Title:	MOTION, submitted by Councilmembers Owens and Johnson, WE MOVE for the City Administration to provide a report within the next thirty (30) days on the feasibility, cost, logistics, and any other necessary analysis on expanding the Cincinnati Police Department's gun lock distribution program to include the City's Recreation Centers, Health Facilities, Fire Facilities, and City Hall as locations for distribution. The Administration should also consider community partnerships that will help expand accessibility beyond City Facilities. The report should also address if any additional resources are needed to replenish the supply of gun locks. Based on the availability of City resources, the report should also include recommendations for how to prioritize which facilities received gun locks for distribution, with a particular focus on access to resources in the Top 10 neighborhoods for gun violence.
