File #: 202302777, **Version:** 1

MOTION, submitted by Councilmembers Keating, Jeffreys, Cramerding and Harris, **WE MOVE** that the administration provide a report on options for enhancing on-street parking assts to increase parking availability in the Oakley neighborhood business district. The report should include the feasibility of angled parking on some streets in the neighborhood business district to maximize parking options for customers traveling to Oakley to support destination retail and restaurant establishments.
