, provided that the Company shall have entered into the Board of Education Agreement. Within 120 days

after completion of the Project (unless otherwise extended in writing by the City's Housing Officer), the Company must file the appropriate application for tax exemption with the City's Housing Officer. The Company is solely responsible to take this action. Upon receipt of the application for tax exemption, the City will proceed with the exemption authorized by this Agreement. In accordance with Ohio Revised Code Section 3735.67, the exemption is conditioned on verification by the Housing Officer of (A) the completion of construction, (B) the cost of construction, (C) the facts asserted in the application for exemption, (D) compliance with LBC and/or LEED standards identified in Section 1, and (E) if a remodeled structure is a structure of historical or architectural significance as designated by the City, state or federal government, that the appropriateness of the construction has been certified in writing by the appropriate agency. If the required verification is made, the Housing Officer will forward the exemption application to the Hamilton County Auditor with the necessary certification by the Housing Officer. Subject to the conditions set forth in this Agreement, the exemption commences the first tax year for which the Improvements would first be taxable were the Improvements not exempted from taxation. The dates provided in this paragraph refer to tax years in which the subject property is assessed, as opposed to years in which taxes are billed. No exemption shall commence after tax year 2024 nor extend beyond the earlier of (i) tax year 2036 or (ii) the end of the 13th year of exemption.

Section 3. Use; Maintenance; Inspections. The Company shall use the Property solely for the purposes described in Section 1 hereof and shall properly maintain and repair the Property throughout the period of tax exemption authorized herein. The Company authorizes the Housing Officer, or the Housing Officer's designees, to enter upon the Property as reasonably required to perform property inspections in accordance with Ohio Revised Code Section 3735.68.

Section 4. Compliance with Board of Education Agreement. As a condition of the tax exemption authorized under this Agreement, the Company agrees to enter into and comply with its obligation under the Board of Education Agreement.

Section 5. Duty of Company to Pay Taxes. As required by Ohio Revised Code Section 3735.671(C)(2), the Company shall pay such real property taxes as are not exempted under this Agreement and are charged against the Property and shall file all tax reports and returns as required by law. If the Company fails to pay such taxes or file such returns and reports, exemptions from taxation granted or authorized under this Agreement are rescinded beginning with the year for which such taxes are charged or such reports or returns are required to be filed and continuing thereafter.

Section 6. Company Certifications Regarding Non-Delinquency of Tax Obligations. As required by Ohio Revised Code Section 3735.671(C)(3), the Company certifies that at the time this Agreement is executed, the Company does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State, and does not owe delinquent taxes for which the Company is liable under Ohio Revised Code Chapters 5733, 5735, 5739, 5741, 5743, 5747 or 5753, or if such delinquent taxes are owed, the Company currently is paying the delinquent taxes pursuant to an undertaking enforceable by the State or an agent or instrumentality thereof, has filed a petition in bankruptcy under 101, et seq., or such a petition has been filed against the Company. For the purposes of this certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Ohio Revised Code governing payment of those taxes.

Section 7. Covenant of Satisfaction of Tax and Other Obligations. In accordance with Ohio Revised Code Section 9.66, (A) the Company affirmatively covenants that it does not owe: (i) any delinquent taxes to the State or to a political subdivision of the State; (ii) any moneys to the State or a State agency for the administration or enforcement of any environmental laws of the State; or (iii) any other moneys to the State, a State agency or a political subdivision of the State that are past due, regardless of whether the amounts owed are being contested in a court of law or not; (B) the Company authorizes the City and/or the State to inspect the personal financial statements of the Company, including tax records and other similar information not ordinarily open to public inspection; and (C) the Company authorizes the Ohio Environmental Protection Agency and the Ohio Department of Taxation to release information to the City and or other State departments in connection with the above statements. As provided by statute, a knowingly false statement under this section may be prosecuted as a first

degree misdemeanor under Ohio Revised Code Section 2921.13, may render the Company ineligible for any future economic development assistance from the State or any political subdivision of the State, and will result in the City requiring the Company's repayment of any assistance provided by the City in connection with the Project.

