MOTION, submitted by Councilmembers Landsman and Owens, **WE HEREBY MOVE** that the Administration report to Council on available data regarding the issue of lead poisoning. This report should cover existing data gathered on both of the main sources of lead poisoning in our region (lead paint and lead pipes), as well as relevant research and data collection initiatives planned for the future. The report should further include recommendations and a feasibility analysis for projects to address lead poisoning, particularly concentrating on ways in which the Health Department and WaterWorks can work together.
