ISSUES

- **Issue 1: Traffic**
 - Lack of enforcements of speed limits
 - Pedestrian safety/ crossings
 - Reconfiguration of major roads- Ludlow and Clifton
- **Issue 2: Business District**
 - Business District struggling because of massive downtown investments
 - City should have a more balanced strategy and support non-downtown business districts
- **Issue 3: Safety**
 - Homelessness, loitering, panhandling, drug activities

ENTREPRENEURS OF COLOR CREATE JOBS AND WEALTH IN COMMUNITIES

But often they don't have access to the resources and culturally-competent training that they need for their businesses to survive and thrive.

18.3%

Of businesses in Cincy are African-American owned, despite representing nearly half of the city's population

MORTAR EXISTS TO HELP HISTORICALLY MARGINALIZED ENTREPRENEURS BUILD BUSINESSES AND TRANSFORM COMMUNITIES.

We believe that any entrepreneur can thrive - when equipped with the right resources and hustle.

The MORTAR Model

1. ENTREPRENEURSHIP ACADEMY

Our nationally-recognized approach is the only program in the country to provide community entrepreneurs with a culturally-competent 15-week curriculum along with access to legal support, funding and mentorship.

The MORTAR Model

2. ALUMNI PROGRAM

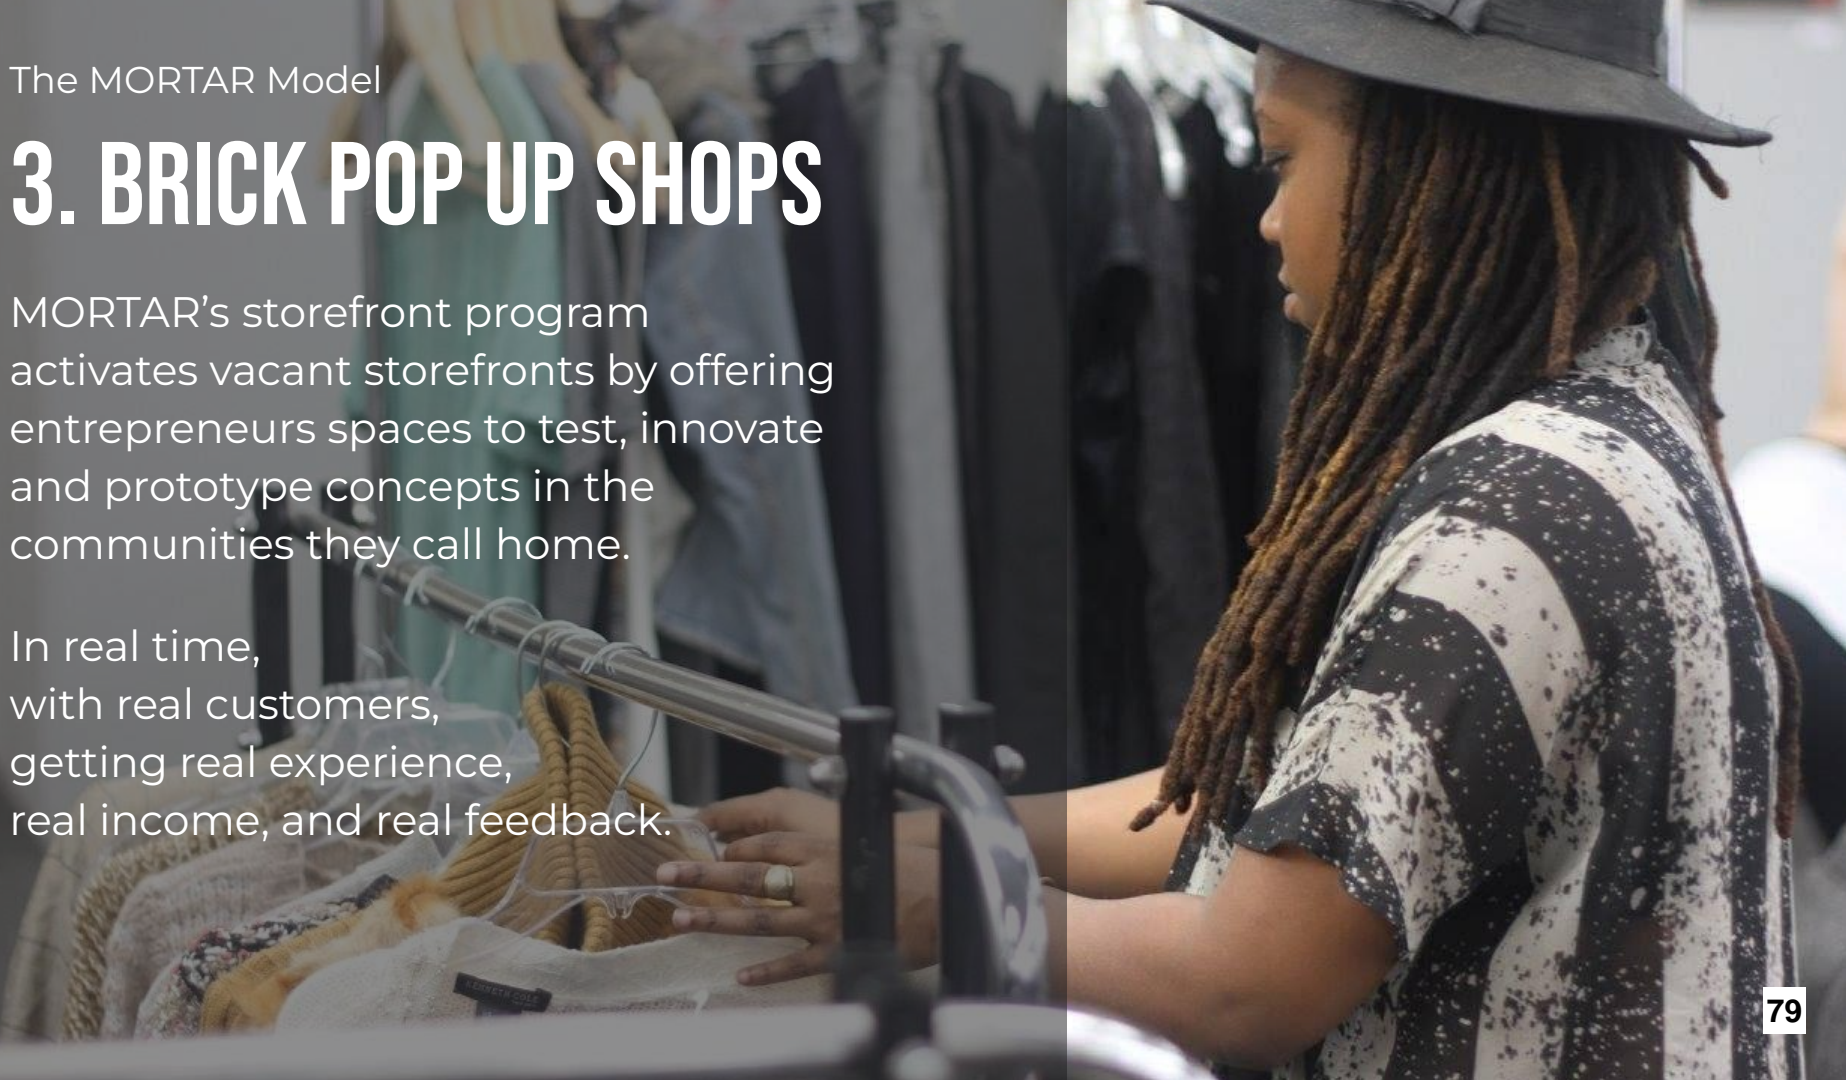

With our 18-month alumni program offerings, we dig in deeper with our graduates. We use this time to deliver personalized assistance, guidance, mentorship, and technical assistance to give them the best possible opportunities to start or scale their enterprises.