Section 8. City Cooperation. As required by Ohio Revised Code Section 3735.671(C)(4), upon specific request from the Company, the City shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve and maintain exemptions from taxation granted under this Agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions.

Section 9. Continuation of Exemptions. As provided in Ohio Revised Code Section 3735.671(C)(5), if for any reason the City revokes the designation of the City of Cincinnati as a Community Reinvestment Area, entitlements granted under this Agreement shall continue for the number of years specified under this Agreement, unless the Company materially fails to fulfill its obligations under this Agreement and the City terminates or modifies the exemptions from taxation authorized pursuant to this Agreement.

Section 10. City Not Liable. The Company acknowledges that the exemption authorized in this Agreement is subject to approval and implementation by the appropriate state and/or county taxing authorities. The Company acknowledges that the City does not give any guarantee or assurance that the exemption approved in this Agreement will be so approved, and the Company agrees that in no event shall the Company seek to hold the City liable in any way in the event such exemption is not granted or implemented.

Section 11. Small Business Enterprise Program.¹

A. Compliance with Small Business Enterprise Program. The policy of the City is that a fair share of contracts be awarded to Small Business Enterprises (as such term is defined in Cincinnati Municipal Code ("CMC") Section 323-1-S, "SBEs"). Pursuant to CMC Section 323-11, the City's annual goal for SBE participation shall be thirty percent (30%) of the City's total dollars spent for construction (as such term is defined in CMC Section 323-1-C4), supplies (as such term is defined in CMC Section 323-1-S5), services (as such term is defined in CMC Section 323-1-S) and professional services (as such term is defined in CMC Section 323-1-P2). Accordingly, the Company shall use its best efforts and take affirmative steps to achieve the City's goal of voluntarily meeting thirty percent (30%) SBE participation. A list of SBEs may be obtained from the City's Department of Economic Inclusion. The Company may refer interested firms to the City's Department of Economic Inclusion for review and possible certification as an SBE. The Company shall comply with the provisions of CMC Chapter 323, including without limitation taking at least the following affirmative steps:

- (i) Including qualified SBEs on solicitation lists.
- (ii) Assuring that SBEs are solicited whenever they are potential sources.

The Company must advertise, on at least two separate occasions, both in local minority publications and in other local newspapers of general circulation, invitations to SBEs to provide services, to supply materials, or to bid on construction contracts, as applicable.

(iii) When economically feasible, dividing total requirements into small tasks or quantities so as to permit maximum SBE participation.

(iv) If any subcontracts are to be let, the Company shall require the prime contractor (if different from the Company) to take the above affirmative steps.

(v) Prior to the commencement of work under any subcontracts, the Company shall provide to the City a list of such subcontractors, including information as to the dollar amount of the subcontracts and such other information as may be requested by the City. The Company shall update the report monthly.

¹ Note: this section will be revised prior to execution due to programmatic changes being implemented by the Department of Community and Economic Development as a result of recent legislation passed by City Council.

(vi) The Company shall periodically document its best efforts and affirmative steps to meet the above SBE participation goals by submitting such information as may be requested from time to time by the City.

B. Remedies for Noncompliance with Small Business Enterprise Program. Failure of the Company or its contractors and subcontractors to take the affirmative steps specified above, to provide fair and equal opportunity to SBEs, or to provide technical assistance to SBEs as may be necessary to reach SBE participation as set out in CMC Chapter 323 may be construed by the City as failure of the Company to use its best efforts, and, in addition to other remedies under this Agreement, may be a cause for the City to file suit in Common Pleas Court to enforce specific performance of the terms of this Section. The provisions of CMC Section 323-99 are hereby incorporated by reference into this Agreement.

Section 12. Jobs. The Company represents that, as of the date of the execution of this Agreement, the Company has no existing employment at the Property or in the State.

Section 13. Job Creation and Retention.

A. Jobs to be Created by Company. The Company agrees to use its best efforts to create (i) 17 full-time equivalent permanent jobs, and (ii) 65 full-time temporary construction jobs at the Property in connection with the Project. In the case of the construction jobs, the job creation and retention period shall be concurrent with construction, and in the case of the other jobs described herein, the job creation period shall begin upon completion of construction and shall end three (3) years thereafter.

