Title: MOTION, submitted by Councilmember Walsh, WE MOVE that the administration prepare a report updating council on the Neighborhood VTICA program providing us with projected funding per neighborhood as it currently stands and the projected amount of funding over the span of the existing agreements. We would ask that the report also include recommendations on potential options that would allow for the Neighborhood VTICA to expand opportunities to all our neighborhood such as the legality and feasibility of changing the current 7.5% Neighborhood VTICA currently returning to the neighborhood it is generated in to a larger pot of money for all neighborhoods. We ask that the report be done during summer recess with completion aimed at September 4, 2023.