The MORTAR Model

3. BRICK POP UP SHOPS

MORTAR's storefront program activates vacant storefronts by offering entrepreneurs spaces to test, innovate and prototype concepts in the communities they call home.

In real time, with real customers, getting real experience, real income, and real feedback.

The MORTAR Model

4. THE IRON CHEST FUND

The Iron Chest Fund builds neighborhoods by providing access to capital for under-represented entrepreneurs. Exclusively for graduates of our Entrepreneurship Academy, we've put nearly \$400k directly in the hands of our entrepreneurs in the form of low-interest loans, grants, and equity investments.

5. ADVOCACY

This is the newest pillar of the MORTAR infrastructure. As we've continued to grow, the need for us to speak up in rooms has become even more valuable.

Sometimes advocacy will exhibit itself as having conversations with real estate developers to carve out more affordable spaces for marginalized entrepreneurs; other times it shows up as working with officials to develop favorable legislation.

MORTAR HAS COMPELLING IMPACT

- We've had 350 graduates in Cincinnati alone
- 100% of MORTAR alumni who were in business at the start of COVID are STILL in business TODAY!
- Additionally, we had alumni open four Food Trucks open and four Brick & Mortar locations

WE HAVE A STRONG TEAM, AND A ROBUST SUPPORT NETWORK.
