**MOTION**, submitted by Councilmembers Harris, Owens, Cramerding and Walsh, **WE MOVE** that the administration input buildings identified as historically significant with intent for future designation in neighborhood or community plans passed by Council and the Planning Commission into the CAGIS system. This should apply retroactively to past plans and be implemented moving forward if community plans specifically call out sites or areas that they would like to explore a designation for. **WE FURTHER MOVE** that the city explore further ways of notifying parties involved in a property transfer that there has been community and city-approved intent for historic designation.