B. Company's Estimated Payroll Increase. The Company's increase in the number of employees will result in approximately (i) \$600,000 of additional annual payroll with respect to the full-time equivalent permanent jobs, and (ii) \$2,500,000 of additional annual payroll prior to the completion of the Project with respect to the full-time temporary construction jobs.

C. Community Reinvestment Area Employment. The Company shall (i) adopt hiring practices to ensure that at least twenty-five percent (25%) of the new employees shall be residents of the City of Cincinnati and (ii) give preference to residents of the City relative to residents of the State who do not reside in the City when hiring new employees under this Agreement.

D. Posting Available Employment Opportunities. To the extent allowable by law, the Company shall use its best efforts to post available employment opportunities within the Company's organization or the organization of any subcontractor working with the Company with the Ohio Means Jobs Center, 1916 Central Parkway, Cincinnati, Ohio 45214-2305, through its Employer Services Unit Manager at 513-746-7200.

Section 14. Equal Employment Opportunity. This Agreement is subject to the City's Equal Employment Opportunity Program contained in CMC Chapter 325. The Equal Employment Opportunity Clause in CMC Section 325-9 is incorporated by reference in this Agreement. The term "Company" is substituted for "Contractor" throughout CMC Section 325-9 in the context of this Agreement.

Section 15. Compliance with Immigration and Nationality Act. In the performance of its obligations under this Agreement, the Company agrees to comply with the provisions of the Immigration and Nationality Act codified at 8 U.S.C. §§ 1324a(a)(1)(A) and (a)(2). Any noncompliance with such provisions shall be solely determined by either the federal agencies authorized to enforce the Immigration and Nationality Act or the U.S. Attorney General, in accordance with Executive Order 12989 of the U.S. President dated February 13, 1996, and as amended by Executive Order 13465 of the U.S. President dated June 6, 2008.

Section 16. Default. As provided in Ohio Revised Code Section 3735.671(C)(6), if the Company materially fails to fulfill its obligations under this Agreement, or if the City determines that the certification as to delinquent taxes required by this Agreement (Section 6 hereof) or the covenant of satisfaction of tax and other obligations (Section 7 hereof) is fraudulent, the City may terminate or modify the exemptions from taxation granted or authorized under this Agreement and may require the repayment by the Company of the amount of taxes that would have been payable had the Improvements not been exempted from taxation pursuant to this Agreement. A modification of exemption may be in the form of reduction in the number of years that eligible property is exempt and/or a reduction in the exemption percentage. The City shall provide written notice to the Company prior to finding the Company in default under this section. The notice shall provide the Company with not less than thirty (30) days to cure the default prior to City termination or modification of the exemptions under this Agreement. The City may extend the cure period as reasonably necessary under the circumstances. In the event of such termination or modification, the City is authorized to so notify the appropriate taxing authorities in order to effect the termination or modification. If repayment of previously exempt taxes is required by the City under this Section, such amount shall be paid as directed by the City within thirty (30) days of written demand. The City may secure repayment of such taxes by a lien on the Property in the amount required to be repaid. Such a lien shall attach, and may be perfected, collected, and enforced, in the same manner as a mortgage lien on real property, and shall otherwise have the same force and effect as a mortgage lien on real property. Amounts due and not paid when due under this Section 16 shall bear interest at the rate specified in Ohio Revised Code Section 1343.03(A) (as in effect on the date of the City's payment demand).

Section 17. Annual Review and Report. As required by Ohio Revised Code Sections 3735.671(C)(7) and 5709.85, the Company shall provide to the City's Tax Incentive Review Council (or to the City Manager if so requested by the City) any information reasonably required by the Council or the City Manager to evaluate the Company's compliance with this Agreement, including returns filed pursuant to Ohio Revised Code Section 5711.02 if requested by the Council or City Manager. The performance of the Company's obligations stated in this Agreement shall be subject to annual review by the City's Tax Incentive Review Council (the "Annual Review and Report"). The Company shall submit information for the Annual Review and Report to the City no later than March 1 of each year.

Section 18. Revocation.

