

Legislation Details (With Text)

File #: 202201428 **Version:** 1
Type: Motion **Status:** Adopted
File created: 6/14/2022 **In control:** Cincinnati City Council
On agenda: 6/23/2022 **Final action:** 6/23/2022
Enactment date: **Enactment #:**

Title: MOTION, submitted by Councilmembers Jeffreys and Parks, WE MOVE that the Administration reports back to council within ninety (90) days with a policy framework that requires entities performing public roadway improvements and private development projects to maintain existing or improved levels of pedestrian access during construction. WE FURTHER MOVE that the Administration prioritize pedestrian access when evaluating constructions plans and permit applications to ensure that, unless there are extreme spatial limitations (i.e. the maintenance of pedestrian access would result in the complete loss of automobile access), pedestrian access is maintained by: 1) incentivizing/ mandating the use of scaffolding that allows pedestrian access, 2) removing parking lanes to maintain temporary pedestrian access, or 3) removing traffic lanes to maintain temporary pedestrian access. (STATEMENT ATTACHED)
