File #: 202200310, **Version:** 1

MOTION (AMENDED) , submitted by Councilmember Jeffreys, **WE MOVE** that the Administration provide a report within ~~thirty (30)~~ *forty-five (45) days on the cost and timing of doing a comprehensive, multi-year plan across the 52 neighborhoods for pedestrian safety as a roadmap to achieving the City of Cincinnati's Vision Zero policy. This integrated, neighborhood-by-neighborhood plan should include Complete Streets plans where there are structural changes needed to traffic (e.g. road diets, bump outs, speed humps, etc.), as well as protected bike lanes (connecting anchor point destinations of employment, recreation and shopping), permanent implementation of rush hour parking in neighborhood business districts, and dedicated bus lanes- all of which reduce crashes and make our streets safer. The outcome of this report will be a decision on whether to pursue this comprehensive plan based on process, costs, and timing outlined. (STATEMENT ATTACHED).
