**MOTION**, submitted from Councilmembers Owens and Parks, **WE MOVE** that the City Administration provide a strategic alignment report in coordination with the priorities and strategies outlined by the OneOhio Region 2 Foundation Governance Board. The report should provide recommendations for both short-term and long-term use of the OneOhio Settlement Funds that have been and will be disbursed, outlining how the City's portion can be used to benefit City residents. These recommendations should be made to complement the allocations by the OneOhio Region 2 Board and Hamilton County. Funds should be used to support projects or initiatives that are highly-leverageable and able to obtain funding from other sources as well. (STATEMENT ATTACHED)