A. Generally. Pursuant to Ohio Revised Code Section 3735.68, the housing officer shall make annual inspections of the properties within the community reinvestment area upon which are located structures or remodeling for which an exemption has been granted under Ohio Revised Code Section 3735.67. If the housing officer finds that the property has not been properly maintained or repaired due to the neglect of the Company, the housing officer may revoke the exemption at any time after the first year of exemption. If the Company has materially failed to fulfill its obligations under this Agreement, or if the owner is determined to have violated division (E) of that section (see Section 18(B) of this Agreement), City Council, subject to the terms of the agreement, may revoke the exemption at any time after the first year of exemption. The housing officer or City Council shall notify the county auditor and the Company that the tax exemption no longer applies. If the housing officer or legislative authority revokes a tax exemption, the housing officer shall send a report of the revocation to the community reinvestment area housing council and to the tax incentive review council established pursuant to section 3735.69 or 5709.85 of the Revised Code, containing a statement of the findings as to the maintenance and repair of the property, failure to fulfill obligations under the written agreement, or violation of division (E) of Ohio Revised Code Section 3735.671, and the reason for revoking the exemption.

B. Prior Statutory Violations. The Company represents and warrants to the City that it is not prohibited by Ohio Revised Code Section 3735.671(E) from entering into this Agreement. As required by Ohio Revised Code Section 3735.671(C)(9), exemptions from taxation granted or authorized under this Agreement shall be revoked if it is determined that the Company, any successor to the Company or any related member (as those terms are defined in division (E) of

Ohio Revised Code Section 3735.671) has violated the prohibition against entering into this Agreement under division (E) of Ohio Revised Code Section 3735.671 or under Ohio Revised Code Sections 5709.62 or 5709.63 prior to the time prescribed by that division or either of those sections.

Section 19. False Statements; Penalties; Material Representations.

A. Generally. As required in connection with Ohio Revised Code Section 9.66(C), the Company affirmatively covenants that it has made no false statements to the State or the City in the process of obtaining approval for this Agreement. If any representative of the Company has knowingly made a false statement to the State or the City to obtain approval for this Agreement, or if the Company fails to provide any information expressly required under the Application, the Company shall be required to immediately return all benefits received under this Agreement (by payment of the amount of taxes exempted hereunder, paid as directed by the City within thirty (30) days of written demand) and the Company shall be ineligible for any future economic development assistance from the State, any State agency or any political subdivision of the State pursuant to Ohio Revised Code Section 9.66(C)(1). Amounts due and not paid under this Section 19 shall bear interest at the rate of twelve percent (12%) per year. Any person who provides a false statement to secure economic development assistance (as defined in Ohio Revised Code Section 9.66) may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by fine of not more than One Thousand Dollars (\$1,000) and/or a term of imprisonment of not more than six (6) months.

B. Material Representations – Board of Education Agreement and VTICA. The Parties acknowledge and agree that a material failure by the Company to comply with its representations concerning the Board of Education Agreement or VTICA Contribution shall constitute an event of default for purposes of Section 16 (Default) and the basis for revocation under Section 18 (Revocation). Subject to the terms of the VTICA, if the VTICA is unenforceable for reasons of infeasibility or otherwise, the Company shall enter into alternative arrangements providing for the economic equivalent of the VTICA Contribution. Such arrangements may include, but are not limited to, providing for the economic equivalent of the VTICA Contribution through formation of a special improvement district. For purposes of this Section 19.B, alternative arrangements must result in services substantially similar to those that would have been supported through the VTICA and at a value that is the economic equivalent of the VTICA Contribution, which value shall not be required to exceed the VTICA Contribution amount that would have been payable by the Company. Any determination of infeasibility or mechanism for providing alternative arrangements is subject to approval by the City at its sole discretion. Nothing in this Section 19.B shall operate to limit the City's enforcement authority under this Agreement including, without limitation, Section 16, Section 18, and Section 19.A.

Section 20. Conflict of Interest. The Company covenants that, to the Company's knowledge, no employee of the City has any personal interest, direct or indirect, in any matters pertaining to the Project, and the Company agrees to take appropriate steps to prevent any employee of the City from obtaining any such interest throughout the term of this Agreement.

