Title: MOTION, dated 09/13/2021, submitted by Councilmember Landsman, Finding Sensible Solutions to the Operation of Plasma Centers in Already-Vulnerable Communities. WE MOVE that the Administration look into the potential of updating Cincinnati's zoning code to allow for sensible limitations on where plasma centers are able to operate* in recognition of decades of research showing the industry's unfortunate history of exploiting financially insecure neighborhoods and at-risk populations. WE FURTHER MOVE that these findings and ensuring recommendations are reported back to Council as soon as possible, so to allow us to move forward with doing our part to protect already-vulnerable populations from further harm. (STATEMENT ATTACHED).
