Title: MOTION, submitted by Councilmember Walsh and Owens, WE MOVE for the Administration to engage with business owners who operate in the area around Green and Pleasant Streets in Over-the-Rhine, who may be impacted by the expansion of the residential parking permit program approved by Ordinance No. 362-2022 (Attachment A). This community engagement should be carried out alongside the recommendations that will be submitted in response to Motion No. 2022-02004 (Attachment B). The value and history that Findlay Market plays in the fabric of the small business community in Cincinnati cannot be measured. The businesses that set up shop there are crucial to the vibrant energy that Findlay has created. We must ensure that these small businesses have access from citizens who use all modes of transportation to come and shop.