Section 21. Annual Fee. As authorized by Ohio Revised Code Section 3735.671(D), the Company shall pay an annual fee of Five Hundred Dollars (\$500) or one percent (1%) of the annual taxes exempted under this Agreement, whichever is greater, but not to exceed Two Thousand, Five Hundred Dollars (\$2,500) per annum. This fee is due with submission of the information for Annual Review and Report by March 1 of each year.

Section 22. Discontinued Operations. Section 36. Wage Enforcement.

(i) Applicability. Council passed Ordinance No. 22-2016 on February 3, 2016, which ordained Chapter 326 (Wage Enforcement) of the Cincinnati Municipal Code (the "Wage Enforcement Chapter"). The Wage Enforcement Chapter was then amended by Ordinance No. 96-2017, passed May 17, 2017. As amended, the Wage Enforcement Chapter imposes certain requirements upon persons entering into agreements with the City whereby the City provides an incentive or benefit that is projected to exceed \$25,000, as described more particularly in the Wage Enforcement Chapter. Cincinnati Municipal Code Section 326-5 requires that the language below be included in contracts subject to the Wage Enforcement Chapter.

(ii) Required Contractual Language. Capitalized terms used, but not defined, in this clause (ii) have the meanings ascribed thereto in the Wage Enforcement Chapter.

(a) This contract is or may be subject to the Wage Enforcement provisions of the Cincinnati Municipal Code. These provisions require that any Person who has an Agreement with

the city or with a Contractor or Subcontractor of that Person shall report all Complaints or Adverse Determinations of Wage Theft and Payroll Fraud (as each of those terms is defined in Chapter 326 of the Cincinnati Municipal Code) against the Contractor or Subcontractors to the Department of Economic Inclusion within 30 days of notification of the Complaint or Adverse Determination.

(b) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to include provisions in solicitations and contracts regarding a Development Site that all employers, Contractors or Subcontractors performing or proposing to perform work on a Development Site provide an initial sworn and notarized "Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee and, within 30 days of an Adverse Determination or Complaint of Wage Theft or Payroll Fraud, shall provide an "Amended Affidavit Regarding Wage Theft and Payroll Fraud" on a form prescribed by the city manager or his or her designee.

(c) If this contract is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this contract is required to authorize, and does hereby specifically authorize, any local, state or federal agency, court, administrative body or other entity investigating a complaint of Wage Theft or Payroll Fraud against the Person (collectively "investigative bodies") to release to the City's Department of Economic Inclusion any and all evidence, findings, complaints and determinations associated with the allegations of Wage Theft or Payroll Fraud upon the City's request and further authorizes such investigative bodies to keep the City advised regarding the status of the investigation and ultimate determination. If the investigative bodies require the Person to provide additional authorization on a prescribed form or in another manner, the Person shall be required to provide such additional authorization within 14 days of a request by the City.

(d) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall include in its contracts with all Contractors language that requires the Contractors to provide the authorizations set forth in subsection (c) above and that further requires each Contractor to include in its contracts with Subcontractors those same obligations for each Subcontractor and each lower tier subcontractor.

(e) If this Agreement is subject to the Wage Enforcement provisions of Chapter 326 of the Cincinnati Municipal Code, the Person entering into this Agreement shall post a conspicuous notice on the Development Site throughout the entire period work is being performed pursuant to the Agreement indicating that the work being performed is subject to Cincinnati Municipal Code Chapter 326, Wage Enforcement, as administered by the City of Cincinnati Department of Economic Inclusion. Such notice shall include contact information for the Department of Economic Inclusion as provided by the department.

(f) Under the Wage Enforcement provisions, the City shall have the authority, under appropriate circumstances, to terminate this contract or to reduce the incentives or subsidies to be provided under this contract and to seek other remedies, including debarment.

Section 37. Legal Requirements. In completing and operating the Project, the Company shall comply with all applicable statutes, ordinances, regulations, and rules of the government of the United States, State of Ohio, County of Hamilton, and City of Cincinnati.

