Title: MOTION, (AMENDED) dated 02/17/2021, submitted by Councilmembers Mann and Landsman, We MOVE that the city should build medians and other traffic calming infrastructure with provisions made for the long-term maintenance needs & costs. We further move the administration present to council a fully funded greenspace maintenance budget that covers the needed maintenance requirements of all city managed properties". We further move that the City provides a report and a maintenance master plan for all such amenities created in the past. The report should include a strategy for taking care of the maintenance. The strategy should include potential redesigns funded through capital funds, to enhance the maintainability of these features. (STATEMENT ATTACHED)