Section 38. Counterparts and Electronic Signatures. This Agreement may be executed by the parties hereto in two or more counterparts and each executed counterpart shall be considered an original but all of which together shall constitute one and the same instrument. This Agreement may be executed and delivered by electronic signature; any original signatures that are initially delivered electronically shall be physically delivered as soon as reasonably possible.

2. Pursuant to the Cincinnati Municipal Code (CMC) sections 401-133 and -135, the City of Cincinnati, through GCWW has the authority to notify the owner in writing of the requirement to replace the private lead service line.

Subject: EMERGENCY ORDINANCE – SIDEWALK ASSESSMENTS – 2020 - SIDEWALK SAFETY PROGRAM – Miscellaneous Emergency Repair Locations – B Version

Attached is an emergency ordinance captioned as follows:

LEVYING assessments for unpaid costs for necessary sidewalk, sidewalk area, curb and gutter construction, reconstruction and emergency repairs conducted at miscellaneous locations by the City of Cincinnati through its Sidewalk Safety Program, made in accordance with Cincinnati Municipal Code Sections 721-149 through 721-169.

As required by state and local laws, this ordinance declares the necessity of levying assessments to reimburse the City for the cost and expense of repairing, reconstructing, and constructing concrete sidewalk and driveways on certain properties (Exhibit A) abutting the following streets within the City of Cincinnati: Congress Avenue, Hurd Avenue, Junietta Avenue, Knottypine Drive, Pembroke Avenue, and Ritchie Avenue for a total amount of \$8,981.11

We have notified the abutting property owners of the need for these repairs. After providing time for property owners to arrange for repairs, the City directed its contractor to repair the remaining properties on the list. Abutting property owners were then billed the cost of the repairs performed by the City's contractor. The property owners have submitted a written confirmation agreeing to have the repair costs assessed to their property tax bill.

With passage of this ordinance, bills not paid within fifteen days will be assessed as provided by the Ohio Revised Code and the Cincinnati Municipal Code. These amounts are scheduled to be paid over a three-year, five-year, or ten-year, as indicated on the attached Exhibit.

This ordinance modifies the amount of time provided to the citizen for payment to allow the City to meet the Hamilton County Auditor's September 30, 2021 deadline for assessment submittals.

The reason for the emergency is the immediate need to levy the assessments to timely certify the assessments to the County Auditor so the assessments can be placed on the January 2022 tax bills.

The Administration recommends passage of the attached ordinance.

WHEREAS, Cincinnati Municipal Code Chapter 721 requires property owners to keep the sidewalks, sidewalk area, curbs, and gutters abutting their properties safe and in good repair; and

WHEREAS, Cincinnati Municipal Code Section 721-165 authorizes the City to make emergency repairs to sidewalks, sidewalk areas, curbs, and gutters without prior notice to the abutting property owner when necessary to provide for public safety and also to bill the owner for the cost of the work; and

WHEREAS, City inspectors documented the need for emergency sidewalk repairs adjacent to each of the properties listed in the attached Exhibit A (the "Properties"); and

WHEREAS, the City performed the repairs after the owners of the Properties received written notice to make the repairs and failed to do so; and

WHEREAS, the City Council thereafter passed Resolution 35-2021 declaring the need for the emergency sidewalk repairs and the need to assess the Properties for repair and administrative costs incurred by the City in making the repairs; and

WHEREAS, the owners of the Properties have each agreed to have their respective properties assessed to reimburse the City for its costs, and the Clerk of Council has not received any objections to the assessments; and

WHEREAS, in accordance with Cincinnati Municipal Code Sections 721-149 through 721-169, the Council hereby levies assessments on those Properties for which repair and administrative costs remain outstanding following the property owners' failure to pay such amounts within fifteen days of being billed, which assessments shall be certified to the County Auditor and shall be collected in the same manner as real estate taxes; now, therefore,

BE IT ORDAINED by the Council of the City of Cincinnati, State of Ohio:

Section 1. That the City Council hereby assesses those properties identified on the attached Exhibit A (the "Assessed Properties"), incorporated herein by reference, for outstanding

repair and administrative costs incurred by the City in making emergency repairs to the sidewalks, sidewalk areas, curbs, and gutters abutting the Assessed Properties.

Section 2. That each of the Assessed Properties is listed in the attached Exhibit A together with the amount of the assessment and the length of the assessment period.

Section 3. That the assessments shall be payable in cash to the City Treasurer within fifteen days after the passage of this ordinance or, at the option of each property owner, in semi-annual installments for the assessment period.

Section 4. That the assessments not paid in cash within fifteen days are to be certified to the County Auditor by the City Treasurer with interest at the rate of 3.16% for 3-year assessments, 3.36% for 5-year assessments, and 3.93% for 10-year assessments.

Section 5. That notes and bonds of the City of Cincinnati may be issued in anticipation of the collection of the assessments.

Section 6. That any amount received as a result of the assessments levied herein shall be deposited into the Sidewalk Special Assessment Fund No. 791.

Section 7. That a property owner's right under Section 721-159 of the Cincinnati Municipal Code to file a protest against an assessment shall expire 180 days following the date of the first tax bill containing a sidewalk assessment for the protested work.

Section 8. That the Clerk of Council is hereby directed to cause notice to be published once in a newspaper of general circulation within the City of Cincinnati, which notice shall state that the assessments have been made, that they are on file with the Clerk of Council, and that they are available for public inspection and examination by persons interested therein.

Section 9. That this ordinance shall be an emergency measure necessary for the preservation of the public peace, health, safety, and general welfare and shall, subject to the

terms of Article II, Section 6 of the Charter, be effective immediately. The reason for the emergency is the immediate need to levy the assessments to timely certify the assessments to the County Auditor so the assessments can be placed on the January 2022 tax bills.

Subject: **Emergency Ordinance – Moral Obligation Payment to Lumen, Level 3 Communications, LLC**

Attached is an Emergency Ordinance captioned:

AUTHORIZING the payment in an amount not to exceed \$190,000 as a moral obligation to Level 3 Communications LLC for unpaid services rendered in relation to work on the City's primary internet circuit, expansion of the County Law Enforcement Applied Regionally bandwidth to meet increased needs, work on one of the Greater Cincinnati Water Works internet circuits in Lebanon, Ohio, and an emergency increase to the remote work circuit to support the work-from-home initiative put in place at the beginning of the COVID-19 pandemic.

This Emergency Ordinance authorizes the payment in an amount not to exceed \$190,000 as a moral obligation to Level 3 Communications, LLC, doing business as (dba) Lumen, for services provided to the Department of Enterprise Technology Solutions (ETS) in relation to the expansion of the City's primary internet circuit and other miscellaneous work performed for various City agencies.

Lumen provided various services to the City in Fiscal Year 2020 and Fiscal Year 2021 for which funds were not properly encumbered. Although invoices were sent, they were not processed in a timely manner due to a miscommunication between the vendor and City staff. Due to the timing of the encumbrance, a moral obligation payment is required. ETS has identified and resolved the issue which led to this oversight to avoid a similar situation in the future. Communication between ETS and vendors will be improved.

This Emergency Ordinance will also authorize the Finance Director to make a payment from Enterprise Technology Solutions Fund 702 operating budget account no. 702x091x3700x7212 in an amount not to exceed \$190,000 for the purpose of providing payment to the vendor. The portions of the costs borne by the various city agencies will be billed back to those agencies.

The reason for the emergency is the immediate need to pay Level 3 Communications, LLC for services provided to Enterprise Technology Solutions in a timely manner.

The Administration recommends passage of this Emergency Ordinance.

I move that the City Administration assess what changes in various codes are required to allow for installation of privately owned curbside charging stations adjacent to properties with electrical vehicles.

Statement:

Electric vehicles are becoming more prevalent. Some countries, including England and France, have decided to completely ban cars with combustion engine withing the next 20 years. Electrical vehicles can be charged at home, using the electrical power that serves the residence, mostly off a garage or along a driveway.

Some residences do not have a driveway or a garage and must use instead on-street parking. These residences must be allowed, at the cost of the owners, to install a curb side charging station to power their electric cars.

Cincinnati continues to be a leader in sustainable policies and practice. We need to continue this leadership and allow the possibility of having privately owned charging stations at the curb. Consideration should be given to best practices and maintainability, code concerns, and all relevant issues.
